Healing the Sexual Soul - Christopher Alan Anderson 2012-08-25

What really is the hurt in our souls and can it be healed? In this booklet, the author suggests our fundamental pain lies in our imbalance with our eternal other half. Our task is to correct this imbalance.

Young Hearts, Pure Lives - Luanne Botta 2010-07-23

Staying pure in a reckless world...is that even possible in the culture we live in today? Young Hearts, Pure Lives addresses the fact that God created sex because He has a plan and that plan is good! This program encourages young women

to believe that they are worth waiting for! It teaches them to be responsible in making wise choices in friends; setting standards and boundaries in dating relationships; recognizing the media's persuasion of selling sex; observing the dangers of sexually transmitted diseases; and understanding God's forgiveness and cleansing power. He truly is the God of the first and second chance!

Pure Mind Pure Marriage - Michael Ryan
2021-07-01

Let marriage be held in honor among all, and let the marriage bed be undefiled, for God will judge the sexually immoral and the adulterous.

—Hebrews 13:4 ESV When our flesh takes God's blessings and turns them into idols, we can expect nothing but problems. This is no less true when men turn sex into an idol and elevate its importance beyond what God intended.

Whenever sex becomes an idol in a husband's heart, it does much damage to the sanctity of any marriage. All kinds of problems rise to the surface which rob couples of intimacy and joy when sex moves out of its appropriate boundaries and takes God's rightful place on the throne of a man's heart. In *Pure Mind, Pure Marriage*, Michael Ryan highlights the process in which idols develop in our hearts and explains how sex gets transformed from a blessing to a curse when we idolize it. He also gives helpful instruction on how to deal with this idolatry once it has taken shape in our hearts. In *Pure Mind, Pure Marriage*, you will learn how to develop and maintain a biblical mind-set about sex which honors God and blesses your marriage. *Pure Mind, Pure Marriage*—the help needed to equip the Christian husband with a biblical perspective which will preserve sex as the blessing God created it to be. Keep your mind and your marriage pure, exactly how God has always wanted it!

A Tainted Lovers Evolution - Kyana Hawkins
2017-01-12

A Tainted Lovers Evolution is based on some of the authors true life encounters and relates to situations involving family not accepting you for your sexuality, friends hating instead of helping, as well as mental, physical and emotional abuse.

Dwelling in the Land - Jeanette Howard
2015-10-15

Dwelling in the Land considers what it means for Christians, who are attracted to other members of the same sex, to live fully under the lordship of Christ. Author Jeanette Howard, believes that homosexuality is not part of God's plan for His world, and has chosen to remain celibate despite experiencing same-sex attraction. She has come to believe that to identify herself as 'gay' does not do justice to what God has been doing in her life. Instead of being identified by your sexuality, as a Christian you are identified by the fact that you belong to Christ. Some gay Christians have sought healing. Others have turned away from a conservative interpretation of the biblical texts. Others have remained celibate and invested their lives in Christian service. All have found that their sexual orientation has strongly influenced who they perceive themselves to be, and how others perceive them. Allowing God to dismantle your false identity permits you to live out of your authentic self. As you grow in Christ you are able to perceive true goodness and health; you rid yourself of old habits of thinking; you learn to recognise what is holding others back; and discover new areas of ministry. You do not have to accept the labels that the world ' and the church ' attach to you.

Love God And Sex - André Cronje 2021-10-24

Love God and Sex - Love has inspired many songs, poems, and letters. Whether you are single, married, divorced, or part of a community, you can know for yourself what God says about love, sex, and relationships.

White Shirt - Crystal Washington 2010-11-30

He gives true accounts of his life in the streets of Wellston dealing with gang rivalry and police corruption. She writes about experiences growing up a female with no father at home,

overcoming child molestation, incest and rape, a single parent and poor in St. Louis city. She has witnessed gang rapes, murders and other vile things that come with a life of being poor. Life is truly a battlefield when you are born at the bottom. Crime is not a fairy tale. It's a dead end and there is no outlet. This book is a love story about a couple who have gone through all types of trials and tribulations growing up at the bottom of the ghetto. Their lives went through all types of twists and turns, only in the end to find true love. In the end, God had their backs. *Religion & Sexuality* - Charles Kevin Robertson 2006

Issues of religion and sexuality elicit passionate debate, as witnessed in the well-researched, provocative essays contained in this volume. Cutting-edge scholars representing radically different traditions and positions wrestle with controversial and even taboo subjects in modern American culture. Oral sex, polygamy, homosexuality, and clergy celibacy and boundaries are addressed as editor C. K. Robertson facilitates a lively conversation that will be of interest to students of religion and popular culture or anyone wishing to explore what is on- and off-limits in today's increasingly pluralistic, yet strongly spiritual, society.

