A Little Learning - Libby Purves 2007-08-07

This lively selection brings together journalist and broadcaster Libby Purves' experiences as journalist,

parent, governor and former pupil of half a dozen assorted schools from Bangkok to Tunbridge Wells, displaying her eclectic and provocative opinions and ideas on teaching and learning. This collection of the best of her writing in the Times Educational Supplement covers - sometimes thoughtfully, sometimes mockingly - everything from national policy to the eccentricities of headteachers and the limitations of IT. Education professionals over the years have received her outsider view with enthusiasm, laughter, inspiration and occasional fury. From ministerial madness to the pitfalls of uniform and the vagaries of teenagers, this book is dedicated to the amusement of a cadre of professionals Libby once planned to join, until she lost her nerve. It is dedicated, with thanks and admiration, to all teachers.

Visiting Mrs Nabokov And Other Excursions - Martin Amis 2010-12-23

Fuelled by innumerable

cigarettes, Martin Amis provides dazzling portraits of contemporaries and mentors alike: Larkin and Rushdie; Greene and Pritchett; Ballard and Burgess and Nicholson Baker; John Updike - warts and all. Vigorously zipping across to Washington, he exposes the double-think of nuke-speak; in New Orleans the Republican Convention gets a going over. And then there's sport: he visits the world of darts and its disastrous attempt to clean itself up; dirty tricks in the world of chess; and some brisk but vicious poker with Al Alvarez and David Mamet. Sex without Madonna, expulsion from school, a Stones gig that should have been gagged, on set with Robocop or on court with Gabriela Sabatini, this is Martin Amis at his electric best.

Fightnomics - Reed Kuhn
2013-12-07

"Fightnomics quantifies the underlying drivers of the world's most exciting and fastest growing sport through deep analysis of Mixed Martial Arts (MMA) competition. Part

Freakonomics and part Moneyball, Fightnomics is a statistical spotlight on the Ultimate Fighting Championship (UFC) and the fighters who compete in the Octagon. Does size matter? Is the Southpaw Advantage real for MMA? Is it better to be young or experienced in a fight? How is the UFC Tale of the Tape lying to us? What makes a strike significant? What about Ring Rust, Octagon Jitters, or the Home Cage Advantage? Just how accurate are betting odds? Theories about how MMA works get put to the test with a little bit of science, and a whole lot of numbers. Fightnomics is the deepest and most complete analysis to date of historical UFC data that answers common, yet hotly debated questions about the sport. The fight game will never quite look the same once you've learned what really matters in a cage fight, and even a few surprising things that don't"--Publisher's description.

Fierce Attachments - Vivian Gornick 2005-09-14

In this deeply etched and haunting memoir, Vivian Gornick tells the story of her lifelong battle with her mother for independence. There have been numerous books about mother and daughter, but none has dealt with this closest of filial relations as directly or as ruthlessly. Gornick's groundbreaking book confronts what Edna O'Brien has called "the principal crux of female despair": the unacknowledged Oedipal nature of the mother-daughter bond. Born and raised in the Bronx, the daughter of "urban peasants," Gornick grows up in a household dominated by her intelligent but uneducated mother's romantic depression over the early death of her husband. Next door lives Nettie, an attractive widow whose calculating sensuality appeals greatly to Vivian. These women with their opposing models of femininity continue, well into adulthood, to affect Gornick's struggle to find herself in love and in work. As Gornick walks with her aged mother through the streets of

New York, arguing and remembering the past, each wins the reader's admiration: the caustic and clear-thinking daughter, for her courage and tenacity in really talking to her mother about the most basic issues of their lives, and the still powerful and intuitively-wise old woman, who again and again proves herself her daughter's mother. Unsparing, deeply courageous, Fierce Attachments is one of the most remarkable documents of family feeling that has been written, a classic that helped start the memoir boom and remains one of the most moving examples of the genre.

Holy Barbarians - Lawrence Lipton 2015-11-06

Mr. Lipton's book is the first complete and unbiased survey of the beat generation and its role in our society. Here are the intimate facts about these people and their attitudes toward sex, dope, jazz, art, religion, parents, landlords, employers, politicians, draft boards, the law and, most important, toward the "square". The author presents

a picture of their way of life, their individual backgrounds, the language they have appropriated, in terms made clear for the first time to those of us who have been confused and puzzled about them. He also provides a balanced discussion of their literature, art and music, of what they produce and fail to produce in the arts they practice.—Print Ed.

