familiar scenario offers a springboard for discussion among middle schoolers...Easily grasped scenarios and short chapters help make this timely #MeToo story accessible to a wide audience.” —Publishers Weekly (starred review) “Realistic and heartbreaking.” —BCCB Barbara Dee explores the subject of #MeToo for the middle grade audience in this heart-wrenching—and ultimately uplifting—novel about experiencing harassment and unwanted attention from classmates. For seventh-grader Mila, it starts with some boys giving her an unwanted hug on the school blacktop. A few days later, at recess, one of the boys (and fellow trumpet player) Callum tells Mila it’s his birthday, and asks her for a “birthday hug.” He’s just being friendly, isn’t he? And how can she say no? But Callum’s hug lasts a few seconds too long, and feels...weird. According to her friend, Zara, Mila is being immature and overreacting. Doesn’t she know what flirting looks like? But the boys don’t leave Mila alone. On the bus. In the halls. During band practice—the one place Mila could always escape. It doesn’t feel like flirting—so what is it? Thanks to a chance meeting, Mila begins to find solace in a new place: karate class. Slowly, with the help of a fellow classmate, Mila learns how to stand her ground and how to respect others—and herself. From the author of Everything I Know About You, Halfway Normal, and Star-Crossed comes this timely story of a middle school girl standing up and finding her voice.

The Man's Guide to Women John Gottman 2016-02-02 A great "philosopher" once said, "Trying to understand women is like trying to smell the color 9." But the fact is, men can understand women to their great benefit. All they need is the right teacher. And arguably there is no better teacher than John Gottman, PhD, a world-renowned relationships researcher and author of the bestselling 7 principles of Making Marriage Work. His new book, written with wife Julie Gottman, a clinical psychologist, and Doug Abrams and Rachel Carlton Abrams, MD, is based on 40 years of scientific study, much of it gleaned from the Gottman's popular couple's workshops and the "love lab" at the University of Washington. It's written primarily for men because new research suggests that it is the man in a relationship who wields the most influence to make it great or screw it up beyond repair. The Man's Guide to Women offers the science-based answers to the question: What do women really want in a man? The book explains the hallmarks of manhood that most women find attractive, and helps men hone those skills to be the man she desires.

No one is more surprised than her when Tony makes his interest clear. Tony Santoro's time in the military directly influenced his new choice of career—and his choice in women. He's looking for someone of substance, and Aimee has far more to offer than just her adorably disheveled look. The very day he finally works up the nerve to ask Aimee out, is the day unspeakable violence explodes in the school. Trapped in the gym, Aimee and Tony will have to work together to get out with their lives...and the lives of the dozens of students trapped with them. He can't stand the thought of Emily and her young daughter living anywhere unsafe. Offering cheap rent is a small price to pay for their safety...and Fletch's peace of mind. Being a single mother is difficult at best, but renting the extremely affordable space from Fletch makes Emily's life a lot easier...until it doesn't. Suddenly all the money she's saving thanks to Fletch's generosity is going into the hands of a blackmailer. And what little food Emily can afford goes to her daughter Annie, so the girl doesn't go to bed hungry...leaving Emily weaker and weaker. When miscommunication has Emily assuming Fletch is in on the blackmail, he not only has to gain her trust, but also deal with a man holding a grudge against Fletch and his entire Delta Force team. A task made more difficult when the dangerous man gets his hands on Emily and Annie... Astrology for Real Relationships Jessica Lanyadoo 2019-12-31 A modern, inclusive guide to astrology that uses the zodiac to illuminate your love life as well as your relationships with your family, your friends, and yourself. When it comes to friendship, family, and romance, we all want the same things: to love and be loved, to communicate, to fight fair, and to feel okay in our own skin. Illuminating and accessible, *Astrology for Real Relationships* includes a primer on basic zodiac knowledge—including the importance of your Sun, Moon, and the planets in your birth chart—before exploring how self-love and self-care affects all types of relationships. Once your mental health and spiritual and emotional wellness are balanced, you can be empowered in your relationships, including:

- Friends and chosen family: The Sun governs your identity and your will. Are you comfortable being yourself? Do your friends see you in the same ways that you see yourself?
- Hanging out and dating: The Moon governs your feelings and emotions. Are you honest with yourself about how you feel and what you really need from a partner?
- Long term relationships: Mars is the planet of conflict. Do you always seem to be attracted to the wrong people? Are women really from Venus and men from Mars? Full of real talk about attraction, dating, sex, frenemies, self-love, mental health, and how to deal with family, this book will help you build and maintain strong connections—with your crushes, your spouse, your boss, or your mom—and uncover and empower you to get what you really want in relationships, not what you think you should want.

