

# Age Of Consent Young People Sexuality And Citizenship

[Desire and Consent in Representations of Adolescent Sexuality with Adults](#) Maureen Turim 2023-09-29 This book presents an innovative comparative view of how the issue of adolescent sexuality and consent is differently treated in various media. Analyzing teenage sexual encounters with adults across a variety of media, including films, television, novels, and podcasts, the volume takes a positive stance on the expression of teenage sexuality, while remaining sensitive to the power of adults to abuse and manipulate. The anthology treats these representations as negotiations between conflicting forces: desire, sexual self-knowledge, unequal power, and the law, the latter both actual legal statutes and internalized law in the philosophical and psychoanalytic sense. Questions of unequal power inherent in such relations are theorized. The authors examine variations of this configuration of sexual relations between teenagers and adults from different perspectives, to consider how various forms of expression rework it formally. These essays are attuned to both nuances of presentation and contexts of reception, and they consider how aesthetics play a role.

Contributing to the general debate about the ways that societies construct and regulate adolescent sexuality, this book will be of great interest to scholars and students of media studies, cultural studies, film studies, television studies, sociology, and gender studies

**Soviet Medicine** Frances Lee Bernstein 2010-11-01 Thanks to the opening of archives and the forging of exchanges between Russian and Western scholars interested in the history of medicine, it is now possible to write new forms of social and political history in the Soviet medical field. Using the lenses of critical social histories of healthcare and medical science, and looking at both new material from Russian archives and interviews with those who experienced the Soviet health system, the contributors to this volume explore the ways experts and the Soviet state radically reshaped medical provision after the Revolution of 1917. *Soviet Medicine* presents the work of an international group of leading scholars. Twelve essays—treating subjects that span the 74-year history of the Soviet Union—cover such diverse topics as how epidemiologists handled plague on the Soviet borderlands in the revolutionary era, how venereologists fighting sexually transmitted disease struggled to preserve the patient's right to secrecy, and how Soviet forensic experts falsified the evidence of the Katyn Forest massacre of 1940. This important volume demonstrates the crucial role played by medical science, practice, and culture in the shaping of a modern Soviet Union and illustrates how the study of Soviet medical history can benefit historians of medicine, science, the Soviet Union, and social and gender historians.

**Men Getting Married in England, 1918-60** Neil Penlington 2023-03-31 Starting after the Great War, this book charts the rise of the ritualistic engagement, the modern white wedding and the more widely available honeymoon holiday, to show changes and continuities in English masculinity by considering power relations between men and women. Through a close reading of a range of sources (including first-person testimonies, newspapers and etiquette manuals), power relations between bride and groom, and between different generations, are revealed in the context of social class and the rise of consumerism.

*Legal Perspectives on State Power* Chris Ashford 2016-12-14 The issue of consent and criminal law commonly focuses on consent in sports, sexual activity, and medical treatment. The notion of consent and the influence of state control in this context, however, are pervasive throughout the criminal justice process from the pre-trial stage to rehabilitation. This edited collection charts an important and original pathway to understanding these important issues, pre-, during, and post-trial, from a range of perspectives, including doctrinal, socio-legal, intersectional, medico-legal, feminist, critical legal, and queer theoretical viewpoints. The collection addresses the complex inter-relationship between consent and state control in relation to private authorisation and public censure; sexual behaviour; the age of consent; queering consent; Pro-LGBTI Refugee cases; rape by fraud;

male rape; undercover policing; prisons and consent; compulsory treatment for sex offenders; sex offenders with high functioning autism and the suitability of sex offender treatment programmes; and, the criminalisation of HIV transmission. This multi-disciplinary approach draws together a variety of experts from legal and medical academia and practice in order to confront the issues raised by these subjects, which are likely to remain controversial and in need of reform for years to come.

**Exploring Sexuality in Schools** Dorottya Rédei 2019-07-10 This book explores the place of sexuality in a Hungarian vocational school. Building upon ethnographic research using a post-structuralist and intersectional theoretical framework, the author highlights the voices of teachers and students in their everyday environment and gives them the opportunity to speak about themselves and their experiences: in doing so, addressing a significant gap in the market. The author critically discusses key issues concerning schooling and sexuality, addressing such themes as LGBTQ+ youth and teachers, institutional hierarchy, and the role of sexuality in the re/production of social inequalities through education. Through these topics, she sensitively questions what should be expected of schools in preparing their students for the wider world. The intersectional approach employed by the author will appeal to scholars in a wide variety of disciplines, from gender and sexuality studies to the sociology of education and race and ethnicity studies.

*Public Nudity and the Rhetoric of the Body* Brett Lunceford 2018-12-15 Public Nudity and the Rhetoric of the Body examines instances of public nudity where sexuality is at the forefront of public body display. It presents case studies that raise discussions about identity, self-determination, and sexuality, and illustrate the complicated rhetorical nature of the human body in the public sphere.

**Educating the Gendered Citizen** Madeleine Arnot 2008-09-29 Globalisation and global human rights are the two major forces in the twenty-first century which are likely to shape the sort of learner citizen created by the educational system. Schools will be expected to prepare young men and women for national as well as global citizenship. Male and female citizens will need to adapt to new social conditions, only some of which will encourage gender equality. This book offers a unique introduction to the contribution that sociological research on the education of the citizen can make to these national and global debates. It brings together for the first time a selection of influential new and previously published papers by Madeleine Arnot on the theme of gender, education and citizenship. It describes feminist challenges to liberal democracy, the gendered construction of the 'good citizen' and citizenship education; it explores the implications of social change for the learner citizen and offers alternative gender-sensitive models of global citizenship education. Reaching right to the heart of current debates, the chapters focus on: feminist democratic values in education teachers' constructions of the gendered citizen European languages of citizenship the inclusion of women's rights into English citizenship textbooks gender struggles for equality in school pedagogy and curriculum the implications of personalised learning for the individualised learner citizen globalisation and the construction of a global ethic for citizenship education . It will be an invaluable text for all those interested in citizenship education, gender studies, sociology of education, educational policy studies, critical pedagogy and curriculum studies and international or comparative education.

