**Sex in the Ancient World from A to Z** - John Younger 2004-10-07

In this fascinating and revealing A-to-Z, John G. Younger examines the sexual practices, expressions and attitudes of the Greeks and Romans, from Catullus and Caligula, to orgies and obscenity, and from abstinence and incest, to pederasty and prostitution. The book opens with an overview of current thinking on ancient sex and sexuality, and goes on to provide an extraordinarily wide coverage of a sexual culture so very different from our own, approaching the subject from the perspectives of literature, history, archaeology and art. Comprehensive,

reliable and eye-opening, this A-to-Z illuminates an important aspect of the classical world. For those who want to take their reading further, there are numerous references to ancient sources and modern scholarship, as well as a separate section of works of art. This is an ideal introduction to and exploration of sex in the ancient world for readers at every level.

**Sexual Fluidity** - Lisa M. Diamond 2008  
Calls for new categories in sexual identity for women based on research that concludes that they tend to be attracted to the individual rather than gender and their sexuality fluctuates more than men, which stays fixed once established.

My Gender Workbook - Kate Bornstein

2013-06-19

Gender isn't just about "male" or "female" anymore - if you have any doubts, just turn on your television. RuPaul is as familiar as tomato ketchup with national radio and television shows, and transgendered folk are as common to talk-shows as screaming and yelling. But if the popularization of gender bending is revealing that "male" and "female" aren't enough, where are we supposed to go from here? Cultural theorists have written loads of smart but difficult-to-fathom texts on gender, but none provide a hands-on, accessible guide to having your own unique gender. With My Gender Workbook, Kate Bornstein brings theory down to Earth and provides a practical approach to living with or without a gender. Bornstein starts from the premise that there are not just two genders performed in today's world, but countless genders lumped under the two-gender framework. Using a unique, deceptively simple

and always entertaining workbook format, Bornstein gently but firmly guides you to discover your own unique gender identity. Whether she's using the USFDA's food group triangle to explain gender, or quoting one-liners from real "gender transgressors", Bornstein's first and foremost concern is making information on gender bending truly accessible. With quizzes and exercises that determine how much of a man or woman you are, My Gender Workbook gives you the tools to reach whatever point you desire on the gender continuum. Bornstein also takes aim at the recent flurry of books that attempt to naturalize gender difference, and puts books like Men are from Mars, Women are from Venus squarely where they belong: on Uranus. If you don't think you are transgendered when you sit down to read this book, you will be by the time you finish it!

Only Words - Catharine A. MacKinnon

1996-03-01

MacKinnon contends that pornography, racial

and sexual harassment, and racial hate speech are acts of intimidation, subordination, terrorism, and discrimination, and should be legally treated as such.

**The Queer Fantasies of the American Family Sitcom** - Tison Pugh 2018-02-27

The Queer Fantasies of the American Family Sitcom examines the evasive depictions of sexuality in domestic and family-friendly sitcoms. Tison Pugh charts the history of increasing sexual depiction in this genre while also unpacking how sitcoms use sexuality as a source of power, as a kind of camouflage, and as a foundation for family building. The book examines how queerness, at first latent, became a vibrant yet continually conflicted part of the family-sitcom tradition. Taking into account elements such as the casting of child actors, the use of and experimentation with plot traditions, the contradictory interpretive valences of comedy, and the subtle subversions of moral standards by writers and directors, Pugh points

out how innocence and sexuality conflict on television. As older sitcoms often sit on a pedestal of nostalgia as representative of the Golden Age of the American Family, television history reveals a deeper, queerer vision of family bonds.

**Transgender Marxism** - Jules Joanne Gleeson 2021-05-20

Transgender Marxism is the first volume of its kind, offering a provocative and groundbreaking synthesis of transgender studies and Marxist theory. Reflecting on the relations between gender and labour, it shows how these linked phenomena structure antagonisms in particular social and historical situations. While no one is spared gendered conditioning, the contributors argue that transgender people nonetheless face particular pressures, oppressions and state persecution. The collection makes a particular contribution to Marxist feminism and social reproduction theory, through both personal and analytic examinations of the social activity

demanding of trans people around the world. Exploring trans lives and movements through a Marxist lens, the book also assesses the particular experience of surviving as trans in light of the totality of gendered experience under capitalism. Twinning Marxism with other schools of thought - including psychoanalysis, phenomenology and Butlerian performativity - Transgender Marxism ultimately offers an insight into transgender experience, and an exciting renewal of Marxist theory itself.

