Enter Cloudkiss Canyon at your own risk. Sadie meets Wilder Girls in this unnerving tale about the struggle for survival, the twisted satisfaction of revenge, and the darkness hiding in all of us. From Erica Waters, the acclaimed author of *Ghost Wood Song* and *The River Has Teeth*, this mystery will haunt you to the end. The Cloudkiss Killer is dead. Now a true-crime podcast is hosting a contest to find his bones. Lucy was almost the serial killer's final victim. Carolina is a true-crime fan who fears her own rage. Maggie is a psychology student with a little too much to hide. All of them are looking for answers, for a new identity, for a place to bury their secrets. But there are more than bones hiding in the shadows...sometimes the darkness inside is more frightening than anything the dead leave behind. Praise for Erica Waters' *The River Has Teeth* and *Ghost Wood Song*: "Potent, atmospheric, and wholly satisfying." —Kirkus (starred review) "A backwoods murder ballad of a book. [The River Has Teeth] is well worth a listen." —NPR "The River Has Teeth is the perfect story for anyone who is tired of feeling helpless. This book has teeth, too." —Hannah Whitten, New York Times bestselling author of *For the Wolf* "A gorgeous, creepy gem of a book. *Ghost Wood Song* weaves a captivating spell you won't want to break." —Claire Legrand, New York Times bestselling author of *Furyborn* and *Sawkill Girls* "Ghost Wood Song will make your

heart dance." —Jeff Zentner, Morris Award winning author of *The Serpent King* and *Goodbye Days* "The perfect balance of atmospheric chills, dark familial secrets, and a yearning for the warm comforts of home." —Erin A. Craig, New York Times bestselling author of *House of Salt and Sorrows*

The Leonard Girls - Deborah Challinor
2022-04-01

Rowie's pro-war, her sister Jo's a protester. And they're both in Vietnam. The compelling new novel from the bestselling author of *From the Ashes* In 1969, at the height of the Vietnam war, nurse Rowie Leonard is serving a 12-month tour of duty. She supports the war and is committed to caring for wounded New Zealand and Australian troops. After a few months, however, she realises that nothing at all about the conflict is as clear-cut as she'd assumed. Her younger sister, Jo, is the opposite - a student at Auckland University, a folk singer and a fervent anti-war protestor. But when Jo falls for professional soldier Sam Apanui, home on leave to visit his ill father, she finds herself torn between her feelings and her convictions. As the three of them grapple with love, loss, and the stresses and sorrows of war, each will be forced to confront and question everything they believed. Praise for Deborah Challinor: 'Challinor is a good storyteller ... seamlessly joining fact and fiction and creating a convincing, atmospheric yarn' Bookseller and Publisher 'The perfect

Reckless Girls - Rachel Hawkins 2022-01-28

The gripping new thriller and instant New York Times bestseller, perfect for escapist reading!

The Confession - Jessie Burton 2019-09-19

A Sunday Times bestseller and Richard and Judy Bookclub pick, *The Confession* is an absorbing tale of secrets and self-discovery from Jessie Burton, the million-copy bestselling author of *The Miniaturist* and *The Muse*. When Elise Morceau meets the writer Constance Holden, she quickly falls under her spell. Connie is sophisticated, bold and alluring - everything Elise feels she is not. She follows Connie to LA, but in this city of strange dreams and razzle-dazzle, Elise feels even more out of her depth and makes an impulsive decision that will change her life forever. Three decades later, Rose Simmons is trying to uncover the story of her mother, who disappeared when she was a baby. Having learned that the last person to see her was a now reclusive novelist, Rose finds herself at the door of Constance Holden's house in search of a confession . . . 'Without doubt one of the best novels of recent years' - Elizabeth Day, author of *How to Fail*.

Electrigoirl - Jo Cotterill 2017-10-01

Being struck by lightning and getting an amazing superpower wasn't how Holly thought that her day would go. But now that it's happened, she might as well make the most of it . . . if only she could figure out how to stop blowing everything up!

The Surface Breaks: a reimagining of The Little Mermaid - Louise O'Neill 2018-05-03

Deep beneath the sea off the cold Irish coast, Gaia is a young mermaid who dreams of being human... but at what terrible price? Hans Christian Andersen's dark original fairy tale is reimagined through a searing feminist lens, with the stunning, scalpel-sharp writing and world building that has won Louise her legions of devoted fans.

