

Almost American Girl

Displacement - Kiku Hughes 2020-08-18

A teenager is pulled back in time to witness her grandmother's experiences in World War II-era Japanese internment camps in *Displacement*, a historical graphic novel from Kiku Hughes. Kiku is on vacation in San Francisco when suddenly she finds herself displaced to the 1940s Japanese-American internment camp that her late grandmother, Ernestina, was forcibly relocated to during World War II. These displacements keep occurring until Kiku finds herself "stuck" back in time. Living alongside her young grandmother and other Japanese-American citizens in internment camps, Kiku gets the education she never received in history class. She witnesses the lives of Japanese-Americans who were denied their civil liberties and suffered greatly, but managed to cultivate community and commit acts of resistance in order to survive. Kiku Hughes weaves a riveting, bittersweet tale that highlights the intergenerational impact and power of memory. [Almost American Girl](#) - Perfection Learning Corporation 2021-02

Science Comics: Cars - Dan Zettwoch 2019-05-28

In Dan Zettwoch's *Science Comics: Cars*, you'll learn where cars came from and how they work. When you pop the hood, what are you looking at? How does gasoline—or electric batteries, or even steam—make a car move? Rev up your motor and take look at the combustible history of the automobile and its explosive effects on our modern lives. Every volume of *Science Comics* offers a complete introduction to a particular topic—dinosaurs, the solar system, robots, and more. Whether you're a fourth grader doing a natural science unit at school or a thirty year old with a secret passion for airplanes, these books are for you!

[The Best of Iggy](#) - Annie Barrows 2020-01-21

From the New York Times bestselling author of *Ivy + Bean* comes a hilarious new series featuring a high-energy, lovable troublemaker.

Meet 9-year-old Iggy Frangi. He's not a bad kid, he's really not. Okay, so he's done a few (a few is anything up to 100) bad things. And okay, he's not very sorry about most of them. People make a big deal about nothing. What's a little pancake here and there? Is that something to get mad about? Iggy doesn't think so. No one got hurt, so there's no problem. No one got hurt except for that one time, that one time when the Best Idea Ever turned into the Worst Idea of All Time. Iggy is sorry he did it. He is really, really, really sorry. "For what?" you might ask. "What did he do?" Well, you'll have to read the book to find out. Things Iggy will NOT do in this book: Be the most polite kid ever. Play the cello. Think before acting. Learn a lesson. Regret his actions. (Most of them, anyway.)

[Page by Paige](#) - Laura Lee Gulledge 2011-09-01

Paige Turner has just moved to New York with her family, and she's having some trouble adjusting to the big city. In the pages of her sketchbook, she tries to make sense of her new life, including trying out her secret identity: artist. As she makes friends and starts to explore the city, she slowly brings her secret identity out into the open, a process that is equal parts terrifying and rewarding. Laura Lee Gulledge crafts stories and panels with images that are thought-provoking, funny, and emotionally resonant. Teens struggling to find their place can see themselves in Paige's honest, heartfelt story. Praise for *Page by Paige* "Gulledge's b&w illustrations are simple but well-suited to their subject matter; the work as a whole is a good-natured, optimistic portrait of a young woman evolving toward adulthood." -Publishers Weekly

Almost American Girl - Robin Ha 2020-01-28

A powerful and moving teen graphic novel memoir about immigration, belonging, and how arts can save a life--perfect for fans of *American Born Chinese* and *Hey, Kiddo*. For as long as she can remember, it's been Robin and her mom against the world. Growing up as the only child of a single mother in Seoul, Korea, wasn't always easy, but it has bonded them fiercely together.

So when a vacation to visit friends in Huntsville, Alabama, unexpectedly becomes a permanent relocation--following her mother's announcement that she's getting married--Robin is devastated. Overnight, her life changes. She is dropped into a new school where she doesn't understand the language and struggles to keep up. She is completely cut off from her friends in Seoul and has no access to her beloved comics. At home, she doesn't fit in with her new stepfamily, and worst of all, she is furious with the one person she is closest to--her mother. Then one day Robin's mother enrolls her in a local comic drawing class, which opens the window to a future Robin could never have imagined.

All American Girl - Meg Cabot 2008-09-04
Sam Madison never knew life could change overnight. But that's exactly what happens when she saves the life of the President of the United States as she's bunking off art class one night. Now an instant (if highly reluctant and very unlikely) celebrity, not to mention teen ambassador to the United Nations, Sam finds herself not only hanging out at the White House, but trying to stop herself falling for David, the President's son . . . All American Girl, by author of The Princess Diaries Meg Cabot, is followed by the sequel Ready or Not.

