Love Letters of Great Men - Ursula Doyle 2008-08-05

From the private papers of Mark Twain and Mozart to those of Robert Browning and Nelson, *Love Letters of Great Men* collects together some of the most romantic letters in history. For some of these great men, love is a 'delicious poison' (William Congreve); for others, 'a nice soft wife on a sofa with good fire, & books & music' (Charles Darwin). Love can scorch like the heat of the sun (Henry VIII), or penetrate the depths of one's heart like a cooling rain (Flaubert). Every shade of love is here, from the exquisite eloquence of Oscar Wilde and the simple devotion of Robert Browning, to the wonderfully modern misery of the Roman Pliny the Younger, losing himself in work to forget how much he misses his beloved wife, Calpurnia. Taken together, these *Love Letters of Great Men* show that perhaps men haven't changed so very much over the last 2,000 years; passion, jealousy, hope and longing are all represented here - as is the simple pleasure of sending a letter to, and receiving one from, the person you love most.

The Man in the High Castle - Philip K. Dick 2011

In a classic work of alternate history, the United States is divided up and ruled by the Axis powers after the defeat of the Allies during World War II. Reissue. Winner of the Hugo Award for Best Novel.

The Boys in the Boat - Daniel James Brown 2021-03-30

The #1 New York Times–bestselling story about the American Olympic rowing triumph in Nazi Germany—from the author of *Facing the Mountain*. Soon to be a major motion picture directed by George Clooney For readers of *Unbroken*, out of the depths of the Depression comes an irresistible story about beating the odds and finding hope in the most desperate of times—the improbable, intimate account of how nine working-class boys from the American West showed the world at the 1936 Olympics in Berlin what true grit really meant. It was an unlikely quest from the start. With a team composed of the sons of loggers, shipyard workers, and farmers, the University of Washington's eight-oar crew team was never expected to defeat the elite teams of the East Coast and Great Britain, yet they did, going on to shock the world by defeating the German team rowing for Adolf Hitler. The emotional heart of the tale lies with Joe Rantz, a teenager without family or prospects, who rows not only to regain his shattered self-regard but also to find a real place for himself in the world. Drawing on the boys' own journals and vivid memories of a once-in-a-lifetime shared dream, Brown has created an unforgettable portrait of an era, a celebration of a remarkable achievement, and a chronicle of one extraordinary young man's personal quest.

Fleishman Is in Trouble - Taffy Brodesser-Akner 2020-07-07

NEW YORK TIMES BESTSELLER • NATIONAL BOOK AWARD LONGLIST • "A masterpiece" (NPR) about marriage, divorce, and the bewildering dynamics of ambition Coming soon as an FX limited series on Hulu, starring Claire Danes, Jesse Eisenberg, Lizzy Caplan, and Adam Brody ONE OF THE TEN BEST BOOKS OF THE YEAR—Entertainment Weekly, The New York Public Library ONE OF THE BEST BOOKS OF THE YEAR—The New York Times Book Review, Time, The Washington Post, USA Today Vanity Fair, Vogue, NPR, Chicago Tribune, GQ, Vox, Refinery29, Elle, The Guardian, Real Simple, Financial Times, Parade, Good Housekeeping, New Statesman, Marie Claire, Town & Country, Evening Standard, Thrillist, Booklist, Kirkus Reviews, BookPage, BookRiot, Shelf Awareness Toby Fleishman thought he knew what to expect when he and his wife of almost fifteen years separated: weekends and every other holiday with the kids, some residual bitterness, the occasional moment of tension in their co-parenting negotiations. He could not have predicted that one day, in the middle of his summer of sexual emancipation, Rachel would just drop their two children off at his place and simply not return. He had been working so hard to find equilibrium in his single life. The winds of his optimism, long dormant, had finally begun to pick up. Now this. As Toby tries to figure out where Rachel went, all while juggling his patients at the hospital, his never-ending parental duties, and his new app-assisted sexual popularity, his tidy narrative of the spurned husband with the too-ambitious wife is his sole consolation. But if Toby ever wants to truly understand what happened to

Rachel and what happened to his marriage, he is going to have to consider that he might not have seen things all that clearly in the first place. A searing, utterly unvarnished debut, *Fleishman Is in Trouble* is an insightful, unsettling, often hilarious exploration of a culture trying to navigate the fault lines of an institution that has proven to be worthy of our great wariness and our great hope. Alma's Best Jewish Novel of the Year • Finalist for the National Book Critics Circle's John Leonard Prize for Best First Book *Fashion and Celebrity Culture* - Pamela Church Gibson 2013-08-15

