SLUT 2 (bdsm, Bondage) La Marchesa 2019-08-04 The BEAST is back. For months after satisfying her lifetime obsession with a five man gangbang, restive mom's compulsion, a BEAST that craved excitement in the form of depraved sex acts, seemed to be gone. But unfortunately the BEAST has returned-with a vengeance. Warning: This story contains extreme sexual situations. _____ Days and weeks passed and the memories of my gangbang grew dim. However, at night, I used my husband as I secretly played out a scene from my great infidelity in my head, in our marital bed. The memories flooded back strong and almost every night we had sex-replicating whatever form of sex I fixated on from that fateful day. About a month after Ed and friends had their way with me, I fixated on anal sex. After all, four out of the five gangbangers had violated my colon and I couldn't get how much I liked it out of my mind. So I asked Robert to fuck me there. He was shocked. For years he'd been after me to try it, but I always resisted. I think he was suspicious about my change of heart, but he was so anxious to fuck my asshole that he did it without question. We both liked it so much we fucked that way almost exclusively for a week, before we moved into new territory. I'd never orgasmed as much before and my husband noticed. Nothing was said directly. In fact, he was quite happy with the situation, although he'd mention occasionally, about how quickly and how many times I'd come. Yes, he did make me come. It was his cock that allowed me to reach orgasm. It was his semen that I let trickle out of my pussy, or he splashed onto my tits, or I swallowed. Yes I swallowed. Could I do any less for my husband than I did for five strangers? Nevertheless, almost every night, I cheated on my husband mentally and consequently my guilt had become overwhelming. I considered confessing which I was sure would lead to separation and divorce. Why not skip the confession and just take Bobby and leave? Because Robert hadn't done anything, that's why. It had been three months since that memorable day when five virile, young men had me every way you can think of and made me feel so alive, I felt like a goddess. Yes, Robert and my flagging sex life had been rejuvenated and I thought the Beast within me had been vanquished. After all, we had sex at least once a night, and with my help, Robert evolved into a fairly, good lover. Of course, he was aided greatly by the vivid memories of my gangbangers banging me as he fucked me and when those memories began to fade, my hunger, my overwhelming need to be bad, gradually returned. The Beast was back. INCLUDED SUB_GENRES BDSM, Bondage, Orgy, Gangbang, Women's Fantasies, Explicit sex, group sex

Sex Workers in the Maritimes Talk Back Leslie Ann Jeffrey 2011-11-01 Sex workers are often the "objects" of study for academics and policy makers. Theories about their lives and the policies that affect their work are usually developed without input from the sex workers themselves, as they are rarely seen as capable of analyzing the social and political world in which they work. In this book, however, sex workers set the tone. Leslie Ann Jeffrey and Gayle MacDonald interview sex workers in three Maritime cities and those who work around them: police, health-care providers, community workers/advocates, members of neighbourhood associations, and politicians. The sex workers discuss such issues as violence and safety, health and risk, politics and policy, media influence, and public perception of the trade, portraying the best and the worst facets of their working lives and expressing sentiments refreshingly at odds with commonly held opinions. Given recent Parliamentary recommendations to decriminalize prostitution, *Sex Workers in the Maritimes Talk Back* represents a timely shift to public discussions about sex work. Engaging and accessible, this book will be of interest to public policy practitioners, students of social and political science, community advocates, police, and sex workers and their families.

30 Roads Away from PORN Salman Pasha 2020-06-09 The Three R's System of Quitting Porn - The Relapse, the Reboot and the Retreat. The life of a porn addict can be thought of as a three-part loop which he goes through repeatedly. This loop consists of three phases - the Relapse, the Reboot, and the Retreat. The Relapse or phase one is when he goes back to his old ways of watching porn from a successful streak, the Reboot or phase two is when he is away from porn on a successful streak for any amount of time, and the Retreat or phase three is when the porn cravings hit him hard and he slowly moves back towards phase one or the Relapse. The porn addict behaves differently in each one of these phases. During phase one when he relapses, he is full of guilt and shame. During this phase, he has every reason to quit porn and every reason why porn is bad for him. He is full of motivation to quit porn and to get his life back on track. He will delete his porn collection, gets porn filters for his phone and PC, decides to exercise, meditate and do a host of other things which he thinks might help him in quitting porn. During phase two or the Reboot, when he is on a successful streak, he is full of energy and motivation to keep going on and the drive to succeed in quitting porn and doing the things which are important in life. During this phase, he is the most productive, confident, charismatic, enthusiastic and optimistic version of himself. And then, comes the dreaded phase three or the Retreat, when he is triggered by something sexual, a sexual thought, imagery, ad, or a sex scene in a movie and the porn cravings hit him hard. During this time, he starts losing control, doing everything possible not to watch porn and feeling helpless and irresistibly attracted to porn. And he relapses and binges on porn just to begin his Reboot phase again. The way an addict deals with his addiction and his life in each phase is completely different. The resolution and the motivation he has to quit porn in phase one is completely faded away in phase three. And the confidence, motivation towards life goals, the energy and vitality he has in phase two is completely gone in phase one. So, he would need different approaches in each phase to deal with and to master his addiction and this is where this book comes into the picture. This book includes 45 techniques to deal with porn and masturbation addiction and it is divided into three parts corresponding to the three phases discussed above. Since the best time when an addict invests the time, money and energy into quitting his porn addiction is after phase one, that is after his relapse. So, the first part of this book deals with the techniques to build a solid base before he builds his Porn free lifestyle. The second part of the book deals with the techniques to maintain a successful streak; techniques which will help him to keep going on. And the third part of the book will give him techniques for the times when the going gets tough. It deals with Triggers and Cravings because they are the sole reason for every relapse. This part

