A Library of the World's Best Literature - Ancient and Modern - Vol.XLIV (Forty-Five Volumes); Synopses of Famous Books -

Charles Dudley Warner 2008-07-01

Popular American essayist, novelist, and journalist CHARLES DUDLEY WARNER (1829-1900) was renowned for the warmth and intimacy of his writing, which encompassed travelogue, biography and autobiography, fiction, and more, and influenced entire generations of his fellow writers. Here, the prolific writer turned editor for his final grand work, a splendid survey of global literature, classic and modern, and it's not too much to suggest that if his friend and colleague Mark Twain—who stole Warner's quip about how "everybody complains about the weather, but nobody does anything about it"—had assembled this set, it would still be hailed today as one of the great achievements of the book world. Volume 44 features synopses of notable works—from *The Abb Constantin* by Ludovic Halvy to *Wuthering Heights* by Emily Brontë—including many not previously referenced in the set but highlighted as well worth a serious reader's time and attention.

[Under the Hood: A Novella](#) - Sally Clements 2013-12-30

Under the Hood by Sally Clements When sexy mechanic Alice Starr mistakenly believes attorney Mark Jameson needs her help, he discovers he likes being rescued for a change. Smitten by her confidence, he hides his expertise so he has an excuse to see her again. Starting their new all-female garage, *Under the Hood*, is keeping Alice and her friends busy. She doesn't have time for a man. But with one kiss, she and Mark have advanced into water so deep she's in danger of drowning. So why hasn't he called? Mark wants to tell Alice the truth so they can pursue a relationship. But he's got even bigger problems at his office when his bitter aunt threatens Alice's livelihood. He needs a plan, fast, or else *Under the Hood* and his chances with Alice could both be ruined.

[Cinder \(The Lunar Chronicles Book 1\)](#) - Marissa Meyer 2012-01-05

A forbidden romance. A deadly plague. Earth's fate hinges on one girl . . . CINDER, a gifted mechanic in New Beijing, is also a cyborg. She's reviled by her stepmother and blamed for her stepsister's sudden illness. But when her life becomes entwined with the handsome Prince Kai's, she finds herself at the centre of a violent struggle between the desires of an evil queen - and a dangerous temptation. Cinder is caught between duty and freedom, loyalty and betrayal. Now she must uncover secrets about her mysterious past in order to protect Earth's future. This is not the fairytale you remember. But it's one you won't forget.

Library of the World's Best Literature: Synopses of books. General index - Charles Dudley Warner 1897

[Library of the World's Best Literature](#) - Charles Dudley Warner 1896

[Geek Love](#) - Katherine Dunn 2014-12-04

A National Book Award Finalist: This 'wonderfully descriptive' novel from an author with a 'tremendous imagination' tells the unforgettable story of the Binewskis, a carny family whose mater- and paterfamilias have bred their own exhibit of human oddities. (The New York Times Book Review) The Binewskis are a circus-geek family whose matriarch and patriarch have bred their own exhibit of human oddities (with the help of amphetamine, arsenic, and radioisotopes). Their offspring include Arturo the Aquaboy, who has flippers for limbs and a megalomaniac ambition worthy of Genghis Khan, Iphy and Elly, the lissome Siamese twins, albino hunchback Oly, and the outwardly normal Chick, whose mysterious gifts make him the family's most precious - and dangerous - asset. As the Binewskis take their act across the backwaters of the US, inspiring fanatical devotion and murderous revulsion; as its members conduct their own Machiavellian version of sibling rivalry, *Geek Love* throws its sulfurous light on our notions of the freakish and the normal, the beautiful and the ugly, the holy and the obscene. Family values will never be the same. Praise for *Geek Love* 'If Flannery O'Connor had consumed vast quantities of LSD, she might have written like this' Literary Review 'The most romantic novel about love and family I have read. It made me ashamed to be so utterly normal' Terry Gilliam 'I felt electrocuted when I read that first page with Crystal Lil and her freak brood. I stood there in the bookstore and my jaw came unhinged. No book I've read, before or since, has given me that specific jolt' Karen Russell, author of *Swamplandia*

