Walk of Shame - Lauren Layne 2017-04-18

USA TODAY BESTSELLER • Sparks fly between a misunderstood New York socialite and a cynical divorce lawyer in this lively standalone rom-com from the author of *Blurred Lines* and *Love Story*. Pampered heiress Georgianna Watkins has a party-girl image to maintain, but all the shopping and clubbing is starting to feel a little bit hollow—and a whole lot lonely. Though Georgie would never admit it, the highlights of her week are the mornings when she comes home at the same time as her uptight, workaholic neighbor is leaving to hit the gym and put in a long day at the office. Teasing him is the most fun Georgie's had in years—and the fuel for all her naughtiest daydreams. Celebrity divorce attorney Andrew Mulrone doesn't have much time for women, especially spoiled tabloid princesses who spend more time on Page Six than at an actual job. Although Georgie's drop-dead gorgeous, she's also everything Andrew resents: the type of girl who inherited her penthouse instead of earning it. But after Andrew caps one of their predawn sparring sessions with a surprise kiss—a kiss that's caught on camera—all of Manhattan is gossiping about whether they're a real couple. And nobody's more surprised than Andrew to find that the answer just might be yes. Praise for *Walk of Shame* "Walk of Shame is everything we have grown to love about Lauren Layne. It's fast-paced, the characters are layered, and the chemistry always smolders."—*Heroes and Heartbreakers* "I have three words to describe *Walk of Shame*: fun, fun, fun! . . . There's nothing sexier than seeing Andrew lose control."—*Harlequin Junkie* (top pick) Lauren Layne's New York Times bestselling Oxford Novel series can be read in any order: **IRRESISTIBLY YOURS** | **I WISH YOU WERE MINE** | **SOMEONE LIKE YOU** | **I KNEW YOU WERE TROUBLE** | **I THINK I LOVE YOU** | **Don't miss any of Lauren Layne's hot reads: The Love Unexpectedly series: BLURRED LINES | GOOD GIRL | LOVE STORY | WALK OF SHAME | AN EX FOR CHRISTMAS** The Sex, Love & Stiletto series: **AFTER THE KISS** | **LOVE THE ONE**

**Twice Shy** - Sarah Hogle 2021-04-06

'This book is the perfect dose of sweet, hilarious joy. . . We are in love' bestselling author Christina Lauren \_\_\_\_\_ If you dream something hard enough, it might just come true. . . Maybell Parrish lives with her head in the clouds, which is the sensible choice because her fantasy life is wonderful. She runs a cosy coffee shop, surrounded by friends and the man of her dreams. Her real life, meanwhile, is full of painful disappointments. So, when Maybell inherits a stately old manor from her Great Aunt Violet, it's her chance to change everything. Yet when she arrives, the house is falling apart around her, and Violet has left a list of demands as eccentric as she was. Worst of all, Maybell isn't the only inheritor: she has to share everything with Wesley Koehler, the groundskeeper who's as grouchy as he is gorgeous - and who has plans of his own for their shared manor. At first, Wesley seems determined to avoid speaking to Maybell completely, but soon she begins to suspect that Wesley's scowls hide a shy, kind nature that has

also found the real world a difficult place - in fact, could it be that Wesley and Maybell are better matched than even Maybell could ever have dreamed? Perfect for fans of Helen Hoang's The Love Quotient and Sally Thorne's The Hating Game, TWICE SHY is laugh-out-loud funny, painfully relatable, and bitingly smart.

\_\_\_\_\_ Praise for You Deserve Each Other: 'Sarah Hogle is a master of comedic dialogue and sexual tension' Kristin Rockaway 'Anyone who has ever been in a relationship will recognize a part of themselves in this book' Lyssa Kay Adams 'An honest depiction of how dishonesty in a relationship can be its undoing. You Deserve Each Other is a sharp and witty look at how relationships take work to succeed, and how being true to yourself and each other is at the very core of a romantic connection' Samantha Young 'You Deserve Each Other is one of my favorite books of the year' Jennifer L. Armentrout 'Laugh-out-loud funny and a love story with incredible heart. I absolutely loved You Deserve Each Other' Katie McGarry 'A snarky heroine, wickedly funny banter and a cast of quirky characters make this a laugh-out-loud read' Maisey Yates, New York Times-bestselling author of Secrets from a Happy Marriage '[A] hilarious debut romance...[that] rewards readers with laugh-out-loud moments and a satisfyingly sweet and redeeming ending' Booklist

**Darkmore Penitentiary** - Caroline Peckham 2020

"“We’re going to own you.” “We’re going to break you.” “When we’re through with you, you won’t remember life before you were ours.” That’s what they whisper as I pass their cells. Ha. Guess what bastardos? I’m Rosalie Oscura, champion underground cage-fighter and freaking Alpha Werewolf from the infamous Oscura Clan. My family wrote the book on criminal organisations and I’ll be ruling this place by the time the next moon rises. Papà always said my hot head would land me in here one day. The supernatural prison they call Darkmore Penitentiary. Where they send the cruellest, most dangerous Fae in Solaria. Like me apparently. So maybe I deserve to be in prison, but do you want to know a secret? I planned to get sent to Darkmore Penitentiary. I’ve come to break out the most notorious criminal in Solaria. The trouble is, I need the help of the four Alpha males to get out of here.

