Women in Game of Thrones

- Valerie Estelle Frankel

2014-04-11

Game of Thrones, one of the hottest series on television, leaves hundreds of critics

divided on how “feminist” the show really is. Certainly the female characters, strong and weak, embody a variety of archetypes—widow queens, warrior women, damsels in

The Joy Of Lesbian Sex A Tender And Liberated Guide To The

Pleasures And Problems Of A Lesbian Lifestyle Online Download

distress, career women, priestesses, crones, mothers and maidens. However, the problem is that most of them play a single role without nuance—even the “strong women” have little to do besides strut about as one-note characters. This book analyzes the women and their portrayals one by one, along with their historical inspirations. Accompanying issues in television studies also appear, from the male gaze to depiction of race. How these characters are treated in the series and how they treat themselves becomes central, as many strip for the pleasure of men or are sacrificed as pawns. Some nude scenes or moments of male violence are fetishized and filmed to tantalize, while others show the women’s trauma and attempt to identify with the scene’s female perspective. The key is whether the characters break out of their traditional roles and become multidimensional.

Joy of Lesbian Sex - Emily L. Sisley 1986-05-02

A forthright, illustrated

exploration of the lesbian lifestyle covers a wide range of topics including lesbian motherhood, legal matters, romance, and every possible sexual technique

Critical Theory Today - Lois Tyson 2012-09-10

Critical Theory Today is the essential introduction to contemporary critical theory. It provides clear, simple explanations and concrete examples of complex concepts, making a wide variety of commonly used critical theories accessible to novices without sacrificing any theoretical rigor or thoroughness. This new edition provides in-depth coverage of the most common approaches to literary analysis today: feminism, psychoanalysis, Marxism, reader-response theory, new criticism, structuralism and semiotics, deconstruction, new historicism, cultural criticism, lesbian/gay/queer theory, African American criticism, and postcolonial criticism. The chapters provide an extended explanation of each theory,

PDF

The Joy Of Lesbian Sex A Tender And Liberated Guide To The Pleasures And Problems Of A Lesbian Lifestyle Online Download

using examples from everyday life, popular culture, and literary texts; a list of specific questions critics who use that theory ask about literary texts; an interpretation of F. Scott Fitzgerald's *The Great Gatsby* through the lens of each theory; a list of questions for further practice to guide readers in applying each theory to different literary works; and a bibliography of primary and secondary works for further reading.

The New Joy of Gay Sex - Charles Silverstein 1993

No Future - Lee Edelman
2004-12-06

In this searing polemic, Lee Edelman outlines a radically uncompromising new ethics of queer theory. His main target is the all-pervasive figure of the child, which he reads as the linchpin of our universal politics of "reproductive futurism." Edelman argues that the child, understood as innocence in need of protection, represents the possibility of the future against which the queer is positioned

as the embodiment of a relentlessly narcissistic, antisocial, and future-negating drive. He boldly insists that the efficacy of queerness lies in its very willingness to embrace this refusal of the social and political order. In *No Future*, Edelman urges queers to abandon the stance of accommodation and accede to their status as figures for the force of a negativity that he links with irony, jouissance, and, ultimately, the death drive itself. Closely engaging with literary texts, Edelman makes a compelling case for imagining Scrooge without Tiny Tim and Silas Marner without little Eppie. Looking to Alfred Hitchcock's films, he embraces two of the director's most notorious creations: the sadistic Leonard of North by Northwest, who steps on the hand that holds the couple precariously above the abyss, and the terrifying title figures of *The Birds*, with their predilection for children. Edelman enlarges the reach of contemporary psychoanalytic theory as he brings it to bear

PDF

The Joy Of Lesbian Sex A Tender And Liberated Guide To The

Pleasures And Problems Of A Lesbian Lifestyle Online Download
not only on works of literature new material merits a fresh **PDF**

and film but also on such current political flashpoints as gay marriage and gay parenting. Throwing down the theoretical gauntlet, *No Future* reimagines queerness with a passion certain to spark an equally impassioned debate among its readers.

