**The Inadequate Conception** Lori Green LeRoy 2010-12-15 I am the no prego pro, infertility warrior, bunless oven, cant-make-a-baby veteran. It has taken six years and tens of thousands of dollars to achieve this distinction, and more specifically, 1,611 prenatal vitamins, 78 fertility drug injections, 55 ovulation detection tests, 40 blood draws, 33 ultrasounds, 16 pregnancy tests, and 11 embryos to confirm it. Still, throughout this not-so-fun numbers game (I always thought that procreating was supposed to be much, much more enjoyable), I have tried very hard to look at the lighter side of our struggles to conceive: Betting to see whose sperm count is higher and performing a strip tease in a hospital room are not things that I ever thought I'd be part of, yet here I am, willing to disclose the details of some very intimate incidents. Whether a couple needs two tries to get pregnant or two hundred, most can relate to calculating menstrual cycles and trying to decipher ovulation test sticks. And there can be plenty of funny incidents and awkward and absurd moments along the way, whether trying to get sperm to meet egg involves candlelight and Barry White or Petri dishes and blastocytes. *The Inadequate Conception* tells the authors and others real-life stories of trying to find two blue lines on a pregnancy test.

The Billionaire's Pregnant Girlfriend 2 Danielle Jamesen 2016-09-09 There I was. Walking through the open door to the Jewel — the nicest, most expensive restaurant in a several town radius — followed close behind by my best friend of almost eight years and arguably who could be the love of my life. Needless to say, I felt a little in over my head and the swarm of butterflies in my stomach was inevitable. As I made my way into the restaurant, I couldn't help but let me jaw drop at the incredible layout of its interior. Mahogany wood furnishes drowned every inch of wall, pillar, ceiling, floor and table space. The tables lining the walls were separated by high backed booths and the ones that filled the rest of the restaurant left plenty of space in between one another to provide adequate privacy between the occupying parties. Every table was lined with a marvelous maroon colored table cloth, topped with several real burning candles. I marveled at how they possibly could have stayed lit all night. Giant jeweled chandeliers hung from the ceiling, casting a low golden light throughout the restaurant. Paired with a small band playing smooth jazz near a

beautiful grand piano in the corner, the ambience was one made for rich CEO's and the traveling movie star out on vacation at their coastal boat house. I felt very out of place for a poor college student. I wondered how Jack expected to pay for the coming meal, and then I remembered that his parents owned one of the most successful companies in Europe. Then I wondered why I hadn't been taking advantage of that before. **WARNING: Mature readers only.** Search Terms: alpha male romance, billionaire romance, contemporary romance, young adults romance, bad boy romance, romance short stories, second chance romance, steamy romance, hot romance books, love story, office romance, boss romance, beach reads, new adult

Sarah's concern is that her daughter will be exposed to a media frenzy, and her fears are warranted. After realizing that Sarah is dating a billionaire, her ex-husband uses their daughter as leverage to try to get money from Amanda. Despite familial problems, Sarah and Charles try to make it work, and try to form a new family for Amanda. **TOUCH OF THE BILLIONAIRE** When Adrian first discovered her husband's infidelity, she was at a loss. Her first and foremost concern was her daughter, and how to care for her as a single mother. Just when she starts to get her feet underneath her, life throws her another loop in the form of a gorgeous billionaire boss. She falls hard for the job itself, as an event planner for a non-profit foundation. She loves the work and finds herself naturally inclined to the position she was given. But the roller coaster named Andrew Cole was almost too much for her to handle. Perhaps her reaction was too much for him, but then again, perhaps his actions were too much for her. Will they manage to work it out or is it all just too much for Adrian and Andrew to handle? **FALLING IN LOVE WITH MY BOSS** Where did I go wrong in my life?" I asked myself almost on a daily basis when I looked in the mirror. I was no longer happy and barely smiled. Every day seemed to be the same thing with my husband, William. Life had taken its course, but I wasn't prepared for the way it turned around. I would have never caught myself ten years ago when we had been college sweethearts. Now ten years so far away and often I try to go back to the past to kiss it one last time, wondering if this time would be the last. Carlipian College was where I had met my husband. He had majored in medicine and I majored in business and business administration. Secretly back then I dreamed of being a CEO for a large company. That was just a dream. Graduation had brought joy to my parents, a new life and a diploma I wouldn't use for a while. William and I got married shortly after graduation and he was the type of man who thought women should stay at home. That was short lived when we almost lost everything we owned due to a poor investment. Constantly I wonder where the love we had gone. He had changed and wasn't the same man I had met and fell in love with. He was now trying to hide the fact he had other women on the side. It wasn't any secret what had been going on for some time. His cell phone had a password on it and locked when it wasn't in his hands. His work clothes had female's perfume and lipstick on them neither was things that I would where. I knew I would never have the answers of why he did what he did. **WARNING: Readers must be 18+ due to mature themes and language.** Search Terms: alpha male romance, billionaire romance, contemporary romance, young adults romance, bad boy romance, romance short stories, second chance romance, love story, office romance, boss romance, romance bundles, boxed sets romance, romance e book collection, romance collection, romance complete series, beach reads, new adult
