Cyber Sexy - Richa Kaul Padte
2018-05-15

In 1946, American judge Potter Stewart famously said, 'I can't define pornography, but I know it when I see it.' Over seventy years later, the reverberations of this sentence are still felt across the world. From proposed porn bans to religious morality to women's rights, the assumption is that porn has a single, knowable definition. But if one man's pornography is another woman's erotica is another person's sex tape, what really counts as porn? And who gets to do the counting? In this alternative conversation around digital sexual expression in India, Richa Kaul Padte takes readers on an intimate tour of the sexy internet. From camgirls to fanfiction writers, homemade videos to consent violations,

Cyber Sexy is an unflinching deep dive into the messy terrain of what it means to seek out pleasure online. The question of whether or not something counts as porn is, ultimately, left up to the reader. After all, you'll know it when you see it, right?

How to Eat Like a Hot Chick -
Jodi Lipper 2009-10-13

Chocolate cake for breakfast and a pound of spinach for dinner? Looking and feeling your best has never been so easy, so guiltless or so much fun! Let's be honest, ladies, are you tired of hearing about the eating habits of airbrushed celebrities? Do you want to feel sexy as you slide into your favorite jeans, but you're too confused by the complicated diet plans out there? Well, here is the antidote to all of that nonsense! With saucy wit and

goodwill to spare, Lipper and Vincent reveal their tricks for how you can overcome any food obstacle, from which cocktails will keep you light on your feet past midnight to how you can stay on track when you're down in the dumps (or if you just got dumped). They'll teach you how to eat the foods you love with confidence, make smarter choices, and wake up your inner Hot Chick once and for all. It's time to end the vicious dieting cycle with this straightforward and hilarious guide to enjoying your food, embracing your body and celebrating yourself like only a true Hot Chick can.

The Second Sex - Simone de Beauvoir 1997

Of all the writing that emerged from the existentialist movement, Simone de Beauvoir's groundbreaking study of women will probably have the most extensive and enduring impact. It is at once a work of anthropology and sociology, of biology and psychoanalysis, from the pen of a writer and novelist of penetrating imaginative

power. THE SECOND SEX stands, five decades after its first appearance, as the first landmark in the modern feminist upsurge that has transformed perceptions of the social relationship of man and womankind in our time

Just One Cookbook - Namiko Chen 2021

Gujarat Files - Rana Ayyub 2016

Gujarat Files is the account of an eight-month long undercover investigation by journalist Rana Ayyub into the Gujarat riots, fake encounters and the murder of state Home Minister Haren Pandya that brings to the fore startling revelations. Posing as Maithili Tyagi, a filmmaker from the American Film Institute Conservatory, Rana met bureaucrats and top cops in Gujarat who held pivotal positions in the state between 2001 and 2010. The transcripts of the sting operation reveal the complicity of the state and its officials in crimes against humanity. With sensational disclosures about cases that

run parallel to Narendra Modi and Amit Shah's ascent to power and their journey from Gujarat to New Delhi, the book tells you the hushed truth of the state in the words of those who developed amnesia while speaking before commissions of enquiry, but held nothing back in the secretly taped videos which form the basis of this remarkable read.

I Am a Troll - Swati Chaturvedi 2016

Indian social media is awash with right-wing trolls who incite online communal tension and abuse anyone who questions them. But who are they? How are they organized? In this explosive investigation, conducted over two years, Swati Chaturvedi finally lifts the veil over this murky subject

The Boy Who Sneaks in My Bedroom Window - Kirsty Moseley 2012-04-29

Liam James, boy next door and total douchebag, is my brother's best friend. I can't stand him. Well, that's not strictly true, at night I see a side of him that no one else does. Every night Liam

becomes my safe haven, my protector, the one to chase the demons of my abusive childhood away and hold all the broken pieces of me together. He's cocky, he's arrogant, and he's also some sort of playboy in training. With his 'hit it and quit it' mentality, he's the last person you'd want to fall in love with. I only wish someone had told my heart that... The international bestselling novel, and finalist of the Goodreads choice awards YA fiction 2012.

How to Raise a Reader - Pamela Paul 2019-09-03

An indispensable guide to welcoming children—from babies to teens—to a lifelong love of reading, written by Pamela Paul and Maria Russo, editors of The New York Times Book Review. Do you remember your first visit to where the wild things are? How about curling up for hours on end to discover the secret of the Sorcerer's Stone?