Securing Zoey: A Navy SEAL Military Romantic Suspense Susan Stoker 2020-01-12 Getting a second chance at love is great, but at the cost of being stranded in the Alaskan wilderness wasn't how she imagined it would happen. After an unstable childhood, Zoey Knight landed in Juneau, Alaska, during high school, and has never left. Now in her early thirties, she lives a quiet life that includes part-time caretaker for a beloved father figure. Despite the stability, she occasionally wishes for more adventure. She gets more than she bargained for when a plane she's in goes down in a remote stretch of wilderness—and the only other passenger is a man she's crushed on for years. Life as a SEAL doesn't allow for much spare time, but Mark "Bubba" Wright still regrets not trying harder to visit his pop. Now it's too late, and the guilt is heavy when he heads to Alaska for the reading of his father's will. The only bright spot is finding a girl he knew in high school on the same tiny plane. The same woman, it turns out, who's been taking care of his pop...a girl he crushed on in high school. Struggling to survive in the Alaska back country isn't the kind of second chance either envisioned, but relying on each other makes Zoey and Bubba's rekindled attraction hotter than ever. Signs of Attraction Laura Brown 2016-06-14 "Brown offers a powerful look into the world of hearing loss... a notable and groundbreaking debut by an author to watch. An empowering and satisfying romance." -- Kirkus Reviews Do you know what hearing loss sounds like? I do. All my life I've tried to be like you. I've failed. So I keep it hidden. But on the day my world crashed down around me, Reed was there. He showed me just how loud and vibrant silence can be, even when I struggled to understand. He's unlike anyone I've ever known. His soulful eyes and strong hands pulled me in before I knew what was happening. And as I saw those hands sign, felt them sparking on me, I knew: imperfect could be perfect. Reed makes me feel things I've never felt. It's exciting . . . and terrifying. Because he sees me like no one else has, and I'm afraid of what he'll find if he looks too closely. The only thing that scares me more than being with him? Letting him go. An Avon Romance

much. But nothing can ever prepare you to see your entire team die before your eyes... The loss of his Delta brothers—and his arm—has Dane “Fish” Munroe still struggling months later. He’s moved to Idaho, where an isolated lifestyle is making things worse, not better. Not that there’s anyone left to care. Actually, Bryn Hartwell cares. In fact, she tries to surreptitiously make life just a little easier for the mysterious man who comes into the grocery where she works late at night, only to get a tongue lashing for her trouble. Still, he’s obviously hurting; someone has to worry about him, spurring Bryn to nurse Dane when he hits a particularly low point. Intrigued by the quirky, kind, socially awkward woman, Dane allows himself to get close to someone for the first time in ages. A potentially epic mistake—because when her interest in the prepper lifestyle puts Bryn in the hands of a homegrown terrorist, losing her could put Dane’s mental recovery permanently out of reach. But once a Delta, always a Delta. And there’s a team in Texas who are ready to have Dane’s back at a moment’s notice. **Rescuing Bryn is the 6th book in the Delta Force Heroes Series. The Guyde Howie Reith 2016-11-19 *The Guyde* is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. *The Guyde* is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of *The Guyde* deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and

"ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

The Love List Elena Murzello 2013-09 Elena Murzello cannot imagine going to the grocery store without a list. As she strolls through the aisles, she relies on her list to make sure she gets her must-haves and to help keep her from grabbing items she does not need. It was with this theory in mind that, at age twenty-one, she created a list of characteristics for a potential lifelong mate that still guides her love choices to this day. In The Love List, Elena shares her real-life experiences as well as information gathered from more than a hundred single, divorced, and married men and women about the qualities they look for in a life partner. Abstracting details from her interviews she created a process that anyone can use to create his or her own lists. Along with introspective questions to ponder, Elena includes sample lists of characteristics, the top three traits both men and women seek in a partner, an exploration of different types of relationships, and ways to diversify a portfolio of suitors. The Love List provides practical tips and personal stories to encourage single people to look deep within, take risks, and learn to rely on their own unique lists while searching for the perfect mate.

Medical Heroes and Heretics Wayne Martin 1977 Orthodox science -- particularly in the medical profession -- has for centuries resisted change. It traces back at least as far as Socrates who was done to death for corrupting youth with his innovative ideas. In recent times, practically all the great advances in medicine have been made against a powerfully entrenched orthodoxy. Wayne Martin's book is about some of the men involved -- then and now: Oliver Wendell Holmes, Sr., who made physicians wash their hands; Louis Pasteur, who postulated the connection between bacteria and certain diseases; Frederick Banting, who discovered insulin; Jonas Salk, who solved the mystery of polio, to mention but a few. These men all braved the wrath of the medical establishment of their day. Heretics they were, but Heroes they became. Similarly, today a group of brave pioneers are fighting the same fight. They are, says the author, the heroes of tomorrow: Ernst Krebs, Jr., Evan Shute, Dean Burk, Denis Burkitt, Virginia Livingston and a dozen others, all of whose careers and findings are described here by a man who has pursued his topic for the past ten years.