**Children as 'Risk'** Anne-Marie McAlinden 2018-10-04 Examines the social, legal and cultural challenges navigating the boundaries of 'normal'- 'problematic'- 'risky' sexual behaviours among peers.

**An Echo of Silence** Kameel Ahmady *An Echo of Silence A Comprehensive Research Study on Early Child Marriage (ECM) in Iran* Kameel Ahmady Whilst working on the issue of female genital mutilation in Iran "In the Name of Tradition", in this book, Kameel Ahmady, also brought a focus to the early marriage of children and high rates of this harmful phenomenon in Iran. He conducted a two-year study on child marriage in the seven provinces of Khorasan Razavi, East Azerbaijan, Khuzestan, Sistan and Baluchistan, West Azerbaijan, Hormozgan and Isfahan, drawing on official

country statistics. The results of this research have been published in Farsi, Kurdish and English languages. According to the religious structure of Iran, maturity for girls begins with the first monthly menstruation, considered as the threshold of transition from childhood to adulthood which happens around age of 9. This physical and biological threshold means being able to marry, regardless of the actual age and ability to govern your marital life. Although early marriage applies to both young girls and boys, in fact the bitter reality of the society indicates that the consequences and effects of the phenomenon of child marriage on girls are far more serious and dangerous. Undoubtedly, social investment in girls, expanding their social and economic capital and ensuring their access to education and health services is a clear driver towards gender equality to provide for stronger communities; but child marriage does the contrary. A lack of independent and credible studies on child marriage in Iran, means there is little information and data, but according to the legal adviser of the Iranian Judiciary, the official and state statistics suggest that between 500 to 600 thousand children per year Iran are getting married - and these are only the statistics for marriages that officially registered, without including those outside the formal marriage process. Now, there are around 14,000 child widows in the country, and according to estimates from the United Nations 17 percent of all marriages in Iran are under the age of 18. Further, some men who have more than one spouse in Iran do not register their child marriages, and hide them. This comprehensive research first attempts to analyse the prevalence of child marriage in Iran with an emphasis on socio-cultural factors that reflect the profound and deep-rooted inequalities which have contributed to the persistence of child marriage in Iran. The scientific reason for doing this research is to explain the evidence and prevalence of this traumatic practice in Iran and to assist government decision makers in focusing on the immediate protection of these children's human rights. This book, as an effort to expose and deepen understandings of the issue of child marriage in Iran, has attracted the attention of civil activists, government policymakers and some parliamentary representatives and MPs. It has provided the background to proposals for raising the minimum age for child marriage, amending Article 1041 of the Civil Code. This proposal was approved by the House of Representatives in an emergency and with a majority of votes, but unanimously rejected by the Majlis Legal and Judicial Commission. As the only fieldwork study these research findings were predicated on producing civil society advocacy and the need for parliament to amend the law. In the community level the research has raised a wave of public awareness leading to a serious civil society demand for a ban on child marriage and raising the age of marriage from 13 to 16 for girls and from 15 to 18 for boys. #early\_child\_marriage #child\_marriage\_in\_Islam #age\_of\_marriage\_in\_Iran #cohabitation\_in\_Iran #white\_marriage #white\_marriage\_in\_Iran #female\_gentle\_mutilation\_or\_cutting #female\_gentle\_mutilation\_in\_iran #female\_gentle\_cutting\_in\_iran #FGM\_in\_Iran #Human\_rights\_in\_Iran #feminization\_and\_poverty\_in\_Iran #divorce\_rates\_in\_Iran #divorce\_laws\_in\_Iran #marriage\_laws\_in\_Iran #virginity\_in\_Iran

**Investigating Young People's Sexual Cultures** Feona Attwood 2023-04-14 This book examines ways of developing research on young people's sexual cultures in the context of a media-saturated and technology-focused contemporary culture, an area of study that remains relatively unexplored despite heightened concern about young people, sex and culture. Unlike the widespread sensationalist reporting about the 'pornification' of young people's lives and the policy documents which have emerged on 'sexualization', the book foregrounds the need for a critical approach which recognizes the complexity of culture and is able to unpack what is at stake in the construction of particular views and practices. It emphasizes how concerns about 'harm' and 'risk', however well-intentioned, can work against young people's interests and argues that education will only be effective if it engages with young people and is based on a commitment to young people's rights and to the broader notion of sexual rights. Drawing together key researchers in the area the book examines health policy, sex and relationships education, sex abuse therapy, television production, sport, internet use, and the production and consumption of commercial goods and media. This book will be of interest to the many academics and groups who are concerned with young people's sexual cultures and their place within society. This book was originally published as a special issue of

Sex Education.

**Youth Citizenship and the Politics of Belonging** Sharlene Swartz 2014-10-20 Around the world today, young people are being called upon to develop civic competence and carry the burden of forging a political future in the midst of impoverishment, exclusion and inequality. In societies that have experienced civil war, military occupation, mass immigration of displaced people or social conflict, the conditions under which young people attempt to build their citizenship are not well understood. *Youth Citizenship and the Politics of Belonging* contributes to the field of youth citizenship studies by purposively exploring the experiences of young adults in the context of the formation of nationhood and global citizenship. It explores, from the perspective of various countries, the role of social context and schooling in creating young citizens. This collection offers a unique opportunity to hear the voices of young people themselves who, as 'learner citizens' within educational institutions, poor communities and refugee camps, amongst other settings, expose the tensions between social inclusion and marginalization. The book considers young people's contemporary social movements, their activism and their sense of belonging. It looks at understandings of national, political and religious identities, youth rights, and various forms of state, community and sexual violence as well as strategic coping strategies, their reinterpretations of civic messages, and the ways in which anger, resistance and disengagement put youth in a difficult position. This book was originally published as a special issue of *Comparative Education*.