And they happen to hate each other almost as much as they hate me. But I always did love a challenge. How hard could it be to make them accept me as their leader?" -- Back cover.

[The Art of Being Human](#) - Michael Wesch  
2018-08-07

Anthropology is the study of all humans in all times in all places. But it is so much more than that. "Anthropology requires strength, valor, and courage," Nancy Scheper-Hughes noted. "Pierre Bourdieu called anthropology a combat sport, an extreme sport as well as a tough and rigorous discipline. ... It teaches students not to be afraid of getting one's hands dirty, to get down in the dirt, and to commit yourself, body and mind. Susan Sontag called anthropology a "heroic" profession." What is the payoff for this heroic journey? You will find ideas that can carry you across rivers of doubt and over mountains of fear to find the the light and life of places forgotten. Real anthropology cannot be contained in a book. You have to go out and feel the world's jagged edges, wipe its dust from your brow, and at times, leave your blood in its soil. In this unique book, Dr. Michael Wesch shares many of his own adventures of being an anthropologist and what the science of human beings can tell us about the art of being human. This special first draft edition is a loose framework for more and more complete future chapters and writings. It serves as a companion to anth101.com, a free and open resource for instructors of cultural anthropology. This 2018 text is a revision of the "first draft edition" from 2017 and includes 7 new chapters.

**Five Feet Apart** - Rachael Lippincott  
2019-02-05

Now a major motion picture starring Cole Sprouse and Haley Lu Richardson! Goodreads Choice Winner, Best Young Adult Fiction of 2019 In this #1 New York Times bestselling novel that's perfect for fans of John Green's *The Fault in Our Stars*, two teens fall in love with just one minor complication—they can't get within a few feet of each other without risking their lives. Can you love someone you can never touch? Stella Grant likes to be in control—even though her totally out of control lungs have sent her in and out of the hospital most of her life. At this point, what Stella needs to control most is keeping herself away from anyone or anything that might

pass along an infection and jeopardize the possibility of a lung transplant. Six feet apart. No exceptions. The only thing Will Newman wants to be in control of is getting out of this hospital. He couldn't care less about his treatments, or a fancy new clinical drug trial. Soon, he'll turn eighteen and then he'll be able to unplug all these machines and actually go see the world, not just its hospitals. Will's exactly what Stella needs to stay away from. If he so much as breathes on Stella she could lose her spot on the transplant list. Either one of them could die. The only way to stay alive is to stay apart. But suddenly six feet doesn't feel like safety. It feels like punishment. What if they could steal back just a little bit of the space their broken lungs have stolen from them? Would five feet apart really be so dangerous if it stops their hearts from breaking too?

*Raising Humans in a Digital World* - Diana Graber  
2019-01-15

The Internet can be a scary, dangerous place especially for children. This book shows parents how to help digital kids navigate this environment. Sexting, cyberbullying, revenge porn, online predators...all of these potential threats can tempt parents to snatch the smartphone or tablet out of their children's hands. While avoidance might eliminate the dangers, that approach also means your child misses out on technology's many benefits and opportunities. In *Raising Humans in a Digital World*, digital literacy educator Diana Graber shows how children must learn to handle the digital space through: developing social-emotional skills balancing virtual and real life building safe and healthy relationships avoiding cyberbullies and online predators protecting personal information identifying and avoiding fake news and questionable content becoming positive role models and leaders *Raising Humans in a Digital World* is packed with at-home discussion topics and enjoyable activities that any busy family can slip into their daily routine. Full of practical tips grounded in academic research and hands-on experience, today's parents finally have what they've been waiting for—a guide to raising digital kids who will become the positive and successful leaders our world desperately needs.

Raelynn I don't do impulsive. Impulsive killed the love of my life. Stole my one shot at happiness. So when I heard about a K&R firm in Seattle looking for new recruits, I took a chance. They say they're a family, but I'm still an outsider. Maybe that's by choice. This orderly, controlled life ain't the one I wanted, but I'm making the best of it. Until I meet a man who sets me on fire. We burn hot, but he's got secrets. Then again, so do I. I'm startin' to think nothin' can douse these flames. Except a killer hell-bent on revenge. Nash I don't make plans. Or friends. Or stay in one place for more than six months. But when I rescue a drop-dead gorgeous Texan spitfire in the middle of a storm, I start to realize just how lonely I've been. I shouldn't start anything with Raelynn, but my heart has other plans. Now my past is catching up with me. I'm on the wrong side of a whole lot of crap, and the only way out? Letting Raelynn in. I'm putting her in danger. So why can't I walk away?

