A failed connecting flight, a road trip, and a blizzard force us to seek refuge at an isolated roadside motel in the mountains. When my only option is to share a room with Seth, I'm expecting the bow tie wearing, clean cut, black rimmed glasses Seth. Not this guy standing in front of me wearing only gray sweatpants that hang dangerously low on his hips and a cocky grin. Maybe it's the high altitude or perhaps it's Seth who's causing this lightheadedness. The Machiavellian's Guide to Flirting Nick Casanova 2008-11 The key to being successful at love is to be playful: playfully suggestive, playfully romantic, and playfully bantering. Flirting is how you send the message that you're interested without saying so directly. If you do it well, you can keep your prospect amused, giddy, titillated, flattered, and insulted all at the same time. Flirting is also how you establish that you have a sense of humor, that you're smart, and that you're sane. And it's how you tell whether your prospect has those same qualities. If both of you are in the right mood, these routines can be great fun. The book is divided into two sections, one for women and the other for men.

Tequila didn't make my clothes fall off, but it did lead to one scorching hot kiss. Instantly, I regret it but an unexpected message on the dating app distracts me from too much self-loathing. But when her holiday plans with her stepson and his fiancée fall through, she refuses to spend another Christmas alone while everyone is celebrating with their families. Impulsively, she decides to go up to her cabin in Lake Arrowhead, a place she used to love to visit but hadn't gone to in years, not since the feud started between her husband and their nearest neighbor. Andi starts to rethink her decision when being alone at the cabin proves to be more challenging than she expected—a heavy snowstorm hits the area, and Andi finds herself trapped there with no one to help except for her neighbor, Wolf Enders. A military vet who lives full-time on Lake Arrowhead, Wolf is as grumpy and intimidating as Andi remembers. But he's also unexpectedly kind and uncomfortably sexy—his presence reminds Andi that she may be older, but her body still works perfectly fine, thank you very much. But can this good girl tame this sexy beast of a man, and will this snowy fling turn into a love of a lifetime?