The Almost Moon - Alice Sebold 2008
Sebold's #1 national bestselling follow-up to "The Lovely Bones" is now available in paperback. "The Almost Moon" is brilliantly paced, it's brutally honest. . . . A haunting, searing novel ("Boston Globe").

No Ivy League - Hazel Newlevant 2019-08-20
"No Ivy League gracefully delivers a messy truth behind the essential process of questioning and reckoning." — Nate Powell, artist of the March trilogy
When 17-year-old Hazel takes a summer job clearing ivy from the forest in Portland, Oregon, the only plan is to earn some extra cash to put toward concert tickets. Homeschooled, affluent, and sheltered, Hazel soon finds that working side by side with at-risk teens leaves no room for comforting illusions of equality and understanding. This uncomfortable and compelling memoir is an important story of a teen's awakening to the racial insularity of the upper class, the power of white privilege, and the hidden history of segregation in Portland.

The Great Gatsby: A Graphic Novel

Adaptation - F. Scott Fitzgerald 2021-02-02
A sumptuously illustrated adaptation casts the powerful imagery of F. Scott Fitzgerald's great American novel in a vivid new format. From the green light across the bay to the billboard with spectacled eyes, F. Scott Fitzgerald's 1925 American masterpiece roars to life in K. Woodman-Maynard's exquisite graphic novel—among the first adaptations of the book in this genre. Painted in lush watercolors, the inventive interpretation emphasizes both the extravagance and mystery of the characters, as well as the fluidity of Nick Carraway's unreliable narration. Excerpts from the original text wend through the illustrations, and imagery and metaphors are taken to literal, and often whimsical, extremes, such as when a beautiful partygoer blooms into an orchid and Daisy Buchanan pushes Gatsby across the sky on a cloud. This faithful yet modern adaptation will appeal to fans with deep knowledge of the classic, while the graphic novel format makes it an ideal teaching tool to engage students. With its timeless critique of class, power, and obsession, The Great Gatsby Graphic Novel captures the energy of an era and the enduring resonance of one of the world's most beloved books.

Kiss Number 8 - Colleen AF Venable 2019-03-12
A 2019 National Book Award for Young People's Literature Longlist Selection A 2019 New York Public Library Best Books for Kids A 2020 Tayshas Reading List Selection A 2020 Maverick Graphic Novel Reading List Selection
Mads is pretty happy with her life. She goes to church with her family, and minor league baseball games with her dad. She goofs off with her best friend Cat, and has thus far managed to avoid getting kissed by Adam, the boy next door. It's everything she hoped high school would be... until all of a sudden, it's not. Her dad is hiding something big—so big it could tear her family apart. And that's just the beginning of her problems: Mads is starting to figure out that she doesn't want to kiss Adam... because the only person she wants to kiss is Cat. Kiss Number 8, a graphic novel from writer Colleen AF Venable and illustrator Ellen T. Crenshaw, is a layered, funny, sharp-edged story of teen sexuality and family secrets.

5 Worlds Book 4: The Amber Anthem - Mark Siegel 2020-05-12

Think Star Wars meets Avatar: The Last Airbender! Kazu Kibuishi (AMULET) says this graphic novel adventure is "a magical journey, as fun as it is beautiful!" In book 4, Oona Lee arrives on Salassandra determined to light the yellow beacon and continue her quest to save the Five Worlds from the evil Mimic's influence. But the beacon is encased in amber! An ancient clue says that Oona and her friends must seek out the Amber Anthem to succeed. Meanwhile, Stan Moon sends an evil Jax robot to assassinate Oona and hunts down An Tzu himself. Turns out, as An Tzu fades away from his Vanishing Illness, he's becoming someone else--someone who could tip the scales in the battle for the Five Worlds!

My Favourite Manson Girl - Alison Umminger 2016-06-07

Perfect for fans of *The Girls*, this is a bittersweet, honest, and widely acclaimed coming-of-age novel that distills honest truths about American girlhood. Anna has had a miserable year. Everything feels wrong with her life. And rather than stay and face the mess, she steals a credit card and books herself a seat on the first flight out of town to Los Angeles, to crash with her sister. But soon after she lands, cold reality soon dawns on her: Hollywood isn't the escape she needs. She is trapped in a town full of lost souls and wannabes, with no friends, no cash and no return ticket. When she's offered a job researching the murderous Manson girls for a dubious film, she reluctantly accepts - she needs the money. But soon enough, among the fake smiles and glitter-fuelled parties, things turn from strange, to dark, to dangerous . . . This is not going to be the summer Anna had in mind. *My Favourite Manson Girl* is a chilling story about being young, lost and female. This is a story about how girls disappear.

