Closer - Adrian Reynolds 2021-01-01

Sexual intimacy in marriage is a great gift from a good God that cements couples together and brings unity and happiness. Nevertheless, in our broken and messed-up world we often need help and direction to understand and enjoy what it means to give ourselves to one another, and to overcome some of the difficulties and questions that every Christian husband and wife faces. Adrian and Celia Reynolds are straightforward and compassionate as they look at Scripture to guide couples in this area. They give five clear biblical principles relating to sex and apply them to the common questions Christian couples ask about intimacy.

The Transformation of Intimacy - Anthony Giddens 2013-04-23

The sexual revolution: an evocative term, but what meaning can be given to it today? How does 'sexuality' come into being and what connections does it have with the changes that have affected personal life on a more general plane? In answering these questions, Anthony Giddens disputes many of the dominant interpretations of the role of sexuality in modern culture. The emergence of what the author calls plastic sexuality - sexuality freed from its intrinsic relation to reproduction - is analysed in terms of the long-term development of the modern social order and social influences of the last few decades. Giddens argues that the transformation of intimacy, in which women have played the major part, holds out the possibility of a radical democratization of the personal sphere. This book will appeal to a large general audience as well as being essential reading for students and professionals.

Victory in Marriage - Sarah Noel Maxwell 2017-10-04

Victory in Marriage will tell you things most married couples wish they knew before marriage began. The wedding, prayer, money, sex, long-distance relationships, dating, and many other topics will be dissected, and hopefully you'll learn something that will equip you to be the kind of spouse you want to be married to! Whether you're single, engaged, or married, you can gain something if you invite God into your reading. You'll be encouraged, laugh a little, and struggle with breaking down difficult notions we've grown up hearing--most probably false--like how marriage is something you do simply because I love them! and how you should end your marriage if you aren't happy. Wife since 2014, singer since she can remember, Sarah Maxwell defines her worth in seeking Christ-likeness in all aspects of her life, even when she falls short. Sarah has written many blogs on various topics and hopes to publish a book for women as well as children's picture books in the near future, but Victory in Marriage is her first published book. She doesn't consider herself qualified to write about marriage because of age or years married, but simply because of her teachable spirit upon entering marriage. I haven't been married long, Sarah says, but I entered marriage with God already the Lord of my life, and my husband did also, and from there, being married committedly is what makes me qualified. She admits she has expectations she'll gain wisdom from her readers as she inevitably gets feedback about Victory in Marriage even if it changes her mind a little on some things. I hope Victory in Marriage creates teachable moments for you as it did for me when I wrote it, Sarah shares. As you read, consult scriptures and prayerfully take your time reading, and contact me to discuss any discrepancies, concerns, or inspiring moments further with me. Victory in Marriage is filled with beautifully written, authentic advice of how to do marriage well. Sarah covers a multitude of topics and consistently points to Jesus through

Spiritual Blindness - Mark Allison 2015-03-24

The New Testament teaches three specific things how individual Christians in the church are to conduct themselves; o Love one another as Christ loved us o How men and women treat each other outside of marriage o How husbands and wives treat each other inside of marriage. These three basic human relationships serve as a witness to those outside the church as an evangelistic tool. How we deal with each other has ramifications for how we conduct ourselves spiritually before a lost world. We have failed in these three basic relationships. We need someone to step unafraid from the background and face down criticism and perhaps ridicule, even persecution from the self-righteous who continue to lead the church away and resist the necessary course corrections in these final days. Who will be willing to confront the issues head-

on in order for the world to know Christ? Are you, as part of His church, ready for the second coming of our Lord? Would you be willing to face discomfort and ridicule if you knew that God had called you to such a fate? What discomfort are you willing to endure for the cause of Christ?

Sexual Intelligence - Marty Klein 2012-02-07

This book is the antidote to the many gimmick-oriented sex guides and manuals; Dr. Klein shows us how to reorient how we think about sex in order to experience a truly different way of being sexual. "Marty Klein is the Steve Jobs of sex advice. . . . Sexual Intelligence is a work of enormous wisdom and expansiveness, and will inspire readers, regardless of age, to realize their full sexual potential." —Ian Kerner, best-selling author of *She Comes First*

Kosher Sex - Shmuley Boteach 2010-05-12

In *Kosher Sex*, Rabbi Boteach pioneers a revolutionary approach to sex, marriage, and personal relationships, drawing on traditional Jewish wisdom. Using his experiences counseling individuals and couples, the author breaks down sexual taboos and openly, yet respectfully, discusses the meanings, emotions, and the hidden power of sex. With his unique anecdotal style, Rabbi Boteach illustrates each and every point, using real couples who have discovered the joys of "kosher sex"--sex based on love, trust, and real intimacy. He profiles the two most common types of couples--best friends and passionate lovers--and suggests ways of synthesizing the best that each type has to offer. Rabbi Boteach also has advice for singles on finding the right partner; for individuals either

willing to take their long-term relationship to the next level or unsure about doing so; and for married couples who may be experiencing problems in their sex life. At a time when three out of every five marriages fail, *Kosher Sex* will have an astonishing and positive impact. With a no-holds-barred conversational style and keen insight, Rabbi Boteach breaks all the taboos and

pioneers a new approach to sex, marriage, and personal relationships. He not only brings traditional Jewish wisdom into the twentieth century but makes it relevant to everyone searching for a deeper, more meaningful, and more satisfying love life. --> From the Trade Paperback edition.
