#### **Blank Page - Rosi Orozco 2020-08**

Blank Page presents the terrifying reality, challenges, and scope of human trafficking through the stories of ten brave survivors. It is written by one of the world's foremost figures in anti-trafficking efforts, the internationally recognized activist and author Rosi Orozco, who has been nominated for the Nobel prize for her heroic efforts in rescuing victims, creating refuges, lobbying for political and legislative change, and raising awareness. Included after each story is concise, practical information about specific topics related to human trafficking. The personal nature of each survivor's experiences, combined with the research and in-the-trenches involvement of the author, create an unforgettable portrayal of the horrors of human trafficking and what must be done to stop it.

#### **One Thousand Elsewhere - Keeya Vawar 2022**

Every year, more than 300,000 youth are victims of human trafficking and sexual exploitation across the United States. What's scarcely known is that Black Girls are disproportionately 'at risk' of being trafficked and their stories often go untold for reasons far more complicated than mere reporting, or statistical oversight. She was given the opportunity to escape the abusive and tumultuous home life and faced with the prospect of meeting some of the biggest and most influential names in the music industry. She was presented with the possibility of creating "the life she always wanted," 16-year-old Keeya found herself on a Greyhound bus to Atlanta Georgia in the Spring of 1992. Lured into a life of debauchery and exploitation that would leave her hollow and disaffected for years to come; she survived! One of the most harrowing accounts of the reality of juvenile abuse and victimization ever told, One Thousand Elsewhere takes you into a world where innocence is traded for survival; where trust is sacrificed on the altar of instinct, and where love and safety are dreams scarcely obtained. Few have come out of the shadows to tell their truth, and fewer even would dare divulge the kind of raw and unforgettable details shared here by Keeya Vawar. In this brave account of a survival story, Keeya leaves readers mesmerized and on the edge of their seats as she details the incredible twists and turns on the unforgettable path that led to ultimate freedom. One Thousand Elsewhere will etch an indelible inscription on the walls of the heart and soul of anyone who dares to indulge in this triumphant true story!

#### **When Angels Fight - Leslie F. King 2022-02-15**

As seen on The Today Show When she was fifteen years old, Leslie King ran away from an abusive home, looking for a better life and longing for real love. What she found instead was a man who wooed her just long enough to trap her in a life of prostitution. She became one of the many thousands of trafficked individuals in the United States, a number that continues to rise--in the biggest cities and in the most idyllic towns. As is true for so many in similar situations, life was nothing but brokenness and pain for Leslie. After years of hopelessness, she finally decided to

take her own life. And then God spoke. With his promise that he was with her and had mighty things for her to accomplish ringing in her ears, she got off the streets, got clean, and got to work on the mission to which he'd called her. Now Leslie is a passionate and heroic advocate for other trafficked women and teenage girls in her community and across the country. More than a gritty, no-holds-barred deliverance story, When Angels Fight includes powerful advice from Leslie and those she's encountered in her work--police officers, judges, and other advocates and activists. She also shows you what YOU can do to make a real difference in your own community. Her call from God includes marshaling others to the cause and equipping them to fight alongside her and the angels who battle for God's children--just as they once fought for her.

#### **The White Umbrella - Mary Frances Bowley 2012-10-01**

Stories of survivors of sex-trafficking. Sex trafficking. We hear about it on the nightly news and in special interest stories from around the world, but it occurs daily in communities all around us. Every year, thousands of young women are forced into sexual exploitation. Most are under the age of 18. The damage this causes to their emotions and souls is immeasurable. But they are not without hope. The White Umbrella tells stories of survivors as well as those who came alongside to help them to recovery. It describes the pain and the strength of these young women and those who held the "white umbrella" of protection and purity over them on the road to restoration. This book offers principles and guidance to anyone with a heart for these hurting young women and a desire to help. It is an ideal resource for individuals or organizations seeking to learn what they can do to assist these victims in becoming whole again.