Combining clear, practical advice with inspiration, wisdom, tips, and curated reading lists, How to Raise a Reader shows you how to instill

the joy and time-stopping pleasure of reading. Divided into four sections, from baby through teen, and each illustrated by a different artist, this book offers something useful on every page, whether it's how to develop rituals around reading or build a family library, or ways to engage a reluctant reader. A fifth section, "More Books to Love: By Theme and Reading Level," is chockful of expert recommendations. Throughout, the authors debunk common myths, assuage parental fears, and deliver invaluable lessons in a positive and easy-to-act-on way.

Anita and Me - Meera Syal
2012-11-01

Nine-year-old Meena can't wait to grow up and break free from her parents. But, as the daughter of the only Punjabi family in the mining village of Tollington, her struggle for independence is different from most.

When: The Scientific Secrets of Perfect Timing -

Daniel H. Pink 2019-01-08
The instant New York Times

Bestseller #1 Wall Street Journal Business Bestseller Instant Washington Post Bestseller "Brimms with a surprising amount of insight and practical advice." --The Wall Street Journal Daniel H. Pink, the #1 bestselling author of *Drive* and *To Sell Is Human*, unlocks the scientific secrets to good timing to help you flourish at work, at school, and at home. Everyone knows that timing is everything. But we don't know much about timing itself. Our lives are a never-ending stream of "when" decisions: when to start a business, schedule a class, get serious about a person. Yet we make those decisions based on intuition and guesswork.

Timing, it's often assumed, is an art. In *When: The Scientific Secrets of Perfect Timing*, Pink shows that timing is really a science. Drawing on a rich trove of research from psychology, biology, and economics, Pink reveals how best to live, work, and succeed. How can we use the hidden patterns of the day to build the ideal schedule? Why do certain

Downloaded from
legacy.opendemocracy.net
on 2022-03-07 by guest

breaks dramatically improve student test scores? How can we turn a stumbling beginning into a fresh start? Why should we avoid going to the hospital in the afternoon? Why is singing in time with other people as good for you as exercise? And what is the ideal time to quit a job, switch careers, or get married? In *When*, Pink distills cutting-edge research and data on timing and synthesizes them into a fascinating, readable narrative packed with irresistible stories and practical takeaways that give readers compelling insights into how we can live richer, more engaged lives.

The Curry Guy - Dan Toombs
2017-05-04

Dan Toombs (aka The Curry Guy) has perfected the art of replicating British Indian Restaurant (BIR) cooking after travelling around the UK, sampling dishes, learning the curry house kitchen secrets and refining those recipes at home. In other words, Dan makes homemade curries that taste just like a takeaway from

your favourite local but in less time and for less money. Dan has learnt through the comments left on his blog and social media feeds that people are terribly let down when they make a chicken korma or a prawn bhuna from other cookbooks and it taste nothing like the dish they experience when they visit a curry house... but they thank him for getting it right. The *Curry Guy* shows all BIR food lovers around the world how to make their favourite dishes at home. Each of the classic curry sauces are given, including tikka masala, korma, dopiazza, pasanda, madras, dhansak, rogan josh, vindaloo, karai, jalfrezi, bhuna and keema. Popular vegetable and sides dishes are there as accompaniments, aloo gobi, saag aloo and tarka dhal, plus samosas, pakoras, bhaji, and pickles, chutneys and raitas. Of course, no curry is complete without rice or naan. Dan shows you how to cook perfect pilau rice or soft pillowy naan every time.

Laura in the Kitchen - Laura Vitale
2015-10-06

Downloaded from
legacy.opendemocracy.net
on 2022-03-07 by guest

At long last, the companion cookbook to the hit YouTube cooking show—including recipes for 120 simple, delicious Italian-American classics. When Laura Vitale moved from Naples to the United States at age twelve, she cured her homesickness by cooking up endless pots of her nonna's sauce. She went on to work in her father's pizzeria, but when his restaurant suddenly closed, she knew she had to find her way back into the kitchen. Together with her husband, she launched her Internet cooking show, *Laura in the Kitchen*, where her enthusiasm, charm, and irresistible recipes have won her millions of fans. In her debut cookbook, Laura focuses on simple recipes that anyone can achieve—whether they have just a little time to spend in the kitchen or want to create an impressive feast. Here are 110 all-new recipes for quick-fix suppers, such as Tortellini with Pink Parmesan Sauce and One-Pan Chicken with Potatoes, Wine, and Olives; leisurely entrées, including

