Goddess - Anthony Summers 2013-10-17

The classic, definitive biography of Marilyn Monroe, now updated in the year of the 60th anniversary of the iconic star's death - now a major Netflix film, *The Mystery of Marilyn Monroe: The Untold Tapes* 'Gets as near to the heart of the mystery as anyone ever will' Guardian More than half a century after her death, Marilyn Monroe is arguably still one of the most famous people in the world. Her life was a contrast of public brilliance and private misery, her death a tragedy suffused by dark questions - about her relations with President John F. Kennedy and his brother Robert. Drawing on more than 600 first-hand interviews, Anthony Summers offers the classic, definitive biography of a woman who captivated the world. Marilyn's tragic story is clouded by gossip-reporting more than almost any other. *GODDESS*, however, delivers new, fully documented yet exciting fact. 'Gets as near to the heart of the mystery as anyone ever will' Guardian 'The fullest factual account of Monroe's life and death we're likely to get' Evening Standard 'The definitive story of the legend' Irish Times 'A remarkable performance...The ghost of Marilyn Monroe cries out in these pages' New York Times

Dictionary of Spoken Spanish - U. S. War Dept 2013-03-27

This is a complete, unabridged republication of a Dictionary of Spoken Spanish, which was specially prepared by nationally known linguists for the U.S. War Department (TM#30-900). It is compiled from spoken

Spanish and emphasizes idiom and colloquial usage in both Castilian and Latin American areas. More than 16,000 entries provide exact translations of both English and Spanish sentences and phrases; as many as 60 idioms are listed under each entry. This is easily the largest list of idiomatic constructions ever published. Travelers, business people, and students who are interested in Latin American studies have found this dictionary their best source for those expressions of daily life and social activity not usually found in books. More than 18,000 idioms are given, not as isolated words that you have to conjugate or alter, but as complete sentences that you can use without change. A 25-page introduction provides a rapid survey of Spanish sounds, grammar, and syntax, with full consideration of irregular verbs. It is especially apt in its modern treatment of phrase and clause structure. A 17-page appendix gives translations of geographical names, numbers, national holidays for Spanish countries, important street signs, useful expressions of high frequency, and a unique 7-page glossary of Spanish and Spanish-American foods and dishes.

Inkhorn's Erotonomicon - Paul Convery 2012-11-01

For all those with lex on the brain, Inkhorn's Erotonomicon presents a unique lexicographical survey of love and lust in all its dimensions: sociological, somatological, sexological and sexosophical. Shunning the bland and the boring, eschewing common slang and swearwords, Inkhorn's Erotonomicon - *The Book of Sex Words* - is the first dictionary to gather together the obscure and the obsolete, the otiose and the ostentatious, the outlandish and the outrageous, showcasing words you

would never otherwise have known existed for things you would never have believed possible. Inkhorn – your intrepid word-hunter – brings you a dictionary which combines erudition with entertainment, providing concise and often quirky definitions for 5000 words and phrases across such diverse subject areas as Gendermaps & Gendermachy; Fornication & Fecundation; Organs & Orifices; Erotolepsia & Erotopraxis; Prostitution & Pornography; Matrimony & Matrimonotony; and Sexotica & Sexoterica. While even the largest unabridged dictionaries contain only a smattering of the more advanced and inventive erotic vocabulary, the entries in the Erotonomicon have been selected from a corpus of 25,000 words assembled from over 300 reference works and monographs in both print and electronic media. All original words have been comprehensively catalogued and their definitions cross-checked and verified wherever possible. No entries have been coined by the compiler. Welcome to Inkhorn's Erotonomicon – quite simply the final word in dirty words!

Whitaker's Cumulative Book List - 1968

Erotic Faculties - Joanna Frueh 2022-03-25

The erotic and the intellectual come together to create a new kind of criticism in the lushly written work of Joanna Frueh. Addressing sexuality in ways that are usually hidden or left unsaid, Frueh—a noted performance artist and art historian—explores subjects such as aging, beauty, love, sex, pleasure, contemporary art, and the body as a site and vehicle of knowledge. Frueh's language is explicit, graphic, fragmented. She assumes multiple voices: those of lover, prophet, daughter, mythmaker, art critic, activist, and bleeding heart. What results is an utterly original narrative that frees us from the false objectivity of traditional critical discourse and affirms the erotic as a way to ease human suffering. Through personal reflection, parody, autobiography, and poetry, Frueh shows us what it means to perform criticism, to personalize critical thinking. Rejecting postmodern, deconstructed prose, she recuperates the sentimental, proudly asserts a romantic viewpoint, and disrupts academic and feminist conventions. *Erotic Faculties* seeks

to free the power of our unutilized erotic faculties and to expand the possibilities of criticism; it is a wild ride and a consummate pleasure. This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1996.