The Hot Floor - Josephine Myles 2013

Two plus one equals scorching hot fun. Dumped by his boyfriend and reduced to living in a grotty bedsit, Josh Carpenter has gotten used to expecting the worst. Now he lives only for his job as a glassblower...and occasional glimpses of his sexy downstairs neighbors, Rai Nakamura and Evan Truman. Every time he overhears the diminutive academic and the hunky plumber having loud and obviously kinky sex, Josh is overwhelmed with lust...and a longing for a fraction of what they have. To his amazement, Rai and Evan find his

embarrassing tendency to blush utterly charming, and the three men grow closer over the course of the long, hot summer. Despite Rai's charming flirtation and Evan's smoldering gaze, Josh is determined never to break his new friends' loving bonds. On the night a naked Josh falls—quite literally—into the middle of one of Rai and Evan's marathon sex sessions, the force of their mutual attraction takes control. But just as Josh dares to hope, he senses a change. Leaving him to wonder if the winds of love are about to blow his way at last...or if history is about to repeat itself. Warning: Contains one well-endowed stud with a sexy accent, one improbably toppy bottom boy with an unfortunate owl obsession, and one blushing naïf who can't believe his luck. Also, the occasional indulgence in mathematical spanking and some shameless armpit sex.

Face Time - Hank Phillippi Ryan 2016-04-12

Veteran TV reporter Charlotte McNally fights for justice, journalism -- and the battle against on-air aging. She knows that despite years of experience, she's only as good as her most recent blockbuster story. The good news: she's got explosive evidence that could free an innocent woman from prison. news: her investigation makes Charlotte -- and someone she loves -- the real killer's next target. Charlotte knows she has what it takes to get the story. Unfortunately, the more Charlotte snoops around, the more people turn up dead. *Face Time* by Boston Globe bestseller and Emmy-winning reporter Hank Phillippi Ryan is the second book in the award-winning, out-of-print Charlotte McNally series, now repackaged for her many new fans! At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Catch Me If You Can - Frank W. Abagnale 2003

"Frank W. Abagnale, alias Frank Williams, Robert Conrad, Frank Adams and Ringo Monjo, was a daring conman, forger, impostor and escape artist. In his brief but notorious career, Abagnale donned a pilot's uniform and co-piloted a Pan Am jet, masqueraded as a member of hospital management, practised law without a licence, passed

himself off as a college sociology professor and cashed over \$2.5 million in forged checks, all before he was 21. Known by the police of 26 foreign countries and all 50 US states as The Skywayman, Abagnale lived a sumptuous life on the run - until the law caught up with him. Now recognized as a leading authority on financial foul play, Abagnale is a charming rogue whose hilarious, stranger-than-fiction international escapades and ingenious escapes - including one from an aeroplane - make Catch me if you can an irresistible tale of deceit. Abagnale's story has now been made into a film, starring Tom Hanks and Leonardo DiCaprio."--Publisher description.

Hotshot Doc - R. S. Grey
2019-01-04

A full-length STANDALONE romantic comedy from USA TODAY bestselling author R.S. Grey. Dr. Russell has a bad reputation around our hospital. The scrub techs say he's cold-blooded, the nurses say he's too cocky for his own good, and the residents say he's the best surgeon in the world-really, just a swell guy!-on the off chance he's within earshot. I try to avoid him and his temper at all costs. It's just as easy to admire his sexy, grip-it-while-he's-ravishing-you hair and chiseled jaw from a healthy

distance, preferably from the other end of the hallway...half-hidden behind a plant. Unfortunately, my plan crumbles when my trusty ol' boss decides to swap his white coat for a Hawaiian shirt. His retirement leaves me with two terrible options: switch specialties and spend months retraining, or take an open position as Dr. Russell's surgical assistant. That means I have to stand near him in the OR for hours on end and anticipate his every need without letting his biting words and bad attitude intimidate me. Oh, and as if that's not difficult enough, my silly crush on him-the one I've tried to stomp on until it disappears-might just be reciprocated. It's fine. I'm fine. I take my job seriously. There will be no smoldering bedroom eyes across the operating table, no angry almost-kisses in the supply closet. (Well, no more of those.) What's the phrase? An apple a day keeps the doctor away? Maybe I should go for a whole damn bushel. **HOTSHOT DOC** is a full-length romantic

comedy. For a limited time, I've also included an excerpt from my #1 bestseller **ANYTHING YOU CAN DO!**