The Girls at the Kingfisher Club - Genevieve Valentine 2014-06-03

A reimagining of the "Twelve Dancing Princesses" traces the story of a family of flappers who work in a 1920s speakeasy until their suspicious father decides to marry them off, prompting a confrontation with a bootlegger from the eldest sister's past. By the award-

winning author of *Mechanique*.

Teaching the Restless - Chris Mercogliano 2004-01-15

ducator Chris Mercogliano has been working with hyperactive (ADHD) children for many years at the Free School in Albany, New York, and has developed numerous ways to help these students relax, focus, modulate emotional expression, make responsible choices, and forge lasting friendships-all prerequisites for learning. In *Teaching the Restless*, Mercogliano uses the stories of six boys and three girls to share valuable lessons, offering a way to work with these children without assigning them labels or resorting to the use of stimulant drugs like Ritalin.

The Restless Girls - Jessie Burton 2018-09-27

This breathtaking work of short illustrated fiction is best viewed on a colour device A dazzling, feminist reinterpretation of *The Twelve Dancing Princesses*, from the bestselling author of *The Miniaturist* and *The Muse*, beautifully illustrated by Angela Barrett. A fairytale about family, sisterhood, imagination and bravery 'A fierce fairytale for the rebel girl' KIRAN MILLWOOD HARGRAVE 'A magical modern retelling of an old fairytale ... Exquisite' JACQUELINE WILSON 'Wild, wise, generous, ferocious' KATHERINE RUNDELL 'A compete revelation' THANDIE NEWTON For her twelve daughters, Queen Laurelia's death in a motor car accident is a disaster beyond losing a mother. Their father, King Alberto, cannot bear the idea of the princesses ever being in danger and decides his daughters must be kept safe at all costs. Those costs include their lessons, their possessions and, most importantly, their freedom. But the eldest, Princess Frida, will not bend to his will without a fight and she still has one possession her father can't take: the power of her imagination. And so, with little but wits and ingenuity to rely on, Frida and her sisters begin their fight to be allowed to live.

Chelsea Girls - Eileen Myles 2016-08-04

In this breathtakingly inventive autobiographical novel, Eileen Myles transforms their life into a work of art. Suffused with alcohol, drugs, and sex; evocative in its depictions of the hardscrabble realities of a young queer artist's life; with raw, flickering stories of awkward love, laughter, and discovery, *Chelsea Girls* is a funny,

cool, and intimate account of how one young writer managed to shrug off the imposition of a rigid cultural identity. Told in Myles's audacious and singular voice made vivid and immediate by their lyrical language, Chelsea Girls weaves together memories of Myles's 1960s Catholic upbringing with an alcoholic father, their volatile adolescence, their unabashed "lesbianity," and their riotous pursuit of survival as a poet in 1970s and 80s New York.

Dead Girls Are Easy - Terri Garey 2009-10-13

There's something about almost dying that makes a girl rethink her priorities. Take Nicki Styx—she was strictly goth and vintage, until a brush with the afterlife leaves her with the ability to see dead people. Before you can say boo, Atlanta's ghosts are knocking at Nicki's door. Now her days consist of reluctantly cleaning up messes left by the dearly departed, leading ghouls to the Light . . . and one-on-one anatomy lessons with Dr. Joe Bascombe, the dreamy surgeon who saved her life. All this catering to the deceased is a real drag, especially for a girl who'd rather be playing hanky-panky with her hunky new boyfriend . . . who's beginning to think she's totally nuts. But things get even more complicated when a friend foolishly sells her soul to the devil, and Nicki's new gift lands her in some deep voodoo. As it turns out for Nicki Styx, death was just the beginning.

