The Science of Tinder: the Guide for Men - Max Tusk 2018-11-28

This is a dating guide like no other. Not only does it encompass an in-depth guide into areas of pickup and seduction on the online dating app Tinder, but it also adds in an element that no dating book has: a science. Yes that's right, a science. You may be thinking how can there be a science on Tinder? Well let me tell you after four years using the app religiously, there definitely is! For example, did you know that there are certain types of pictures you can put up on your profile that will guarantee you more matches? Did you know that writing certain things in your Bio will make a girl message you first? Did you know there are optimal times of the week to swipe and acquire more matches? Or even times of the year where you will get

more matches? Perhaps you didn't realise that with using some of the Tinder Plus features correctly, your matches can increase as much as 500%. Or perhaps you didn't know that you can actually tell a girl on Tinder that you are looking only to hook-up, and a good portion of the time she will take you up on it if you say it in the right way? If you didn't know this, then this is what this book is here to do. It is here to give the Tinder virgin right the way through to the Tinder pro, the ability to learn this science and getting you to achieve your dream girl. The science you will learn...* A 10-step guide into getting your dream girl based on what you are looking for from the app. Whether that be a hook-up, or a girl to date, or even a girlfriend*To refine your profile in a way that shows the best iteration of yourself to increase the quality and quantity of your matches*Portraying your personality, alongside your physical self in your profile*To maximise your efficiency whilst using the app, through the best times to swipe, chat, and make use of the Tinder Plus features*What to say to the girl in the opening messages*How to be honest with the girl you are talking with based on what you are looking for *The best way and time to ask for a phone number, a date, or to hook-up

The Guyde - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part

III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

Tinder Translator - Aileen Barratt 2022-10-05

The Tinder Translator is a dictionary of douchebaggery for the modern dater - and a hilariously sharp read for all feminists - from Aileen Barratt of @tindertranslators. A fun small hardback, it is the perfect gift for friends (or for yourself), and will make you laugh, cry, think, and leave you feeling empowered and resilient. Ten years after the introduction of Tinder, dating apps have changed the terrain of human interaction, but

many feel like they've been sent into the wilderness without a guide. For those dating cis-het men especially, the blatant misogyny encountered during every swipe session is depressing and enraging in equal measure. And then there is the not-so-blatant stuff. Scrolling through profile after profile, you'll see the same stock phrases - 'Good vibes only.' 'Must have banter.' 'Just ask.' But what do they actually mean? The Tinder Translator, aka Aileen Barratt, takes you through an A to Z of terminology that permeates not just the dating world but the wider world. Through her Instagram account, Aileen has heard from thousands of people on their dating experiences, in addition to her own three and half years spent on dating apps after separating from her husband of ten years. This book is part reference, part rant and part rallying cry for anyone navigating the sometimes gross and exhausting experience of dating, but also just for everyone who is sick of the patriarchy, whatever their relationship status.

Listen, if I count how many times I have been friend-zoned, you'll feel depressed on my behalf. The last one was many years ago when I was studying in Singapore. The next day, after my heartbreak, my roommate, Michael, called me and said, "Barack Obama is around. He's at Orchard to meet with Lee Kuan Yew-come, come, come." Michael didn't know what I was going through. He was at Orchard having fun, but I was at home feeling heartbroken and Obama wasn't the solution I

MATCHED - Zac Miller

————— Need Some Help Attracting Women on Dating Apps? —————

You've come to the right place! Hi, my name is Zac Miller, and I've come up with a guide that will get your the matches, responses, and dates so you can finally find the girl of your dreams! We start at the beginning with fine tuning your profile, going over case studies on the perfect photos to employ to increase your matches. We then go over what and when to message girls so they want to talk to you. We go over how to get their number and Snapchat, and ultimately how to get them out onto a date. I even show you what to do after the date! Everything you need is included in this book! Here's What You'll Learn In This Book:

————— • Why meeting girls on dating apps makes dating a much easier, more enjoyable experience than going to a bar or club. • Inexpensive ways to immediately improve your appearance. • The most attractive male body type females are attracted to (hint: it's not abs). • A major college study found doing this one thing in your photo makes you appear more attractive to females. • Many men make this mistake, which makes them appear uncertain and fearful in their photos. • A website where others can judge your photos, so you have the best ones displayed on your profile. • Don't put any of these in your bio or risk alienating potential matches. • 5 ways to increase the number of matches you are currently getting. • Should you use super likes? • The many types of girls and guys found on Tinder (and other dating apps) and the one type of guy who girls are most drawn to. • The reasons most guys don't do well on Tinder. • The two qualities which attract partners to each other. • Tips for sending the first message, as well as a list of 80 message openers you can immediately start using. • What is the dating app staircase? • How to easily keep quality conversations going with girls. • The #1 thing girls like to talk about which releases "feel good" chemicals in their brain. • How to ask for her Snapchat ID or phone number. • Indicators which show she is interested in you. • How to ask for the date. • And So Much More! ————— As a complimentary bonus, only for book buyers, you'll receive my special report titled Subconscious Attraction, which includes 3 subconscious techniques that attract females. This report is not available to the public; it exists solely as a "thank you" to buyers of this book. ————— What are you waiting for?
