Hurricane of Love - Dan Wheeler 2018-07-19

Beth and Dan Wheeler had it all. Their growing family consisted of two beautiful daughters, a loving son-in-law, and a handsome grandson. They lived in their dream house on a beautiful, sprawling property. Dan was enjoying a thriving career as a popular television host on QVC. Suddenly in 2012, their world was rocked when Beth was diagnosed with stage IV cancer. Our priorities were turned upside down but ultimately right side up in an instant, Dan writes. For three years, he balanced his career as a cheerful, upbeat television host with caring for his wife as she battled for her life against an aggressive form of cancer. Now, at last, he shares their inspiring story in Hurricane of Love: My Journey with Beth Wheeler. Beths tremendous capacity to love swept through the halls of medical clinics, hospitals, and chemotherapy suites, positively impacting the lives of medical personnel, family, and friends. You will read about the many miracles they encountered along the way, including an angelic appearance and glimpses of heaven. Beths love and her strong faith in the Lord enabled her to face death with grace, dignity, and tremendous courage. This book will calm your fears, strengthen your faith, and inspire your hope. Beth Wheelers love was like a hurricane. It hit everyone in its path. Be prepared to be swept away!

Cuckquean Humiliation - Lacy Ciccone
2019-03-03

Mean Cuckcake: FFM Cuckquean Humiliation
It's my life, and I can't help it that so many marriages are unhappy and easy to infiltrate. Happy Birthday Cuckquean "I'm not doing gifts or dinner this year for your birthday," he said with a cold tone and no smile. "Instead, I'm going to bring my girlfriend over so that you can live your little fantasy that you've been hounding me about." Harem Hierarchy: BDSM Novella
After meeting him a couple of times I realized that he was in high demand and that he was the sole leader of a harem of females. I wanted more than anything else in the world to be apart of his harem, and I was willing to do whatever it took to move up the ranks. My Husband & his Mistress: FFM Cuckquean I did not expect to walk in on my husband with another woman when I got home from work early one day. What surprised me even more was how I felt about it. Cuckquean Loves Humiliation "I must have been amazingly generous and pious in my past life for the world to reward my current existence with such a wealth of women. It has been that way my whole life honestly, but I figured the party would come to an end when I proposed to my wife Lanna. It didn't, and my life actually ended up being filled with more women and opportunity." All characters in these stories are fictional, and are above the age of 18. This book contains elements of BDSM, and everything is consensual between the characters.

Knowing Better - Eunice Belgum 2021-05-27
Originally published in 1990, this book deals with the question of akrasia, weakness of will, or knowing better but doing worse. Versions of this principle are presupposed by Socrates and Plato, articulated as the 'practical syllogism' in Aristotle and play a central role in modern decision theory. The book considers the psychological explanation for this and different responses to the problem. The work is of interest not only as a piece of classical scholarship, action theory and moral psychology, but as a piece of meta-philosophy, and the philosophy about the methodology of philosophical disputes. It has enduring relevance as the problem of akrasia continues to be the object of much philosophical argument.

Chuck's Fantasy - Just Plain Bob 2014-10
Is that why you showered last night? Chuck and Lorrie were high school sweethearts who ended up together and got married. For ten years, they have kept their marriage healthy and taken turns in making each other happy. One night, Chuck comes home late. Lorrie is waiting and eager to make love to him. She notices something strange - Chuck goes straight to the shower right after he gets inside the house. She finds it suspicious and figures out a way for Chuck to spill the beans. Chuck's confession takes their marriage and sex life to a whole new level - one that is rip-roaring, at the same time, a walk on thin ice for their marriage. **Hot Romance Erotica SAMPLE 1: At the party, I made sure that I punched all of Chuck's buttons. I was wearing one of the outfits that he had given me and CFMs with five-inch heels. I danced with anyone who asked and I allowed hands to go where ever they wanted. My ass was squeezed, my pussy was rubbed through my skirt and I just knew I was going to have bruises on my breasts when I got home. I let myself get maneuvered into dark corners, let myself be kissed and even gave some tongue to a couple of

guys. I did all of that with one eye on Chuck to see how he was taking it. He wasn't smiling, but I didn't see anger either so I took it to the next level. When my next dance partner, a tall, handsome black man named Mark, suggested we step outside for some air, I said okay and three minutes later we were swapping tongues. He worked his hand down the inside of my skirt and panties and I rubbed the bulge in his pants with my hand. When his hand reached my pussy I unzipped him and reached inside, grasped his erection and pulled it out to where I could stroke it. I looked down at it and saw that it wasn't all that big, just a bit fatter than Chuck's, but no longer. "Let's go to my car," Mark whispered.

Tonight With Donny Stixx - Philip Ridley 2017-01-17

It's at times like this I'm inspired by The Stupendous Santini. He toured the mid-West during the 1930s, entertaining farmers affected by the Dust Bowl. No one would have remembered him were it not for the fact that during his most famous trick - sword swallowing - he accidentally punctured a lung and died on the spot. He became a legend. Donny has committed an act that shocked everyone. Tabloids called him The Most Hated Boy Alive. But Donny doesn't want forgiveness. All Donny wants is . . . his own television show. Written by internationally acclaimed writer Philip Ridley, *Tonight With Donny Stixx* is the companion piece to Ridley's 2013 Fringe First-winner *Dark Vanilla Jungle*, and received its premiere at the

Soho Theatre, London, on 27 July 2015 before premiering at the Edinburgh Festival Fringe.

Montessori Madness - Trevor Eissler 2009

"We know we need to improve our traditional school system, both public and private. But how? More homework? Better-qualified teachers? Longer school days or school years? More testing? More funding? No, no, no, no, and no. *Montessori Madness!* explains why the incremental steps politicians and administrators continue to propose are incremental steps politicians and administrators continue to

propose are incremental steps in the wrong direction. The entire system must be turned on its head. This book ask parents to take a look--one thirty-minute observation--at a Montessori school. Your picture of what educations should look like will never be the same"--Back cover.

Born to Die - Noble David Cook 1998-02-13
The biological mingling of the Old and New Worlds began with the first voyage of Columbus. The exchange was a mixed blessing: it led to the disappearance of entire peoples in the Americas, but it also resulted in the rapid expansion and consequent economic and military hegemony of Europeans. Amerindians had never before experienced the deadly Eurasian sicknesses brought by the foreigners in wave after wave: smallpox, measles, typhus, plague, influenza, malaria, yellow fever. These diseases literally conquered the Americas before the sword could be unsheathed. From 1492 to 1650, from Hudson's Bay in the north to southernmost Tierra del Fuego, disease weakened Amerindian resistance to outside domination. The Black Legend, which attempts to place all of the blame of the injustices of conquest on the Spanish, must be revised in light of the evidence that all Old World peoples carried, though largely unwittingly, the germs of the destruction of American civilization.