#### **What Happened to Me?! - Toni McKinley 2018-08-17**

Sex trafficking is too common in our country and there are many who are seeking healing. It is difficult to get that healing when your own story is confusing. Sex trafficking is very complex and not easy for outsiders to understand let alone the person it happened to. What Happened to Me helps survivors of sex trafficking understand and comprehend what they experienced. Real life stories of other survivors that have been trafficked by family, pimps, and gangs help give voice to what happened to the survivors reading this book. It is meant to help break the trauma bond and walk them through the healing process. Survivors as well as clinicians, advocates, and anyone else wanting to understand more about trafficking will benefit from the knowledge in this book. This book was written by a survivor leader who in a licensed counselor that helps other survivors like her heal.

*The Slave Across the Street* - Theresa L. Flores 2019-08-17

\*\*\* Wall Street Journal and USA Today best seller! \*\*\* While more and more people each day become aware of the dangerous world of human trafficking, most people in the U.S. still believe this is something that happens to foreign women, men, and children--not something that happens to their own. In this powerful true story, Theresa L. Flores shares how her life as an All-American, blonde-haired 15-year-old teenager who could have been your neighbor was enslaved into the dangerous world of sex trafficking while living in an upper-middle class suburb of Detroit. Her story peels the cover off of this horrific criminal activity and gives dedicated activists as well as casual bystanders a glimpse into the underbelly of trafficking. And it all happened while living at home without her parents ever knowing about it. Involuntarily involved in a large underground criminal ring, Ms. Flores endured more as a child than most adults will ever face their entire lives. In this book, Ms. Flores discusses how she healed the wounds of sexual servitude and offers advice to parents and professionals on preventing this from occurring again, educating and presenting significant facts on human trafficking in modern day America.

**Up for Sale** - Alison Marie Behnke 2017-01-01

"Trafficking thrives in the shadows. And it can be easy to dismiss it as something that happens to someone else, somewhere else. But that is not the case. Trafficking is a crime that involves every nation on earth, and that includes our own."—US secretary of state Hillary Rodham Clinton, 2009 Human trafficking is as old as slavery and continues to be practiced in the modern world. Victims of human traffickers include workers in restaurants and in garment factories, maids and nannies in the homes of wealthy families, child sex workers, beggars on the street, boy soldiers, even infants kidnapped for foreign adoptions. Women and children are more likely to be coerced or seized than men and boys, especially if they are poor and uneducated. Traffickers sell their victims for their bodies or for their labor and reap an enormous profit. Human trafficking is estimated to be a \$30 to \$45 billion industry on an annual basis, rivaling weapons and drug trafficking as one of the most profitable criminal undertakings in the world. *Up for Sale* takes a hard look at human trafficking, identifying perpetrators and telling the stories of victims through their own words. You'll discover why some people become vulnerable to trafficking and you'll read about what their lives are like on a daily basis. You'll also meet some of the courageous individuals and organizations working to free people from lives in bondage so that, in the words of US president Barack Obama, each person can "forge a life equal to [their] talents and worthy of [their] dreams."

**Stolen** - Katariina PhD Rosenblatt 2014-09-30

Sex trafficking is currently a hot news topic, but it is not a new problem or just a problem in "other" countries. Every year, an estimated 300,000 American children are at risk of being lured into the sex trade, some as young as eight years old. It is thought that up to 90 percent of victims are never rescued. *Stolen* is the true story of one survivor who escaped--more than once. First recruited while staying with her family at a hotel in Miami Beach, Katariina Rosenblatt was already a lonely and abused young girl who was yearning to be loved. She fell into the hands of a confident young woman who pretended friendship but slowly lured her into a child prostitution ring. For years afterward, a cycle of false friendship, threats, drugs, and violence kept her trapped. As Kat shares her harrowing experiences, readers will quickly realize the frightening truth that these terrible things could have happened to any child--a neighbor, a niece, a friend, a sister, a daughter. But beyond that, they will see that there is real hope for the victims of sex trafficking. *Stolen* is more than a warning. It is a celebration of survival that will inspire.

