

Greek And Roman Sexualities A Sourcebook Bloomsbury Sources In Ancient History

Women in Ancient Rome - Bonnie MacLachlan 2013-09-12

A rich and accessible selection of Greek and Roman original sources all of which are in translation.

[Reading Roman Women](#) - Suzanne Dixon 2001-06-21

How do we retrieve the lives of "real Roman women"? This book presents a range of examples to support the argument that our ideas of what we "know" about women's work, sexuality, commerce and political activity in the Roman world have been shaped by the format, or genre, of each ancient source.

[Food and Drink in Antiquity: A Sourcebook](#) - John F. Donahue 2015-01-15

An accurate and accessible tool for understanding the rich and varied contexts for eating and drinking in antiquity.

Greek and Roman Technology - John William Humphrey 1998

The sourcebook presents 150 ancient authors and a diverse range of literary genres, such as, the encyclopedic *Natural Histories* of Pliny the Elder, the poetry of Homer and Hesiod, the philosophy of Plato, Aristotle and Lucretius and the agricultural treatise of Varro. Humphrey, Oleson and Sherwood provide a comprehensive and accessible collection of rich and varied sources to illustrate and elucidate the beginnings of technology. Among the topics covered are energy, basic mechanical devices, agriculture, food processing and diet, mining and metallurgy, construction and hydraulic engineering, household industry, transport and trade, and military technology. Also included are glossaries of technological terminology, indices of authors and subjects, introductions outlining the general significance of the evidence, notes to explain the specific details, and a recent bibliography.

Athenian Democracy: A Sourcebook - Luca Asmonti 2015-02-12

An unrivalled collection of source material, often unavailable in translation, on the history and philosophy of the world's first democracy.

Christianity and Sexuality in the Early Modern World - Merry E

Wiesner-Hanks 2020-05-01

Christianity and Sexuality in the Early Modern World surveys the ways in which people from the time of Luther and Columbus to that of Thomas Jefferson used Christian ideas and institutions to regulate and shape sexual norms and conduct, and examines the impact of their efforts. Global in scope and geographic in organization, the book contains chapters on Protestant, Catholic, and Orthodox Europe, Latin America and the Caribbean, Africa and Asia, and North America. It explores key topics, including marriage and divorce, fornication and illegitimacy, clerical sexuality, same-sex relations, witchcraft and love magic, moral crimes, and interracial relationships. The book sets its findings within the context of many historical fields, including the history of gender and sexuality, and of colonialism and race. Each chapter in this third edition has been updated to reflect new scholarship, particularly on the actual lived experience of people around the world. This has resulted in expanded coverage of nearly every issue, including notions of the body and of honor, gendered religious symbols, religious and racial intermarriage, sexual and gender fluidity, the process of conversion, the interweaving of racial identity and religious ideologies, and the role of Indigenous and enslaved people in shaping Christian traditions and practices. It is ideal for students of the history of sexuality, early modern Christianity, and early modern gender.

Women in Classical Antiquity - Laura K. McClure 2019-06-13

An introduction to women and gender in the classical world that draws on the most recent research in the field *Women in Classical Antiquity* focuses on the important objects, events and concepts that combine to form a clear understanding of ancient Greek and Roman women and gender. Drawing on the most recent findings and research on the topic, the book offers an overview of the historical events, values, and institutions that are critical for appreciating and comparing the life situations of women across both cultures. The author examines the lifecycle of women in ancient Greece and Rome beginning with how young females acquired the gendered characteristics necessary for adulthood. The text explores female adolescence, including concerns about virginity, medical views of the female body, religious roles, and education. Views of marriage, motherhood, sexual activity, adultery, and prostitution are also examined. In addition, the author explores how women exercised

authority and the possibilities for their civic engagement. This important resource: Explores the formation of classical women's social identity through the life stages of birth, adolescence, marriage, childbirth, old age, and death Contains information on the most recent research in this rapidly evolving field Offers a review of the life course as a way to understand the social processes by which Greek and Roman females acquired gender traits Includes questions for review, suggestions for further reading, and a glossary of key terms Written for academics and students of classical antiquity, *Women in Classical Antiquity* offers a general introduction to women and gender in the classical world.

[Greek and Roman Sexualities: A Sourcebook](#) - Jennifer Larson 2012-09-06

Since the publication of Foucault's *History of Sexuality* the volume of Classical scholarship on gender, sexuality and the body has steadily increased in tandem with the expansion of these topics in other areas of the Humanities. This volume will provide readers with a substantial selection of primary sources documenting sexualities, sexual behaviors, and perceptions of sex, sexuality, gender, and the body among people in the ancient Greco-Roman world. The coverage will begin with Homer in the eighth century BCE and will focus most heavily on Classical Greece and Rome from the Republic to the early Empire, though sources reflecting societal changes in later antiquity and a selection of Jewish and Christian readings will also be included. Authors will include Hippocrates, Plato, Aristotle, Galen, Ovid and Plutarch, with each chapter including one or two substantial 'focal' readings. The materials will include poetry, history, oratory, medical and philosophical writings, letters, and inscriptions, both public and private.

Alexander the Great in the Roman Empire, 150 BC to AD 600 -

Jaakkojuhani Peltonen 2019-03-13

The life of Alexander the Great began to be retold from the moment of his death. The Greco-Roman authors used these stories as exemplars in a variety of ways. This book is concerned with the various stories of Alexander and how they were used in antiquity to promote certain policies, religious views, and value systems. The book is an original contribution to the study of the history and reception of Alexander, analysing the writings of over 70 classical and post-classical authors during a period of over 700 years. Drawing on this extensive range and quantity of material, the study plots the continuity and change of ideas from the early Roman Empire to the early Middle Ages.

