Getting into the Vortex - Esther Hicks

2020-07-21

Living a better-feeling life really comes down to one thing only: coming into alignment with the Energy of our Source. Abraham reminds us that we are truly Source Energy focused into our physical bodies, and that a conscious Connection to that Broader Non-Physical part of us is necessary if we are to be the joyful Beings that we were born to be. Abraham calls that wonderful alignment Getting into the Vortex. Through a series of Leading Edge books (New York Times bestsellers), Abraham has emphasized the importance of our conscious alignment with the Source within us. They have let us know that our natural state of Being is

inside our Vortex of Creation in complete alignment with Source Energy—and that every aspect of our physical experience reflects our alignment with, or resistance to, that Connection. Everything—from the physical well-being of our bodies, the clarity of our minds, and the abundance we allow to flow, to the satisfaction in every relationship we experience—is impacted by our all-important relationship with our Vortex. Abraham has helped us to understand that our dominant intent in every day is to get into the Vortex! And now, they have lovingly and specifically guided Jerry and Esther Hicks in the creation of an innovative and valuable tool that promises to get us into the Vortex right now . . . and that tool is

enclosed in the Getting into the Vortex User Guide in the form of a 70-minute audio download. This unique recording contains four powerfully guided daily meditations that have been designed to get you into the Vortex of Creation in four basic areas of your life: • General Well-Being • Financial Well-Being • Physical Well-Being • Relationships. Jerry and Esther are thrilled to offer this powerful, first-of-its kind, musically scored, breath-enhancing, user-friendly tool from Abraham that will get you into the Vortex.

AN INSTANT NEW YORK TIMES BESTSELLER

• A REESE'S BOOK CLUB PICK Tired, stressed, and in need of more help from your partner?

Imagine running your household (and life!) in a new way... It started with the Sh\*t I Do List.

Tired of being the “shefault” parent responsible for all aspects of her busy household, Eve Rodsky counted up all the unpaid, invisible work she was doing for her family—and then sent that list to her husband, asking for things to change.

His response was...underwhelming. Rodsky realized that simply identifying the issue of unequal labor on the home front wasn't enough: She needed a solution to this universal problem.

Her sanity, identity, career, and marriage depended on it. The result is *Fair Play*: a time- and anxiety-saving system that offers couples a completely new way to divvy up domestic

It uncovers a myriad of false premises that are at the heart of every uncomfortable relationship

issue, and guides you to a clear understanding of the creative Vortex that has already assembled the relationships that you have desired.

The Motivation Manifesto Cards -

Money, & The Law Of Attraction Cards : A -  
Esther Hicks, Hicks Jerry 2009-04

"While money is not absolutely essential to your experience, to most people, money and freedom are synonymous. And since an intense

awareness of your right to be free is at the very core of that which you are, it follows, therefore, that your relationship with money is one of the most important subjects of your life experience. And so, it is no wonder that you have such strong feelings about the subject of money. "It is our expectation that as you ponder these cards every day, a new point of attraction will begin to be activated within you, bringing not only more money into your experience, but evidence of your absolute freedom as well." — Esther & Jerry  
Esther and Jerry Hicks produce and present the leading-edge Abraham-Hicks teachings on the art of allowing our natural Well-Being to come forth. They present Law of Attraction workshops in up to 60 cities a year.