will give him the techniques to deal with the cravings when they are strong and when they are very strong. I would like to wish good luck to you, the reader, as you move onto the next stage in your life. Without a doubt, you will continue to have success in all areas. The Author

The Great Sex Rescue Sheila Wray Gregoire 2021-03-02 What if it's not your fault that sex is bad in your marriage? Based on a groundbreaking in-depth survey of 22,000 Christian women, *The Great Sex Rescue* unlocks the secrets to what makes some marriages red hot while others fizzle out. Generations of women have grown up with messages about sex that make them feel dirty, used, or invisible, while men have been sold such a cheapened version of sex, they don't know what they're missing. *The Great Sex Rescue* hopes to turn all of that around, developing a truly biblical view of sex where mutuality, intimacy, and passion reign. *The Great Sex Rescue* pulls back the curtain on what is happening in Christian bedrooms and exposes the problematic teachings that wreck sex for so many couples--and the good teachings that leave others breathless. In the #metoo and #churchtoo era, not only is this book a long overdue corrective to church culture, it is poised to free thousands of couples from repressive and dissatisfying sex lives so that they can experience the kind of intimacy and wholeness God intended.

A Reluctant Group Sex Erotica Story with Double Penetration by Savannah Deeds I'd been sunbathing by the pool and dozed off. I knew when my husband got back we were going to enjoy some passionate fun before his buddies came over to hang out. So, when I woke up, I immediately got to work on him. But it wasn't him. I didn't have my glasses on, and I accidentally put my mouth on one of his buddies! It was my husband's biggest fantasy for me to sleep with another man, and he sure took the opportunity to pressure me about finishing the job. I figured a blowjob wasn't too bad, so I got back to it but my husband had a hell of a lot more than that in mind! HIS EYES ARE ON ME!(The Curvy Girl's Threesome Adventure) An FFM Ménage a Trois Erotica Story by D.P. Backhaus My friend had always been the one who attracted men, and that was no surprise. I...well let's just say two of her could probably fit in my body. So, when a man approached us a party and made a rude comment about wanting to see us naked, I assumed he really wanted to see her naked and was willing to just have me along for the ride. I never would have expected we'd end up in a threesome! I especially never expected that the hot guy with the giant cock would be more interested in my curvy body than in her

Suddenly Experienced (Because They Filled Me Up!) A Double Penetration Erotica Story by Lisa Vickers I don't know why I agreed to sleep with Monte and Raymond at the same time. Sexual Revolution Laurie Penny 2023-02-16 'Captivating, emphatic and deeply inspiring, Sexual Revolution lifted me greatly by envisioning the possibilities of our moment' V (formerly Eve Ensler)'Brilliant; vital; revolutionary' Kate Manne _____ This is a story about how modern masculinity is killing the world, and how feminism can save it. It's a story about sex and power and trauma and resistance and persistence. Sex and gender are changing, and the world is changing with them. In this time of crisis, we are also witnessing a productive transformation: a revolutionary change in how we define gender, sex, consent and whose bodies matter. This sexual revolution is a threat to the social and economic order. It undermines the existing power structures and weakens the authority of institutions from the waged workplace to the nuclear family. No wonder the far right is fighting back so hard. Told with Laurie Penny's trademark urgency and candour, Sexual Revolution is a hand-grenade of a book: both a manifesto for social change and a story of how feminism can save us.