[Thematic Guide to the American Novel](#) - Lynda G. Adamson 2002-03-30

This unique resource provides readers with a systematic guide to the

central themes in 150 of the most commonly taught American novels. Each of the 50 well written essays identifies and discusses an important theme, such as Alienation, Corruption of Power, and Immigrant Life that recurs in American literature. The pertinence of these themes is examined in a wide range of novels that reflect this country's cultural diversity and that span the many time periods in America's literary heritage. These novels include the canonical and the contemporary, yet they are all works that are accessible and important to students, and were selected in consultation with educators and experts' published curriculum surveys. The organization of this guide allows users to compare and contrast thematically related novels and also provides help in the selection of titles for classroom discussion and assignments. This thematic guide is organized into 50 narrative essays. Each essay, written expressively with the student in mind, provides in-depth analyses of three American novels. The entries include selected lists of further suggested readings; additional fiction works that relate to the theme explored. Two helpful appendices make this resource even more valuable for the literature collection. One appendix provides additional themes and topics to be explored in the 150 novels. For quick reference, a second appendix organizes the 150 discussed novels alphabetically, identifying both the central and secondary themes for discussion in each. An author/title index, as well as a character/title index, facilitated optimum access to these works.

[Bring Me Their Hearts](#) - Sara Wolf 2018-06-05

A Goodreads "YA Best Book of the Month" An Amazon "Best Book of the Month: Science Fiction & Fantasy" Zera is a Heartless—the immortal, ageless soldier of a witch. Bound to the witch Nightsinger, Zera longs for freedom from the woods they hide in. With her heart in a jar under Nightsinger's control, she serves the witch unquestioningly...until Nightsinger asks Zera for a prince's heart in exchange for her own. But if Zera's discovered infiltrating the court, Nightsinger will destroy her heart, rather than see her tortured by the witch-hating nobles. Crown Prince Lucien d'Malvane hates the royal court as much as it loves him—every tutor too afraid to correct him and every girl jockeying for a place at his handsome side. No one can challenge him—until the arrival of Lady Zera. She's inelegant, smart-mouthed, carefree, and out for his blood. The prince's honor has him quickly aiming for her throat. Now it's a game of cat and mouse between a girl with nothing to lose and a boy who has it all. Winner takes the loser's heart. Literally. The *Bring Me Their Hearts* series is best enjoyed in order. Reading Order: Book #1 *Bring Me Their Hearts* Book #2 *Find Me Their Bones* Book #3 *Send Me Their Souls*

B-M, pages 401-802 - Brooklyn Library 1878

[Kindred, Gift Edition](#) - Octavia Butler 2022-09-20

The New York Times best-selling author's time-travel classic that makes us feel the horrors of American slavery and indicts our country's lack of progress on racial reconciliation The series adaptation from FX premieres December 13 on Hulu. Developed for television by writer/executive producer Branden Jacobs-Jenkins (*Watchmen*), executive producers also include Joe Weisberg and Joel Fields (*The Americans*, *The Patient*), and Darren Aronofsky (*The Whale*). Janicza Bravo (*Zola*) is director and an executive producer of the pilot. *Kindred* stars Mallori Johnson, Micah Stock, Ryan Kwanten, and Gayle Rankin. "I lost an arm on my last trip home. My left arm." Dana's torment begins when she suddenly vanishes on her 26th birthday from California, 1976, and is dragged through time to antebellum Maryland to rescue a boy named Rufus, heir to a slaveowner's plantation. She soon realizes the purpose of her summons to the past: protect Rufus to ensure his assault of her Black ancestor so that she may one day be born. As she endures the traumas of slavery and the soul-crushing normalization of savagery, Dana fights to keep her autonomy and return to the present. Blazing the trail for neo-slavery narratives like Colson Whitehead's *The Underground Railroad* and Ta-Nehisi Coates's *The Water Dancer*, Butler takes one of speculative fiction's oldest tropes and infuses it with lasting depth and power. Dana not only experiences the cruelties of slavery on her skin but also grimly learns to accept it as a condition of her own existence in the present. "Where stories about American slavery are often gratuitous, reducing its horror to explicit violence and brutality, *Kindred* is controlled and precise" (New York Times).