Not Your All-American Girl - Wendy Wan-Long Shang 2020-07-07

A multicultural story full of heart and hilarity about what it means to be all-American. Lauren and her best friend, Tara, have always done absolutely everything together. So when they don't have any classes together in sixth grade, it's disastrous. The solution? Trying out for the school play. Lauren, who loves to sing, wonders

if maybe, just maybe, she will be the star instead of Tara this time. But when the show is cast, Lauren lands in the ensemble, while Tara scores the lead role. Their teacher explains: Lauren just doesn't look the part of the all-American girl. What audience would believe that she, half-Jewish, half-Chinese Lauren, was the everygirl star from Pleasant Valley, USA? From amidst the ensemble, Lauren tries to support her best friend. But when she can't bring herself to sing anymore, her spot in the play and her friendship are in jeopardy. With the help of a button-making business, the music of Patsy Cline, and her two bickering grandmothers, can Lauren find her voice again? Acclaimed coauthors Madelyn Rosenberg and Wendy Wan-Long Shang return to the 1980s world of *Sydney Taylor Honor Book This Is Just a Test* with this laugh-out-loud coming-of-age story.

Almost American Girl - Robin Ha 2020-01-28
Harvey Award Nominee, Best Children or Young Adult Book A powerful and moving teen graphic novel memoir about immigration, belonging, and how arts can save a life—perfect for fans of *American Born Chinese* and *Hey, Kiddo*. For as long as she can remember, it's been Robin and her mom against the world. Growing up as the only child of a single mother in Seoul, Korea, wasn't always easy, but it has bonded them fiercely together. So when a vacation to visit friends in Huntsville, Alabama, unexpectedly becomes a permanent relocation—following her mother's announcement that she's getting married—Robin is devastated. Overnight, her life changes. She is dropped into a new school where she doesn't understand the language and struggles to keep up. She is completely cut off from her friends in Seoul and has no access to her beloved comics. At home, she doesn't fit in with her new stepfamily, and worst of all, she is furious with the one person she is closest to—her mother. Then one day Robin's mother enrolls her in a local comic drawing class, which opens the window to a future Robin could never have imagined. This nonfiction graphic novel with four starred reviews is an excellent choice for teens and also accelerated tween readers, both for independent reading and units on immigration, memoirs, and the search for identity.

Cook Korean! - Robin Ha 2016-07-05

Downloaded from
legacy.opendemocracy.net on 2021-03-28
by guest

New York Times bestseller • A charming introduction to the basics of Korean cooking in graphic novel form, with 64 recipes, ingredient profiles, and more, presented through light-hearted comics. Fun to look at and easy to use, this unique combination of cookbook and graphic novel is the ideal introduction to cooking Korean cuisine at home. Robin Ha's colorful and humorous one-to three-page comics fully illustrate the steps and ingredients needed to bring more than sixty traditional (and some not-so-traditional) dishes to life. In these playful but exact recipes, you'll learn how to create everything from easy kimchi (mak kimchi) and soy garlic beef over rice (bulgogi dupbap) to seaweed rice rolls (gimbap) and beyond. Friendly and inviting, *Cook Korean!* is perfect for beginners and seasoned cooks alike. Each chapter includes personal anecdotes and cultural insights from Ha, providing an intimate entry point for those looking to try their hand at this cuisine.

Diary of a Tokyo Teen - Christine Mari Inzer
2016-09-06

A book for comic lovers and Japanophiles of all ages, *Diary of a Tokyo Teen* presents a unique look at modern-day Japan through a young woman's eyes. Born in Tokyo to a Japanese mother and an American father in 1997, Christine Mari Inzer spent her early years in Japan and relocated to the United States in 2003. The summer before she turned sixteen, she returned to Tokyo, making a solo journey to get reacquainted with her birthplace. Through illustrations, photos, and musings, Inzer documented her journey. In *Diary of a Tokyo Teen*, Inzer explores the cutting-edge fashions of Tokyo's trendy Harajuku district, eats the best sushi of her life at the renowned Tsukiji fish market, and hunts down geisha in the ancient city of Kyoto. As she shares the trials and pleasures of travel from one end of a trip to the other, Inzer introduces the host of interesting characters she meets and offers a unique—and often hilarious—look at a fascinating country and an engaging tale of one girl rediscovering her roots. **Listed as a 2016 Great Graphic Novel for Teens by the Young Adult Library Services Association**

Shoplifter - Michael Cho 2014-09-02
Corrina Park used to have big plans. Studying English literature in college, she imagined writing a successful novel and leading the idealized life of an author. But she's been working at the same advertising agency for the past five years and the only thing she's written is . . . copy. Corrina knows there must be more to life, but and she faces the same question as does everyone in her generation: how to find it? Here is the brilliant debut graphic novel about a young woman's search for happiness and self-fulfillment in the big city. (With two-color illustrations throughout.)