Medusa - Jessie Burton 2021-10-28

_____ 'Easily my read of the year. Sheer perfection from start to finish' - Catherine Doyle 'A beautiful and profound retelling' - Madeline Miller, author of CIRCE and THE SONG OF ACHILLES 'Utterly transporting ... This dynamic feminist retelling is illustrated with stunning, polychromatic power' - Guardian Books of the Year _____ A dazzling, feminist retelling of Greek myth from the internationally bestselling author of The Miniaturist, stunningly illustrated by Olivia Lomenech Gill. Exiled to a far-flung island by the

whims of the gods, Medusa has little company except the snakes that adorn her head instead of hair. But when a charmed, beautiful boy called Perseus arrives on the island, her lonely existence is disrupted with the force of a supernova, unleashing desire, love and betrayal... Filled with glorious full-colour illustrations by award-winning Olivia Lomenech Gill, this astonishing retelling of Greek myth is perfect for readers of Circe and The Silence of the Girls. Illuminating the girl behind the legend, it brings alive Medusa for a new generation. _____ '... a must read for women of all ages' - Red Magazine '... stole my heart from its first fierce lines' - Mary Watson 'A beautiful and passionate retelling that gives the serpent-headed monster of myth a powerful and haunting humanity' - Jennifer Saint '... an impressive addition to the shelves of feminist retellings, balancing rage with beautiful storytelling' - Irish Times 'It's an ideal gift for teenage girls finding their voice and their power' - Stylist 'Gift ideas for the book lovers in your life'

The House of Fortune - Jessie Burton

2022-07-07

Returning to the magical Amsterdam of her million-copy bestseller The Miniaturist, Jessie Burton's The House of Fortune is a story of love, fate, and two women determined to make their own way. 'I absolutely loved it' - Marian Keyes 'Awe-inspiring. Burton is a master storyteller' - Elizabeth Day The No.1 Sunday Times Bestseller A Richard & Judy Book Club pick 1705, Amsterdam. Thea Brandt is about to turn eighteen, and at the theatre in the heart of the city she has met the love of her life. At home, however, her family faces ruin. Desperate to change their fortunes, Thea's aunt Nella is convinced that she must find Thea a wealthy husband, to get her away from the theatre and solidify her place in the society in which she truly belongs. As Thea and Nella clash over the demands of duty and the heart, past secrets begin to overwhelm their present. And then there is the elusive miniaturist - when mysterious figurines begin to arrive on the family doorstep, it seems someone may have unexpected plans for Thea's family . . . Will each woman be able to rescue her destiny from the whims of fortune? Five Star Reader Reviews: 'I

didn't want this rich immersive book to end . . . magical' 'Every bit as beautiful as the first book' 'Fantastic!! We are going to need a third book, please!'

Local Girls - Caroline Zancan 2015-06-30

Named one of the summer's best books by People, Glamour, The Huffington Post, and Pure Wow Publishers Weekly Book of the Week Named one of Refinery 29's "21 New Authors to Watch" in 2015 The first person to break your heart isn't always your boyfriend. Sometimes it's your best friend. Maggie, Lindsey, and Nina have been friends for most of their lives. The girls grew up together in a dead-end Florida town on the outskirts of Orlando, and the love and loyalty they have for one another have been their only constants. Now nineteen and restless, the girls spend empty summer days bouncing between unfulfilling jobs, the beach, and their favorite local bar, The Shamrock. It's there that a chance encounter with a movie star on the last night of his life changes everything. Passing through Orlando, Sam Decker comes to The Shamrock seeking anonymity, but finds Maggie, Lindsey, and Nina instead. Obsessed with celebrity magazines that allow them a taste of the better lives they might have had, the girls revel in his company. But the appearance of Lila, the estranged former member of the girls' group, turns the focus to their shared history, bringing all their old antagonisms to the surface—Lila's defection to Orlando's country club school when her father came into some money, and the strange, enchanting boy she brought into their circle, who fundamentally altered dynamics that had been in play for years. By the night's end, the escalation of these long-buried issues forces them to see one another as the women they are now instead of the girls they used to be. With an uncanny eye for the raw edges of what it means to be a girl and a heartfelt sense of the intensity of early friendship, *Local Girls* is a look at both the profound role celebrity plays in our culture, and how the people we know as girls end up changing the course of our lives.