American Short-story Writers Since World War II. - Patrick Meanor

2000

Neighbors - L.S. Murphy 2013-11-11

Rena Woods has a great life. She recently landed the contract to decorate the home of basketball wife, Cecilia Hood, her business is growing, and this contract could make her the elite decorator in St. Louis. Rena's sacrificed her personal life for her company without a single regret. When Staff Sergeant C.J. Riker moves in across the hall, Rena can't stand to be around him. He may be on the volcanic side of hot, but his attitude sucks. Riker does whatever he can to get under Rena's skin. After a massive blow to her business sends Rena on a self-destructive binge, Riker is there to save her from doing something she might regret. Could there be more to Riker than meets the eye? And will he open up enough to Rena to tell her how he lost his leg or shut out love forever?

The Perfectly Imperfect Match - Kendra C. Highley 2017-07-10

Pitcher Dylan Dennings has his future all mapped out: make the minors straight out of high school, work his way up the farm system, and get called up to the majors by the time he's twenty-three. The Plan has been his sole focus for years, and if making his dreams come true means instituting a strict "no girls" policy, so be it. Lucy Foster, needlepoint ninja, big sister to an aspiring pitcher, and chicken advocate, likes a little mayhem. So what if she gets lost taking her brother to baseball camp...at her own high school? The pitching coach, some hotshot high school player, obviously thinks she's a hot mess. Too bad he's cute, because he's so not her type. Problem is, they keep running into each other, and every interaction sparks hotter than the last. But with Dylan's future on the line, he has to decide whether some rules are made to be broken...

Disclaimer: This book contains a crazy night of moonlit skinny-dipping, a combustible crush, and kisses swoony enough to unwind even the most Type A athlete. Each book in the Suttonville Sentinels series is STANDALONE: * The Bad Boy Bargain * Swinging at Love * The Perfectly Imperfect Match

The Lobster Kings: A Novel - Alexi Zentner 2014-05-27

A mythical family saga steeped in the legends of the sea, *The Lobster Kings* is a "powerhouse of a novel" (Ben Fountain). The Kings family has lived on Loosewood Island for three hundred years. Now, Woody Kings, the leader of the island's lobster fishing community and the family patriarch, teeters on the throne, and Cordelia, the oldest of Woody's three daughters, stands to inherit the crown. To do so, however, she must defend her island from meth dealers from the mainland, while navigating sibling rivalry and the vulnerable nature of her own heart when she falls in love with her sternman.

One is a Promise - Pam Godwin 2017-06-06

"WOW, all I can say is I can't choose! Surprises kept coming, passion flowing, lust heating, all delivered with gorgeous writing and a heroine I loved! 5 stars." ~ New York Times Bestselling Author, Pepper Winters
One promise. One forever. One look and I knew Cole was mine. My dark rebel in leather. My powerhouse of passion, devastating smiles, and impulsiveness. When his job sends him overseas, he promises to return to me. A promise that's destroyed in the most irrevocable way. Two years later, an arrogant suit invades my heartbroken loneliness. Clean-cut and stern, Trace is everything Cole wasn't. At first, he's a job that will rescue my dance company. But as he intrudes on my life, our hostile relationship evolves. He knows I'm still in love with Cole, but his dedication is my undoing. Then a catastrophic moment changes everything. Promises resurface. Lies entangle. And an impossible choice shatters my world. I love two men, and I can only have one. Contains: love triangle, angst, suspense, music, dance, alpha, dominate, submissive, series, trilogy, romance

