*A ROOM OF ONE'S OWN* - Virginia Woolf  
2017-12-06

First published on 24 October 1929, the essay was based on a series of lectures she delivered at Newnham College and Girton College, two women's colleges at Cambridge University in October 1928. While this extended essay in fact employs a fictional narrator and narrative to explore women both as writers of and characters in fiction, the manuscript for the delivery of the series of lectures, titled "Women and Fiction", and hence the essay, are considered non-fiction. The essay is generally seen as a feminist text, and is noted in its argument for both a literal and figural space for women writers within a literary tradition dominated by patriarchy. Virginia Woolf was one of the greatest authors of the twentieth century, transformed the art of fiction. The author of numerous novels and short stories, she was also an acknowledged master of the essay form, and an admired literary critic. Adeline Virginia Woolf (1882-1941) was an English writer who is considered one of the foremost modernists of the twentieth century and a pioneer in the use of stream of consciousness as a narrative device.

Find the Perfect Woman's Quotations for All Occasions - Spicing Up Letters, Speeches, and Everyday Conversations. - Violet Combs 2016-02-17

This book is the outcome of an idea, and the idea is very simple. It is that the best way to understand the dramatic transformation any idea can bring and to successfully bring ideas across, is to think of them as profound insights and moments of clarity often disguised as wit, captured in one single Quote. Ideas and products and messages and behaviors spread faster when they carry your message in a single line or paragraph: a Quote. To feel the impact a Quote can have, here are three Woman's Quotes from this book: 'A woman's mind is cleaner than a man's: She changes it more often. - Oliver Herford' 'Ask a woman's advice, and whatever she advises, Do the very reverse and you're sure to be wise. - Thomas Moore' 'Men always want to be a woman's first love - women like to be a man's last romance. - Oscar Wilde' Three characteristics-one, contagiousness; two, the fact that little words can have big effects; and three, that insight happens not gradually but at one dramatic moment, using the right profound words-are the same three principles that define how an idea takes off, or a product goes viral. Of the three, the third, profound, trait... is the most important, because it is the principle that makes sense of the first two and that permits the greatest insight into why some ideas stick, some changes last, some words leave an impression, and others don't. This book will give you the opportunity to find that right Quote that can change it all.

Three Women - Lisa Taddeo 2020-11-12

The International No. 1 Bestseller 'Cuts to the heart of who we are' Sunday Times 'A book that

begs discussion' Vanity Fair All Lina wanted was to be desired. How did she end up in a marriage with two children and a husband who wouldn't touch her? All Maggie wanted was to be understood. How did she end up in a relationship with her teacher and then in court, a hated pariah in her small town? All Sloane wanted was to be admired. How did she end up a sexual object of men, including her husband, who liked to watch her have sex with other men and women? 'I will probably re-read it every year of my life' Caitlin Moran 'Will have millions nodding in recognition' The Times 'As gripping as the most gripping thriller' Marian Keyes 'When I picked it up, I felt I'd been waiting half my life to read it' Observer 'The kind of bold, timely, once-in-a-generation book that every house should have a copy of, and probably will before too long' New Statesman The book Phoebe Waller-Bridge, Alexa Chung, Jodie Comer, Reese Witherspoon, Harry Styles, Fearne Cotton, Caitriona Balfe, Gwyneth Paltrow, Sharon Horgan, Zoe Ball, Rosie Huntington-Whiteley, Davina McCall, Gemma Chan, Christine and the Queens and Gillian Anderson are all reading *I Hope They Serve Beer In Hell* - Tucker Max 2012-03-01

The "highly entertaining and thoroughly reprehensible" #1 New York Times bestseller—now with sixteen pages of photos and a new introduction (The New York Times). My name is Tucker Max, and I am an asshole. But, I do contribute to humanity in one very important way: I share my adventures with the world. --from the Introduction Actual reader feedback: "I find it truly appalling that there are people in the world like you. You are a disgusting, vile, repulsive, repugnant, foul creature. Because of you, I don't believe in God anymore. No just God would allow someone like you to exist." "I'll stay with God as my lord, but you are my savior. I just finished reading your brilliant stories, and I laughed so hard I almost vomited. I want to bring that kind of joy to people. You're an artist of the highest

order and a true humanitarian to boot. I'm in both shock and awe at how much I want to be you."
