Public Reason Confucianism - Sungmoon Kim 2016-04-21

Public reason Confucianism is a particular style of Confucian democratic perfectionism in which comprehensive Confucianism is connected with perfectionism.

Women in China from Earliest Times to the Present - Robin D. S. Yates 2009

This essential reference work provides an alphabetic listing, with an extensive "index," of studies on women in China from earliest times to the present day written in Western languages, primarily English, French, German, and Italian. Containing more than 2500 citations of books, chapters in books, and articles, especially those published in the last thirty years, and more than 100 titles of doctoral dissertations and Masters theses, it covers works written in the disciplines of anthropology and sociology; art and archaeology; demography; economics; education; fashion; film and media studies; history; interdisciplinary studies; law; literature; music; medicine, science, and technology; political science; and religion and philosophy. It also contains many citations of studies of women in Hong Kong and Taiwan.

Moral Exemplars in the Analects - Amy Olberding 2013-03-01

In this study, Olberding proposes a new theoretical model for reading the Analects. Her thesis is that the moral sensibility of the text derives from an effort to conceptually capture and articulate the features seen in exemplars, exemplars that are identified and admired pre-theoretically and thus prior to any conceptual criteria for virtue. Put simply, Olberding proposes an "origins myth" in which Confucius, already and prior to his philosophizing knows whom he judges to be virtuous. The work we see him and the Analects' authors pursuing is their effort to explain in an organized, generalized, and abstract way why pre-theoretically identified exemplars are virtuous. Moral reasoning here begins with people and with inchoate experiences of admiration for them. The conceptual work of the text reflects the attempt to analyze such people and parse such experiences in order to distill abstract qualities that account for virtue and can guide emulation.

Ethics in the Confucian Tradition - P. J. Ivanhoe 2002-01-01

This volume serves both as an introduction to the thought of Mengzi (Mencius) and Wang Yangming and as a comparison of their views. By examining issues held in common by both thinkers, Ivanhoe illustrates how the Confucian tradition was both continued and transformed by Wang Yangming, and shows the extent to which he was influenced by Buddhism. Topics explored are: the nature of morality; human nature; the nature and origin of wickedness; self cultivation; and sagehood. In addition to revised versions of each of these original chapters, Ivanhoe includes a new chapter on Kongzi's (Confucius') view of the Way.

Dao Companion to Classical Confucian Philosophy - Vincent Shen 2013-10-23

This volume presents both a historical and a systematic examination of the philosophy of classical

Confucianism. Taking into account newly unearthed materials and the most recent scholarship, it features contributions by experts in the field, ranging from senior scholars to outstanding early career scholars. The book first presents the historical development of classical Confucianism, detailing its development amidst a fading ancient political theology and a rising wave of creative humanism. It examines the development of the philosophical ideas of Confucius as well as his disciples and his grandson Zisi, the Zisi-Mencius School, Mencius, and Xunzi. Together with this historical development, the book analyzes and critically assesses the philosophy in the Confucian Classics and other major works of these philosophers. The second part systematically examines such philosophical issues as feeling and emotion, the aesthetic appreciation of music, wisdom in poetry, moral psychology, virtue ethics, political thoughts, the relation with the Ultimate Reality, and the concept of harmony in Confucianism. The Philosophy of Classical Confucianism offers an unparalleled examination to the philosophers, basic texts and philosophical concepts and ideas of Classical Confucianism as well as the recently unearthed bamboo slips related to Classical Confucianism. It will prove itself a valuable reference to undergraduate and postgraduate university students and teachers in philosophy, Chinese history, History, Chinese language and Culture.

Confucianism as a World Religion - Anna Sun 2015-08-11

Is Confucianism a religion? If so, why do most Chinese think it isn't? From ancient Confucian temples, to nineteenth-century archives, to the testimony of people interviewed by the author throughout China over a period of more than a decade, this book traces the birth and growth of the idea of Confucianism as a world religion. The book begins at Oxford, in the late nineteenth century, when Friedrich Max Müller and James Legge classified Confucianism as a world religion in the new discourse of "world religions" and the emerging discipline of comparative religion. Anna Sun shows how that decisive moment continues to influence the understanding of Confucianism in the contemporary world, not only in the West but also in China, where the politics of Confucianism has become important to the present regime in a time of transition. Contested histories of Confucianism are vital signs of social and political change. Sun also examines the revival of Confucianism in contemporary China and the social significance of the ritual practice of Confucian temples. While the Chinese government turns to Confucianism to justify its political agenda, Confucian activists have started a movement to turn Confucianism into a religion. Confucianism as a world religion might have begun as a scholarly construction, but are we witnessing its transformation into a social and political reality? With historical analysis, extensive research, and thoughtful reflection, Confucianism as a World Religion will engage all those interested in religion and global politics at the beginning of the Chinese century.

