HART When Hart saw two of his kindergarten students teasing another, he stepped in. When he found out that the kid was being teased because he had two dads, Hart had the kid's imagine how they would treat him, their teacher, if Hart had a husband. Who would have known that one of the kids would misinterpret it and tell his conservative parents... who would then complain to the school's conservative board... who would then go to his principal to get Hart fired? Luckily the principle put her own job on the line to protect his. And all Hart has to do to save both of their jobs is to invite his "respectable" husband to meet the school board. Too bad Hart doesn't have a husband and the only one he had who would pretend was Vandal, his reckless childhood friend with more money than sense. IVY As principal, Ivy was surprised to learn that her favorite kindergarten teacher had a husband. Hadn't their night out together been a date? No matter, she wasn't going to allow the school's board to fire him just because he was gay. But, the question was, how was her heart-thumping work-crush married to her drool-worthy celebrity crush, Vandal Scott. And when the three of them are forced together by a school retreat and the bad boy billionaire makes things complicated, what is Ivy supposed to do considering how tired she is of having more respectability than sex? VANDAL It's hard being drop dead gorgeous and born filthy rich, but Vandal Scott struggled through. But, seriously, what was genuinely hard was the boredom. So, when his childhood best friend asks him to play the role of his dutiful husband, Vandal throws himself into the part. Who would have guessed that his pretend relationship would spark real feelings? And that the object of his affection would already have feelings for a beautiful principal who was a much better match for Hart than Vandal was? Falling in love for the first time and having a billion dollars at his disposal, how will Vandal win the heart of his long time best friend? **Girls Who Like Boys Who Like Boys** Lucy Neville 2018-03-19 This book investigates what women enjoy about consuming, and in some cases producing, gay male erotic media—from slashfic, to pornographic texts, to visual pornography—and how this sits within their consumption of erotica and pornography more generally. In addition, it will examine how women's use of gay male erotic media fits in with their perceptions of gender and sexuality. By drawing on a piece of wide-scale mixed methods research that examines these motivations, an original and important volume is presented that serves to explore and contribute to this under-researched area.

**The Complete Harper Valley** Peter Pan 2007-06-18 The opening Harper Valley chapters, first compiled in the early 2000's, although undeniably adult in content are, if you have the awareness to see, anything but "grubby" little tales. They are in fact, intended as a dedication to the beauty of youthful innocence and at their core, is a deep love and respect for the feminine form. To many, this will appear an irreconcilable paradox given the content. The girls here are loved - probably more so than most. They simply have had an opportunity to express their youth and sexuality in ways that not one in fifty million young females the world over, ever have.

My flaws have never been more fatal. And I've never been closer to tragedy than I am now. I am a man who loves, a man whose love demands much in return. I am a king, a king who was foolish enough to build a kingdom on the bones of the past. I am a husband and a lover and a soldier and a father and a president. And I will survive this. Long live the king.

