Vanishing Acts - Jodi Picoult
2005-03-15

The #1 New York Times bestselling author of modern classics such as My Sister's Keeper and Small Great Things weaves a "richly textured and engaging" (The Boston Globe) tale that explores what happens when a young woman's past—a past she didn't even know she had—catches up to her just in time to threaten her future.

How do you recover the past when it was never yours to lose? Delia Hopkins has led a charmed life. Raised in rural New Hampshire by her beloved father, she now has a young daughter, a handsome fiancé, and her own search-and-rescue bloodhound, which she uses to find missing persons. But as Delia plans her wedding, she is plagued by flashbacks of a life she can't recall...until a policeman knocks on her door, revealing a secret about herself that irrevocably changes her life. Picoult explores how life might not always turn out the way we imagined; how the people we love and trust can suddenly change before our very eyes; how vanished memories can evolve into threat. Featuring characters that “resonate with authenticity” (People), *Vanishing Acts* masterfully explores a serious topic with understanding, insight, and compassion.

The Arc of Love - Aaron Ben-Ze'ev 2019-06-11

Is love best when it is fresh? For many, the answer is a resounding “yes.” The intense experiences that characterize new love are impossible to replicate, leading to wistful reflection and even a repeated pursuit of such ecstatic beginnings. Aaron Ben-Ze’ev takes these experiences seriously, but he’s also here to remind us of the benefits of profound love—an emotion that can only develop with time. In *The Arc of Love*, he provides an in-depth, philosophical account of the experiences that arise in early, intense love—sexual passion, novelty, change—as

well as the benefits of cultivating long-term, profound love—stability, development, calmness. Ben-Ze’ev analyzes the core of emotions many experience in early love and the challenges they encounter, and he offers pointers for weathering these challenges. Deploying the rigorous analysis of a philosopher, but writing clearly and in an often humorous style with an eye to lived experience, he takes on topics like compromise, commitment, polyamory, choosing a partner, online dating, and when to say “I love you.” Ultimately, Ben-Ze’ev assures us, while love is indeed best when fresh, if we tend to it carefully, it can become more delicious and nourishing even as time marches on.

[The Healthy Compulsive](#) - Gary Trosclair 2020-02-08

Gary Trosclair explores the power of the driven personality and the positive outcomes those with obsessive compulsive personality disorder can achieve through a mindful program of harnessing the skills that can work, and

When Should You Tell Her You Love Her

altering those that serve no one. If you were born with a compulsive personality you may become rigid, controlling, and self-righteous. But you also may become productive, energetic, and conscientious. Same disposition, but very different ways of expressing it. What determines the difference? Some of the most successful and happy people in the world are compelled by powerful inner urges that are almost impossible to resist. They're compulsive. They're driven. But some people with a driven personality feel compelled by shame or insecurity to use their compulsive energy to prove their worth, and they lose control of the wheel of their own life. They become inflexible and critical perfectionists who need to wield control, and they lose the point of everything they do in the process. A healthy compulsive is one whose energy and talents for achievement are used consciously in the service of passion, love and purpose. An

unhealthy compulsive is one whose energy and talents for achievement have been hijacked by fear and its henchman, anger. Both are driven: one by meaning, the other by dread. The Healthy Compulsive: Healing Obsessive-Compulsive Personality Disorder and Taking the Wheel of the Driven Personality, will serve as the ultimate user's guide for those with a driven personality, including those who have slid into obsessive-compulsive personality disorder (OCPD). Unlike OCD, which results in specific symptoms such as repetitive hand-washing and intrusive thoughts, OCPD permeates the entire personality and dramatically affects relationships. It also requires a different approach to healing. Both scientifically informed and practical, The Healthy Compulsive describes how compulsives get off track and outlines a four-step program to help them consciously cultivate the talents and passions that are the truly compelling sources of

When Should You Tell Her You Love Her

the driven personality. Drawing from his 25 years of clinical experience as a psychotherapist and Jungian psychoanalyst, and his own personal experience as someone with a driven personality, Trosclair offers understanding, inspiring stories of change, and hope to compulsives and their partners about how to move to the healthy end of the compulsive spectrum.

I Just Need You - J. Nathan
2020-10-25

After a kidnapping attempt on Kresley's life, she wants nothing more than to go back to living the life of an ordinary college student. She just never expected her parents to hire a pompous, know-it-all bodyguard who watches her every move with disdain. One whose good looks don't soften the cold, impenetrable wall he wears like armor. Tristan prides himself on being a professional and taking his job as a bodyguard seriously. But, nothing could prepare him for the high-maintenance, rich girl he's hired to protect. She's got

a smart mouth, is hell-bent on pushing his buttons, and doesn't take the threats against her seriously. And despite the nightmares that plague her dreams, or the fact that he's the only one who knows about them, he's not there to befriend her. He's there to protect her. *A New Adult, Bodyguard Romance.*

