[Catching the Moon](#) - Crystal Hubbard 2005  
If there was anything in the world better than playing baseball, Marcenia Lyle didn't know

what it was. As a young girl in the 1930s, she chased down fly balls and stole bases, and dreamed of one day playing professional ball.

With spirit, spunk, and a great passion for the sport, Marcenia struggled to overcome the objections of family, friends, and coaches, who felt a girl had no place in the field. When she finally won a position in a baseball summer camp sponsored by the St. Louis Cardinals, Marcenia was on her way to catching her dream. Full of warmth and youthful energy, *Catching the Moon* is the story of the girl who grew up to become the first woman to play for an all-male professional baseball team. Readers everywhere will be inspired by her courage to dream and determination to succeed.

**Beautiful Disaster Signed Limited Edition** - Jamie McGuire 2012-11-27

Abby Abernathy is re-inventing herself as the good girl as she begins her freshman year at college, which is why she must resist lean, cut, and tattooed Travis Maddox, a classic bad boy.

*Anybody's Game* - Heather Lang 2022-03

In 1950, Kathryn Johnston wanted to play Little League baseball, but an unwritten "rule" kept girls from trying out. So she cut off her hair and tried out as a boy under the nickname "Tubby." She made the team--and changed Little League forever. This is a story about wanting to do something so badly, you're willing to break the rules, and how breaking those rules can lead to change.

*The Shade of the Moon* - Susan Beth Pfeffer 2013

In this eagerly awaited addition to the dystopian series begun with *New York Times* best-seller *Life As We Knew It*, Jon Evans is one of the lucky ones—until he realizes that escaping his safe haven may be the only way to truly survive.

**How High The Moon** - Karyn Parsons 2019-03-07

Boston was nothing like South Carolina. Up there, colored folks could go anywhere they wanted. Folks didn't wait for church to dress in their fancy clothes. Fancy was just life. Mama was a city girl . . . and now I was going to be one too. It's 1944, and in a small Southern town, eleven-year-old Ella spends her summers running wild with her cousins and friends. But life isn't always so sunny. The deep racial tension that simmers beneath their town's peaceful facade never quite goes away, and Ella misses her mama - a beautiful jazz singer, who lives in Boston. So when an invitation arrives to

come to Boston for a visit Ella is ecstatic - and the trip proves life-changing in more ways than one. For the first time, Ella sees what life outside of segregation is like, and begins to dream of a very different future. But her happiness is shattered when she returns home to the news that her classmate has been arrested for the murder of two white girls - and nothing will ever be the same again. A beautifully written and deeply moving story about finding and fighting for your place in the world.

*Firefly Hollow* - Alison McGhee 2015-08-18

Because their dreams of daring adventures go against the cautious teachings of their nations, *Firefly* and *Cricket* set out on their own, find a home with kindly Vole, and together help a grieving "miniature giant" named Peter.

**Catching the Moon** - Crystal Hubbard 2005

The spirited story of Marcenia Lyle, the African American girl who grew up to become "Toni Stone," the first woman to play for an all-male professional baseball team.

*Players in Pigtails* - Shana Corey 2006-04

"[Corey] has penned an exuberant tribute to the real-life All-American Girls Professional Baseball League.... Setting the story during World War II, Corey introduces baseball-mad Katie Casey.... With all the boys going off to war, Phillip Wrigley, owner of the Chicago Cubs, holds tryouts for girls' teams, and hundreds show up, including Katie.... Gibbon's pictures look straight out of the 1940s, with vintage details and an evocative color palette." - Booklist, starred review

**This Is Falling** - Ginger Scott 101-01-01

First, I had to remember how to breathe. Then, I had to learn how to survive. Two years, three months and sixteen days had passed since I was the Rowe Stanton from before, since tragedy stole my youth and my heart went along with it. When I left for college, I put a thousand miles between my future and my past. I'd made a choice—I was going to cross back to the other side, to live with the living. I just didn't know how. And then I met Nate Preeter. An All-American baseball player, Nate wasn't supposed to notice a ghost-of-a-girl like me. But he did. He shouldn't want to know my name. But he did. And when he learned my secret and saw the scars it left behind, he was supposed to run. But he didn't. My heart was dead, and I was never

supposed to belong to anyone. But Nate Preeter had me feeling, and he made me want to be his. He showed me everything I was missing. And then he showed me how to fall. \*This is a standalone in a three-part series that will focus on different characters. Each book can be read on its own.

