magnet, that was his nickname in high school. He just snapped his fingers, and all the girls came running. He didn't know that I existed, until that night. Well, not exactly that night. I got rid of my glasses, changed my hair, and crashed a party, to get close to him. He was my secret fantasy and as we played spin the bottle and I ended up alone with him, I was glad that I took the risk. Until the cops showed up and everyone had to leave the party. Later, opportunity knocked again, and I wasn't going to let it pass. We sat in the principal's office, and he soon found out who I was. This time, I wasn't about to let anything stand in my way, but I was scared that he'd find out my secret. I didn't know that he had secrets of his own. They were so deep that they just made me want him even more. I believed that romantic fairy tales were the only way to escape my reality. We were the modern version of the lady and the tramp; the problem was that I was no lady, and he certainly wasn't a tramp.

Of Lodz and Love Chava Rosenfarb 2000-01-01 In *Of Lodz and Love*, Chava Rosenfarb revisits her themes of the shtetl and pre-Holocaust Poland, of economic and political oppression, and of the upheavals that would herald a new Jewish national and political awakening. The story takes Yacov, son of Hindele, and Binele, the daughter of the chalk vendor Yossele Abedale, to the industrial town of Lodz during the first years of Poland's independence, both before and after the country entered the war with the Bolsheviks. The would-be young lovers evolve separately against the backdrop of the city's own struggle for economic survival. In sometimes tragic turns, they make their way in the strange urban culture, rapidly acquiring the skills to survive. Translated from the original Yiddish, this book serves as prologue and as counterpoint to the urbanization of Jewish life in Poland. In its elegance and subtle wit, and overwhelming human dignity, it is not only the testimony of a vanished world, but a powerful love story.

valuable on the field, and most desired in the bedroom. He's my obnoxious patient. I hate him. I want him. But we're forced together as he's recovering from a season-ending injury. Rejecting him should be easy. I shouldn't want to date a client, but my heart melts when I see him with his baby daughter. A football god who's not a player? He's a dream-come-true, but I can't date him. Our forbidden romance could get me fired. But what will we lose if we walk away? Austin They call me the Champ, but I'm no player Let's get one thing straight: I don't date. When I see women, it's just to get laid. That's the way it is when you're a single dad. Between my football career and raising my kid, I have no time to play the field. My world revolved around my baby girl until Chloe. She's my stuck-up, hot as hell physical therapist. She's mouthy. Gorgeous. Smart as hell. And she hates me. She doesn't like football, and I'm a wide-receiver. She doesn't have kids—I'm a single dad. Girls like her don't go for guys like me, but I can't get her out of my damn mind. I'll play again when I heal from my injury, but her hands are the only ones I want on my body. She's all attitude and sass until her clothes hit the floor. My daughter needs a mother—and Chloe's perfect. I've got one goal in mind, and it's not just scoring with the Lady. I want the whole nine yards.

Barri Flowers Teen Haunted House Mysteries Bundle contains two complete YA ghost mystery novels by bestselling author R. Barri Flowers, including Ghost Girl in Shadow Bay and Teen Ghost at Dead Lake. Ghost Girl in Shadow Bay Three years after her father was killed, sixteen-year-old Peyton Delaney, her mother, Melody, and new stepfather, Vance McIntyre, relocate to Shadow Bay, Minnesota and move into an old Victorian. They are unaware of the house's dark history--fifty years ago, a jealous husband snapped, murdering his wife, her lover, and sixteen-year-old daughter before killing himself. But when Peyton begins to have nightmares about the crime and is haunted by a ghostly teenage girl named Caitlyn, she begins to investigate with the help of the caretaker's cute son, Bryant. As the two delve into the supernatural mystery surrounding the house, they discover that the events that led to the tragedy of fifty years ago are somehow intertwined with the present. Caitlyn is a ghost who has had to relive the nightmare of being murdered by her father for half a century. When Peyton and her family arrive at the house where Caitlyn's spirit has remained trapped, she feels a connection to Peyton and knows instinctively that it will take the two of them to not only free Caitlyn at long last, but to prevent her tragedy from becoming one that Peyton too must endure. The Guyde Howie Reith 2016-11-19 The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body

language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness
Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

No Lie Like Love Paul Rawlins 2012-10-01 A shady financier visits his small hometown, a middle-aged divorc emerges from a life of drastic austerity and self-denial, a sick and dying professor discovers the healing touch of a former student. From the South African veldt to the barren Utah desert, from the green lawns of suburbia to moonlit Pueblo ruins, the people in Paul Rawlins's debut story collection brave the Big Questions about relationships, love, and death, finding more often than not that their happiness to just get by is not enough. Asking for truth or understanding, but hoping the answers will be simple, they struggle with feelings often too deep, too new, too disquieting to articulate. The voices we hear most often belong to men--good men who have somehow come up short on love, answers, peace, time. Like the pro football player with a torn-up knee in "Big Texas,"

the HIV-positive teen in "The Matter of These Hours," or the recovering heroin addict in "August--Staying Cool," they find that age, accident, or self-made circumstances have stolen their abilities, stung their pride, or worse. Dangerously distanced from the women they should have loved more, they draw closer to buddies, brothers, fathers, and sons. But like the alkali flats in "Good for What Ails You," transformed by flash-flooding into an inland sea, Rawlins's characters show themselves capable of quick and fundamental change. Farmers and soldiers, athletes and scholars, rebels and high rollers, they fit our preconceptions only in the shallowest sense. In the ways they connect with Rawlins's elemental imagery--sun, water, earth--these people play with our essential notions about men and women as they surprise themselves about their strengths, about what they really desire and what others desire in them.

Roy's son was born with Spina Bifida and was paralyzed from the waist down. This led to the family's involvement in adaptive wheelchair sports. Over the years, Christine developed a passion for helping other kids have the life-changing experience that wheelchair sports can bring to their lives. For this reason, she created the Trey Roy Foundation, which raises money to help purchase adaptive sports equipment for kids and families that may not be able to afford it and to also send these kids to sports camps in the summer. A portion of all of the proceeds from her book sales will go to her foundation. For more information about the foundation please visit www.tessarigroup.com and click on Trey Roy Foundation.