**Clinical Atlas of Retreatment in**

**Endodontics** - Viresh Chopra 2021-10-19  
CLINICAL ATLAS OF RETREATMENT IN ENDODONTICS Explore a comprehensive pictorial guide to the retreatment of root canals and failed endodontic cases with step-by-step advice on retreatment management Clinical Atlas of Retreatment in Endodontics delivers an image-based reference to the management of failed root canal cases. It provides evidence-based strategies and detailed clinical

explanations to manage and retreat previous endodontically failed cases. It contains concrete evidence-based and practical techniques accompanied by full-colour, self-explanatory clinical photographs taking the reader through a journey of successful management of the failed clinical cases. Using a variety of clinical cases, the book demonstrates why and how endodontic failures occur, how to prevent them, and how to manage them in clinical practice. It also emphasises on evaluating the restorability and prognosis of the tooth in order to make a proper case selection for providing retreatment. This book also discusses the various factors that can help the clinician to make a case for nonsurgical or surgical retreatment. Readers will benefit from the inclusion of clinical cases that provide: A thorough introduction to perforation repair, with a clinical case that includes the repair of pulpal floor perforation caused due to excessive cutting of the floor of the pulp chamber An explanation of various factors for instrument

separation, supported with a case that includes the removal of a fractured instrument Practical discussions of instrument retrieval, with a case that includes a fractured instrument at the apical third of mandibular molar A step wise pictorial description for guided root canal therapy Selective root canal treatment as a treatment option for retreatment of failed endodontic cases A detailed clinical description for how to explore and modify the endodontic access cavity for locating extra/missed canals Perfect for endodontists, endodontic residents, and general dentists, Clinical Atlas of Retreatment in Endodontics is also useful for undergraduate dental students and private practitioners who wish to improve their understanding of endodontic retreatment and are looking for a one-stop reference on the subject.

**Female Masculinity** - Judith Halberstam 1998  
Masculinity without men. In Female Masculinity  
Judith Halberstam takes aim at the protected

status of male masculinity and shows that female masculinity has offered a distinct alternative to it for well over two hundred years. Providing the first full-length study on this subject, Halberstam catalogs the diversity of gender expressions among masculine women from nineteenth-century pre-lesbian practices to contemporary drag king performances. Through detailed textual readings as well as empirical research, Halberstam uncovers a hidden history of female masculinities while arguing for a more nuanced understanding of gender categories that would incorporate rather than pathologize them. She rereads Anne Lister's diaries and Radclyffe Hall's *The Well of Loneliness* as foundational assertions of female masculine identity. She considers the enigma of the stone butch and the politics surrounding butch/femme roles within lesbian communities. She also explores issues of transsexuality among "transgender dykes"--lesbians who pass as men--and female-to-male transsexuals who may find the label of "lesbian"

a temporary refuge. Halberstam also tackles such topics as women and boxing, butches in Hollywood and independent cinema, and the phenomenon of male impersonators. *Female Masculinity* signals a new understanding of masculine behaviors and identities, and a new direction in interdisciplinary queer scholarship. Illustrated with nearly forty photographs, including portraits, film stills, and drag king performance shots, this book provides an extensive record of the wide range of female masculinities. And as Halberstam clearly demonstrates, female masculinity is not some bad imitation of virility, but a lively and dramatic staging of hybrid and minority genders.

*Eva Luna* - Isabel Allende 2021-08-01

Traducere de Cornelia Rădulescu Prin dragoste, o femeie salvează de la moarte un indian otrăvit de veninul unui șarpe. Din această pasiune tămăduitoare se va naște Eva, botezată astfel ca să iubească viața. Orfană de mică, Eva își croiește un drum presărat cu lacrimi, dar și cu

miracolele pe care le pot face dragostea și bunătatea. Destinul ei și al tovarășilor ei de călătorie se întretes în tapiseria complicată și multicoloră a istoriei sud-americane, iar vocea Evei Luna deapănă, cu nostalgie și umor, povestea fascinantă a unei femei pe care viața a iubit-o.

**The Advocate** - 2003-08-19

The Advocate is a lesbian, gay, bisexual, transgender (LGBT) monthly newsmagazine. Established in 1967, it is the oldest continuing LGBT publication in the United States.