**Breaking Free** - Abby Sher 2014-06-01

*Breaking Free: True Stories of Girls Who Escaped Modern Slavery*, by award-winning author Abby Sher, explores the global issue of human sex trafficking from a survivor's point of view. It recounts the harrowing stories of three courageous women—Somaly Mam, Minh Dang, and Maria Suarez—who were all forced into sexual slavery as children. After escaping their captors, these three women could easily have become voiceless victims, lost to the horrors of their own histories; instead, they have each become leading advocates and activists in the anti-trafficking movement. With help from Somaly, Maria, Minh, and many other survivors and counselors, Sher tells the riveting story of what it means to be liberated from sexual trafficking and find the trust and conviction to help educate new survivors. Told with breath-taking honesty and simplicity, *Breaking Free: True Stories of Girls Who Escaped Modern Slavery* sends the message that, even in the most tragic circumstances, the unwavering hope and compassion of the human spirit can and will

shine through.

*What Happened to Me? Healing for Sex Trafficking Survivors* - Toni McKinley 2019-12-22

This book is a second edition and includes a study guide with questions at the end of each chapter. You will learn more about pimps, familial, and gang trafficking. It is filled with survivor stories as well as my own story of trafficking. Each story has a purpose and that is to help others, especially trafficked girls, understand what happened to them when they were trafficked. This book will help break that trauma bond as well as facilitate the healing process. It is recommended for sex trafficking survivors, advocates, counselors, and anyone else who wants to learn more about trafficking and what the healing process looks like for complex trauma. I believe that if each girl understood how they were forced, coerced, or manipulated into trafficking that they could break the trauma bond that was formed with their trafficker and reduce the recidivism rate of being re-exploited.

**Sex Trafficking** - Siddharth Kara 2017-08-29

"The best book ever written on human trafficking for sexual exploitation"—the basis for the feature film, *Trafficked*, starring Ashley Judd (Kevin Bales, president of Free the Slaves). Every year, hundreds of thousands of women and children are abducted, deceived, seduced, or sold into forced prostitution. These trafficked sex slaves form the backbone of one of the world's most profitable illicit enterprises and generate huge profits for their exploiters, for unlike narcotics, which must be grown, harvested, refined, and packaged, sex slaves require no such "processing," and can be repeatedly "consumed." In this book, Kara provides a riveting account of his four-continent journey into this unconscionable industry, sharing the moving stories of its victims and revealing the shocking conditions of their exploitation. He draws on his background in finance, economics, and law to provide the first ever business analysis of contemporary slavery worldwide, focusing on its most profitable and barbaric form: sex trafficking. Kara describes the local factors and global economic forces that gave rise to this and other forms of modern slavery over the past two decades and quantifies, for the first time, the size, growth, and profitability of each industry. Finally, he identifies the sectors of the sex trafficking industry that would be hardest hit by specifically designed interventions and recommends the specific legal, tactical, and policy measures that would target these vulnerable sectors and help to abolish this form of slavery, once and for all. The author will donate a portion of the proceeds of this book to the anti-slavery organization, Free the Slaves. "Sex trafficking is more of a problem than most people realize. Read this well-written book and find out."—Kirk Douglas

**Challenging the Human Trafficking Narrative** - Erin O'Brien 2018-07-27

What is the moral of the human trafficking story, and how can the narrative be shaped and evolved? Stories of human trafficking are prolific in the public domain, proving immensely powerful in guiding our understandings of trafficking, and offering something tangible on which to base policy and action. Yet these stories also misrepresent the problem, establishing a dominant narrative that stifles other stories and fails to capture the complexity of human trafficking. This book deconstructs the human trafficking narrative in public discourse, examining the victims, villains, and heroes of trafficking stories. Sex slaves, exploited workers, mobsters, pimps and johns, consumers, governments, and anti-trafficking activists are all characters in the story, serving to illustrate who is to blame for the problem of trafficking, and how that problem might be solved. Erin O'Brien argues that a constrained narrative of ideal victims, foreign villains, and western heroes dominates the discourse, underpinned by cultural assumptions about gender and ethnicity, and wider narratives of border security, consumerism, and western exceptionalism. Drawing on depictions of trafficking in entertainment and news media, awareness campaigns, and government reports in Australia, the United Kingdom, and the United States of America, this book will be of interest to criminologists, political scientists, sociologists, and those engaged with human rights activism and the politics of international justice

*A Cry Of The Heart* - Debra Rush 2020-07-21

Forced into sex trafficking as a teenager, Debra Rush makes a daring escape, then struggles for years with post-traumatic stress. Her true story proves no one is beyond redemption. Journey with Debra from despair to success and find a reason to hope.