Bad Sex Nona Willis Aronowitz 2022-08-09 "Intimate, thoughtful, and accessible to anyone struggling with the persistent, maddening inequities of contemporary sex." -Rebecca Traister, New York Times bestselling author of *Good and Mad* From Teen Vogue sex and love columnist Nona Willis Aronowitz, a blend of memoir, social history, and cultural criticism that probes the meaning of desire and sexual freedom today. At thirty-two years old, everything in Nona Willis Aronowitz's life, and in America, was in disarray. Her marriage was falling apart. Her nuclear family was slipping away. Her heart and libido were both in overdrive. Embroiled in an era of fear, reckoning, and reimagining, her assumptions of what "sexual liberation" meant were suddenly up for debate. In the thick of personal and political turmoil, Nona turned to the words of history's sexual revolutionaries—including her late mother, early radical pro-sex feminist Ellen Willis. At a time when sex has never been more accepted and feminism has never been more mainstream, Nona asked herself: What, exactly, do I want? And are my sexual and romantic desires even possible amid the horrors and bribes of patriarchy, capitalism, and white supremacy? Nona's attempt to find the answer places her search for authentic intimacy alongside her family history and other stories stretching back nearly two hundred years. Stories of ambivalent wives and unchill sluts, free lovers and radical lesbians, sensitive men and woke misogynists, women who risk everything for sex—who buy sex, reject sex, have bad sex and good sex. The result is a brave, bold, and vulnerable exploration of what sexual freedom can mean. *Bad Sex* is Nona's own journey to sexual satisfaction and romantic happiness, which not only lays bare the triumphs and flaws of contemporary feminism but also shines a light on universal questions of desire.

Technologies of Sexiness Adrienne Evans 2014-08-01 Key cultural shifts have enabled a "new sexualization" of women. Neoliberal, consumerist, and postfeminist media culture have shaped ways of understanding female sexuality, embodied by the figure of the choosing, empowered, entrepreneurial consumer citizen-woman, whose economic capital determines feminine success (and failure). Informed by older constructs of privilege such as class, sexuality, race and (dis)ability, this version of sexiness also constrains by folding contemporary femininity back into previous panics about youth, excess, "bad" consumption, and appropriate feminine behavior. In *Technologies of Sexiness*, Adrienne Evans and Sarah Riley identify how current understandings of sexiness in public life and academic discourse have produced a "doubled stagnation," cycling around old debates without forward momentum. Developing a theoretical and methodological framework, they expand on the notion of a "technology of sexiness." They ask what happens and what is lost when people make sense of themselves within the complexities and contradictions of consumer-oriented constructs of sexiness. How do these discourses come to "transform the self"? This book provides a framework for understanding how women make sense of their sexual identities in the context of a feminization of sexual consumerism. The authors analyze material collected with two groups of women: the "pleasure pursuers" and "functioning feminists," who broadly occupy positions across the pre- and post-Thatcher eras, and the changes brought about by the feminist movement. As one of the first book-length empirical studies to explore age-related femininities in the context of what "sexiness" means today, the authors develop a series of insights into various "technologies of the self" through analyses of space, nostalgia, and claims to authentic sexiness.

Have the Sex You Want Andrew G. Marshall 2014-07-15 No more excuses for a sexless relationship. Here's a program that finally gets to the root of a silent epidemic. Andrew G. Marshall, Great Britain's premier relationship expert and author, brings to the States his research-based program for ending obligatory 'going through the motions' sex. In *Have the Sex You Want*, Marshall moves away from the symptoms and causes of low-sex and sexless relationships, and digs immediately into offering the cure—a 10-week program that strips lovemaking down to its basics and eliminates bad habits that are driving couples apart. Couples relearn how to turn each other on, set their fantasies free, and introduce new ideas that will turn their lovemaking into an erotic, passionate, connected experience. At the heart of Marshall's program is establishing safe communication and trust without feeling fear, shame, or resentment. Marshall's secret to engaging in fulfilling and plentiful sex, is to avoid it completely—a paradox that has proven time and time again to work. From the beginning of the program, couples engage in *A Month of Sensuality*—four weeks of understanding their own erogenous zones, discovering their partner's body, and introducing sensual touching and kissing. This back-to-basics approach, which put sex off limits, takes the pressure off, does wonders for libido, teaches couples how to slow down and be present and check-in with each other about their pleasure, and urges them to schedule intimate time—time that is usually hijacked by hectic schedules, demanding children, and household and career duties. After they have completed *A Month of Sensuality*, couples graduate through two more phases that lead them to learn about different types of fantasy, orgasm, masturbation, and communication regarding what they want and need to not only have the sex they want, but the sex they always

imagined they'd have. Andrew Marshall's progressive methods to bring a couple back together physically, sexually, and emotionally are practical and pleasurable and guaranteed to give you and your partner deserve—an active, erotic, transformative sexual relationship.