*Sexual Citizenship* David Evans 2013-01-11 This enthralling and provocative book provides a new grounding for the understanding of sexual rights. It argues that all varieties of sexuality under capitalism are materially constructed out of the complex interrelationship between the market and the state. The examples of different sexual rights and lack of rights that it examines include the experience of male homosexuals, bisexuals, transvestites, transsexualists and children. Meticulous, focused and challenging, it will be required reading for anyone interested in modern human sexualities.

**The Germ of Justice** Leslie Green 2023-07-05 General jurisprudence is the theory of law in general, identifying features that law has wherever and whenever legal institutions exist. But it is no hermetic inquiry. Law depends on, and has consequences for, politics and morality. In *The Germ of Justice*, one of the subject's prominent exponents disentangles these relationships. Professor Leslie Green probes three clusters of problems: the nature of law as a social construction, the relations between law and morality, and the demands that law makes of its officers and its subjects. Along the way, Green asks what jurisprudence can learn from the social sciences, how it is related to the humanities, how it might make progress, and why it is of value. This wonderful and accessible text engages leading theories of law and key works of Hume, Kelsen, Hart, Dworkin, Finnis, and Raz. *The Germ of Justice* is a must-have work in contemporary jurisprudence and a powerful contribution to political theory and moral philosophy.

**Age of Consent** Olivia Ferguson 2010 In the United States, each state determines the age at which a person can legally have sex. Age of Consent laws exist to prevent exploitation of young people, but these policies often spark debate because of their breadth and ambiguity. Many people may wonder if these policies are too protective in some cases and too punitive in others. This book offers a variety of perspectives on the effectiveness and impact of age of consent laws, allowing readers to gain an insight into a broad and challenging dialogue. The question of individual maturity in respect to consensual sex, the impact of Sarah's law on the rights of parents and children, and the criminal labeling of sexually active teens are just a few topics of discussion in this comprehensive anthology.

Good Sexual Citizenship Ellen Friedrichs 2019-09-24 Most of us want to be decent people in the world. Yet when it comes to sex, we so often stumble and contribute to sexual injustice. Think about it: are we really still blaming victims of sexual assaults? Can it truly be that there is a gender based orgasm gap? Are we actually labeling people based on the kind of sex they do or don't have? Why do we insist on questioning if sex is consensual when someone's passed out drunk? Our society is undergoing an evolution, and we should take this as a call to action to ensure that all people,

regardless of gender identity, sexual orientation, ability, age, ethnicity, race, religion, or social class, are treated as humans worthy of respect. Good Sexual Citizenship asks us all to break down sexual hostility and build up something better. To promote understanding and empathy, Friedrichs includes a factual and historical backdrop covering gender disparities, women's rights, sexual violence, prevention, and sex education, and challenges readers to use this insight, along with guided exercises, to examine their own potential for "good sexual citizenship." Covering topics like consent, sexual assault, pleasure, double standards, casual sex, hook-up culture, and teen sex, she provides us with tools to navigate societal messages, sexually hostile climates, stereotypes, and outdated mentalities.

The Languages of Sexuality Jeffrey Weeks 2011-08-26 Words, Freud once wrote, are magic. Nowhere have words been more magical than in the writing of sexuality. Through words and concepts we learn what is good or bad, pleasurable or painful, significant and insignificant. The terms we use about sexuality do not simply describe something out there. They help shape what sexuality is. The Languages of Sexuality offers concise and incisive essays on key words and concepts which have played a significant role in shaping our understanding of contemporary sexualities and intimacies. Nearly a hundred essays illuminate the terms related to sexuality in fresh, and often unexpected ways, with entries ranging from 'abjection' and 'abortion' to 'transgender' and 'Viagra'. Written with clarity, insight and passion by an internationally renowned theorist of sexuality, this book is not only an invaluable handbook, but also a personal exploration of the fluid, shifting, ever evolving meanings of sexual life as reflected and refracted through words and concepts. This book is an invaluable resource for both students and researchers with interests relating to sexuality and intimate life, gender studies, cultural studies, history and sociology. It will also appeal to a wider audience interested in critical debates about the nature and meanings of contemporary sexualities.

*Sexual Politics* Stephen Brooke 2011-11-24 Explores the complex relationship between sexuality and socialist politics in Britain, arguing that sexuality has been a key, though often neglected aspect of party politics in the last century and a half. It also explores the relationship between the personal and the political in a wide-ranging study of British society.

**Sex, Power and Consent** Anastasia Powell 2010-07-29 Sex, Power and Consent: Youth Culture and the Unwritten Rules draws on the real world stories and experiences of young women and young men - as told in their own words - regarding love, sex, relationships and negotiating consent. Judicious reference to feminist and sociological theory underpins explicit connections between young people's lived experience and current international debates. Issues surrounding youth sex within popular culture, sexuality education and sexual violence prevention are thoroughly explored. In a clear, incisive and eminently readable manner, Anastasia Powell develops a compelling framework for understanding the 'unwritten rules' and the gendered power relations in which sexual negotiations take place. Ultimately Sex, Power and Consent provides practical strategies for young people, and those working with them, toward the prevention of sexual violence.