My New Gender Workbook -

Kate Bornstein 2013-08-06

"This updated edition of Bornstein's formative *My Gender Workbook* (1997) provides an invigorating introduction to contemporary theory around gender, sexuality, and power. The original is a classic of modern transgender theory and literature and, alongside Bornstein's other work, has influenced an entire generation of trans writers and artists. This revised and expanded edition extends that legacy, offering an accessible foundation for examining gender in the reader's life and in the broader culture while arguing for the dismantling of all forms of oppression. For fans of the original, Bornstein's

read..."--Publishers Weekly, starred review Cultural theorists have written loads of smart but difficult-to-fathom texts on gender theory, but most fail to provide a hands-on, accessible guide for those trying to sort out their own sexual identities. In *My Gender Workbook*, transgender activist Kate Bornstein brings theory down to Earth and provides a practical approach to living with or without a gender. Bornstein starts from the premise that there are not just two genders performed in today's world, but countless genders lumped under the two-gender framework. Using a unique, deceptively simple and always entertaining workbook format, complete with quizzes, exercises, and puzzles, Bornstein gently but firmly guides readers toward discovering their own unique gender identity. Since its first publication in 1997, *My Gender Workbook* has been challenging, encouraging, questioning, and helping those trying to figure out how to

The Joy Of Lesbian Sex A Tender And Liberated Guide To The

Pleasures And Problems Of A Lesbian Lifestyle Online Download become a "real man," a "real woman," or "something else entirely." In this exciting new edition of her classic text, Bornstein re-examines gender in light of issues like race, class, sexuality, and language. With new quizzes, new puzzles, new exercises, and plenty of Kate's playful and provocative style, My New Gender Workbook promises to help a new generation create their own unique place on the gender spectrum.

and a range of practices, deepening our understanding of human dignity and its violation, bringing to the surface interrelationships and commonalities, and pointing to the values that are thereby shown to be in danger. In presenting a streamlined discussion from a negative perspective, complemented by conclusions for a positive account of human dignity, the book is at once a contribution to the body of literature on what dignity is and how it should be protected as well as constituting an alternative, fresh and focused perspective relevant to this significant recurring debate. As the concept of human dignity itself crosses disciplinary boundaries, this is mirrored in the unique range of perspectives brought by the book's European and American contributors - in philosophy and ethics, law, human rights, literature, cultural studies and interdisciplinary research. This volume will be of interest to social and moral philosophers, legal and human rights

Humiliation, Degradation, Dehumanization - Paulus Kaufmann 2010-10-07
Degradation, dehumanization, instrumentalization, humiliation, and nonrecognition - these concepts point to ways in which we understand human beings to be violated in their dignity. Violations of human dignity are brought about by concrete practices and conditions; some commonly acknowledged, such as torture and rape, and others more contested, such as poverty and exclusion. This volume collates reflections on such concepts

Asexual Erotics - Elzbieta Przybylo 2019-08-19

Develops erotics as a way to rethink the role of sex and sexual desire and to envision new forms of asexual intimacy.

Tantric Sex for Women - Christa Schulte 2011

TANTRIC SEX FOR WOMEN is the first woman-focused tantric sex book to be published in the US. It has an inclusive, empowering feminist approach that embraces all women.

Written first for women who love women, it also explains how every woman, heterosexual, bisexual or solo, can use the information and exercises to suit her situation.

Sex is an art that has to be learned. TANTRIC SEX FOR WOMEN encourages women to playfully engage in their

sexuality and to cultivate their sensuality. The introduction

gives the basics of Tara-tantra, a woman's tantra created by the author and named for the Tibetan goddess of peace and protection. This is followed by numerous exercises for women to help them ** hone their sensuality ** enhance their sensitivity ** intensify their feelings ** remove possible stumbling blocks to a fulfilling sexual experience **

strengthen their sexual self-confidence ** add relish to their encounters ** improve their relationship skills ** explore the spiritual dimension of their sexuality These exercises make up the heart of the book: 20 solo introductory exercises, 17 exercises for pairs, 5 massage exercises, 6 transformation rituals for pairs, 6 love games for pairs and 3 solo meditation exercises. This book contains a variety of tips for the small ecstasies in everyday life as well as sensual/sexual exercises to do with the one you love. As the author explains, to embrace tantric sex you only need: **