Sometimes it's the rash decisions, like hooking up in the sand, that lead you to the best places—the kinds of places where it's possible to let yourself fall in love again. *New Adult Romance*

Johanna Sparrow 2014-06-22 Most, if not all, of my friends have heard of the old saying about the elephant in the room or even the pink elephant or white elephant in the room. But, did you know that they are all addressing a problem that no one wants to acknowledge, not even you? In relationships, the elephant in the room seems to be out of control. So, what do you do when the elephant leaves the room and climbs into your bed? I can surely tell you that when I had an elephant in my bed, it was awkward as hell, and my sex life was nonexistent. No matter what size bed you have, you will never have enough room to fit you and your significant other in comfortably. This book will help you to recognize what's blocking your sex life and affecting your relationship as a whole. Now that you've got your eyes on the elephant in your bed, I want you to walk its big ass right out your front door and out of your life forever.

Simple Sex David Hrostoski 2015-05-12 Sex books, how-to guides, manuals, and the countless "better" sex positions—men and women alike: we all want more pleasure, deeper intimacy, and to feel good about our sexual performance. Simple Sex gives us what we're really looking for: how to never have another bad night of sex again. The Missing Link from Every "How-To" Sex Manual If you've read books like David Deida's *The Way of the Superior Man* and *The Enlightened Sex Manual* or Ian Kerner's *She Comes First*, you've been exposed to some of the best sex tips in the self-help industry. Still, even the best tips and tactics can leave us feeling more inadequate than when we started. So what's the real difference between feeling like a tantric master and feeling completely inadequate as a lover? Simply put, it's all in the approach. It's the why behind the tactics that separates the novice from the master. In *Simple Sex*, David Hrostoski explores the mindsets of "The Logical Lover," and why the most common approaches to sex often lead to feelings of "not enough" in the bedroom. In this book, you'll learn... How to never have another bad sexual experience again. The number one belief holding men and women back in the bedroom—a belief that any logical approach can only make worse—and how to break free. How to feel everything and truly experience the here-and-now, whether that's in front of your laptop, a handsome man, or a beautiful woman. How to bring sexual tactics into the picture without getting lost in your head, and without the steep learning curves that can leave you feeling inadequate as a lover. Three simple strategies to play with the sensation in your body for longer-lasting and stronger orgasms. More About Simple Sex David Hrostoski has spent the past five years consuming and integrating thousands of hours of material on dating, sex, love and relationships, and the past three years coaching men and women from all over the world on how to show up better with their partners and in the bedroom. He's seen it repeatedly both in his own life and in the lives of his clients—how we show up for our relationships is how we show up for the rest of our life. And in a world that largely values success and financial status over happiness and fulfillment, we find an alarming number of people putting their needs and wants aside and subscribing to the many "shoulds" of life instead. As we take this way-of-being into the bedroom, we end up focusing on how to be better and forget why we're having sex in the first place: to feel. Simple Sex debunks to logical approaches to sex—both the partner-first and me-first mentalities—and offers, as a replacement, a feeling-first approach to sex. And not just feeling and focusing on the pleasure alone. When the purpose of sex is to feel, we feel everything, including any and all pieces of the wide spectrum of emotions and sensations we're capable of feeling as human beings. When we learn to feel every piece of our experience in the bedroom, we learn to escape the logic-trap and unlock the best sex of our lives. Simple Sex is the book to help you do just that. "Unlike so many of the "how-to" books on sex out there, Simple Sex doesn't focus on what's wrong with you. It's an invitation to open up, and to explore—to feel your way into and through sex, rather to think yourself out of it. David's refreshing, powerful, and oh-so-simple perspective will get you out of your head, into your body, and into as many beds as you desire. Isn't that the way it's meant to be? Read this book. Put it into practice and experience the kind of sex you've been yearning for." - Brooke Surtees, Coach and CEO at BrookeSurtees.com

The Codgers' Kama Sutra Ian Baker 2011-09-22 What is the Kama Sutra? Is it a spiritual text written by a visionary man of wisdom in India almost two millennia ago? Or is it the world's first mucky book? Well, it's the former - it's a spiritual text written by a visionary man of wisdom in India almost two millennia ago. Though shocking for its time, the Kama Sutra has gone on to become the world's most respected guide book on all matters sexual, and is now on top of the wardrobes or under the beds of over sixty percent of the world's teenage boys. It is a common and misconceived belief among the younger generations that sex is something not only void in the minds of our senior citizens, but is most likely physically impossible for those who are at or beyond retirement age. The glorious truth may come as a bit of a shock to the youth of today - it may even conjure up images in their minds best left 'till after lunch! The world's oldies are sexually active. New and exciting research has uncovered startling new evidence that oldies are still 'at it', and still 'do it' whenever they don't have a bad back. Can it be true? Are our most senior citizens getting their wrinkly legs over? If you are an older person, take heart - there's a lot of dusty action out there. Sex in the twilight years, though similar in mechanics to the couplings of youth, is in fact vastly different. This book exposes the secret world of grey love and covers every aspect of senior congress - from geriatric anatomy and attraction, through to mating rituals, sex positions, post-sex heart condition medication and proper service and care of pace makers.