Instead of getting mad, Tara's curiosity leads her to begin listening in on John's steamy conversations in hopes of finding out what he really wants in the bedroom. After several failed attempts at bringing fantasy to reality, however, a frustrated Tara turns to her much more adventurous best friend, Kelly, for help. A quick psychology 101 diagnosis from Dr. Kelly marks John as having a classic "madonna/whore" complex, and she quickly sets about making plans to rectify this situation. Tara goes along for the ride, hoping that Kelly may have the answer to bridging the seemingly ever-growing gap in her marriage?-----Warnings: This title contains erotic situations, graphic language, sex, ménage a trois (MFF threesome), lesbian sex and some naughty daddy/daughter role play, too!-----EXCERPT: "Seeing you dancing out there with Kelly—you don't know how sexy you are, do you?" he asked, leaning over to me, his hand running up from my knee to my thigh. His breath was warm on my face, and I could smell the 7&7's he'd been drinking all night. My own head was still swimming with wine. "You two rubbing up against each other, seeing your red little dress riding up and up," he whispered, his hand pushing my dress up further as he sought higher ground on my leg. "You looked just like you do when you come, with your eyes half closed and your mouth open and your legs quivering." I moaned, tilting my face up to him, and then he was kissing me, his tongue forcing its way past my teeth, down my throat, as he pressed me into the door. "I wanted to fuck you right there on the dance floor," he growled against my neck, biting and sucking at my flesh. "I wanted to fuck you both." I gasped, his hands groping me in the dark, everywhere at once. My dress was pushed up to my waist now, his fingers rubbing fast and hard between my legs. We kissed, our mouths meshing together as he leaned over the gearshift to get to me. When he pulled my panties aside and plunged his fingers into me, I hissed, putting one foot up onto the dashboard to give him better access. He was trying to climb over onto me but there wasn't enough room—not in his little Roadster. When I whispered that fact to him, he grunted, pulling his hand away from me and moving to open his door. A moment later, he was opening mine, and I was still sitting there with my panties askew, my heels off, and my dress shoved up to my waist, struggling with the seatbelt. He leaned over me and popped the button, pulling me out of the car and crushing me to him, his tongue digging deep into my mouth. I clung to him, wrapping my arms around his neck, feeling his hands roaming over my ass, squeezing and lifting me, pressing my crotch to his. I could feel how hard he was through his trousers. Then he was turning me around, pressing me over the hood of the car, shoving my dress up higher on my waist. His hands moved over my ass, my thighs, and I heard his zipper and the felt his cock pressing against my panties. He shoved those aside, his fingers finding me again, moving in and out of my wetness—and I was wet, soaking wet, my panties moist with my heat. He didn't bother to take them off, he just replaced his fingers with his cock, shoving himself deep inside me with a growl. I moaned, pressing my cheek to the metal, the engine still ticking as he started to fuck me, my hands out in front of me, just letting him take me. I could see the Christmas lights of the neighbor's house across the street, a blurred red and green glow as he rocked me against the Beemer's electric blue hood.

**Best Bisexual Erotica** Bill Brent 2002 These erotic tales of bisexuality really run the gamut -- from Samurai-era Japan to an 18th century French nunnery; from a shape-shifting college dude to a lap-dance stripper to a man cross-living as a woman on the Canadian prairie in the early 1900s. Plenty of three-way affairs and encounters, a moderate dose of bondage and S/M, and three great stories incorporating sex in the restroom! Despite all of this delightful romping, the tone of the book is more serious overall and somewhat darker than in the first volume, with well-developed plots featuring characters dealing (and in some cases, Not dealing) with complex issues. Stories tackle the intricacies of polyfidelity, coming out, and forging a positive bisexual identity. There is a Lot for readers to sink their teeth into, and the range of contributions demonstrates a maturing of the bisexual erotic voice.

**Metamorphosis of Robin Daniels** Shooter3704 2016-04-30 (Met-a-mor-pho-sis (n) A marked or complete alteration in appearance, condition, character, or function.) In the thirty-eighth year of her life Robin Daniels made a life changing decision. She felt old and she knew she was fat and soft. She was aware that she had to do something and she did. After six weeks in a southern California `fat farm` she was no longer fat and soft. She no longer felt old and then she had to reclaim her husband and her life. Especially her sex life which had gone into limbo. At the spa she was introduced to Liz, a call girl. Liz and her candor changed Robin`s way of thinking. Interracial sex had not even entered Robin`s mind until Liz came along. Now it occupied her every waking thought. She made another life changing decision and did something about that. Robin started down a long and winding road of self discovery and loved every twist and turn of it. As she became ensnared in interracial sex, so did her family and friends. Joe, Robin`s husband, and Rachel, their nineteen year old daughter, soon joined her on that discovery highway. Robin met and became involved with her black plumber, his brother and a man named Amos Black, a mover and shaker in the black community. They all meet an attorney and his wife who are also on a mission of discovery. You get to meet all the interesting players in this metamorphosis of Robin Daniels

There are sex shops decorating the high-street, free porn all over the internet and lets not even get started on the new BDSM phenomenon. So when things get a little 'stale' in the bedroom, what would you do? Carlie made a suggestion; a suggestion I wanted nothing to do with at first, but she was my wife and I'd have done anything to make her happy. I went along with her plan, even though I really didn't want to. It actually worked, for a while. Until something changed. Then I wasn't doing it for her anymore. Instead, it was all about secret liaisons, stolen moments and the thrill of getting caught. My life changed overnight and there was nothing I could do to prevent it. Lust is an unstoppable emotion when it takes hold. Rules are broken. Mistakes are made. Lives are destroyed. Be careful what you wish for, because sometimes, that wish can come true. Zachary Black was her wish. ...Until he became mine.