The interrelationship between fashion and celebrity is now a salient and pervasive feature of the media world. This accessible text presents the first in-depth study of the phenomenon, assessing the degree to which celebrity culture has reshaped the fashion system. *Fashion and Celebrity Culture* critically examines the history of this relationship from its growth in the nineteenth century to its mutation during the twentieth century to the dramatic changes that have befallen it in the last two decades. It addresses the fashion-celebrity nexus as it plays itself out across mainstream cinema, television and music and in the celebrity status of a range of designers, models and artists. It explores the strategies that have enabled visual culture to recast itself in the new climate of celebrity obsession, popular culture and the art world to respond adaptively to its insistent pressures. With its engaging analysis and case studies from Lillian Gish to Louis Vuitton to Lady Gaga, *Fashion and Celebrity Culture* is of major interest to students of fashion, media studies, film, television studies and popular culture, and anyone with an interest in this global phenomenon.

L.A. Story - Steve Martin 1997

Steve Martin's hysterical antics and brilliant physical comedy have made him a star. But his credits also include work as a writer. He co-wrote and starred in *The Jerk*, *Dead Men Don't Wear Plaid*, and *Three Amigos*, and has been a regular contributor to *The New Yorker*. *L.A. Story* and *Roxanne*--which won the award for Best Screenplay from the Writers Guild of America--are both romantic comedies that demonstrate his original comic vision and talent for maintaining order in the zany worlds he creates. In *Roxanne*, his modernization of *Cyrano de Bergerac*, with its classic themes of unrequited love and mistaken identity, Martin asks whether looks outweigh charm and intellect in the game of love. *L.A. Story* is Steve Martin's West Coast answer to Woody Allen's *Manhattan*, a hilarious, insider's parody of Los Angeles that furnished Martin with one of his most original roles.

The Negro Motorist Green Book - Victor H. Green

The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

Beyond Sitcom - Antonio Savorelli 2010-04-13

This book explores the mechanisms that have driven the evolution of televisual comedy from the classic sitcom, a genre deeply rooted in its theatrical origins, toward a more mature stage of television's history. It analyzes four comic series--*Scrubs*, *The Office*, *The Comeback*, and *Ugly Betty*--revealing how each separates itself from the traditional sitcom archetype and shows increased awareness of the comic genre. Throughout the author focuses on two cardinal themes: the relationship between comedy and euphoria; and the relationship between comic texts and reality.

Sex and the City - Candace Bushnell 2013-04-01

"Relationships in New York are about detachment, so how do you get attached when you decide you want to?" "Honey, you leave town." Meet Carrie, Miranda, Sam and their stylish friends. Successful, attractive, thirty-something career women living the high life in New York; blazing a glorious cocktail trail from the Bowery Bar to the Baby Doll Lounge; holidaying in the Hamptons and going to Aspen by Lear Jet. But they have more in common than just their enviable lifestyle; they're all searching for lasting love. Finding it is easier said than done in a town full of gorgeous, single, rich men, none of whom want to settle down. Toxic bachelors and serial daters are a perennial problem - but maybe Mr. Big will be different?

Chick Lit - Suzanne Ferriss 2013-03-07

From the bestselling Bridget Jones's Diary that started the trend to the television sensation Sex and the City that captured it on screen, "chick lit" has become a major pop culture phenomenon. Banking on female audiences' identification with single, urban characters who struggle with the same life challenges, publishers have earned millions and even created separate imprints dedicated to the genre. Not surprisingly, some highbrow critics have dismissed chick lit as trashy fiction, but fans have argued that it is as empowering as it is entertaining. This is the first volume of its kind to examine the chick lit phenomenon from a variety of angles, accounting for both its popularity and the intense reactions-positive and negative-it has provoked. The contributors explore the characteristics that cause readers to attach the moniker "chick" to a particular book and what, if anything, distinguishes the category of chick lit from the works of Jane Austen on one end and Harlequin romance novels on the other. They critique the genre from a range of critical perspectives, considering its conflicted relationship with feminism and postfeminism, heterosexual romance, body image, and consumerism. The fourteen original essays gathered here also explore such trends and subgenres as "Sistah Lit," "Mommy Lit," and "Chick Lit Jr.," as well as regional variations. As the first book to consider the genre seriously, Chick Lit offers real insight into a new generation of women's fiction.

Baby's Day Out - Ron Fontes 1994-07

A gang of con-artists posing as baby photographers get more than they can handle at the Cotwell house.