**Winners Never Quit!** - Mia Hamm 2004-08-17  
Free Mia Hamm photo inside! Mia loves playing soccer. That is, until she has trouble scoring a goal when her team is about to lose. Before she can lose, she quits. Fed up with her attitude, Mia's brothers and sisters will not let her play with them anymore. Will Mia learn that being a team player is more important than winning or losing the game? This wonderful and motivating story from America's soccer champion shows kids that: Winners Never Quit!

Dreaming - Jill Barnett 1994-05-09

The Earl of Downe has come home to rusticate from this wild ways--spurred by his need to prove his father was right...that he is nothing but a worthless rake. But at a neighboring estate, Letty Hornsby believes dear Richard is her hero, her dream man, her heart's desire! She's been in love with him since childhood, since she was eleven and accidentally knocked him into a river, the first of several such disastrous encounters. Now that the earl's friends have convinced him to leave Town and recuperate from overindulgence (women, alcohol and gambling), Letty is taking advantage of the opportunity and spinning her own plan to save Richard from himself. Richard expects his life to be boring and restful once he's home, but after a chance encounter with the meddlesome Letty and her obnoxious dog, Gus, he discovers there is no rest for the wicked. He soon finds himself captive aboard a smugglers' ship with an adoring young woman who is a walking catastrophe...and her enormous clod of a dog. Never missing a beat, she gets them into one hilarious predicament after another before Richard realizes that she might be the one woman who can save his black soul with a faith in him that is bright enough to burn the shadows from the darkest heart. If he can survive.... Publishers Weekly starred review. "A ray of summer sunshine!" Jill Barnett has concocted another charming tale filled with witty dialog, plenty of humor and a sprinkling of magic.

**Alive and Unharmd** - Crystal Hubbard

2016-03-14

Surviving the truth almost kills them. Living the lie is far worse. Drugged and carried off to a dilapidated homestead in central Missouri, 18-year-old Christopher August Daley III - St. Louis's spoiled, snobby "Billionaire Boy" - finds himself at the mercy of kidnappers greedy for ransom and brutal for sport. Literally caught in the wrong place at the wrong time, Reece Wyndham is abducted along with Christopher. The popular, athletic and pretty teenager has nothing in common with Christopher, who uses his very worst personality traits to keep Reece safe. The traumatic event brings Christopher and Reece closer, but in the aftermath of their rescue, it is Reece's strength and caring that saves Christopher from his living nightmare.

**Moonshot** - Alessandra Torre 2016-07-04

Baseball wasn't supposed to be a game of life and death... The summer that Chase Stern entered my life, I was seventeen. The daughter of a legend, the Yankees were my family, their stadium my home, their dugout my workplace. My focus was on the game. Chase ... he started out as a distraction. A distraction with sex appeal poured into every inch of his six foot frame. A distraction who played like a god and partied like a devil. I tried to stay away. I couldn't. Then, the team started losing. Women started dying. And everything in my perfect world broke apart.

*The House That Jane Built* - Tanya Lee Stone

2015-06-23

This is the story of Jane Addams, the first American woman to receive the Nobel Peace Prize, who transformed a poor neighborhood in Chicago by opening up her house as a community center. This title has Common Core connections.

Me . . . Jane - Patrick McDonnell 2012-03-27

Patrick McDonnell-beloved, bestselling author-artist and creator of the Mutts syndicated comic strip--shares the inspiring story of young Jane Goodall, the legendary and inspiring conservationist featured in the hit documentary film Jane. In his characteristic heartwarming style, Patrick McDonnell tells the story of the young Jane Goodall and her special childhood toy chimpanzee named Jubilee. As the young Jane observes the natural world around her with

wonder, she dreams of "a life living with and helping all animals," until one day she finds that her dream has come true. With anecdotes taken directly from Jane Goodall's autobiography, McDonnell makes this very true story accessible for the very young--and young at heart. One of the world's most inspiring women, Dr. Jane Goodall is a renowned humanitarian, conservationist, animal activist, environmentalist, and United Nations Messenger of Peace. In 1977 she founded the Jane Goodall Institute (JGI), a global nonprofit organization that empowers people to make a difference for all living things.

