*The Guyde* - Howie Reith 2016-11-19

*The Guyde* is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines;

instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. *The Guyde* is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of *The Guyde* deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. *The Guyde* is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

The Subtle Art of Not Giving a F\*\*k - Mark Manson 2016-09-13

#1 New York Times Bestseller Over 10 million copies sold In this generation-defining self-help guide, a superstar blogger cuts through the crap to show us how to stop trying to be "positive" all the time so that we can truly become better, happier people. For decades, we've been told that positive thinking is the key to a happy, rich life. "F\*\*k positivity," Mark Manson says. "Let's be honest, shit is f\*\*ked and we have to live with it." In his wildly popular Internet blog, Manson doesn't sugarcoat or equivocate. He tells it like it is—a dose of raw, refreshing, honest truth that is sorely lacking today. *The Subtle Art of Not Giving a F\*\*k* is his antidote to the coddling, let's-all-feel-good mindset that has infected American society and spoiled a generation, rewarding them with gold medals just for showing up. Manson makes the argument, backed both by academic research and well-timed poop jokes, that improving our lives hinges not on our ability to turn lemons into lemonade, but on learning to stomach lemons better. Human beings are flawed and limited—"not everybody can be extraordinary, there are winners and losers in society, and some of it is not fair or your fault." Manson advises us to get to know our limitations and accept them. Once we embrace our fears, faults, and uncertainties, once we stop running and avoiding and start confronting painful truths, we can begin to find the courage, perseverance, honesty, responsibility, curiosity, and forgiveness we seek. There are only so many things we can give a f\*\*k about so we need to figure out which ones really matter, Manson makes clear. While money is nice, caring about what you do with your life is better, because true wealth is about experience. A much-needed grab-you-by-the-shoulders-and-look-you-in-the-eye moment of real-talk, filled with entertaining stories and profane, ruthless humor, *The Subtle Art of Not Giving a F\*\*k* is a refreshing slap for a generation to help them lead contented, grounded lives.

*Not the Girl You Marry* - Andie J. Christopher 2019-11-12

*How To Lose a Guy in 10 Days* gets a millennial makeover in this romantic comedy by USA Today bestselling author Andie J. Christopher. "The way Jack sets out to win Hannah back is really the stuff of true romance."—NPR Jack Nolan is a gentleman, a journalist, and unlucky in love. His viral success has pigeon-holed him as the how-to guy for a buzzy, internet media company instead of covering hard-hitting politics. Fed up with his fluffy articles and the app-based dating scene as well, he strikes a deal with his boss to write a final piece de resistance: *How to Lose a Girl*. Easier said than done when the girl he meets is Hannah Mayfield, and he's not sure he wants her to dump him. Hannah is an extremely successful event planner who's focused on climbing the career ladder. Her firm is one of the most prestigious in the city, and she's determined to secure her next promotion. But Hannah has a bit of an image problem. She needs to show her boss that she has range, including planning dreaded, romantic weddings. Enter Jack. He's the perfect man to date for a couple weeks to prove to her boss that she's not scared of feelings. Before Jack and Hannah know it, their fake relationship starts to feel all too real—and neither of them can stand to lose each other.

*The Art of Breaking Up* - hitRECORD 2020-05-05

Joseph Gordon-Levitt's creative collaborative community HITRECORD looks at love from both sides in this ingenious flippable book. So, you just got dumped, huh? Or did you just dump someone? Doesn't matter who ended it. Either way, you're sleeping alone tonight. But don't worry, you're not really alone. HITRECORD's global community of over 750,000 active artists is here to help with *The Art of Breaking Up*, a new book designed to get you through this trying time. That's over 750,000 people who know the soul-crushing pain of a broken heart. But instead of wallowing forever in vats of unproductive (but delicious) cookie dough, they've channeled all that misery into an insightful, funny, and smart compendium of musings, photography, drawings, collages, puzzles, recipes, games, and more—designed to explore (and distract from) the mind-numbing agony of a romantic breakup. You'll laugh, you'll smile, and you'll probably cry. Everyone knows there are two sides to every break-up, so this book features a double-sided, flippable structure. One side eases the tortured consciences of the HEARTBREAKERS. Flip the book, and the other side considers the plight of the BROKEN-HEARTED. Both sides are organized chronologically with chapters that correspond to the emotional trajectory of both the HEARTBREAKER and BROKEN-HEARTED. Chapters include: Early Warning Signs, Exit Strategy, The Break Up, Acceptance, Depression, Bargaining, Anger, and Denial. Where the two sections meet in the middle there is a compelling, heart-wrenching moment where the HEARTBREAKER and BROKEN-HEARTED connect again, but we're not giving that away. Inside this book you'll find plenty of art, stories, comics, and other amusements, such as a Post-Break-Up Relationship Survey, Denial Yoga, Candy Hearts for Assholes, Breakup Greeting Cards, Hex Your Ex Voodoo Doll, The Free Bird Word Search Game, and a playlist or two, including "Right Back at Ya," a collection of songs to stoke the burning rage in your heart. Everything you'll find in this book was made collaboratively by people from around the world on HITRECORD—an online creative platform for collaborative art and media projects founded and directed by Joseph Gordon-Levitt. With its universal, all-inclusive approach to the subject, *The Art of Breaking Up* is an acute observation of love and heartbreak in modern times, and maybe-just maybe—a salve for anyone with a broken heart.

**How to Fix a Broken Heart** - Guy Winch 2018-02-13

'HOW TO FIX A BROKEN HEART PROVIDES THE VALIDATION, COMFORT AND HOPE ANYONE WHO IS HEARTBROKEN DESPERATELY NEEDS.' ESTHER PEREL, BESTSELLING AUTHOR OF THE STATE OF AFFAIRS AND MATING IN CAPTIVITY Every one of us has or will have our heart broken at some point in our lives. Heartbreak, whether it comes in the form of romantic love or through loss, is universal, yet we know so little about how to deal with it. Psychologist Dr Guy Winch imagines how different our lives and our society would be if we paid more attention to this unique emotional pain. Heartbreak can last for days, weeks, months and even years. Yet while we wouldn't expect someone to go to work or function well with a broken limb, heartbroken people are expected to function in their lives, despite the emotional pain they feel. *How to Fix a Broken Heart* argues that if we don't understand how heartbreak works, we won't be able to heal it and we are likely to make it worse, which we do, and regularly. Dr Winch reveals how and why heartbreak impacts our brain and our behaviour in dramatic and unexpected ways, regardless of our age. Emotional pain lowers our ability to reason, to think creatively, to problem solve and to function.

Recovering from heartbreak always starts with a decision, a determination to move on when our mind is fighting to keep us stuck. We can take control of our lives and our minds and put ourselves on the path to healing. Dr Winch offers a toolkit on how to handle and cope with a broken heart and how to, eventually, move on. 'A great read for anyone going through heartbreak, anyone trying to help someone go through heartbreak, or anyone who simply wants to understand humans better' Tim Urban, creator of Wait But Why?
