His Curvy Fantasy Mary E Thompson 2022-09-13 Enjoy this steamy BBW series by USA TODAY Bestselling small town romance author Mary E Thompson Hudson From the moment Anna Charlotte stormed into my bar and demanded answers from me, I hadn't been able to get her out of my mind. She was infuriating, and she had no right to question the way I ran my business. Who did she think she was? Just because her son was one of my employees, she didn't get to stick her nose in. She could sit her curvy, cute butt on a stool and stew, but she couldn't say a peep. Who was I kidding? Anna didn't know how to sit still and not talk. Or complain. Or instruct me to fix all the things I was doing wrong. Which seemed to be everything. There was only one way to shut her up. And it was damn effective. Anna Trust was a four-letter word in my life. Whenever I thought I could trust someone, they taught me real quick that I was wrong. So, why would I trust Hudson Grant? He owns a bar, for crying out loud. He wasn't looking out for my son's best interest. It didn't matter that his grades had improved since starting to work for Hudson. Or that he was focused on his future. Or that he helped out at home without being asked and did his homework and helped his brother. None of that had to do with Hudson. Right? It couldn't. That wasn't who he was. I knew men like him. Men who were only interested in one thing. Men who didn't care if they broke your heart. Men who...were nothing like Hudson Grant.

The Geographies of Digital Sexuality Catherine J. Nash 2019-05-22 This edited book engages with the rapidly emerging field of the geographies of digital sexualities, that is, the interlinkages between sexual lives, material and virtual geographies and digital practices. Modern life is increasingly characterised by our integrated engagement in digital/material landscapes activities and our intimate life online can no longer be conceptualised as discrete from 'real life.' Our digital lives are experienced as a material embeddedness in the spaces of everyday life marking the complex integration of real and digital geographies. Perhaps nowhere is this clearer than in the ways that our social and sexual practices such as dating or casual sex are bound up online and online geographies and in many cases constitute specific sexuality-based communities crossing the digital/material divide. The aim of this collection is to explore the complexities of these newly constituted and interwoven sexual and gender landscapes through empirical, theoretical and conceptual engagements through wide-ranging, innovative and original research in a new and quickly moving field.

The Guyde Howie Reith 2016-11-19 The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come

to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.
