Resulting from a near drowning incident as a child, Bellamy Lawrence lives with the effects of a traumatic brain injury, including profound hearing loss. But a spilled cup of coffee, and a chance meeting with local radio host Sofia Reyes turns every expectation Bellamy had for her life upside down, as she finds herself thrust into a whirlwind romance she never believed possible.

[Life in the Petunia Patch](#) - P J Hoge 2011-12-06
It had been an amazing year. Carl Kincaid's entire life had changed. It was a far cry from that lonely Louisiana hospital room. Little did he know then, that some strangers would change his life! He was happier now than he had ever been, even though it required getting used to. Now he had a family and a pile of friends. He was stepfather to eight grown kids and all their families. Helping them face the changes in their lives while building a new life for his new wife and himself, required a lot of energy. There was always a challenge somewhere or something that made him proud, joyful or stark raving mad. He was aware he had become a petunia. It was the very thing that he had spent his life

ridiculing. Now it meant a lot to Carl Kincaid, the loner who needed no one, to be the best petunia he could. Carl had never been one to settle for second place, and if he was going to have a life in a petunia patch, it would be the best Petunia Patch.

Never Letting Go - Kristin MacQueen

2019-11-01

My world came crashing down around me the day Dad died. Instead of being excited to start senior year, I'm devastated and uprooted. Mom and I move back to my hometown. Back to where our lives were happy, when Dad was still with us. I'm excited as I can be, until I realize my

former best friend, Noah, has moved on without me, and wants nothing to do with me anymore. My world was destroyed the day Frankie left. I became a cold, distant, angry version of the boy she knew. Someone able to handle a life without the person I wanted most. Now she's back, but I don't know how to be the old me. It seems all I'm good at is pushing her away when I'm dying to hold her close. Tropes: grumpy sunshine, shared past, childhood friends to lovers, love triangle, sports, secrets, small town romance, second chance,

love. It is an inspirational self-help guide, offering pathways of discovering one's own personal growth in the process of caring for a loved one with an illness that chips away at their life, little by little each day. This story is about a mother who had a twenty year walk with Alzheimer's. The author, her daughter, imparts her very happy and active life during her years of part-time care for her mother and offers her method of segregating time for each of her life's demands. The underlying theme is: "Make lemonade with lemons". SLOW DANCING offers enlightened options for the caregiver to investigate and choices to consider. For many it seems like a long dark tunnel, but this book offers them encouragement and a glimpse of the bright light at the end of the tunnel.