Media Review Digest - C. Edward Wall 2006

Ender's Game - Jed Alger 2013-10-15

Based on the best-selling novel, Ender's Game tells the thrilling story of the fight to save the world from a devastating future. Now, in this official companion volume, the behind-the-scenes world of the film is brought into stunning focus. Following an attack by an alien race known as the Formics—narrowly countered thanks only to the efforts of legendary war hero Mazer Rackham (Ben Kingsley)—Earth has been preparing itself for the next wave in the conflict. The fate of humanity lies in finding the next Mazer from a crop of the brightest young minds on the planet. Under the watchful eye of the International Fleet, the venerated Colonel Hyrum Graff (Harrison Ford) has been tasked with overseeing their training. Before long, a standout emerges among them: Ender Wiggin (Asa Butterfield), a shy but prodigiously talented misfit. His potential discovered, Ender is promoted to Command School, where he will soon find the war with the Formics to be more complex than he could have ever imagined. Packed with in-depth interviews, removable posters and army badges, stunning concept art, unparalleled access to the visual effects archives at Digital Domain, and countless full-color images, this insightful insider's view of the making of Ender's Game will bring fans closer into the world of the movie, following cast and crew as it is brought to dazzling life. Also featuring Hailee Steinfeld (True Grit) as Petra Arkanian, Viola Davis (The Help) as Major Gwen Anderson, and Abigail Breslin (Little Miss Sunshine) as Ender's brilliant older sister, Valentine.

The City of Ember - Jeanne DuPrau 2009-07-15

Many hundreds of years ago, the city of Ember was created by the Builders to contain everything needed for human survival. It worked - but now the storerooms are almost out of food, crops are blighted, corruption is spreading through the city and worst of all - the lights are failing. Soon Ember could be engulfed by darkness-But when two children, Lina and Doon, discover fragments of an ancient parchment, they begin to wonder if there could be a way out of Ember. Can they decipher the words from long ago and find a new future for everyone? Will the people of Ember listen to them?

The Lost City of Z - David Grann 2010-01-26

#1 NEW YORK TIMES BESTSELLER • From the author of Killers of the Flower Moon comes a masterpiece of narrative nonfiction that unravels the greatest exploration mystery of the twentieth century—the story of the legendary British explorer who ventured into the Amazon jungle in search of a fabled civilization and never returned. “Suspenseful...rollicking.” —The New York Times In 1925, Percy Fawcett went into the Amazon jungle, in search of a fabled civilization. He never returned. Over the years countless perished trying to find evidence of his party and the place he called “The Lost City of Z.” In this masterpiece, journalist David Grann interweaves the spellbinding stories of Fawcett's quest for “Z” and his own journey into the deadly jungle. Look for David Grann's new book, *The Wager*, coming in April 2023!

Soul Surfer - Bethany Hamilton 2012-12-25

They say Bethany Hamilton has saltwater in her veins. How else could one explain the tremendous passion that drives her to surf? How else could one explain that nothing - not even the loss of her arm in a horrific shark attack - could come between her and the waves? That Halloween morning in Kauai, Hawaii Bethany responded to the shark's stealth with a calmness beyond belief. Pushing pain and panic aside, she immediately thought: 'Get to the beach...' Rushed to the hospital, where her father, Ted Hamilton, was about to undergo knee surgery, Bethany found herself taking his spot in the operating theatre. When the first thing Bethany wanted to know after surgery was 'When can I surf again?' it became clear that her unfaltering spirit and determination were part of a greater story - a tale of courage and faith that this modest and soft-spoken girl would come to share with the world.

The Carrie Diaries (The Carrie Diaries, Book 1) - Candace Bushnell 2010-05-20

Meet Carrie Bradshaw before 'Sex and the City!'

Are You There God? It's Me, Margaret. - Judy Blume 2014-04-29

Faced with the difficulties of growing up and choosing a religion, a 12-year-old girl talks over her problems with her own private God. Reissued with a fresh new look and cover art. Simultaneous.

Strategic Reinvention in Popular Culture - Richard Pfefferman 2013-12-11

Not all original works invoke the encore impulse in their audiences. Those that do generally spawn replications - sequels, spin-offs, or re-makes. This book presents a theory of why some replications succeed and others fail across genres and media.

How Do You Live? - Genzaburo Yoshino 2021-04-08

The beloved multi-million copy bestselling Japanese classic about finding one's place in the world A NEW YORK TIMES BESTSELLER Academy Award-winning anime master Hayao Miyazaki's favourite childhood book and the inspiration behind the Studio Ghibli film 'In How Do You Live?, Copper, our hero, and his uncle are our guides in science, in ethics, in thinking. And on the way they take us, through a school story set in Japan in 1937, to the heart of the questions we need to ask ourselves about the way we live our lives. We will experience betrayal and learn about how to make tofu. We will examine fear, and how we cannot always live up to who we think we are, and we learn about shame, and how to deal with it. We will learn about gravity and about cities, and most of all, we will learn to think about things - to, as the writer Theodore Sturgeon put it, ask the next question' - from the foreword by Neil Gaiman