Sanctified Sexuality - Sandra Glahn 2020-09-22

Expert biblical and practical advice for handling today's most challenging sexual issues Although modern culture constantly changes its views on sexuality, God's design for sexuality remains the same. Bringing together twenty-five expert contributors in relevant fields of study, Gary Barnes and Sandra Glahn address the most important and controversial areas of sexuality that Christians face today. From a scriptural perspective and with an irenic tone, the contributors address issues such as: • The theology of the human body • Male and female in the Genesis creation accounts • Abortion • Celibacy • Sexuality in marriage • Contraception • Infertility • Cohabitation • Divorce and remarriage • Same-sex attraction • Gender dysphoria An ideal handbook for pastors, counselors, instructors, and students, *Sanctified Sexuality* provides solid answers and prudent advice for the many questions Christians encounter on a daily basis.

Christianity in the Later Roman Empire - David M. Gwynn

2015-01-15

This sourcebook of primary material with full commentary on the Church in the later Roman empire provides a much-needed resource for students and teachers.

Sexuality in Greek and Roman Culture - Marilyn B. Skinner

2013-07-23

This agenda-setting text has been fully revised in its second edition, with coverage extended into the Christian era. It remains the most comprehensive and engaging introduction to the sexual cultures of ancient Greece and Rome. Covers a wide range of subjects, including Greek pederasty and the symposium, ancient prostitution, representations of women in Greece and Rome, and the public regulation

of sexual behavior Expanded coverage extends to the advent of Christianity, includes added illustrations, and offers student-friendly pedagogical features Text boxes supply intriguing information about tangential topics Gives a thorough overview of current literature while encouraging further reading and discussion Conveys the complexity of ancient attitudes towards sexuality and gender and the modern debates they have engendered

Food and Drink in Antiquity: A Sourcebook - John Donahue
2015-01-15

"Bloomsbury Sources in Ancient History."

Rome: A Sourcebook on the Ancient City - Fanny Dolansky
2018-02-22

An unrivalled collection of source material in translation placing the sites of the ancient city of Rome into their cultural and historical contexts.

Greek and Roman Sexualities - Jennifer Lynn Larson 2012

"Since the publication of Foucault's *History of Sexuality* the volume of Classical scholarship on gender, sexuality and the body has steadily increased in tandem with the expansion of these topics in other areas of the Humanities. This volume will provide readers with a substantial selection of primary sources documenting sexualities, sexual behaviors, and perceptions of sex, sexuality, gender, and the body among people in the ancient Greco-Roman world. The coverage will begin with Homer in the eighth century BCE and will focus most heavily on Classical Greece and Rome from the Republic to the early Empire, though sources reflecting societal changes in later antiquity and a selection of Jewish and Christian readings will also be included. Authors will include Hippocrates, Plato, Aristotle, Galen, Ovid and Plutarch, with each chapter including one or two substantial 'focal' readings. The materials will include poetry, history, oratory, medical and philosophical writings, letters, and inscriptions, both public and private."--Publisher's website.

Women in Ancient Greece - Bonnie MacLachlan 2012-05-31

A rich collection of source material on women in the ancient Greek world including literary, rhetorical, philosophical and legal sources, and papyri and inscriptions.

Homosexuality in Greece and Rome - Thomas K. Hubbard 2003-05-12

Important primary texts on homosexuality in ancient Greece and Rome are translated into modern, explicit English and collected together in this comprehensive sourcebook. Covering an extensive period, the volume includes writings by Plato, Sappho Aeschines, Catullus and Juvenal.

Studying Gender in Classical Antiquity - Lin Foxhall 2013-05-09

This book investigates how varying practices of gender shaped people's

lives and experiences across the societies of ancient Greece and Rome. Exploring how gender was linked with other socio-political characteristics such as wealth, status, age and life-stage, as well as with individual choices, in the very different world of classical antiquity is fascinating in its own right. But later perceptions of ancient literature and art have profoundly influenced the development of gendered ideologies and hierarchies in the West, and influenced the study of gender itself. Questioning how best to untangle and interpret difficult sources is a key aim. This book exploits a wide range of archaeological, material cultural, visual, spatial, demographic, epigraphical and literary evidence to consider households, families, life-cycles and the engendering of time, legal and political institutions, beliefs about bodies, sex and sexuality, gender and space, the economic implications of engendered practices, and gender in religion and magic.

A Companion to Sport and Spectacle in Greek and Roman Antiquity - Paul Christesen 2014-01-07

A Companion to Sport and Spectacle in Greek and Roman Antiquity presents a series of essays that apply a socio-historical perspective to myriad aspects of ancient sport and spectacle. Covers the Bronze Age to the Byzantine Empire Includes contributions from a range of international scholars with various Classical antiquity specialties Goes beyond the usual concentrations on Olympia and Rome to examine sport in cities and territories throughout the Mediterranean basin Features a variety of illustrations, maps, end-of-chapter references, internal cross-referencing, and a detailed index to increase accessibility and assist researchers

Greek Nymphs - Jennifer Larson 2001-06-28

Greek Nymphs: Myths, Cult, Lore is the first comprehensive study of the nymph in the ancient Greek world. This well-illustrated book examines nymphs as both religious and mythopoetic figures, tracing their development and significance in Greek culture from Homer through the Hellenistic period. Drawing upon a broad range of literary and archaeological evidence, Jennifer Larson discusses sexually powerful nymphs in ancient and modern Greek folklore, the use of dolls representing nymphs in the socialization of girls, the phenomenon of nympholepsy, the nymphs' relations with other deities in the Greek pantheon, and the nymphs' role in mythic narratives of city-founding and colonization. The book includes a survey of the evidence for myths and cults of the nymphs arranged by geographical region, and a special section of the worship of nymphs in caves throughout the Greek world.