**A Whole New Ball Game** - Sue Macy  
2013-08-06

Sue Macy presents an engrossing and deeply researched account of women's baseball in *A Whole New Ball Game: The Story of the All-American Girls Professional Baseball League*. "Play ball!" yelled the umpires as the teams of the AAGPBL took the field in the tense, war-torn days of 1943. Like all professional baseball players, these athletes scrambled to their positions, tossed balls across diamonds, and filled the air with chatter. But there was something different about them--they all wore skirts, went to charm school, and continually had to answer one question: "What is a woman doing playing baseball?" What were they doing? Having a great time, playing top-notch ball, and showing that a woman's place was at home only when she was at bat, behind the plate, or scoring a run. For twelve seasons, from 1943 to 1954, some of America's best female athletes earned their livings by playing baseball. This is their story in their own words, a tale of no-hitters and chaperones, stolen bases and practical jokes, home runs and run-ins with fans. Life in the league, however, was not all fun. Born out of a wartime "manpower" shortage, the AAGPBL ended with the growth of television and the ideal of the suburban home. Here, too, is the story of America's changing attitudes toward men and women and the roles we expect each to play. Author Sue Macy spent eleven years tracking down the women of the AAGPBL, interviewing them, and looking at their scrapbooks. Along the way she found that their odyssey did not end with the collapse of the league. The same courage and spunk the players

displayed on the field led them to get back in touch with each other in the 1980s, to remind the world of what they had achieved, and to take their rightful places in the National Baseball Hall of Fame. Balancing the voices of the women of the league with a lively, insightful overview of the changing patterns of American life, *A Whole New Ball Game* is a sports story full of telling insights about who we expect to be at home and how women can get back to first base.

**The Martian Chronicles** - Ray Bradbury  
2012-04-17

The tranquility of Mars is disrupted by humans who want to conquer space, colonize the planet, and escape a doomed Earth.

**Girl Wonder** - Deborah Hopkinson 2013-06-11  
Inspired by the life of pioneering female baseball player Alta Weiss, and dramatized by Terry Widener's bold illustrations, *Girl Wonder* tells the unforgettable story of a true American original. Alta Weiss was born to play baseball, simple as that. From the age of two, when she hurls a corn cob at a pesky tomcat, folks in her small Ohio town know one thing for sure: She may be a girl, but she's got some arm. When she's seventeen, Alta hears about a semipro team, the Independents. Here's her big chance! But one look at Alta's long skirts tells Coach all he needs to know—girls can't play baseball! But faster than you can say "strike out," Alta proves him wrong: Girls can play baseball!

**The Hula-Hoopin' Queen** - Thelma Lynne Godin 2017-09-15

A spunky African American girl has a hula-hooping competition with her friends in Harlem, and soon everyone in the neighborhood--young and old alike--joins in on the fun.

**Dream of the Walled City** - Lisa Huang Fleischman 2011-06-28

Marking the debut of a stunning new literary talent, Lisa Huang Fleischman's extraordinary saga -- inspired by her grandmother's life as an early feminist, political activist, and friend of Mao Zedong -- is a masterpiece about one clever and resourceful woman, growing up amidst the turmoil of twentieth-century China. Born in 1890, the privileged and sheltered daughter of a high-ranking imperial official, Jade Virtue spends her childhood enclosed by the towering walls of her family's sprawling mansion, never glimpsing the desperate struggle of China's ancient

society, as the old ways are challenged and the twentieth century -- fast, fearsome, and tumultuous -- rushes in. But when her father mysteriously dies, young Jade Virtue is suddenly thrust into poverty, and experiences firsthand a traditional culture falling apart under the onslaught of growing rebellion against the Emperor, rapid social changes, and the mounting aggression of Japan and the West. Fleischman has rendered a richly textured, panoramic vision of Chinese life in the perilous years between the end of the empire and the Communist triumph of 1949, charting Jade Virtue's arranged first marriage to the corrupt opium addict Wang Mang, who harbors a terrible secret in his family's past; her awakening independence and ambivalent politics; her struggles with motherhood; and her fascinating acquaintance with a gifted, idealistic,

fiercely ambitious young man named Mao Zedong. But the most important choices of her life are shaped by her conflicting loyalties, her intense lifelong friendship with Jinyu, a fiery woman revolutionary, and to Guai, a government official and sworn enemy of the Communists, with whom she finally discovers true and redemptive love. Exquisitely nuanced and lyrical yet marked with a driving power, *Dream of the Walled City* is an enthralling novel of hard-won personal independence set against the vivid backdrop of a rapidly changing world. From the final days of the last dynasty through the savage Japanese invasion during World War II to the formidable red dawn of the Communist triumph; from the backward rural province of Hunan to exile on the tropical shores of Taiwan; and from the binding chains of predetermined fate to the exhilarating liberation of a human spirit, this is a remarkable odyssey you will never forget.