The Joy Of Lesbian Sex A Tender And Liberated Guide To The Pleasures And Problems Of A Lesbian Lifestyle Online Download

time for yourself ** childlike curiosity ** an adolescent joy in experimenting ** adult longings This book contains crucial information for women of every sexual orientation interested in fulfilling their sexual and sensual potential. Table of contents: Part I: Introduction to Tantra 1. Gaining Female Knowledge about Female Desire 2. Knowing Your Own Experience and Taking It Seriously 3. Getting Into a Relationship Means Being in Love 4. Arriving at Home in Your Own Body Part II: Playing and Practicing 5. Ways to Tune In 6. Sex Starts in the Head - and that's where the first stumbling blocks are, too 7. Fantasy in the Female Subconscious 8. Suggestions for Wild/Tender Games with Yourself 9. Games and Exercises for Two 10. Massages Worth Noticing 11. Rituals of Transformation 12. Love Games for the Expansion of Love Energy 13. Pleasure as a Way of Meditation 14. Appendix

Joyful Gay Sex - Sven Rebel
2013-11-01

Every generation discovers sex in its own way: new sex symbols, styles and fetishes appear and take the place of old ones; familiar sex practices become less popular, while people love each other in exciting new ways. From the tried and true to the exotic and adventurous, this book offers expert tips and useful tricks to make gay sex an even more joyful experience.

Why Does He Do That? - Lundy Bancroft 2003-09-02

In this groundbreaking bestseller, Lundy Bancroft—a counselor who specializes in working with abusive men—uses his knowledge about how abusers think to help women recognize when they are being controlled or devalued, and to find ways to get free of an abusive relationship. He says he loves you. So...why does he do that? You've asked yourself this question again and again. Now you have the chance to see inside the minds of angry and controlling men—and change your life. In *Why Does He Do That?* you will learn about: •

The Joy Of Lesbian Sex A Tender And Liberated Guide To The Pleasures And Problems Of A Lesbian Lifestyle Online Download PDF

The early warning signs of abuse • The nature of abusive thinking • Myths about abusers • Ten abusive personality types • The role of drugs and alcohol • What you can fix, and what you can't • And how to get out of an abusive relationship safely "This is without a doubt the most informative and useful book yet written on the subject of abusive men. Women who are armed with the insights found in these pages will be on the road to recovering control of their lives."—Jay G.

Silverman, Ph.D., Director, Violence Prevention Programs, Harvard School of Public Health

Free Comrades - Terence S. Kissack 2008

Fully indexed work on anarchism as it intersected with sexual politics at a time when homosexuality was considered to be gross indecency' and when Oscar Wilde was imprisoned for two years in a spectacular show trial. Emma Goldman, among other anarchists, was a staunch defender of the right to sexual freedom, speaking and writing

oppressive misuse of state power. Includes writings from the earliest days of sexual politics through to the transforming events of Stonewall.'

Passionate Politics - Jeff Goodwin 2009-03-09

Emotions are back. Once at the center of the study of politics, emotions have receded into the shadows during the past three decades, with no place in the rationalistic, structural, and organizational models that dominate academic political analysis. With this new collection of essays, Jeff Goodwin, James M. Jasper, and Francesca Polletta reverse this trend, reincorporating emotions such as anger, indignation, fear, disgust, joy, and love into research on politics and social protest. The tools of cultural analysis are especially useful for probing the role of emotions in politics, the editors and contributors to *Passionate Politics* argue. Moral outrage, the shame of spoiled collective identities, or the joy of imagining a new and

The Joy Of Lesbian Sex A Tender And Liberated Guide To The Pleasures And Problems Of A Lesbian Lifestyle Online Download PDF

better society, are not automatic responses to events. Rather, they are related to moral institutions, felt obligations and rights, and information about expected effects, all of which are culturally and historically variable. With its look at the history of emotions in social thought, examination of the internal dynamics of protest groups, and exploration of the emotional dynamics that arise from interactions and conflicts among political factions and individuals, *Passionate Politics* will lead the way toward an overdue reconsideration of the role of emotions in social movements and politics generally. Contributors: Rebecca Anne Allahyari Edwin Amenta Collin Barker Mabel Berezin Craig Calhoun Randall Collins Frank Dobbin Jeff Goodwin Deborah B. Gould Julian McAllister Groves James M. Jasper Anne Kane Theodore D. Kemper Sharon Erickson Nepstad Steven Pfaff Francesca Polletta Christian Smith Arlene Stein Nancy Whittier Elisabeth Jean Wood