The Sage and the Second Sex - Chenyang Li 2000

This collection of essays by noted scholars in the fields of Asian studies & feminist thought sheds new light on the connections between Confucianism & feminist ethics.

Reconceiving Women's Equality in China - Lijun Yuan 2005

According to the author, the subordination of Chinese women continued under different models of sex equality in China in twentieth century. In *Reconceiving Women's Equality in China* Lijun Yuan discusses and assesses four models of women's equality: first, the traditional Confucian view of women which advocates that women's role is to follow and support men; second, the liberal feminist idea of formal equality for women introduced into China at the beginning of the twentieth century, which is anti-Confucian and advocates women's equal rights in education, law, and employment; third, Mao's view of women's equality in production, calling for substantive equality between men and women; finally, the idea of equal opportunity in the economic transformation in the post-Mao period, the revival of Confucianism in this period and its convergence with the declining status of women. According to Yuan, each of these models has a variety of problems in dealing with women's equality. However, she sees one common thread running through all of them, namely, lack of emphasis on empowering women to develop their own visions of equality. Ideologies imposed from the top-down have rationalized the continuing subordination and exploitation of women, either blatantly (Confucianism) or more subtly (Maoism). After exposing the common feature in their failure to reach the social ideal of women's equality, the author proposes a more democratic conception of women's equality that will allow ideals to continue changing as material circumstances change in different stages of social development. This book is a seminal work of research on the status of women in China during and after Mao's cultural revolution. It is essential to studies of Chinese society, politics, and religion, as well as to women's studies and philosophy.

Feminist Encounters with Confucius - Mathew Foust 2016-10-11

This collection contributes to current debates and explores new topics of engagement between Feminism and Confucius's teachings, variously interpreted. Besides care ethics and role ethics, questions of gender oppression and education, it includes essays on epistemology and environmental ethics.

Confucian Political Ethics - Daniel A. Bell 2010-04-24

For much of the twentieth century, Confucianism was condemned by Westerners and East Asians alike as antithetical to modernity. Internationally renowned philosophers, historians, and social scientists argue otherwise in *Confucian Political Ethics*. They show how classical Confucian theory—with its emphasis on family ties, self-improvement, education, and the social good—is highly relevant to the most pressing dilemmas confronting us today. Drawing upon in-depth, cross-cultural dialogues, the contributors delve into the relationship of Confucian political ethics to contemporary social issues, exploring Confucian perspectives on civil society, government, territorial boundaries and boundaries of the human body and body politic, and ethical pluralism. They examine how Confucianism, often dismissed as backwardly patriarchal, can in fact find common ground with a range of contemporary feminist values and need not hinder gender equality. And they show how Confucian theories about war and peace were formulated in a context not so different from today's international system, and how they can help us achieve a more peaceful global community. This thought-provoking volume affirms the enduring relevance of Confucian moral and political thinking, and will stimulate important debate among policymakers, researchers, and students of politics, philosophy, applied ethics, and East Asian studies. The contributors are Daniel A. Bell, Joseph Chan, Sin Yee Chan, Chenyang Li, Richard Madsen, Ni Lexiong, Peter Nosco, Michael Nylan, Henry Rosemont, Jr., and Lee H. Yearley.

Woman Rules Within - Jessica Dvorak Moyer 2020-08-17

In *Woman Rules Within: Domestic Space and Genre in Qing Vernacular Literature*, Jessica Dvorak Moyer compares depictions of women and the household in texts across a range of late imperial genres, offering a new understanding of vernacularization in Qing literature.

The Sage and the Second Sex - Chenyang Li 2000

This collection of essays by noted scholars in the fields of Asian studies & feminist thought sheds new light on the connections between Confucianism & feminist ethics.

Marriage, Divorce, and Remarriage - Katherine P.H. Young 2005-05-01

Although the ideal of companionate marriage has gradually been established in Hong Kong, demographic trends from the 1980s reflect greater marital and family instability. In the years to come, adult fulfilment is likely to be found in various ways: through marriage, divorce, remarriage, or the single state. Each of these has its own potentials, tensions, and prospects for growth and development. Each offers different though viable life styles through which people can develop in adulthood. These trends call for a rethinking of marriage and of our expectation that marriage and the family bond will continue to serve as the relational context of adult living. This collection on marital work offers the means to rethink marriage by examining the ways husbands and wives cope with the demands and dilemmas of their relationship, from diverse parenting, forgiveness, coping with childhood abuse, infidelity, disenchantment and distancing, to uncoupling in divorce, and re-coupling in remarriage. Each chapter addresses aspects of these issues, with a focus on the recovery, reinvention and reconstruction of the self to meet the many challenges arising from the relationship and from life circumstances.