Spinach and Artichoke-Stuffed Shells and Pot Roast alla Pizzaiola; and 10 fan favorites, like Cheesy Garlic Bread and No-Bake Nutella Cheesecake. Laura tests her recipes dozens of times to perfect them so the results are always spectacular. With clear instructions and more than 100 color photographs, *Laura in the Kitchen* is the perfect guide for anyone looking to get comfortable at the stove and have fun cooking.

[The Marriage Game](#) - Sara Desai 2022-02-21

This battle for an office might just become a battle for their hearts . . . A recommended read from Buzzfeed, PopSugar, Teen Vogue, Oprah Magazine, and Bustle! After her life falls apart, recruitment consultant Layla Patel returns home to her family in San Francisco. Layla's dad would do anything to see her smile again. With the best intentions in mind, he offers her the office upstairs to start her new business and creates a profile on an online dating site to find her a man. She doesn't know he's arranged a series of

blind dates until the first one comes knocking on her door . . . As CEO of a corporate downsizing company Sam Mehta is more used to conflict than calm. In search of a quiet new office, he finds the perfect space above a cosy Indian restaurant that smells like home. But when communication goes awry, he's forced to share his space with the owner's beautiful yet infuriating daughter Layla, her crazy family, and a parade of hopeful suitors, all of whom threaten to disrupt his carefully ordered life. As they face off in close quarters, the sarcasm and sparks fly. But when the battle for the office becomes a battle of the heart, Sam and Layla have to decide if this is love or just a game.

Strategies to Reduce Sodium Intake in the United States - Institute of Medicine 2010-11-14

Reducing the intake of sodium is an important public health goal for Americans. Since the 1970s, an array of public health interventions and national dietary guidelines has

sought to reduce sodium intake. However, the U.S. population still consumes more sodium than is recommended, placing individuals at risk for diseases related to elevated blood pressure. Strategies to Reduce Sodium Intake in the United States evaluates and makes recommendations about strategies that could be implemented to reduce dietary sodium intake to levels recommended by the Dietary Guidelines for Americans. The book reviews past and ongoing efforts to reduce the sodium content of the food supply and to motivate consumers to change behavior. Based on past lessons learned, the book makes recommendations for future initiatives. It is an excellent resource for federal and state public health officials, the processed food and food service industries, health care professionals, consumer advocacy groups, and academic researchers.

Born A Crime - Trevor Noah 2016-11-17

WINNER OF THE THURBER PRIZE The compelling,

Downloaded from
legacy.opendemocracy.net
on 2022-03-07 by guest

inspiring, (often comic) coming-of-age story of Trevor Noah, set during the twilight of apartheid and the tumultuous days of freedom that followed. One of the comedy world's brightest new voices, Trevor Noah is a light-footed but sharp-minded observer of the absurdities of politics, race and identity, sharing jokes and insights drawn from the wealth of experience acquired in his relatively young life. As host of the US hit show *The Daily Show* with Trevor Noah, he provides viewers around the globe with their nightly dose of biting satire, but here Noah turns his focus inward, giving readers a deeply personal, heartfelt and humorous look at the world that shaped him. Noah was born a crime, son of a white Swiss father and a black Xhosa mother, at a time when such a union was punishable by five years in prison. Living proof of his parents' indiscretion, Trevor was kept mostly indoors for the first years of his life, bound by the extreme and often absurd measures his mother took to

hide him from a government that could, at any moment, take him away. A collection of eighteen personal stories, *Born a Crime* tells the story of a mischievous young boy growing into a restless young man as he struggles to find his place in a world where he was never supposed to exist. *Born a Crime* is equally the story of that young man's fearless, rebellious and fervently religious mother - a woman determined to save her son from the cycle of poverty, violence and abuse that ultimately threatens her own life. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Noah illuminates his curious world with an incisive wit and an unflinching honesty. His stories weave together to form a personal portrait of an unlikely childhood in a dangerous time, as moving and unforgettable as the very best memoirs and as funny as

Noah's own hilarious stand-up.
Born a Crime is a must read.

