Seeing Like a State - James C. Scott 2020-03-17

"One of the most profound and illuminating studies of this century to have been published in recent decades."—John Gray, *New York Times* Book Review Hailed as "a magisterial critique of top-down social planning" by the *New York Times*, this essential work analyzes disasters from Russia to Tanzania to uncover why states so often fail—sometimes catastrophically—in grand efforts to engineer their society or their environment, and uncovers the conditions common to all such planning disasters. "Beautifully written, this book calls into sharp relief the nature of the world we now inhabit."—*New Yorker* "A tour de force."—Charles Tilly, Columbia University

The Origin of Consciousness in the Breakdown of the Bicameral Mind - Julian Jaynes 2000-08-15

National Book Award Finalist: "This man's ideas may be the most influential, not to say controversial, of the second half of the twentieth century."—*Columbus Dispatch* At the heart of this classic, seminal book is Julian Jaynes's still-controversial thesis that human consciousness did not begin far back in animal evolution but instead is a learned process that came about only three thousand years ago and is still developing. The implications of this revolutionary scientific paradigm extend into virtually every aspect of our psychology, our history and culture, our religion—and indeed our future. "Don't be put off by the academic title of Julian Jaynes's *The Origin of Consciousness in the Breakdown of the Bicameral Mind*. Its prose is always lucid and often lyrical...he unfolds his case with the utmost intellectual rigor."—*The New York Times* "When Julian Jaynes . . . speculates that until late in the twentieth millennium BC men had no consciousness but were automatically obeying the voices of the gods, we are astounded but compelled to follow this remarkable thesis."—John Updike, *The New Yorker* "He is as startling as Freud was in *The Interpretation of Dreams*, and Jaynes is equally as adept at forcing a new view of known human behavior."—*American Journal of Psychiatry*

The Gay Kama Sutra - Colin Spencer 1997

A modern adaptation of the *Kama Sutra*, the classic manual to love and life. Information includes seduction, male sexuality and society, sexual games and risks, living with a partner and aphrodisiacs.

Popular Mechanics - 2000-01

Popular Mechanics inspires, instructs and influences readers to help them master the modern world. Whether it's practical DIY home-improvement tips, gadgets and digital technology, information on the newest cars or the latest breakthroughs in science -- PM is the ultimate guide to our high-tech lifestyle.

Indianapolis Monthly - 2003-02

Indianapolis Monthly is the Circle City's essential chronicle and guide, an indispensable authority on what's new and what's news. Through coverage of politics, crime, dining, style, business, sports, and arts and entertainment, each issue offers compelling narrative stories and lively, urbane coverage of Indy's cultural landscape.

New York Magazine - 1984-03-19

New York Magazine was born in 1968 after a run as an insert of the *New York Herald Tribune* and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Taurus 2019: Your Personal Horoscope - Joseph Polansky 2018-05-31

Your guide to the year 2019. This fantastic book includes month-by-month forecasts and all you need to know to find out what is in store for you in the year ahead. The only horoscope you'll ever need.

The Advocate - 2004-08-17

The Advocate is a lesbian, gay, bisexual, transgender (LGBT) monthly newsmagazine. Established in 1967, it is the oldest continuing LGBT publication in the United States.

Libra 2019: Your Personal Horoscope - Joseph Polansky 2018-05-31

Your guide to the year 2019. This fantastic book includes month-by-month forecasts and all you need to know to find out what is in store for you in the year ahead. The only horoscope you'll ever need.

Watching the English - Kate Fox 2005-04-11

In "Watching The English" anthropologist Kate Fox takes a revealing look

at the quirks, habits and foibles of the English people. She puts the English national character under her anthropological microscope, and finds a strange and fascinating culture, governed by complex sets of unspoken rules and byzantine codes of behaviour. The rules of weather-speak. The ironic-gnome rule. The reflex apology rule. The paranoid-pantomime rule. Class indicators and class anxiety tests. The money-talk taboo and many more ... Through a mixture of anthropological analysis and her own unorthodox experiments (using herself as a reluctant guinea-pig), Kate Fox discovers what these unwritten behaviour codes tell us about Englishness.

Indianapolis Monthly - 2003-02

Indianapolis Monthly is the Circle City's essential chronicle and guide, an indispensable authority on what's new and what's news. Through coverage of politics, crime, dining, style, business, sports, and arts and entertainment, each issue offers compelling narrative stories and lively, urbane coverage of Indy's cultural landscape.

The Advocate - 2003-08-19

The Advocate is a lesbian, gay, bisexual, transgender (LGBT) monthly newsmagazine. Established in 1967, it is the oldest continuing LGBT publication in the United States.

Subject Guide to Books in Print - 1975

Albion's Seed - David Hackett Fischer 1991-03-14

This fascinating book is the first volume in a projected cultural history of the United States, from the earliest English settlements to our own time. It is a history of American folkways as they have changed through time, and it argues a thesis about the importance for the United States of having been British in its cultural origins. While most people in the United States today have no British ancestors, they have assimilated regional cultures which were created by British colonists, even while preserving ethnic identities at the same time. In this sense, nearly all Americans are "Albion's Seed," no matter what their ethnicity may be. The concluding section of this remarkable book explores the ways that regional cultures have continued to dominate national politics from 1789 to 1988, and still help to shape attitudes toward education, government, gender, and violence, on which differences between American regions are greater than between European nations.

Gay Astrology - Michael Yawney 2010-01-30

From dating to mating and scoring to snoring, this down-to-earth astrological guide offers heaven-sent advice on finding love in today's gay world.

The Astrology of Great Gay Sex - Myrna Lamb 2008-05-16

Are you searching for a lifelong partner or a fun fling? Is the man you found destined to be your soul mate? What turns your lover on? The answers to these questions are revealed here--sign by sign--by Myrna Lamb, radio talk-show host and astrologer extraordinaire. Through candid, explicit interviews with more than 1,200 men, Myrna Lamb backs up her astrological insights into love matches, relationships, and sexual preferences. Respondents to the survey open up their private lives to reveal intimate secrets that correspond remarkably to each sign of the zodiac. These real-life confessions will make you laugh out loud and maybe blush . . . *The Astrology of Great Gay Sex* is a book that entertains and enlightens, offering new perspectives on compatibility, desire, and the search for that special guy. The best part? It includes a copy of the sex survey for you and your partner to discover--and fulfill--your own fantasies.

Virgo 2019: Your Personal Horoscope - Joseph Polansky 2018-05-31

Your guide to the year 2019. This fantastic book includes month-by-month forecasts and all you need to know to find out what is in store for you in the year ahead. The only horoscope you'll ever need.

The Advocate - 2004-08-17

The Advocate is a lesbian, gay, bisexual, transgender (LGBT) monthly newsmagazine. Established in 1967, it is the oldest continuing LGBT publication in the United States.

Family Herald - 1854

Agamben and the Signature of Astrology - Paul Colilli 2015-10-16

The work of Giorgio Agamben, one of the world's most important living philosophers, has been the object of much scrutiny. Yet, there is one

dimension of his thought that remains unexamined by scholars: the presence of the ancient science of astrology in his writings. This book, the first of its kind, identifies the astrological elements and explains the implications of their usage by Agamben. In so doing, this study challenges us to imagine Agamben's thought in a radically new light. A critical account of the presence of astrology and related themes in

Agamben's writings, ranging from the earlier works to the more recent publications, illustrates that the astrological signature constitutes a mode of philosophical archaeology that allows for an enhanced understanding of concepts that are central to his works, such as potentiality, the signature, bare life and biopolitics.
