**Ask a Manager** - Alison Green 2018-05-01

'I'm a HUGE fan of Alison Green's "Ask a Manager" column. This book is even better' Robert Sutton, author of The No Asshole Rule and The Asshole Survival Guide 'Ask A Manager is the book I wish I'd had in my desk drawer when I was starting out (or even, let's be honest, fifteen years in)' - Sarah Knight, New York Times bestselling author of The Life-Changing Magic of Not Giving a F\*ck A witty, practical guide to navigating 200 difficult professional conversations Ten years as a workplace advice columnist has taught Alison Green that people avoid awkward conversations in the office because they don't know what to say.

Thankfully, Alison does. In this incredibly helpful book, she takes on the tough discussions you may need to have during your career. You'll learn what to say when: · colleagues push their work on you - then take credit for it · you accidentally trash-talk someone in an email and hit 'reply all' · you're being micromanaged - or not being managed at all · your boss seems unhappy with your work · you got too drunk at the Christmas party With sharp, sage advice and candid letters from real-life readers, Ask a Manager will help you successfully navigate the stormy seas of office life.

**The Guyde** - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

**Destiny** - Michael Angel Torres, Sr. 2020-05-04

Destiny By: Michael Torres Destiny is a riveting tale about the life of Michael Angel Torres Sr. who, by the grace of God, has survived numerous life-threatening situations that enabled him to tell the world about them. As a soldier (medic) in the U.S. Army, Michael braved the land of Vietnam without so much as a

**Kiss Me Again** - Kimberly James 2017-02-08

Sometimes the last thing you're looking for is the one thing you need. Since her divorce, Kenna James has been all work and no play. When she accepts an invitation to spend a week in a luxurious beach house with her daughter and her boyfriend, she expects a quiet seven days of sun and relaxation. What she's not expecting is for devilishly handsome Nick Frost to be there too. She isn't looking for a fling. She sure isn't looking for a relationship. She likes her independence and isn't ready to muddy the waters by adding a man into the mix in any capacity. Not even larger-than-life Nick. Just because Nick kissed her once (and blew her mind in the process) doesn't mean she's interested. Add in the fact that their kids are dating, and that makes Nick off limits. Doesn't it? When Heisman trophy winner and former NFL quarterback Nick Frost realizes he's got an extra houseguest, he's thrilled. Kissing Kenna at a New Year's Eve party while he was out with another woman? Not one of his finer moments. But it's a moment he hasn't been able to forget. Now that fate has landed Kenna in his lap, he's determined to get a repeat. Too bad Kenna isn't onboard. But if there's one thing Nick loves, it's a challenge. And the clock is ticking. He has one week to convince Kenna the kiss they shared wasn't a mistake. Seven days to get her to utter three little words: Kiss me again. If you like sweet romance and a beach setting, then you'll love Kiss Me Again a second chance at love story.