Birth in Ancient China - Constance A. Cook 2017-10-26

Reveals cultural paradigms and historical prejudices regarding the role of birthing and women in the reproduction of society. Using newly discovered and excavated texts, Constance A. Cook and Xinhui Luo systematically explore material culture, inscriptions, transmitted texts, and genealogies from BCE China to reconstruct the role of women in social reproduction in the ancient Chinese world. Applying paleographical, linguistic, and historical analyses, Cook and Luo discuss fertility rituals, birthing experiences, divine conceptions, divine births, and the overall influence of gendered supernatural agencies on the experience and outcome of birth. They unpack a cultural paradigm in which birth is not only a philosophical symbol of eternal return and renewal but also an abiding religious and social focus for lineage continuity. They also suggest that some of the mythical founder heroes traditionally assumed to be male may in fact have had female identities. Students of ancient history, particularly Chinese history, will find this book an essential complement to traditional historical narratives, while the exploration of ancient religious texts, many unknown in the West, provides a unique perspective into the study of the formation of mythology and the role of birthing in early religion. Constance A. Cook is Professor of Chinese at Lehigh University and the author of *Death in Ancient China: The Tale of One Man's Journey*. Xinhui Luo is Professor of Chinese Ancient History at Beijing Normal University, China.

Transcultural Feminist Philosophy - Yuanfang Dai 2020-01-15

The question of difference—how to accommodate the complexity and diversity of women's experiences—remains a central point of reference in debates among feminist thinkers. In *Transcultural Feminist Philosophy: Rethinking Difference and Solidarity Through Chinese-American Encounters*, Yuanfang Dai addresses influential approaches to the feminist difference critique. Acknowledging that gender oppression assumes different forms in different social and cultural locations, Dai denies that this rules out generalizing about women's experiences. She proposes a category of women that captures and respects differences and dynamics among women and that can inform possibilities for women in the future. Through a critical examination of multicultural and postcolonial feminisms, she argues that we need both to rethink the concept of culture and to rework multiculturalism as an analytical and political idea. Developing a notion of transculturalism, she draws on Chinese feminist scholarship as she explores how a transcultural approach can address tensions between cultural differences and feminist solidarity. Transcultural thought and action offers a new way to explore the conditions of women's collective struggles.

The Oxford Handbook of Political Theory - John S. Dryzek 2008-06-12

Oxford Handbooks of Political Science are the essential guide to the state of political science today. With engaging contributions from 51 major international scholars, the Oxford Handbook of Political Theory provides the key point of reference for anyone working in political theory and beyond.

The Confucian Four Books for Women - Ann A. Pang White 2018

"This volume brings the first English translation of the Confucian classics *Four Books for Women*, with extensive commentaries, to the English-speaking world. Written by women for women's education, this work provides an invaluable look at the tradition of Chinese women's writing, education, history, and philosophy, from the 1st to the 16th century"--

Berkeley Journal of Religion and Theology, Vol.2, No. 2 - BJRT GTU 2016-06-18

Volume 2, Issue 2 of the Berkeley Journal of Religion and Theology is a special issue honoring the work of Judith Berling and Arthur Holder. Judith Berling, the 4th academic dean of the Graduate Theological Union is retiring from the faculty, and Arthur Holder, the 6th academic dean, is stepping down from the deanship of the GTU. This issue brings students and colleagues of both Drs. Berling and Holder to celebrate their achievements and honor their service to the GTU by engaging their work. Featuring contributions by Margaret Miles, Henry Kuo, Lisa Dahill, Ken Butigan, Sandra Schneiders, William Short, Mary Mee-Yin Yuen, Jennifer Howe Peace, and Riess Potterveld.

Mencius and Masculinities - Joanne D. Birdwhistell 2012-02-01

Looks at the Confucian classic Mencius from a feminist perspective and uncovers the “maternal thinking” within the work.

Gender, Dating and Violence in Urban China - Xiying Wang 2017-07-06

When (imaginary) cheating happens -- Cyber-stalking -- Cold war -- Emotional blackmail -- Punishment or opportunity? -- Making use of the role of 'victims' -- The trap of 'one and only' love -- One-child policy and revised parental influence -- Women's competition vs. men's expectations -- Conclusion -- Notes -- 5. Virginitiy loss, sexual coercion, and the unfinished sexual revolution -- A 'typical' story of date rape -- Performing the traditional: active 'gatekeepers' -- Virginitiy loss: uncomfortable, unpleasant, and unwanted - - Pain, pregnancy, and abortion -- Gender-asymmetric modes of mutual violence -- Lacking voice, lacking space -- Happy to be non-virgins -- Unfinished sexual revolution -- Conclusion -- Note -- 6. Remapping the landscape of dating, gender, and violence -- Remapping dating violence -- Transformation of dating, gender, and sexuality -- Construction of Chinese intersectionality -- Methods: Researching a sensitive topic -- Glossary -- Bibliography -- Index