The Warrior Within - Luanne Botta 2019-01-08
You have a voice in this culture...a culture that is literally spinning out of control. The Warrior Within will strengthen, encourage and challenge you to be the young man God has called you to be. Not a perfect man, but a man who trusts and believes his God. The Warrior Within addresses many topics: how the media is selling seduction to capture your mind and heart through pornography; wisdom in friendships; the girls in your life; the battle of sexting; becoming that warrior within. This book speaks candidly about sexual integrity. (I know you just rolled your eyes!) But the culture has thrown so many lies at you for years regarding this topic, and it is necessary to be up front and honest about it. To be a warrior within and a warrior for your generation, it is imperative that you understand the fight. You are the most influential player for your generation.

God, Sex, and Your Marriage - Juli Slattery 2022-06-07

Many Christian books talk about sexual issues within broader works on marriage, but few resources comprehensively and biblically guide couples specifically on sexual intimacy. God, Sex, and Your Marriage challenges the common assumptions couples have about sexuality and presents the richer biblical narrative of sex as a metaphor of God's covenant love. Dr. Juli Slattery applies that biblical framework to the practical challenges in sexual intimacy. Godly sexuality extends far beyond sexual purity and calls us to sexual integrity. God invites every couple to view their sexual relationship, including their greatest struggles, as an avenue to learn about the nature of His covenant love. It's God desire to make us more like Himself and sex within marriage is often a powerful training ground for godly character. That desire gives purpose and context to addressing pornography, healing from past wounds, sexual incompatibility, pursuing pleasure together, and forgiveness.

Pronoia Is the Antidote for Paranoia, Revised and Expanded - Rob Brezsny 2009-09-22
Readers were instantly beguiled by Rob Brezsny's new approach to the humble horoscope when his "Free Will Astrology" column first appeared in 1996. Instead of the generic, one-size-fits-all style of similar columns, Brezsny used witty parables, tender rants, cultural riffs, pagan wisdom, and lively rituals in his playfully positive readings. He brings that same sensibility—and the same message of a smiling universe—to this self-help book for people who may be skeptical about self-help books. Brezsny persuasively advises readers to go along with the universe's good intentions, but his rejection of cynicism and a bleak view of human nature isn't rooted in denial. On the contrary, he makes a case for a cagey optimism that requires a vigorous engagement with the dark forces. He asks us to rethink life as a sublime game created for our amusement and illumination. The book is a chameleon of a tome. You can read it straight through, slowly and surely, or else pick it up and open it at random for tasty hits of inspiration as the spirit moves you. You can even start at the end and weave your way backward. Brezsny has substantially

updated this edition—he added nearly one hundred pages—by expanding various sections, adding more than a dozen new pieces and a new chapter, and providing readers with a number of playtime activities and exercises that let them participate through their own writing and drawing. "Brezsny's horoscopes are like little valentines, buoyant and spilling over with mischievousness. They're a soul prognosis."

—The New York Times

Hinduism and the Man on the Cross -

Norman Law 2023-10-10

The reason for writing this book is because of God's irrefutable love for the people of India through His only Begotten son, Jesus Christ. This book explores the records of archeology, history of migration, language, and religion of Hinduism, and the findings are astonishing in that it is not what we normally expect. The author described the character and attributes of the six major Hindu deities: Brahma, Vishnu, Shiva, Indra, Krishna, and Rama as written in

the ancient sacred Vedic Hindu texts: Rig Veda, Samaveda, Yajur (Black and White) Vedas, Atharva Veda, Upanishads, Bhagavad Gita, Ramayana, Mahabharata, and the Puranas, and they are definitely not as common beliefs or rumors passed down from generation to generation. A comparison is made with the character and attributes of God as described in the Christian Bible. Similarly, the author explores the origin of Hinduism's major doctrines: Krishna's claims, the Samsara cycle, Trimurti, avatars, dharma, self-realizations, renunciation of and freedom from attachments, yogic meditation, demonic possession, and minor doctrines like worship, idol worship, sin, death incarnation, castes, hell, curses, women, astrology, etc. as found in the ancient sacred Vedic texts as mentioned above and compared them with the theology, doctrines, and practices as found in the Christian Bible.