**Sociology and Human Rights: New Engagements** Patricia Hynes 2014-02-25 Sociology and Human Rights: New Engagements is the first collection to focus on the contribution sociological approaches can make to analysis of human rights. Taking forward the sociology of human rights which emerged from the 1990s, it presents innovative analyses of global human rights struggles by new and established authors. The collection includes a range of new work addressing issues such as genocide in relation to indigenous peoples, rights-based approaches in development work, trafficking of children, and children's rights in relation to political struggles for the decriminalisation of same-sex sexual activity in India. It examines contexts ranging from Rwanda and South Korea to Northern Ireland and the city of Barcelona. The collection as a whole will be of interest to students and academics working in various disciplines such as politics, law and social policy, and to practitioners working on human rights for various governmental and non-governmental organisations, as well as to sociologists seeking to develop understanding of the sociology of human

rights. This book was published as a special issue of the International Journal of Human Rights.

**The Lesbian and Gay Movement and the State** David Paternotte 2016-03-03 By analyzing the relationship between lesbian and gay movements and the state, this ground-breaking book addresses two interconnected issues: to what extent is the lesbian and gay movement influenced by the state and, to a lesser extent, whether the lesbian and gay movement has somehow influenced the state, for instance by altering forms of sexual regulation. Given the diversity in national trajectories, this book covers fifteen countries. This enables the volume to shed light on different kinds of relationships between these groups and the state, as well as on the way they have evolved in recent decades. *The Lesbian and Gay Movement and the State: Comparative Insights into a Transformed Relationship* fills an important gap in the literature on lesbian and gay activism. However, this book also provides important and innovative insights into broader issues in international political science, public policy and comparative politics, as well as issues in social movement studies. These include the role of the state in constructing citizen identities, the heteronormative way in which many traditional citizen entitlements and benefits were constructed, state - civil society relations, judicial activism, the impact of federalism, and the increasing globalization of sexual identities.

**Sexual Citizenship** David Trevor Evans 1993 This provocative book provides a new grounding for the understanding of sexual rights. It examines the ways in which sexuality is constructed, with reference to the rights and lack of rights of homosexuals, transvestites, children and others.

**Sex, Crime and Morality** Sharon Hayes 2012 Within modern democratic nations, there are a specific group of offences which bear the brunt of the label 'crimes against morality'. These include offences related to prostitution and pornography, homosexuality, incest, and child sexual abuse. This book examines the historical, anthropological and moral reasons for such differentiations in contemporary western culture.

**The Age of Consent** Kate Dow 2019-06 This book challenges received mainstream and scholarly ideas about how and why child abuse occurs and offers fresh ideas about understanding how we can enhance young people's agency and can make a difference to their lives by ensuring they have an opportunity to grow up developing their own voices and identities, free from adult coercion. The purpose of this edited collection is to bring interdisciplinary research around the high profile subject of child sexual abuse and look closely at why public concern and awareness is often diverted away from the real issues at stake. It challenges the notion that 'sexting' and online pornography are playing a key role in grooming young people for abuse. It also looks empirically at the evidence for the cycle-of abuse theory, why young people so often fail to speak out and the role that legal and media discourses play in framing the way we understand child sexual abuse.

*Sexual Offences* Samantha Pegg 2016-03-10 *Sexual Offences: Law and Context* presents the substantive law governing sexual offending in England and Wales in its socio-legal and historical context. It outlines the complexities of the Sexual Offences Act 2003, associated pieces of legislation and the common law offences in a clear, linear narrative. The book highlights and discusses key themes in the contemporary law including rape and consent, sexual offences against children, abuse of people with mental disorders, pornography offences, and prostitution. It offers a critical discussion of challenges for the law and potential ways forward for the future. Designed to be a comprehensive overview, *Sexual Offences: Law and Context* will be an invaluable resource for students of law and criminology taking courses on sexual offences or pursuing research in this area.

**Making the Modern Criminal Law** Lindsay Farmer 2016-01-21 The Criminalization series arose from an interdisciplinary investigation into criminalization, focussing on the principles that might guide decisions about what kinds of conduct should be criminalized, and the forms that criminalization should take. Developing a normative theory of criminalization, the series tackles the key questions at the heart of the issue: what principles and goals should guide legislators in deciding what to criminalize? How should criminal wrongs be classified and differentiated? How should law enforcement officials apply the law's specifications of offences? This, the fifth book in the series, offers a historical and conceptual

account of the development of the modern criminal law in England and as it has spread to common law jurisdictions around the world. The book offers a historical perspective on the development of theories of criminalization. It shows how the emergence of theories of criminalization is inextricably linked to modern understandings of the criminal law as a conceptually distinct body of rules, and how this in turn has been shaped by the changing functions of criminal law as an instrument of government in the modern state. The book is structured in two main parts. The first traces the development of the modern law as a distinct, and conceptually distinct body of rules, looking in particular at ideas of jurisdiction, codification and responsibility. The second part then engages in detailed analysis of specific areas of criminal law, focusing on patterns of criminalization in relation to property, the person, and sexual conduct.

*Mapping LGBTQ Spaces and Places* Marianne Blidon 2022-07-11 This book addresses LGBTQ issues in relation to among others law and policy, mobility and migration, children and family, social well-being and identity, visible and invisible landscapes, teaching and instruction, parades, arts and cartography and mapping. A variety of research methods are used to explore identities, communities, networks and landscapes, all which can be used in subsequent research and classroom instruction and disciplinary and interdisciplinary levels. This extensive book stimulates future pioneering research ventures in rural and urban settings about existing and proposed LGBTQ policies, individual and group mapping, visible and invisible spaces, and the construction of public and private spaces. Through the methodologies and rich bibliographies, this book provides a rich source for future comparative research of scholars working in social work, NGOs and public policy, and community networking and development.