My Gender Workbook - Kate Bornstein 2013-06-19

Gender isn't just about "male" or "female" anymore - if you have any doubts, just turn on your television. RuPaul is as familiar as tomato ketchup with national radio and television shows, and transgendered folk are as common to talk-shows as screaming and yelling. But if the popularization of gender bending is revealing that "male" and "female" aren't enough, where are we supposed to go from here? Cultural theorists have written loads of smart but difficult-to-fathom texts on gender, but none provide a hands-on, accessible guide to having your own unique gender. With *My Gender Workbook*, Kate Bornstein brings theory down

The Joy Of Lesbian Sex A Tender And Liberated Guide To The Pleasures And Problems Of A Lesbian Lifestyle Online Download PDF

to Earth and provides a practical approach to living with or without a gender. Bornstein starts from the premise that there are not just two genders performed in today's world, but countless genders lumped under the two-gender framework. Using a unique, deceptively simple and always entertaining workbook format, Bornstein gently but firmly guides you to discover your own unique gender identity. Whether she's using the USDA's food group triangle to explain gender, or quoting one-liners from real "gender transgressors", Bornstein's first and foremost concern is making information on gender bending truly accessible. With quizzes and exercises that determine how much of a man or woman you are, My Gender Workbook gives you the tools to reach whatever point you desire on the gender continuum. Bornstein also takes aim at the recent flurry of books that attempt to naturalize gender difference, and puts books like Men are from Mars, Women

are from Venus squarely where they belong: on Uranus. If you don't think you are transgendered when you sit down to read this book, you will be by the time you finish it! **Masculinities** - R. W. Connell 2005

This is an exciting new edition of R.W. Connell's groundbreaking text, which has become a classic work on the nature and construction of masculine identity. Connell argues that there is not one masculinity, but many different masculinities, each associated with different positions of power. In a world gender order that continues to privilege men over women, but also raises difficult issues for men and boys, his account is more pertinent than ever before. In a substantial new introduction and conclusion, Connell discusses the development of masculinity studies in the ten years since the book's initial publication. He explores global gender relations, new theories, and practical uses of masculinity research. Looking to the future, his new

The Joy Of Lesbian Sex A Tender And Liberated Guide To The

Pleasures And Problems Of A Lesbian Lifestyle Online Download concluding chapter addresses strength in our homes, schools,

the politics of masculinities, and the implications of masculinity research for understanding current world issues. Against the backdrop of an increasingly divided world, dominated by neo-conservative politics, Connell's account highlights a series of compelling questions about the future of human society. This second edition of Connell's classic book will be essential reading for students taking courses on masculinities and gender studies, and will be of interest to students and scholars across the humanities and social sciences.

All About Love - bell hooks
2018-01-30

A New York Times bestseller and enduring classic, *All About Love* is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. *All About Love* reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and

PDF
and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in *All About Love*. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The Utne Reader declared bell hooks one of the "100 Visionaries Who Can Change Your Life." *All About Love* is a powerful, timely

The Joy Of Lesbian Sex A Tender And Liberated Guide To The Pleasures And Problems Of A Lesbian Lifestyle Online Download

affirmation of just how experienced, how it has profoundly her revelations can change hearts and minds for the better.

The Tenacity of the Couple-Norm - Sasha Roseneil
2020-11-05

The Tenacity of the Couple-Norm explores the ongoing strength and insidious grip of couple-normativity across changing landscapes of law, policy and everyday life in four contrasting national contexts: the UK, Bulgaria, Norway and Portugal. By investigating how the couple-norm is lived and

PDF changed over time, and how it varies between places and social groups, this book provides a detailed analysis of changing intimate citizenship regimes in Europe, and makes a major intervention in understandings of the contemporary condition of personal life. The authors develop the feminist concept of 'intimate citizenship' and propose the new concept of 'intimate citizenship regime', offering a study of intimate citizenship regimes as normative systems that have been undergoing profound change in recent decades. Against the backdrop of processes of de-patriarchalization, liberalization, pluralization and homonormalization, the ongoing potency of the couple-norm becomes ever clearer.
