**Beautiful Booze: Stylish Cocktails to Make at Home** - Natalie Migliarini 2020-08-25

Gorgeous cocktails that taste as good as they look Shaken, stirred, clarified, layered, floral, and more—these stunning recipes are made for every cocktail lover. Natalie Migliarini's self-taught cocktail skills and James Stevenson's industry know-how form the powerful partnership that is Beautiful Booze. Their mixology wizardry and worldly expertise will have you twisting cocktail classics with ease—from sours and tropical tipples to beverages with more unique ingredients (Martinis made with butterfly pea gin, anyone?). With vibrantly photographed recipes like the Limoncello Negroni, Prickly Pear and Pineapple Clarified Margarita, Lavender Fizz, and more, you'll be just as thrilled to show this book off as you will be to mix its drinks.

*Kitchenspace* - Maria Elisa Christie 2009-08-17

Throughout the world, the kitchen is the heart of family and community life. Yet, while everyone has a story to tell about their grandmother's kitchen, the myriad activities that go on in this usually female world are often devalued, and little scholarly attention has been paid to this crucial space in which family, gender, and community relations are forged and maintained. To give the kitchen the prominence and respect it merits,

Maria Elisa Christie here offers a pioneering ethnography of kitchenspace in three central Mexican communities, Xochimilco, Ocotepc, and Tetecala. Christie coined the term "kitchenspace" to encompass both the inside kitchen area in which everyday meals for the family are made and the larger outside cooking area in which elaborate meals for community fiestas are prepared by many women working together. She explores how both kinds of meal preparation create bonds among family and community members. In particular, she shows how women's work in preparing food for fiestas gives women status in their communities and creates social networks of reciprocal obligation. In a culture rigidly stratified by gender, Christie concludes, kitchenspace gives women a source of power and a place in which to transmit the traditions and beliefs of older generations through quasi-sacramental food rites.

**Seeing Around Corners** - Rita McGrath 2019

The first prescriptive, innovative guide to seeing inflection points before they happen--and how to harness these disruptive influences to give your company a strategic advantage. Paradigmatic shifts in the business landscape, known as inflection points, can either create new, entrepreneurial opportunities (see Amazon and Netflix) or they can lead to devastating consequences (e.g., Blockbuster and Toys R Us). Only those leaders who can "see around corners"-that is, spot the disruptive inflection points developing before they hit-are poised to succeed in this market. Columbia Business School Professor and corporate consultant Rita McGrath contends that inflection points, though they may seem

sudden, are not random. Every seemingly overnight shift is the final stage of a process that has been subtly building for some time. Armed with the right strategies and tools, smart businesses can see these inflection points coming and use them to gain a competitive advantage. Seeing Around Corners is the first hands-on guide to anticipating, understanding, and capitalizing on the inflection points shaping the marketplace.

[Vintage Spirits and Forgotten Cocktails](#) - Ted Haigh 2009-10-01

In this expanded and updated edition of *Forgotten Cocktails and Vintage Spirits*, historian, expert, and drink aficionado Dr. Cocktail adds another 20 fine recipes to his hand-picked collection of 80 rare-and-worth-rediscovered drink recipes, shares revelations about the latest cocktail trends, provides new resources for uncommon ingredients, and profiles of many of the cocktail world's movers and shakers. Historic facts, expanded anecdotes, and full-color vintage images from extremely uncommon sources round out this must-have volume. For anyone who enjoys an icy drink and an unforgettable tale.

[The Joy of Mixology, Revised and Updated Edition](#) - Gary Regan 2018-08-28

A thoroughly updated edition of the 2003 classic that home and professional bartenders alike refer to as their cocktail bible. Gary Regan, the "most-read cocktail expert around" (*Imbibe*), has revised his original tome for the 15th anniversary with new material: many more cocktail recipes—including smart revisions to the originals—and fascinating information on the drink making revival that has popped up in the past decade, confirming once again that this is the only cocktail reference you need. A prolific writer on all things cocktails, Gary Regan and his books have been a huge influence on mixologists and bartenders in America. This brand-new edition fills in the gaps since the book first published, incorporating Regan's special insight on the cocktail revolution from 2000 to the present and a complete overhaul of the recipe section. With Regan's renowned system for categorizing drinks helps bartenders not only to remember drink recipes but also to invent their own, *The Joy of Mixology, Revised and Updated Edition* is the original drinks book for

both professionals and amateurs alike.

#### **The Craft of the Cocktail** - Dale DeGross 2010-07-14

The first real cookbook for cocktails, featuring 500 recipes from the world's premier mixologist, Dale DeGross. Covering the entire breadth of this rich subject, *The Craft of the Cocktail* provides much more than merely the same old recipes: it delves into history, personalities, and anecdotes; it shows you how to set up a bar, master important techniques, and use tools correctly; and it delivers unique concoctions, many featuring DeGross's signature use of fresh juices, as well as all the classics. It begins with the history of spirits, how they're made (but without too much boring science), the development of the mixed drink, and the culture it created, all drawn from DeGross's vast library of vintage cocktail books. Then on to stocking the essential bar, choosing the right tools and ingredients, and mastering key techniques—the same information that DeGross shares with the bartenders he trains in seminars and through his videos. And then the meat of the matter: 500 recipes, including everything from tried-and-true classics to of-the-moment originals. Throughout are rich stories, vintage recipes, fast facts, and other entertaining asides. Beautiful color photographs and a striking design round out the cookbook approach to this subject, highlighting the difference between an under-the-bar handbook and a stylish, full-blown treatment. *The Craft of the Cocktail* is that treatment, destined to become the bible of the bar.