The Nowhere Girls - Amy Reed 2019-07-09

"A call-to-action to everyone out there who wants to fight back." —Bustle "Scandal, justice, romance, sex positivity, subversive anti-sexism—just try to put it down." —Kirkus

Reviews (starred review) "Cuts straight to the core of rape culture—masterfully fierce, stirring, and deeply empowering." —Amber Smith, New York Times bestselling author of *The Way I Used to Be* Three misfits come together to avenge the rape of a fellow classmate and trigger a change in the misogynist culture at their high school transforming the lives of everyone around them in this searing and timely story. Who are the *Nowhere Girls*? They're everygirl. But they start with just three: Grace Salter is the new girl in town, whose family was run out of their former community after her southern Baptist preacher mom turned into a radical liberal after falling off a horse and bumping her head. Rosina Suarez is the queer punk girl in a conservative Mexican immigrant family, who dreams of a life playing music instead of babysitting her gaggle of cousins and waitressing at her uncle's restaurant. Erin Delillo is obsessed with two things: marine biology and *Star Trek: The Next Generation*, but they aren't enough to distract her from her suspicion that she may in fact be an android. When Grace learns that Lucy Moynihan, the former occupant of her new home, was run out of town for having accused the popular guys at school of gang rape, she's incensed that Lucy never had justice. For their own personal reasons, Rosina and Erin feel equally deeply about Lucy's tragedy, so they form an anonymous group of girls at Prescott High to resist the sexist culture at their school, which includes boycotting sex of any kind with the male students. Told in alternating perspectives, this groundbreaking novel is an indictment of rape culture and explores with bold honesty the deepest questions about teen girls and sexuality.

The Restless Girls - Jessie Burton 2018-10

A stunning deluxe edition of Jessie Burton's dazzling feminist fairytale. The Restless Girls - Jessie Burton 2019-03-05 "A riveting feminist retelling, filled with excitement, imagination, magic, and just the right touch of darkness." -Madeline Miller, #1 New York Times bestselling author of *Circe* From acclaimed New York Times bestselling author Jessie Burton comes her debut middle-grade--a girl-forward fairy tale retelling of "The Twelve Dancing Princesses" about sisterhood, imagination, and bravery, lushly packaged and with beautiful full-color illustrations. For the twelve daughters of King Alberto, Queen Laurelia's death is a disaster beyond losing a mother. The king decides his daughters must be kept safe at all costs, and for the girls, those costs include their lessons, their possessions, and most importantly, their freedom. But the sisters, especially the eldest, Princess Frida, will not bend to this fate. She still has one possession her father cannot take: the power of her imagination. And so, with little but wits and ingenuity to rely on, Frida and her sisters begin their fight to be allowed to live on their own terms. *The Restless Girls* is a sparkling whirl of a fairy tale--one that doesn't need a prince to save the day, and instead is full of brave, resourceful, clever young women.

Gary the Frog Prince - Frank Hinks 2020-03
When Gary is kissed by the Frog Princess and

turned into a Frog Prince, Snuggle (family cat and superhero) takes Gary, the rabbit Scrooey-Loeey, and the boys to the Kingdom of the Frogs. There they meet man-eating frogs, and Gloria, a vegetarian eagle. But is it just another trick by the witch Griselda, who wants the children for supper? *The Tales of Ramion* are written to be enjoyed independently of previous stories.

The Muse - Jessie Burton 2016-06-30
The Sunday Times Number One Bestseller and Richard and Judy Book Club selection. Seductive, exhilarating and suspenseful, *The Muse* is an unforgettable novel about aspiration and identity, love and obsession, authenticity and deception - a masterpiece from Jessie Burton, the million-copy bestselling author of *The Miniaturist*. A picture hides a thousand words . . . On a hot July day in 1967, Odelle Bastien climbs the stone steps of the Skelton gallery in London, knowing that her life is about to change forever. Having struggled to find her place in the city since she arrived from Trinidad five years ago, she has been offered a job as a typist under the tutelage of the glamorous and enigmatic Marjorie Quick. But though Quick takes Odelle into her confidence, and unlocks a potential she didn't know she had, she remains a mystery - no more so than when a lost masterpiece with a secret history is delivered to the gallery. The truth about the painting lies in 1936 and a large house in rural Spain, where Olive Schloss, the daughter of a renowned art dealer, is harbouring ambitions of her own. Into this fragile paradise come artist and revolutionary Isaac Robles and his half-sister Teresa, who immediately insinuate themselves into the Schloss family, with explosive and devastating consequences . . . 'Those who loved *The Miniaturist* will find here all the cliffhangers, twists and heart-stopping revelations they expected, and in two evocative settings . . . as a study of female creativity, it triumphs' - Daily Telegraph