The British National Bibliography - Arthur James Wells 1968

A Tiger in the Bedroom - Katherine Gould 2003

[This book] presents a compendium of carnal curiosities from the animal kingdom ... it explores the many parallels between human and animal courtship. Each of the more than 200 paragraph-length lessons includes a bit of witty advice for the love lorn.

Sexicon - Rod L. Evans 2002

Provides a collection of obscure terms and definitions that describe a variety of sexual topics.

Queer Masculinities - John Landreau 2011-09-28

Queer Masculinities: A Critical Reader in Education is a substantial addition to the discussion of queer masculinities, of the interplay between queer masculinities and education, and to the political gender discourse as a whole. Enriching the discourse of masculinity politics, the cross-section of scholarly interrogations of the complexities and contradictions of queer masculinities in education demonstrates that any serious study of masculinity—hegemonic or otherwise—must consider the theoretical and political contributions that the concept of queer masculinity makes to a more comprehensive and nuanced understanding of masculinity itself. The essays adopt a range of approaches from empirical studies to reflective theorizing, and address themselves to three separate educational realms: the K-12 level, the collegiate level, and the level in popular culture, which could be called 'cultural pedagogy'. The wealth of detailed analysis includes, for example, the notion that normative expectations and projections on the part of

teachers and administrators unnecessarily reinforce the values and behaviors of heteronormative masculinity, creating an institutionalized loop that disciplines masculinity. At the same time, and for this very reason, schools represent an opportunity to 'provide a setting where a broader menu can be introduced and gender/sexual meanings, expressions, and experiences boys encounter can create new possibilities of what it can mean to be male'. At the collegiate level chapters include analysis of what the authors call 'homosexualization of heterosexual men' on the university dance floor, while the chapters of the third section, on popular culture, include a fascinating analysis of the construction of queer 'counternarratives' that can be constructed watching TV shows of apparently hegemonic bent. In all, this volume's breadth and detail make it a landmark publication in the study of queer masculinities, and thus in critical masculinity studies as a whole.

Tyrannosaurus Lex - Rod L. Evans Ph.D. 2012-06-05

Welcome to the Weird and Wonderful World of Words! *Tyrannosaurus Lex* is your guide to the intriguing world of logology—the pursuit of word puzzles or puzzling words—featuring: •A wealth of witty anagrams, palindromes, and puns •Clever paraprosokeians: sentences with surprising endings (“I’ve had a perfectly wonderful evening, but this wasn’t it.”—Groucho Marx) •Fascinating oronyms: a pair of phrases that differ in meaning and spelling, yet share a similar pronunciation (“The stuffy nose can lead to problems” versus “The stuff he knows can lead to problems.”) •Peculiar oxymora: words or phrases that are self-contradictory (Jumbo shrimp! Guest host! Gold silverware!) So sit back and get ready to learn about everything from antigrams and aptanagrams to kangaroo words and phantonims. You’ll never look at language the same again!

Green's Dictionary of Slang (multi-volume set) - Jonathon Green 2017-07-01

The three volumes of *Green's Dictionary of Slang* demonstrate the sheer scope of a lifetime of research by Jonathon Green, the leading slang lexicographer of our time. A remarkable collection of this often reviled but endlessly fascinating area of the English language, it covers slang from the past five centuries right up to the present day, from all the different English-speaking countries and regions. Totalling 10.3 million words and over 53,000 entries, the collection provides the definitions of 100,000 words and over 413,000 citations. Every word and phrase is authenticated by genuine and fully-referenced citations of its use, giving the work a level of authority and scholarship unmatched by any other publication in this field. Winner of the Dartmouth Medal RUSA/ALA Outstanding Reference Source 2011 Booklist Editors' Choice Library Journal Best Reference 2011