*Out in Psychology* Victoria Clarke 2007-04-04 There has been a recent explosion of interest in Lesbian, Gay, Bisexual and Trans Perspective Psychology amongst students and academics, and this interest is predicted to continue to rise. Recent media debates on subjects such as same-sex marriage have fuelled interest in LGBTQ perspectives. This edited collection showcases the latest thinking in LGBTQ psychology. The book has 21 chapters covering subjects such as same sex parenting, outing, young LGBTQ people, sport, learning disabilities, lesbian and gay identities etc. The book has an international focus, with contributors from UK, US, Canada, Australia and New Zealand

**Negotiating Childhoods** 2020-05-18 *Negotiating Childhoods* engages in problematic positioning of the child within society by bringing childhood into the centre of our ontological and epistemological investigations. These essays offer a multidisciplinary approach and explore the ways in which such issues impact on our conceptualizing of childhood and the lived realities of children.

**Sexualities and Society** Jeffrey Weeks 2003-01-17 This is a selection of recent scholarship on human sexualities, from a range of disciplinary perspectives. Addressing sexualities in global perspective, the volume introduces some of the most exciting texts in the field, bringing together a collection of contemporary research.

**Politics of Sexuality** Terrell Carver 2013-03-07 This book recognises sexuality as a mainstream concept in political analysis and explores issues in the politics of sexuality that are highly salient and controversial today. These include conceptions of citizenship and nationality linked to gender and sexuality, the legislation about the age of consent, prostitution and 'trafficking in women', the international politics of population control, abortion, sexual harassment, and sexuality in the military. The international team of contributors provide a wide range of perspectives in a variety of contexts. On a national level they offer illustrative case studies from the UK, Ireland, the Netherlands, Spain and Israel among others, and on an international plane they cover the European Union, the UN Conference on Population and Development and the role of the Vatican as international arbiter. Moreover, the volume addresses the interaction between political discourse and the work of major theorists such as Weber, Freud, Foucault, Irigaray and Butler.

*Censoring Sex Research* Thomas K Hubbard 2016-06-16 This volume sheds light on one of the most explosive episodes of censure of academic

scholarship in recent decades. Bruce Rind, a former psychology professor at Temple University, investigated sexual relations between male adults and adolescents through history and across cultures, from highly institutionalized relationships in Ancient Greece and Rome, to 33 contemporary cultures including the USA, and among various species. His conclusions that these relations, when consensual, are not always negative was radical, but based in his research findings. Even before publication of an invited article on the topic, he was subjected to intensive attacks, censured, and censored. This book presents a substantially extended version of Rind's original, unpublished article, plus 12 scholarly responses to his work that argue for or against Rind's conclusions or offer useful context on his work. For anyone interested in sex research and the academic freedom issues surrounding it, whether supportive of or vehemently opposed to Rind's ideas, this book is a must-read.

[Sex, Law and the Politics of Age](#) Ishita Pande 2020-07-16 An innovative study of the establishment of 'age' as a political category in late colonial India.

**International technical guidance on sexuality education** UNESCO 2018-01-15

**Why Europe Is Lesbian and Gay Friendly (and Why America Never Will Be)** Angelia R. Wilson 2013-07-09 Offers an analysis of the political economy of care in order to explain how lesbian and gay citizens in Europe benefit from equality more than those in the United States. *Why Europe Is Lesbian and Gay Friendly (and Why America Never Will Be)* examines the differences in politics, policy, and culture in leading Western democracies and offers an explanation as to why lesbian and gay citizens in Europe reap more benefits of equality. This analysis of the political economy of care calls attention to the ways in which care is negotiated by various investors (the state, families, individuals, and the faith-based voluntary sector) and the power dynamics of this negotiation. Historically, Christian churches have been leading primary investors in care, providing a direct safety net for children and the elderly. Despite European secularization, the involvement of the Christian church elites in both the provision of service and the setting of the values frame for welfare cannot be underestimated. The historical involvement of Christian churches is unique in each country, but one common factor is the normative interpretation of "the family." The role of Christian values—from left-leaning social justice, Reformed Protestant individualism, or social conservatism—in relation to the political economy of care gives a distinctive flavor to questions about under what circumstances policymakers are compelled, or not, to expand policies to include lesbian and gay citizens. Angelia R. Wilson is Professor of Politics at the University of Manchester, United Kingdom. She is the author of *Below the Belt: Sexuality, Religion and the American South*.

*Childhood and Sexuality* Allison Moore 2017-10-25 This book explores how children engage with sex and sexuality. Building on a conceptual and legal grounding in sexuality studies and the new sociology of childhood, the authors debate the age of consent, teenage pregnancy, sexual diversity, sexualisation, sex education and sexual literacy, paedophilia, and sex in the digital age. Whilst Moore and Reynolds recognise the necessity of child protection and safeguarding in the context of risk, danger and harm, they also argue that where these stifle children's sexual knowledge, understanding, expression and experience, they contribute to a climate of fear, ignorance and bad experiences or harms. What is necessary is to balance safeguarding with enabling, and encourage judicious understandings that advance from a rigid developmental model to one that recognises pleasure and excitement in children's nascent sexual lives. Exploring that balance through their chosen issues, they seek to encourage changed thinking in professional, personal and academic contexts, and speculate that children might teach adults something about the way they think about sex. *Childhood and Sexuality* will be of interest to students, scholars and professionals across a range of subjects and disciplines including sociology, social work, criminology, and youth studies.