The Dragonmaster Trilogy Collection - Katie Cross
2020-08-02

The Dragonmaster Trilogy collection is a compilation of three stunning YA Fantasy novels, FLAME, FLIGHT and FREEDOM. Join sisterwitches Sanna and Isadora Spence as they grow into a new world of dragons, unexpected magic, and struggles that test the enduring bonds of sisterhood. FLAME In Anguis, magic is forbidden. Dragon Servants Sanna and Isadora Spence live deep in Letum Wood, where persnickety dragons and wars on the borders are the least of their worries. Thanks to years of simmering tension, the hidden village is destined to crack. Soon, Sanna's deep love

for the giant beasts causes her to make an irreversible mistake, while Isadora's disinterest leads her to a fateful decision that will change the course of the entire world. Can the sisters prevent everything they know from falling apart? Or do they allow it to break and pave the way for new growth? Join these beloved sisterwitches in a story about sisterhood, new magic, and dealing with change. **FLIGHT** A treacherous new world awaits. Sisterwitches Isadora and Sanna Spence aren't sitting back anymore. In fact, they're both tangled in separate new worlds—ones they didn't anticipate. Despite the Dragonmasters home burning to ash, Sanna is certain of one thing—she will not be a tyrant, even though managing a brood of frightened dragons falls on her reluctant shoulders. When a devastating tragedy strikes the Dragonmaster families, Sanna is forced to face a world she never knew existed. Isadora, on the other hand, is too busy with her new life to worry about her

old one. In the midst of training with her perpetually annoyed mentor, Maximillion, Isadora is unexpectedly taken away from home and thrust into a dangerous game. Her life is now in the hands of her most terrifying enemy: Cecelia Bianchi. Both sisters are far from home and over their heads. Can they marshal their courage to save those they care about? Or will their expanding horizons prove to be their biggest danger yet? Join the beloved sisters from **FLAME** in a new tale about growing up, moving on, and finding the courage within. **FREEDOM** Isadora Spence knows two things: 1) she's tired of all the wars and wants them to stop and 2) she never wants to see Maximillion Sinclair again. Sparks fly when rising desperation leads Isadora and Maximillion to attend a political delegation together in the Southern Network. She's determined to create a pact for peace and save lives, but when events spiral into far more dangerous territory, she realizes the only witch she can

trust is Maximillion. Can they work together, or will everything fall apart? Meanwhile, her sisterwitch Sanna is out of her depth in an unfamiliar world of volatile goddesses and buried history. Facing an unwinnable battle against Prana, the ruthless goddess of the sea, Sanna roots through history, only to discover that Prana isn't the only enemy they face. In a world embroiled with war on all fronts, can the sisterwitches do their part to bring peace and freedom to Antebellum? Or will all their best efforts fail in the bigger machinations of goddesses and witches? FREEDOM is the final book in the Dragonmaster trilogy. This sweeping YA Fantasy saga will take to a new world, keep you on the edge of your seat, and ask you to answer the most impossible question of all: What is freedom?

Hawk & the Lady - Elizabeth Stevens 2020-07-31

Leah I didn't belong in their world, but I made a good show of pretending I did. Mother and Father expected it. All I wanted to do was get a cosy cottage in the suburbs and live with my million cats. What I got instead was suitor after suitor paraded in front of me and the threat of a looming engagement. So, what else was a girl to do? After bumping into Mrs Fortescue's 'companion' one too many times, I decided he'd do. Mother and Father wanted an engagement? They'd get one. Except I'd be the one having the last laugh because Patrick is the total opposite of what my parents want in a son-in-law - his nickname is Hawk for goodness' sake - and I have no obligations to him in any department. But of course, the best laid plans make fools of us all and it's not long before I want him to hold me accountable only to him in EVERY department. There's just the small problem of him being completely unsuitable and without any inclination to

settle down. If there's one thing I know about men, it's that it takes a remarkable woman to tame them. I know I'm a remarkable woman. I only hope it's not too late for this lady to tame her hawk. Patrick If there's one thing that makes a guy reconsider his womanising ways, it's seeing his best mate and his little sister settle down. If there's another, it's a gorgeous woman in a stunning red dress. But she's a part of a world I can only pretend to fit into and she's a damned lady - elegant and sophisticated - and she's totally off-limits to a grunt like me. Every time we meet, there's a look in her eyes that suggests she's far less sophisticated than she'd have me believe. And it's not long before this hawk is close to begging to relinquish his freedom, even just for one night. So, how could I say no when she needed my help? I was expertly qualified to serve, and if I got to be myself for once that was just icing. But the more time I spend with her, the more I want to be around

her. The more it feels less like a job and more like something real. There's just the small problem of her being an heiress with obligations that don't include me and the job will only last so long. I don't know a lot about ladies, despite my remarkable ability to play a part. All I know is there's always more underneath the mask, and there's only one lady who can tame this hawk.