[My New Gender Workbook](#) - Kate Bornstein  
2013-08-06

"This updated edition of Bornstein's formative *My Gender Workbook* (1997) provides an invigorating introduction to contemporary theory around gender, sexuality, and power. The original is a classic of modern transgender theory and literature and, alongside Bornstein's other work, has influenced an entire generation of trans writers and artists. This revised and

expanded edition extends that legacy, offering an accessible foundation for examining gender in the reader's life and in the broader culture while arguing for the dismantling of all forms of oppression. For fans of the original, Bornstein's new material merits a fresh read..."--Publishers Weekly, starred review Cultural theorists have written loads of smart but difficult-to-fathom texts on gender theory, but most fail to provide a hands-on, accessible guide for those trying to sort out their own sexual identities. In My Gender Workbook, transgender activist Kate Bornstein brings theory down to Earth and provides a practical approach to living with or without a gender. Bornstein starts from the premise that there are not just two genders performed in today's world, but countless genders lumped under the two-gender framework. Using a unique, deceptively simple and always entertaining workbook format, complete with quizzes, exercises, and puzzles, Bornstein gently but firmly guides readers

toward discovering their own unique gender identity. Since its first publication in 1997, My Gender Workbook has been challenging, encouraging, questioning, and helping those trying to figure out how to become a "real man," a "real woman," or "something else entirely." In this exciting new edition of her classic text, Bornstein re-examines gender in light of issues like race, class, sexuality, and language. With new quizzes, new puzzles, new exercises, and plenty of Kate's playful and provocative style, My New Gender Workbook promises to help a new generation create their own unique place on the gender spectrum.

**Sexuality and Its Discontents** - Jeffrey Weeks  
2002-05-03

Few topics evoke so much anxiety and pleasure, pain and hope, discussion and silence as sexuality. Throughout the Christian era it has been a major moral preoccupation. Since the eighteenth century it has also been the focus of 'scientific' exploration and political activity. But,

despite this obsessive concern, we are still as baffled as our predecessors about the 'true' meaning of sex. In this book Jeffrey Weeks unravels the dense web of historical, theoretical and political forces that have culminated in the contemporary crisis of sexual meanings and values. The book begins with a powerful evocation of our present discontents and their potent signs: the rise of the New Right, the retreat of progressive forces and a wave of moral panics around sex. It argues that this crisis is rooted in a tradition which has ascribed an inflated importance to sexuality, whilst claiming a privileged access to truth. The author then examines radical debates of recent years, and asks whether they contain the potentiality for taking us beyond the existing boundaries of sexuality. From this analysis emerges a controversial 'radical pluralist' approach to sexuality built on an acceptance of diversity and choice. By linking our present discontents to a clear understanding of the past, Jeffrey Weeks

presents a rational, optimistic and challenging vision of a realizable future.

The Mammoth Book of Erotica - Maxim Jakubowski 1994

This gathering of writings from well-known authors is a celebration of sensual love from classic times to the present day. Representing some of literature's brightest lights, this anthology aptly fulfills the many purposes of erotic writing. Included here are selections from Anais Nin, Anne Rice, Pat Califia, Alice Joanou, and many others.

*Animacies* - Mel Y. Chen 2012-07-10

Rethinks the criteria governing agency and receptivity, health and toxicity, productivity and stillness

**The Best Recipes in the World** - Mark Bittman 2009-02-25

The author of How to Cook Everything takes you on the culinary trip of a lifetime, featuring more than a thousand international recipes. Mark Bittman traveled the world to bring back the

best recipes of home cooks from 44 countries. This bountiful collection of new, easy, and ultra-flavorful dishes will add exciting new tastes and cosmopolitan flair to your everyday cooking and entertaining. With his million-copy bestseller *How to Cook Everything*, Mark Bittman made the difficult doable. Now he makes the exotic accessible, bringing his distinctive no-frills approach to dishes that were once considered esoteric. Bittman compellingly shows that there are many places besides Italy and France to which cooks can turn for inspiration. In addition to these favorites, he covers Spain, Portugal, Greece, Russia, Scandinavia, the Balkans, Germany, and more with easy ways to make dishes like Spanish Mushroom and Chicken Paella, Greek Roast Leg of Lamb with Thyme and Orange, Russian Borscht, and Swedish Appletorte. Plus this book is the first to emphasize European and Asian cuisines equally, with easy-to-follow recipes for favorites like Vietnamese Stir-Fried Vegetables with Nam Pla,