*The SAGE Encyclopedia of Children and Childhood Studies* Daniel Thomas Cook 2020-04-20 This four-volume encyclopedia covers a wide range of themes and topics, including: Social constructions of childhood, Children's rights, Politics/representations/geographies, Child-specific research

methods, Histories of childhood/Transnational childhoods, Sociology/anthropology of childhood theories and Theorists key concepts. This interdisciplinary encyclopedia will be of interest to students and researchers in: Childhood studies, Sociology/Anthropology, Psychology/Education, Social Welfare, Cultural studies/Gender studies/Disability studies.

**Sexual Violence in Australia, 1970s-1980s** Lisa Featherstone 2021-07-28 This book explores sexual violence and crime in Australia in the 1970s and 1980s, a period of intense social and legal change. Driven by the sexual revolutions, second wave feminism, and ideas of the rights of the child, there was a new public interest in the sexual assault of women and children. Sexual abuse was studied, surveyed and discussed more than ever before in Australian society. Yet, despite this, there remained substantial inaction, by government, from community and on the part of individuals. This book examines several difficult questions of our recent history: why did Australia not act more firmly to eradicate rape and child sexual abuse? What prevented our culture from looking seriously at trauma? How did we fail to protect victim-survivors? Rich in social and legal history, this study takes readers into the world of victims of sexual crime, and into the wider community that had to deal with sexual violence. At the core of this book is the question that resonates deeply right now: why does sexual violence appear seemingly insurmountable, despite significant change?

**The Age of Consent** M. Waites 2005-08-10 *The Age of Consent; Young People, Sexuality and Citizenship* addresses the contentious issue of how children's sexual behaviour should be regulated. The text includes: ·A unique history of age of consent laws in the UK, analysed via contemporary social theory ·A global comparative survey of age of consent laws and relevant international human rights law ·A critical analysis of how protectionist agendas shaped new age of consent laws in England and Wales in the Sexual Offences Act 2003 ·In-depth theoretical discussion of the rationale for age of consent laws ·An original proposal to reduce the age of consent to 14 for young people who are less than two years apart in age Responding to contemporary concerns about young people's sexual behaviour, sexual abuse and paedophilia, this book will engage readers in law and socio-legal studies, sociology, history, politics, social policy, youth and childhood studies, and gender and sexuality studies; and professionals and practitioners working with young people.

*Standards for Sexuality Education in Europe : a framework for policy makers, educational and health authorities and specialists* Bundeszentrale für Gesundheitliche Aufklärung 2010

*Sexuality* Jeffrey Weeks 2022-12-30 *Sexuality* is the fifth revised and updated edition of the classic text for understanding human sexuality. This new edition brings the arguments and evidence fully up to date and explores their implication for many topical controversies, around LGBTQ+ rights, the trans experience and gender fluidity, same-sex marriage, sexual autonomy and consent, and the meanings of sexual choice. Since it was first published in the 1980s, *Sexuality* has been at the cutting edge of the study of the social and historical meanings of sexuality. Blending deep empirical knowledge with theoretical sophistication and an acute sensitivity to the politics of sexuality, the book offers an informed framework for understanding the complexities of sexual life. A key insight of the book is that the ways we think and speak about sexuality make a major contribution to the ways we live it. Sexuality may be rooted in biological possibilities, but it is shaped and experienced through languages and meanings which are inevitably historical and social in nature. The book explores with clarity and precision the invention and re-invention of sexual meanings, the question of what constitutes a true sex and the biological and social roots of sexual difference, the challenges of diversity, the re-making of sexuality as a highly divisive political subject and the implications of the transformation of intimate life in the past few generations. These are seen in the context of profound changes that are re-fashioning the world, especially globalisation, cyber-sex, and the rise of new forms of agency, including among women and LGBTQ+ people, which have fed into new claims for sexual human rights. This new edition of *Sexuality* will be an indispensable guide for students in the social sciences with an interest in the ever-changing worlds of sexuality.

# Age Of Consent Young People Sexuality And Citizenship

Age Of Consent Young People Sexuality And Citizenship: In today digital age, eBooks have become a staple for both leisure and learning. This comprehensive guide is designed to empower you in your quest for eBooks. We'll explore various methods of finding Age Of Consent Young People Sexuality And Citizenship online, from legal sources to community-driven platforms. You'll learn how to choose the best eBook format, where to find your favorite titles, and how to ensure that your eBook reading experience is both enjoyable and ethical.

Whether you're new to eBooks or a seasoned digital reader, this Age Of Consent Young People Sexuality And Citizenship eBook has something for everyone. So, let's dive into the exciting world of eBooks and discover how to access a world of literary wonders with ease and convenience.

### **Understanding Age Of Consent Young People Sexuality And Citizenship**

Before you embark on your journey to find Age Of Consent Young People Sexuality And Citizenship online, it's essential to grasp the concept of Age Of Consent Young People Sexuality And Citizenship eBook formats. Age Of Consent Young People Sexuality And Citizenship come in various formats, each with its own unique features and compatibility. Understanding these formats will help you choose the right one for your device and preferences.

### **Different Age Of Consent Young People Sexuality And Citizenship eBook Formats Explained**

#### 1. EPUB (Electronic Publication):

EPUB is one of the most common eBook formats, known for its versatility and compatibility across a wide range of eReaders and devices.

Features include reflowable text, adjustable font sizes, and support for images and multimedia.

EPUB3, an updated version, offers enhanced interactivity and multimedia support.

### 2. MOBI (Mobipocket):

MOBI was originally developed for Mobipocket Reader but is also supported by Amazon Kindle devices.

It features a proprietary format and may have limitations compared to EPUB, such as fewer font options.

### 3. PDF (Portable Document Format):

PDFs are a popular format for eBooks, known for their fixed layout, preserving the book's original design and formatting.

While great for textbooks and graphic-heavy books, PDFs may not be as adaptable to various screen sizes.

