Acrobatic Sex Positions - Emily Dubberley
2013-01-01

Acrobatic Sex Positions brings exciting twists and turns to 69 sex positions so wild you almost won't believe them. Not for the timid, these positions challenge flexibility and stamina and will get readers head over heels--as well as sideways and upside down--to facilitate deep penetration, hit multiple hot spots, and yield amazing orgasms. - Stairway to Heaven: A sexy intercourse position where she stands one step above him on the staircase. He enters her from behind and lifts and folds her legs back and around his waist giving her amazing G-spot stimulation. - Over the Rainbow: His palms and feet are flat on the floor with his body arched.

She is draped over his body, her back following the same bend as his, her feet resting on his chest. From the side, their bodies form an arc-shaped rainbow. The rush of blood to the head makes this demanding position even more thrilling and intense. - The Pretzel: He stands upright, and penetrates her in rear-entry position. He supports her waist while she pushes her arms back and raises her legs until she can grasp her ankles with her hands, as in the bow yoga position. Once she's in place, the grip of her thighs should be enough to support her. He can keep one arm wrapped around her waist for added support; the other is free to stimulate her breasts and clitoris. The ultra-tight penetration means more stimulation for him and an ultimate filled-up feeling for her.

Would you like to know what tantric sex is? Do you want to learn the various sex positions? Is dirty talking helpful to improve sex life in a relationship? If yes, then you have to keep reading. The vast majority of us are persuaded that "our" sex ways are the main ordinary ones and that others are degenerate and unreasonable. Individuals think it's difficult to accept that people can differ in their sexual

conduct and still be "correct" or "ordinary." Take the matter of positions in sexual intercourse. All through a significant part of the alleged edified world-particularly in Europe and America-it is generally accepted that the one situation wherein a man and his wife ought to have sexual intercourse is up close and personal with the man above. This is usually alluded to as the "customary" or "conventional" position. This book covers the following topics: How to choose your first sex toy (health and safety)? How to increase sexual pleasure? Learn to talk dirty Numerous examples of dirty talk Learn how to drive your partner crazy with sexy and dirty talk Find out how to improve your sex life Overcoming performance anxiety And Much More! Most couples stick to what we call a routine eye to eye intercourse with the man above appears to show that they locate this generally acceptable. All the couples typically utilized this strategy, and that a larger part of them used it solely. The main downside to this

The Kama Sutra of Vatsyayana - Vatsyayana 2021-08-29

The Kama Sutra of Vatsyayana Vatsyayana - The Kama Sutra of Vatsyayana by Richard Francis Burton is an edition of the ancient Indian text on sexuality and emotional needs. Vatsyayana was an ancient Indian philosopher who lived during the second or third century. Although it is often thought of as a sex manual, it is much more, with guides on living well, the nature of love, and finding a partner. Indeed, Vatsyayana says himself: 'This work is not to be used merely as an instrument for satisfying our desires'. Burton did not in fact translate the Kama Sutra - it was translated by the Indian scholar Bhagwan Lal Indraji. It was edited by Burton to suit prevailing British attitudes to sex, but was still banned in England and the United States until 1962. Other criticisms levelled at Burton's translation is that

instead of using English words for the sex organs, he uses the words 'lingam' and 'yoni', despite those words not appearing in the original work. This was seen as an attempt to distance them and make them 'other', rather than about English people's sexual organs. He also removes the agency of women, and where in the original, women's words are direct quotes, in the Burton translation, women's words are removed and put into the passive state (i.e., A woman saying 'Stop!' becomes 'She continually utters words expressive of prohibition'). Despite all this, it has been such an influential translation that even modern editions in the Hindi language are re-translations of the Burton version. The Kama Sutra is an ancient Indian Hindu text widely considered to be the standard work on human sexual behavior in Sanskrit literature written by Vatsyayana. A portion of the work consists of practical advice on sexual intercourse. It is largely in prose, with many inserted anustubh poetry verses. "Kama" which

is one of the four goals of Hindu life, means desire including sexual desire the latter being the subject of the textbook, and "sutra" literally means a thread or line that holds things together, and more metaphorically refers to an aphorism (or line, rule, formula), or a collection of such aphorisms in the form of a manual. Contrary to popular perception, especially in the western world, Kama sutra is not exclusively a sex manual; it presents itself as a guide to a virtuous and gracious living that discusses the nature of love, family life and other aspects pertaining to pleasure oriented faculties of human life.