Pad Thai, Japanese Salmon Teriyaki, Chinese Black Bean and Garlic Spareribs, and Indian Tandoori Chicken. The rest of the world isn't forgotten either. There are hundreds of recipes from North Africa, the Middle East, and Central and South America, too. Shop locally, cook globally—Mark Bittman makes it easy with:

- Hundreds of recipes that can be made ahead or prepared in under 30 minutes
- Informative sidebars and instructional drawings explain unfamiliar techniques and ingredients
- An extensive International Pantry section and much more make this an essential addition to any cook's shelf

The Best Recipes in the World will change the way you think about everyday food. It's simply like no other cookbook in the world.

*The Advocate* - 2001-08-14

The Advocate is a lesbian, gay, bisexual, transgender (LGBT) monthly newsmagazine. Established in 1967, it is the oldest continuing LGBT publication in the United States.

[Detransition, Baby](#) - Torrey Peters 2021-01-12

## **Shemales Stewardess Seduction Xxx Adult Erotica Real Sex Real Stories English Edition**

---

NATIONAL BESTSELLER • The lives of three women—transgender and cisgender—collide after an unexpected pregnancy forces them to confront their deepest desires in “one of the most celebrated novels of the year” (Time) “Reading this novel is like holding a live wire in your hand.”—Vulture Named one of the Best Books of the Year by more than twenty publications, including The New York Times Book Review, Entertainment Weekly, NPR, Time, Vogue, Esquire, Vulture, and Autostraddle PEN/Hemingway Award Winner • Finalist for the Lambda Literary Award, the National Book Critics Circle Award, and the Gotham Book Prize • Longlisted for The Women’s Prize • Roxane Gay’s Audacious Book Club Pick • New York Times Editors’ Choice Reese almost had it all: a loving relationship with Amy, an apartment in New York City, a job she didn't hate. She had scraped together what previous generations of trans women could only dream of: a life of mundane, bourgeois comforts. The only thing

missing was a child. But then her girlfriend, Amy, detransitioned and became Ames, and everything fell apart. Now Reese is caught in a self-destructive pattern: avoiding her loneliness by sleeping with married men. Ames isn't happy either. He thought detransitioning to live as a man would make life easier, but that decision cost him his relationship with Reese—and losing her meant losing his only family. Even though their romance is over, he longs to find a way back to her. When Ames's boss and lover, Katrina, reveals that she's pregnant with his baby—and that she's not sure whether she wants to keep it—Ames wonders if this is the chance he's been waiting for. Could the three of them form some kind of unconventional family—and raise the baby together? This provocative debut is about what happens at the emotional, messy, vulnerable corners of womanhood that platitudes and good intentions can't reach. Torrey Peters brilliantly and fearlessly navigates the most dangerous taboos around gender, sex,

and relationships, gifting us a thrillingly original, witty, and deeply moving novel.

*By Nightfall* - Michael Cunningham 2011-01-20  
From the Pulitzer Prize-winning author of 'The Hours', comes the story of a marriage thrown off course by a moment of mistaken identity.

Masculinities - R. W. Connell 2005

This is an exciting new edition of R.W. Connell's ground-breaking text, which has become a classic work on the nature and construction of masculine identity. Connell argues that there is not one masculinity, but many different masculinities, each associated with different positions of power. In a world gender order that continues to privilege men over women, but also raises difficult issues for men and boys, his account is more pertinent than ever before. In a substantial new introduction and conclusion, Connell discusses the development of masculinity studies in the ten years since the book's initial publication. He explores global gender relations, new theories, and practical

uses of masculinity research. Looking to the future, his new concluding chapter addresses the politics of masculinities, and the implications of masculinity research for understanding current world issues. Against the backdrop of an increasingly divided world, dominated by neo-conservative politics, Connell's account highlights a series of compelling questions about the future of human society. This second edition of Connell's classic book will be essential reading for students taking courses on masculinities and gender studies, and will be of interest to students and scholars across the humanities and social sciences.

**The Transsexual Empire** - Janice G. Raymond 1979

This book will be used as a text in women's studies, psychology, sociology, technology and public policy, as well as by medical students, law students, and all who have an interest in feminist issues.