### 4. AZW/AZW3 (Amazon Kindle):

These formats are exclusive to Amazon Kindle devices and apps.

AZW3, also known as KF8, is an enhanced version that supports advanced formatting and features.

### 5. HTML (Hypertext Markup Language):

HTML eBooks are essentially web pages formatted for reading.

They offer interactivity, multimedia support, and the ability to access online content, making them suitable for textbooks and reference materials.

### 6. TXT (Plain Text):

Plain text eBooks are the simplest format, containing only unformatted text.

They are highly compatible but lack advanced formatting features.

Choosing the right Age Of Consent Young People Sexuality And Citizenship eBook format is crucial for a seamless reading experience on your device. Here's a quick guide to format compatibility with popular eReaders:

**EPUB:** Compatible with most eReaders, except for some Amazon Kindle devices. Also suitable for reading on smartphones and tablets using dedicated apps.

**MOBI:** Primarily compatible with Amazon Kindle devices and apps.

**PDF:** Readable on almost all devices, but may require zooming and scrolling on smaller screens.

**AZW/AZW3:** Exclusive to Amazon Kindle devices and apps.

**HTML:** Requires a web browser or specialized eBook reader with HTML support.

**TXT:** Universally compatible with nearly all eReaders and devices.

Understanding Age Of Consent Young People Sexuality And Citizenship eBook formats and their compatibility will help you make informed decisions when choosing where and how to access your favorite eBooks. In the next chapters, we'll explore the various sources where you can find Age Of Consent Young People Sexuality And Citizenship eBooks in these formats.

## Age Of Consent Young People Sexuality And Citizenship

## eBook Websites and Repositories

One of the primary ways to find Age Of Consent Young People Sexuality And Citizenship eBooks online is through dedicated eBook websites and repositories. These platforms offer an extensive collection of eBooks spanning various genres, making it easy for readers to discover new titles or access classic literature. In this chapter, we'll explore Age Of Consent Young People Sexuality And Citizenship eBook and discuss important considerations of Age Of Consent Young People Sexuality And Citizenship.

### Popular eBook Websites

#### 1. Project Gutenberg:

Project Gutenberg is a treasure trove of over 60,000 free eBooks, primarily consisting of classic literature.

It offers eBooks in multiple formats, including EPUB, MOBI, and PDF.

All eBooks on Project Gutenberg are in the public domain, making them free to download and read.

#### 2. Open Library:

Open Library provides access to millions of eBooks, both contemporary and classic titles.

Users can borrow eBooks for a limited period, similar to borrowing from a physical library.

It offers a wide range of formats, including EPUB and PDF.

#### 3. Internet Archive:

The Internet Archive hosts a massive digital library, including eBooks,

audio recordings, and more.

It offers an "Open Library" feature with borrowing options for eBooks.

The collection spans various genres and includes historical texts.

#### 4. BookBoon:

BookBoon focuses on educational eBooks, providing free textbooks and learning materials.

It's an excellent resource for students and professionals seeking specialized content.

eBooks are available in PDF format.

#### 5. ManyBooks:

ManyBooks offers a diverse collection of eBooks, including fiction, non-fiction, and self-help titles.

Users can choose from various formats, making it compatible with different eReaders.

The website also features user-generated reviews and ratings.

#### 6. Smashwords:

Smashwords is a platform for independent authors and publishers to distribute their eBooks.

It offers a wide selection of genres and supports multiple eBook formats.

Some eBooks are available for free, while others are for purchase.

## Age Of Consent Young People Sexuality And Citizenship Legal

## Considerations

While these Age Of Consent Young People Sexuality And Citizenship eBook websites provide valuable resources for readers, it's essential to be aware of legal considerations:

**Copyright:** Ensure that you respect copyright laws when downloading and sharing Age Of Consent Young People Sexuality And Citizenship eBooks. Public domain Age Of Consent Young People Sexuality And Citizenship eBooks are generally safe to download and share, but always check the copyright status.

**Terms of Use:** Familiarize yourself with the terms of use and licensing agreements on these websites. Age Of Consent Young People Sexuality And Citizenship eBooks may have specific usage restrictions.

**Support Authors:** Whenever possible, consider purchasing Age Of Consent Young People Sexuality And Citizenship eBooks to support authors and publishers. This helps sustain a vibrant literary ecosystem.

## Public Domain eBooks

Public domain Age Of Consent Young People Sexuality And Citizenship eBooks are those whose copyright has expired, making them freely accessible to the public. Websites like Project Gutenberg specialize in offering public domain Age Of Consent Young People Sexuality And Citizenship eBooks, which can include timeless classics, historical texts, and cultural treasures.

As you explore Age Of Consent Young People Sexuality And Citizenship eBook websites and repositories, you'll encounter a vast array of reading options. In the next chapter, we'll delve into the world of eBook search engines, providing even more ways to discover Age Of Consent Young People Sexuality And Citizenship eBooks online.

## Age Of Consent Young People Sexuality And Citizenship eBook Search

eBook search engines are invaluable tools for avid readers seeking specific titles, genres, or authors. These search engines crawl the web to help you discover Age Of Consent Young People Sexuality And Citizenship across a wide range of platforms. In this chapter, we'll explore how to effectively use eBook search engines and uncover eBooks tailored to your preferences.

### Effective Search Age Of Consent Young People Sexuality And Citizenship

To make the most of eBook search engines, it's essential to use effective search techniques. Here are some tips:

#### 1. Use Precise Keywords:

Be specific with your search terms. Include the book title Age Of Consent Young People Sexuality And Citizenship, author's name, or specific genre for targeted results.

