Sex For Couples - Mia Knox

Take Your Lovemaking To A Whole New Level - Even If You've Been Married For 5, 8, 15 Years! When was the last time you tried something new in bed? Don't worry if you can't remember. Most people can't. If you're like most people, you figured out the basics at the beginning of your sex life... and you've stuck with the same three or four positions until now. Maybe you start suspecting that someday your sex life will become as thrilling as folding laundry or vacuuming the floors. But it doesn't have to be this way - even if you've been married for years. You might have already bought a few books about sex positions... only to find out that, apparently, you can't have good sex without the strength of a pro wrestler and the flexibility of a yoga guru. But

this collection of two books - Kama Sutra Sex Positions and Sex Games for Couples - is different. Instead of just bombarding you with unrealistic acrobatic poses, it focuses on using different sex techniques and fun games to promote pleasure and intimacy. Here's a sneak peek of what you'll find inside: Simple tweaks to your favorite Kama Sutra positions that will take you to a whole new world of pleasure Crazy and kinky sex positions to explore the full pleasure-giving potential of your body A modern-day, step-by-step guide to the ancient secrets of Tantric sex Painfully honest answers to questions you're too embarrassed to ask Delightfully dirty versions of Truth or Dare, Would You Rather and other classic games Tempting suggestions for exploring your deepest, darkest fantasies with dirty talk and

raunchy role-play And much more! Even if you feel satisfied with your current sex life, there's always a way to make it better! Invite your partner to enjoy this book with you, find something that excites both of you, and start experimenting! Scroll up, click on "BUY NOW" and Enjoy The Best Sex Of Your Life!

Nina Hartley's Guide to Total Sex - Nina Hartley 2006-10-19
Legendary porn star Nina Hartley's guide to thrilling, liberating, mind-blowing, soul-fulfilling, and intimacy-building sex! Witty, smart, and frankly provocative, Nina Hartley knows sex. As a sex performer, sexual adventurer, and sex educator, she's done the fieldwork and has taken extensive notes. Now, she's ready to share her research. Let's just say that she's had all the sex-the good, the bad, and the indifferent-so you won't necessarily have to! Nina Hartley's Guide to Total Sex is for sexual pioneers and enthusiastic novices. Unabashedly erotic, the book covers a lot of territory,

allowing readers to sample the whole smorgasbord or just nibble at what they see as the choicest bits. To start things off, Nina includes explicitly detailed chapters on foreplay, oral sex, masturbation, toys, and games. Sexual adventurers (and voyeurs) will find chapters on swinging, three-ways, anal sex, erotic domination, sensual submission, and much more. Nina is a strong advocate of safe sex, physically and emotionally, and she helps readers establish personal ground rules. But as a sexual liberationist and a feminist, her core belief is that, between consenting adults, all sexual behaviors are a matter of personal choice. Whether you're trying to reignite the passion with a longtime spouse, or explore new terrain with a new lover, Nina offers a variety of ideas to achieve exhilarating, deeply satisfying, intimate, and profoundly liberating sex.

How to Talk Dirty - Evelyn Jaymes 2020-10-30

Is your sex life on the fritz? Need to breathe new life into your sexual energy? Do you want to become your partner's sexual obsession and drive them wild with desire for you? We've all got a secret animal hidden with us. She may look innocent, but she's a vixen and a Goddess between the sheets. He may look like a "good boy" on the outside, but behind closed doors, he's the stallion in bed that makes his lover

scream his name with the things he does to her. This primal, animal side exists within us all, and it takes the right kind of language to coax it to the surface. That language? Dirty talk. Think this is nothing more than cheap talk? Think again. Forget everything that you have been programmed to think and believe when it comes to sex. Dirty talk is nothing like what you think it is. Imagine if you could have the power to make your lover's body quiver with the right words. What if you knew that saying all the right, naughty things would leave your partner at your mercy, begging for more? Contrary to what you might think, dirty talk is not all about vulgar words and degrading phrases, and that is what you will learn in *How to Talk Dirty*. Why did you choose to buy this book? For one, simple reason. You want to learn the phrases, words, mindset, and everything else you need to know to free yourself from the confines of expectation that have been holding you back from living a

Sex Markets - Marina Della Giusta 2008-03-03

Empirical and mathematically rigorous, this book provides a study of the economics of prostitution rather than focusing on the sociological and cultural themes. Using economic tools of analysis, internationally based editors have put together a theoretically informed volume that explores the supply and demand of prostitution. Prostitution is a globalized industry involving millions of workers and it is characterized by a high degree of inequality in working conditions (ranging from slavery to self-managed and legalized unionized employment), by different sub-markets and fully integrated in the productive system.