[Social TV](#) - Cory Barker 2022-06-27

Winner of the 2023 SCMS Media Industries Scholarly Interest Group Outstanding Book Award sponsored by the Center for Entertainment & Media Industries On March 15, 2011, Donald Trump changed television forever. The Comedy Central Roast of Trump was the first major live broadcast to place a hashtag in the corner of the screen to encourage real-time reactions on Twitter, generating more than 25,000 tweets and making the broadcast the most-watched Roast in Comedy Central history. The #trumproast initiative personified the media and tech industries' utopian vision for a multi-screen and communal live TV experience. In *Social TV: Multi-Screen Content and Ephemeral Culture*, author Cory Barker reveals how the US television industry promised—but failed to deliver—a social media revolution in the 2010s to combat the imminent threat of on-demand streaming video. Barker examines the rise and fall of Social TV across press coverage, corporate documents, and an array of digital ephemera. He demonstrates that, despite the talk of disruption, the movement merely aimed to exploit social media to reinforce the value of live TV in the modern attention economy. Case studies from broadcast networks to tech start-ups uncover a persistent focus on community that aimed to monetize consumer behavior in a transitional industry period. To trace these unfulfilled promises and flopped ideas, Barker draws upon a unique mix of personal Social TV experiences and curated archives of material that were intentionally marginalized amid pivots to the next big thing. Yet in placing this now-forgotten material in recent historical context, *Social TV* shows how the era altered how the industry pursues audiences. Multi-screen campaigns have shifted away from a focus on live TV and toward all-day "content" streams. The legacy of Social TV, then, is the further embedding of media and promotional material

**The Do-Over Boxed Set** - Julia Kent 2022-02-28

Mallory (Fluffy), Persephone (Perky), Fiona (Feisty), and Hastings (Hasty) come from the small town of Anderhill, Massachusetts, with lives that take sudden turns as they get surprise "do-overs" when it comes to love. This boxed set features New York Times bestselling author Julia Kent's first three books in the series, starting with the prequel, *Little Miss Perfect*, which takes place ten years before Book 1, when Mallory Monahan and Will Lotham competed for valedictorian in high school. The nerd and the quarterback have a tantalizing encounter, but what happens when they meet ten years later is unbelievable... Which brings us to *Fluffy* — how Will and Mallory reconnect is a tale of mishaps, misunderstandings, and Mallory's innocent mistake in thinking a job on Craigslist for a "fluffer" meant a house designer. Oops. This boxed set continues with *Perky*, another second-chance "do-over" for Persephone and Parker. Five years ago, he released very, very private photos that turned Perky into a social media sensation in the worst way possible. Hurt and betrayed, she's blocked him from her life and her heart. But what if he didn't do it? And surprise! He's a member of Mallory and Will's wedding party, too. Second chances and do-overs never felt so good... *The Do-Over Boxed Set* is a romantic comedy binge read. Get ready for a massive laughfest escape! \*\*Get the boxed set audiobook, narrated by Audie award winner Erin Mallon\*\*

**The Story of Emoji** - Gavin Lucas 2016

This is the first book to explain the genesis and cultural significance of emoji, the world's cutest and most popular form of shorthand. If you have a Twitter account or regularly send text messages, it's highly likely that you've used or received emoji. These characters include symbols and pictograms that represent a host of everyday objects and activities plus, crucially, a selection of faces that denote a range of emotions from happy to sad, angry, confused, surprised, or tired. The word "emoji" literally translates from Japanese as "picture" (e) and "character" (moji). *The Story of Emoji* traces emoji from their origin as a symbol typeface created specifically for on-screen use by a Japanese mobile phone provider in the late 1990s to an international communication phenomenon. As well as a history of emoji and an interview with their creator, Shigetaka Kurita, the book includes an exploration of non-text typefaces, from the decorative fleurons of the early days of the printing press to the innumerable digital typefaces available today, to the use of emoticons, ASCII art, and kaomoji in typed messages. It also looks at an array of artworks, fashion lines, special character sets, advertisements, and projects that convey emoji's widespread impact on contemporary culture. Finally, the book concludes with a section for which a group of illustrators, artists, and graphic designers have created original emoji characters they wish existed, including bacon, a vinyl record, and even a "stabbed-in-the-back" emoji.

They say that the only thing worse than having a job is not having a job, but they're wrong. There is something worse than not having a job. It is being so desperate in looking for work that you show up at Edna's Employment Agency where her team of charlatans, ne'er-do-wells, and screwups probably won't find you a job, but they will find you some laughs as they loudly discuss their sex lives, fake drug tests, break into the office, burn down the office, dig donuts out of the trash, get punched in the face, make fun of resumes, drag coworkers into the restroom, hide under desks, get drunk, look for better jobs themselves, treat cancer as a bad excuse for missing work, plot their way through office politics using bagels, take smoke breaks during their smoke breaks, watch training videos from the 1980s, use copious amounts of profanity to prepare for meetings, engage in slapstick to express their status, war against the I.T. department, fume that people who don't even know how to spell make more money than they

do, and, sometimes--just sometimes--, actually work. And that's just the staff of the staffing firm. Then there are the temps . . . You'll meet them all in Edna's Employment Agency, the book you shouldn't bring to a job interview because you're dressed nicely, so you don't want to piss yourself laughing. Unless, you know, it's that kind of job . . . If you like television shows such as *The Office* and *Parks And Recreation*, then you likely will enjoy this novel of workplace humor.