Powder Days - Heather
Hansman 2021-11-09

*An Outside Magazine Book
Club Pick* "A sparkling
account."—Wall Street Journal
An electrifying adventure into
the rich history of skiing and
the modern heart of ski-bum
culture, from one of America's
most preeminent ski journalists
The story of skiing is, in many
ways, the story of America
itself. Blossoming from the
Tenth Mountain Division in
World War II, the sport took
hold across the country, driven
by adventurers seeking the
rush of freedom that only cold
mountain air could provide. As
skiing gained in popularity,
mom-and-pop backcountry hills
gave way to groomed trails and
eventually the megaresorts of
today. Along the way, the
pioneers and diehards—the ski
bums—remained the beating
heart of the scene. Veteran ski
journalist and former ski bum
Heather Hansman takes
readers on an exhilarating
journey into the hidden history
of American skiing, offering a

glimpse into an underexplored
subculture from the
perspective of a true insider.
Hopping from Vermont to
Colorado, Montana to West
Virginia, Hansman profiles the
people who have built their
lives around a cold-weather
obsession. Along the way she
reckons with skiing's
problematic elements and
investigates how the sport is
evolving in the face of the
existential threat of climate
change.

Secret Wars - Austin Carson
2020-06-09

Secret Wars is the first book to
systematically analyze the ways
powerful states covertly
participate in foreign wars,
showing a recurring pattern of
such behavior stretching from
World War I to U.S.-occupied
Iraq. Investigating what
governments keep secret
during wars and why, Austin
Carson argues that leaders
maintain the secrecy of state
involvement as a response to
the persistent concern of
limiting war. Keeping
interventions “backstage”
helps control escalation

dynamics, insulating leaders from domestic pressures while communicating their interest in keeping a war contained. Carson shows that covert interventions can help control escalation, but they are almost always detected by other major powers. However, the shared value of limiting war can lead adversaries to keep secret the interventions they detect, as when American leaders concealed clashes with Soviet pilots during the Korean War. Escalation concerns can also cause leaders to ignore covert interventions that have become an open secret. From Nazi Germany's role in the Spanish Civil War to American covert operations during the Vietnam War, Carson presents new insights about some of the most influential conflicts of the twentieth century. Parting the curtain on the secret side of modern war, Secret Wars provides important lessons about how rival state powers collude and compete, and the ways in which they avoid outright military confrontations.

Friendship Processes -

Beverly Fehr 1996

"In this marvelous book, Beverly Fehr presents a comprehensive and richly detailed examination of what scholars have learned about the formation, maintenance, and dissolution of friendships. . . Overall, a model of careful scholarship, clear writing, and good sense. For anyone studying friendships, there is no better place to start. This is perhaps the best book of its kind." --Choice Friends are an integral part of our lives--they sometimes replace family relationships and often form the basis for romantic relationships. Friendship Processes, new in the Sage Series on Close Relationships, examines exactly how friends give meaning to our lives and why we rely so heavily on them. Broad in its coverage, the book is process oriented and research based with each phase of the friendship process documented by empirical research. The result is a conceptual framework that illuminates the fascinating

components of how we make friends, how we become close, how we maintain friends, and how friendships deteriorate and dissolve. Author Beverley Fehr equips the reader with valuable knowledge about the formations and continuations of the intriguing personal relationship called friendship. *Friendship Processes* also illustrates well the fact that, as a field of study, close relationships is maturing rapidly. Promising to be the definitive study of the subject for many years to come, this book will be of particular interest to professionals, academics, and students of social psychology, sociology, communication, family studies, and social work as well as any interested reader who is anxious to deepen his or her

understanding and appreciation of a very engaging topic.

Why Men Love Bitches - Sherry Argov 2002

Describes why men are attracted to strong women and offers advice on ways a woman can relate to men and gain a man's love and respect.

The Sun and Her Flowers -

Rupi Kaur 2017-10-03

Divided into five chapters and illustrated by kaur, the sun and her flowers is a journey of wilting, falling, rooting, rising, and blooming. A celebration of love in all its forms. this is the recipe of life said my mother as she held me in her arms as i wept think of those flowers you plant in the garden each year they will teach you that people too must wilt fall root rise in order to bloom