#### 2. Utilize Quotation Marks:

To search Age Of Consent Young People Sexuality And Citizenship for an exact phrase or book title, enclose it in quotation marks. For example, "Age Of Consent Young People Sexuality And Citizenship."

#### 3. Age Of Consent Young People Sexuality And Citizenship Add "eBook" or "PDF":

Enhance your search by including "eBook" or "PDF" along with your keywords. For example, "Age Of Consent Young People Sexuality And Citizenship eBook."

4. Filter by Format:

Many eBook search engines allow you to filter results by format (e.g., EPUB, PDF). Use this feature to find Age Of Consent Young People Sexuality And Citizenship in your preferred format.

5. Explore Advanced Search Options:

Take advantage of advanced search options offered by search engines. These can help narrow down your results by publication date, language, or file type.

Google Books and Beyond

Google Books:

Google Books is a widely used eBook search engine that provides access to millions of eBooks.

You can preview, purchase, or find links to free Age Of Consent Young People Sexuality And Citizenship available elsewhere.

It's an excellent resource for discovering new titles and accessing book previews.

Project Gutenberg Search:

Project Gutenberg offers its search engine, allowing you to explore its extensive collection of free Age Of Consent Young People Sexuality And Citizenship.

You can search by title Age Of Consent Young People Sexuality And Citizenship, author, language, and more.

Internet Archive's eBook Search:

The Internet Archive's eBook search provides access to a vast digital library.

You can search for Age Of Consent Young People Sexuality And Citizenship and borrow them for a specified period.

Library Genesis (LibGen):

Library Genesis is known for hosting an extensive collection of Age Of Consent Young People Sexuality And Citizenship, including academic and scientific texts.

It's a valuable resource for researchers and students.

eBook Search Engines vs. eBook Websites

It's essential to distinguish between eBook search engines and eBook websites:

**Search Engines:** These tools help you discover eBooks across various platforms and websites. They provide links to where you can access the eBooks but may not host the content themselves.

**Websites:** eBook websites host eBooks directly, offering downloadable links. Some websites specialize in specific genres or types of eBooks.

Using eBook search engines allows you to cast a wider net when searching for specific titles Age Of Consent Young People Sexuality And Citizenship or genres. They serve as powerful tools in your quest for the perfect eBook.

**Age Of Consent Young People Sexuality And Citizenship eBook Torrenting and Sharing Sites**

Age Of Consent Young People Sexuality And Citizenship eBook torrenting

and sharing sites have gained popularity for offering a vast selection of eBooks. While these platforms provide access to a wealth of reading material, it's essential to navigate them responsibly and be aware of the potential legal implications. In this chapter, we'll explore Age Of Consent Young People Sexuality And Citizenship eBook torrenting and sharing sites, how they work, and how to use them safely.

Find Age Of Consent Young People Sexuality And Citizenship Torrenting vs. Legal Alternatives

Age Of Consent Young People Sexuality And Citizenship Torrenting Sites:

Age Of Consent Young People Sexuality And Citizenship eBook torrenting sites operate on a peer-to-peer (P2P) file-sharing system, where users upload and download Age Of Consent Young People Sexuality And Citizenship eBooks directly from one another.

While these sites offer Age Of Consent Young People Sexuality And Citizenship eBooks, the legality of downloading copyrighted material from them can be questionable in many regions.

Age Of Consent Young People Sexuality And Citizenship Legal Alternatives:

Some torrenting sites host public domain Age Of Consent Young People Sexuality And Citizenship eBooks or works with open licenses that allow for sharing.

Always prioritize legal alternatives, such as Project Gutenberg, Internet Archive, or Open Library, to ensure you're downloading Age Of Consent Young People Sexuality And Citizenship eBooks legally.

Staying Safe Online to download Age Of Consent Young People Sexuality And Citizenship

When exploring Age Of Consent Young People Sexuality And Citizenship eBook torrenting and sharing sites, it's crucial to prioritize your safety and follow best practices:

1. Use a VPN:

To protect your identity and online activities, consider using a Virtual Private Network (VPN). This helps anonymize your online presence.

2. Verify Age Of Consent Young People Sexuality And Citizenship eBook Sources:

Be cautious when downloading Age Of Consent Young People Sexuality And Citizenship from torrent sites. Verify the source and comments to ensure you're downloading a safe and legitimate eBook.

3. Update Your Antivirus Software:

Ensure your antivirus software is up-to-date to protect your device from potential threats.

4. Prioritize Legal Downloads:

Whenever possible, opt for legal alternatives or public domain eBooks to avoid legal complications.

5. Respect Copyright Laws:

Be aware of copyright laws in your region and only download Age Of Consent Young People Sexuality And Citizenship eBooks that you have the right to access.

Age Of Consent Young People Sexuality And Citizenship eBook Torrenting and Sharing Sites

Here are some popular Age Of Consent Young People Sexuality And

Citizenship eBook torrenting and sharing sites:

1. The Pirate Bay:

The Pirate Bay is one of the most well-known torrent sites, hosting a vast collection of Age Of Consent Young People Sexuality And Citizenship eBooks, including fiction, non-fiction, and more.

2. 1337x:

1337x is a torrent site that provides a variety of eBooks in different genres.

3. Zooqle:

Zooqle offers a wide range of eBooks and is known for its user-friendly

interface.

4. LimeTorrents:

LimeTorrents features a section dedicated to eBooks, making it easy to find and download your desired reading material.

A Note of Caution

While Age Of Consent Young People Sexuality And Citizenship eBook torrenting and sharing sites offer access to a vast library of reading material, it's important to be cautious and use them responsibly. Prioritize legal downloads and protect your online safety. In the next chapter, we'll explore eBook subscription services, which offer legitimate access to Age Of Consent Young People Sexuality And Citizenship eBooks.