The Couple Next Door - Shari Lapena 2016-07-14

The Sunday Times bestseller and WHSmith Book of the Year 2016
PEOPLE ARE CAPABLE OF ALMOST ANYTHING. '2016's most talked-

about new thriller' Stylist 'A twisty, utterly riveting tale that will send readers on a wild rollercoaster ride of emotions. Shocking revelations kept me turning the pages like a madwoman' TESS GERRITSEN Fast-paced and addictive, *THE COUPLE NEXT DOOR* announces a major new talent in thriller writing. **** You never know what's happening on the other side of the wall. Your neighbour told you that she didn't want your six-month-old daughter at the dinner party. Nothing personal, she just couldn't stand her crying. Your husband said it would be fine. After all, you only live next door. You'll have the baby monitor and you'll take it in turns to go back every half hour. Your daughter was sleeping when you checked on her last. But now, as you race up the stairs in your deathly quiet house, your worst fears are realized. She's gone. You've never had to call the police before. But now they're in your home, and who knows what they'll find there. What would you be capable of, when pushed past your limit? **** 'How well do we ever know those around us? *THE COUPLE NEXT DOOR* will keep you glued to the pages in search of the answer. Even then, you'll never guess the truth...until it's too late' LISA GARDNER 'Meticulously crafted and razor-sharp. *THE COUPLE NEXT DOOR* lingers long after you turn the final page' HARLAN COBEN
Evermore - Alyson Noël 2009-02-03

Don't miss *Evermore*, the first book in Alyson Noël's #1 New York Times bestselling *The Immortals* series. Enter an enchanting new world where true love never dies. . . After a horrible accident claimed the lives of her family, sixteen-year-old Ever Bloom can see people's auras, hear their thoughts, and know someone's entire life story by touching them. Going out of her way to avoid human contact and suppress her abilities, she has been branded a freak at her new high school—but everything changes when she meets Damen Auguste. Damen is gorgeous, exotic and wealthy. He's the only one who can silence the noise and random energy in her head—wielding a magic so intense, it's as though he can peer straight into her soul. As Ever is drawn deeper into his enticing world of secrets and mystery, she's left with more questions than answers. And she has no idea just who he really is—or what he is. The only thing she knows to be true is that she's falling deeply and helplessly in love with him.

Love for Beginners - Sally Clements 2014-05-27

She needs a lesson in love, and he's the perfect teacher. Mechanic Melody Swan is looking for a man who can share her hopes and dreams, but she swore she would never lose herself to passion. When sexy Heath Starr agrees to temporarily sub in the Under the Hood garage for his sister, Mel sees the perfect opportunity to enjoy being with a man without becoming attached. Heath came to Meadowsweet to photograph nature, not find a hookup, especially since his last relationship ended in disaster. He vowed he'd never break another woman's heart, and in turn, protect his own. Still, when Mel offers to serve as his outdoor guide, he can't refuse. Mel may say she's only looking for right now, but her body is speaking a whole different language. And Heath's viewfinder is drawn to her time and again. When the two find themselves isolated in a rustic cabin, they could both break their promises if they aren't careful...

The Wishing Heart - J.C. Welker 2017-05-01

Winner 2016 YARWA Rosemary Awards Winner 2018 Athena Awards & Finalist for Best First Book With a book in her bag and a switchblade in her pocket, Rebel's been thieving her way through life while hoping for a cure to fix her ailing heart. But when the bejeweled vase she just tried to hawk turns out to be a jinni's vessel, Rebel gets lost to her world and dragged within another. Now every magical being in the city wants the vase for himself. Thrust into a game of cat and mouse in a world she never knew existed, Rebel must use her uncanny skills to find a way to free Anjeline the Wishmaker. But wishes have consequences. And contracts. Anjeline's freedom could unravel a love like Rebel has never known, or it could come at the cost of Rebel's heart...

Beautiful Disaster Signed Limited Edition - Jamie McGuire 2012-11-27

Abby Abernathy is re-inventing herself as the good girl as she begins her freshman year at college, which is why she must resist lean, cut, and tattooed Travis Maddox, a classic bad boy.