Missed Her (Large Print

16pt) - Ivan E. Coyote 2010-11

Ivan E. Coyote is a master storyteller and performer; her beautiful, funny stories about growing up queer in the Canadian north and living out loud on Canada's west coast have attracted big audiences whether gay, straight, or otherwise. Missed Her is Ivan's fifth story collection, following 2008's Lambda Literary Award-nominated *The Slow Fix*, 2004's Ferro-Grumley Award-nominated *Loose End*, and 2006's *Bow Grip*, her novel that was named a Stonewall Honor Book by the American Library Association (now in development as a feature

film). In her passionate and humorous new collection, Ivan takes readers on an intimate journey, both literal and figurative, through the experiences of her life: from her year spent in eastern Canada, to her return to the west coast, to travels in between. Whether discussing the politics of being a butch with a pet lapdog, or befriending an effeminate young man at a gay camp, or revisiting a forty-year old heartbreak around her grandmothers kitchen, Ivan traverses love, gender and identity with a wistful, perceptive eye, and a warmth that's as embracing and powerful as Ivan herself. Like a Girl - Lori Degman 2019
Once upon a time, "like a girl" was an insult. Not anymore! In every walk of life, girls are demonstrating their creativity, perseverance, and strength. From civil rights activist Rosa Parks, who stood up for her beliefs by staying seated, to

astronaut Sally Ride, the 24 women profiled here took risks, broke barriers, and transformed the world. This tribute to girl power will inspire young women everywhere.

EVELINA - David Gomadza
A suspenseful romantic action-packed thriller. A gorgeous young lady turned Most Wanted. A romantic trip and a love to die for. A hidden secret. An evil brutal regime practicing a cult they believe existed even before God created the world. Until the regime is stopped life is on the line. A must read. ABOUT THE SERIES EVELINA A secret cult that existed even before this world was created is still at the center of murder a thousand years later.

very own Superhero of Love who knows that the source of love is not outside but right inside each and every one of us. Superhero of Love offers the nuts and bolts to heal your broken heart and to break old patterns but also offers a path for transformation and possibility. It goes beyond healing toward the ultimate possibility of making everything - including love - work better. This book helps clear the decks by shedding light on the shadow-filled, broken pieces of the reader's heart to bring them to an even stronger, healthier, more powerful place. The author shares her personal experience of going through a painful breakup and presents a five-part superhero method for recovery. Readers will develop and hone their powers of Super Sight, Super Hearing, Super Humility, Super Self-Love, and Super Alignment to build their connection to their own hearts, the ultimate source of love in their lives.

In the Name of Love - Aharon Ben-Ze'ev 2008

"A major case study of the book concerns men who have murdered their wives or partners allegedly 'out of love'. It is estimated that over 30% of all female murder victims in the United States die at the hands of a former or present spouse or partner. How can murdering a loved one be associated with the assumed moral and altruistic love? Not only is love intrinsically ambivalent, but it can also give rise to dangerous consequences. Some of the worst evils have been committed in the name of love."--BOOK JACKET.

I'll Be Home for Christmas -

Iris Morland 2017-12-20

It's Christmas time, and the entire Thornton clan is spending the holidays in a cabin deep in the Washington woods. What could go wrong with twelve adults, four kids, and a dog all staying together in one big cabin? Only the most chaotic—and memorable—Christmas ever! Expect kisses under the

mistletoe, lots of (spiked) eggnog, and even a surprise wedding as the Thornton clan celebrates the most romantic holiday of all. Author's Note: I'll Be Home for Christmas is set six months after the last book, Till There Was You, ends. It's recommended that you read the other books first, as this novella is an epilogue to the entire series. Merry Christmas and happy reading!

The Guyde - Howie Reith
2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of

attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III

When Should You Tell Her You Love Her

will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't

understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

[The Five Love Languages](#) - Gary Chapman 2009-12-17 Marriage should be based on love, right? But does it seem as though you and your spouse are speaking two different languages? #1 New York Times bestselling author Dr. Gary Chapman guides couples in identifying, understanding, and speaking their spouse's primary love language-quality time, words of affirmation, gifts, acts of service, or physical touch. By learning the five love languages, you and your spouse will discover your unique love languages and learn practical steps in truly loving each other. Chapters are categorized by love language for easy reference, and each one ends with simple steps to express a specific language to your spouse and guide your marriage in the right direction. A newly designed love

When Should You Tell Her You Love Her

languages assessment will help you understand and strengthen your relationship. You can build a lasting, loving marriage together. Gary Chapman hosts a nationally syndicated daily radio program called A Love Language Minute that can be heard on more than 150 radio stations as well as the weekly syndicated program Building Relationships with Gary

Chapman, which can both be heard on fivelovelanguages.com. The Five Love Languages is a consistent New York Times bestseller - with over 5 million copies sold and translated into 38 languages. This book is a sales phenomenon, with each year outselling the prior for 16 years running!