*Stolen Lives* - LOUISE. HULLAND 2020-09-03

**Modern Slavery** - Laura J. Lederer 2018-02-08

This book provides a sobering look at modern-day slavery—which includes sex trafficking, domestic servitude, and other forms of forced labor—and documents the development of the modern anti-slavery movement, from grassroots activism to the passage of anti-slavery laws. Slavery was formally abolished across most of the world by the end of the 19th century, but it continues to lurk in the shadows of the modern world. As with slavery of yesteryear, modern slavery hinges on the exploitation of vulnerable populations—and especially women and children. The result is the same as in bygone centuries, when slavery was practiced in the open: unimaginable misery for those exploited and financial gain for the exploiter. *Modern Slavery: A Documentary and Reference Guide* is an invaluable resource for students, researchers, academics, policymakers, community leaders, and others who want to learn about modern-day slavery. Covering forms of modern slavery that include sex trafficking, labor trafficking, and domestic servitude, the book provides a complete examination of the modern-day anti-slavery movement. Its coverage includes historical antecedents, the various and sometimes opposing schools of thought about how to combat modern slavery, and the legislative processes that united them and resulted in a groundbreaking approach to combating human trafficking. The book uses primary source material, including survivor stories, witness testimony, case law, and other materials to discuss the nature and scope of modern-day slavery, the grassroots movement to stop it, and U.S. leadership in the international arena. Examples of primary source material include the Trafficking Victims Protection Reauthorization Act (2005); remarks and statements from Presidents Bush, Clinton, and Obama on human trafficking and modern slavery; the United Nations' Office of Drugs and Crime report, *A Global Report on Trafficking in Persons* (2009); excerpts from the U.S. Department of State Trafficking in Persons Report, including harrowing victims stories from around the world (2013 and 2014); and excerpts from 2015 Senate hearings, including testimony from Holly Austin Smith, trafficking survivor, and from Malika Saada Saar, Human Rights Project for Girls.

*No Longer Untouchable: A Story of Human Trafficking, Heroism, and Hope* - Sarah Davison-Tracy 2022-01-13

Millions of people are victims of modern slavery. One in four of those victims are children. Snatched from their homes and sold by strangers, friends, and even family members, 15,000 women and 5,000 girls are trafficked out of Nepal each year. Many are forced to become sex slaves before they reach the age of ten. Once sold to a brothel, it is nearly impossible to leave alive. In *No Longer Untouchable*, Devisara "Hannah" Badi and her sisters bring you into this appalling reality as they tell their stories. As part of Nepal's Badi community, they are considered by many the worthless dust of Nepal, the untouchables of the untouchables. With that lowly caste status comes extreme poverty; a lack of basic rights, including education and citizenship; and a life of prostitution. Four of the storytellers were trafficked—lied to, coerced, drugged, kidnapped, and sold to brothels. Their stories are both horrifying and hopeful—as each escapes captivity and rejects her untouchable status. They have overcome unimaginable odds to survive, and today they are bravely fighting to bring freedom, hope, and love into the darkest corners of the world.

*Slavery Inc.* - Lydia Cacho 2012-09-06

Illegal, inhuman, and impervious to recession, there is one trade that continues to thrive, just out of sight. The international sex trade criss-crosses the entire globe, a sinister network made up of criminal masterminds, local handlers, corrupt policemen, wilfully blind politicians, eager consumers, and countless exploited women and children. In this ground-breaking work of investigative reporting, the celebrated journalist Lydia Cacho follows the trail of the traffickers and their victims from Mexico to Turkey, Thailand to Iraq, Georgia to the UK, to expose the trade's hidden links with the tourist industry, internet pornography, drugs and arms smuggling, the selling of body organs, money laundering, and even terrorism. Shocking and sobering, *Slavery Inc.* is an exceptional book, both for the colossal scope of its enquiry, and for the tenacious bravery with which Cacho pursues the truth.
