Converting Women - Eliza F. Kent 2004-04-01

With the emergence of Hindu nationalism, the conversion of Indians to Christianity has become a volatile issue, erupting in violence against converts and missionaries. At the height of British colonialism, however, conversion was a path to upward mobility for low-castes and untouchables, especially in the Tamil-speaking south of India. In this book, Eliza F. Kent takes a fresh look at these conversions, focusing especially on the experience of women converts and the ways in which conversion transformed gender roles and expectations. Kent argues that the creation of a new, "respectable" community identity was central to the conversion process for the agricultural laborers and artisans who embraced Protestant Christianity under British rule. At the same time, she shows, this new identity was informed as much by elite Sanskrit customs and ideologies as by Western Christian discourse. Stigmatized by the dominant castes for their ritually polluting occupations and relaxed rules governing kinship and marriage, low-caste converts sought to validate their new higher-status identity in part by the reform of gender relations. These reforms affected ideals of femininity and masculinity in the areas of marriage, domesticity, and dress. By the creation of a "discourse of respectability," says Kent, Tamil Christians hoped to counter the cultural justifications for their social, economic, and sexual exploitation at the hands of high-caste landowners and village elites. Kent's focus on the interactions between Western women missionaries and the Indian Christian women not only adds depth to our understanding of colonial and patriarchal power dynamics, but to the intricacies of conversion itself. Posing an important challenge to normative notions of conversion as a privatized, individual moment in time, Kent's study takes into consideration the ways that public behavior, social status, and the transformation of everyday life inform religious conversion.

November and December 2009 daily forecasts repeated

The Scrap Book - 1906

Top Five Regrets of the Dying - Bronnie Ware 2019-08-13

Revised edition of the best-selling memoir that has been read by over a million people worldwide with translations in 29 languages. After too many years of unfulfilling work, Bronnie Ware began searching for a job with heart. Despite having no formal qualifications or previous experience in the field, she found herself working in palliative care. During the time she spent tending to those who were dying, Bronnie's life was transformed. Later, she wrote an Internet blog post, outlining the most common regrets that the people she had cared for had expressed. The post gained so much momentum that it was viewed by more than three million readers worldwide in its first year. At the request of many, Bronnie subsequently wrote a book, *The Top Five Regrets of the Dying*, to share her story. Bronnie has had a colourful and diverse life. By applying the lessons of those nearing their death to her own life, she developed an understanding that it is possible for everyone, if we make the right choices, to die with peace of mind. In this revised edition of the best-selling memoir that has been read by over a million people worldwide, with translations in 29 languages, Bronnie expresses how significant these regrets are and how we can positively address these issues while we still have the time. *The Top Five Regrets of the Dying* gives hope for a better world. It is a courageous, life-changing book that will leave you feeling more compassionate and inspired to live the life you are truly here to live.

Congressional Record - United States. Congress 1970

Know about Zodiac Signs - Shanker Adawal

This is the first book which would interest the masses as it talks about the zodiac signs which is a fairly good indicator of one's personality and instincts irrespective of strata and position. This book dwells into the details of each sign with respect to relationships, love, and compatibility with other signs, financial and professional implication. Aspects of favourable colour, direction and other such issues of interest along with simple solutions applicable for each sign have also been covered in this book. This book also has a unique feature of giving a 12 year trend for each sign and the readers would find it useful in broadly knowing what they can expect in the coming years. It would provide a new dimension to the readers interested in knowing about their zodiac signs.

The Beginner's Guide to Divination - Adams Media 2016

What would you do if you could see the future? Astrology, numerology, tarot, and palmistry have been used for centuries to divine events to come. The Beginner's Guide to Divination will teach you to practice the mystical arts of divination and predict the future yourself. Explore the remarkable histories and secret languages of these esoteric practices as you master techniques to view--and even influence--your fate. You'll learn how to: Create your birth chart and discover how the stars influence the decisions you'll make Use Tarot cards to learn about people who will cross your path and events that will affect you Examine your palm to uncover challenges and opportunities ahead Find your universal number and use it to manifest your greatest desires Determine which system works best with your own natural clairvoyance Complete with detailed charts and illustrations, this all-in-one guide will help you illuminate the path of your life's journey, enhance your intuitive powers, and take control of your future!

Astrology for Real Relationships - Jessica Lanyadoo 2019-12-31

A modern, inclusive guide to astrology that uses the zodiac to illuminate your love life as well as your relationships with your family, your friends, and yourself. When it comes to friendship, family, and romance, we all want the same things: to love and be loved, to communicate, to fight fair, and to feel okay in our own skin. Illuminating and accessible, *Astrology for Real Relationships* includes a primer on basic zodiac knowledge—including the importance of your Sun, Moon, and the planets in your birth chart—before exploring how self-love and self-care affects all types of relationships. Once your mental health and spiritual and emotional wellness are balanced, you can be empowered in your relationships, including:

- Friends and chosen family: The Sun governs your identity and your will. Are you comfortable being yourself? Do your friends see you in the same ways that you see yourself?
- Hanging out and dating: The Moon governs your feelings and emotions. Are you honest with yourself about how you feel and what you really need from a partner?
- Long term relationships: Mars is the planet of conflict. Do you always seem to be attracted to the wrong people? Are women really from Venus and men from Mars? Full of real talk about attraction, dating, sex, frenemies, self-love, mental health, and how to deal with family, this book will help you build and maintain strong connections—with your crushes, your spouse, your boss, or your mom—and uncover and empower you to get what you really want in relationships, not what you think you should want.

The Crusader - 1987**Linda Goodman's Sun Signs** - Linda Goodman 2014-01-09

The New York Times–bestselling author's classic guide to astrology: "What makes Sun Signs different is that much of the writing is done with humor" (The Boston Globe). Before 1968, astrology as we know it had a very limited following in the United States and around the world. The publication of Linda Goodman's Sun Signs changed that forever. Newspapers began running astrology columns, and soon, an increasing number of people knew their sign (as well as yours) and began to study astrological tendencies. Linda Goodman's Sun Signs quickly established itself as the worldwide introductory bible to astrology for beginner and expert alike. The book's simple organizational technique made it easy for everyone to follow and understand themselves and others, sign-by-sign. This updated edition of the groundbreaking classic is an enjoyable way to discover the world of astrology today.

Star Guide to Guys - Elizabeth Perkins 2007

This guide dishes out the lowdown on men in all 12 sun signs - covering their strengths, challenges, goals, desires and other personality traits.

Love Signs and You - Rochelle Gordon 2003

Love Signs and You is the definitive volume of romantic astrology.

Aries (Super Horoscopes 2013) - Margarete Beim 2012-07-03

In an uncertain world, knowing the future couldn't hurt. Every day, people look to their horoscopes for answers big and small. Super Horoscopes supply the answers they seek, in the most comprehensive day-to-day predictions on the market. With special sections on the history and uses of astrology, these updated books will show readers exactly what the future holds for them. Each sign includes: Detailed yearly and daily forecasts Rising signs and rising times Lucky numbers Cusp born and cusp dates Signs of the zodiac Character analysis Love, romance, and marriage compatibility guide Moon tables Planting and fishing guides Influence of the moon and planets Famous personalities November and December 2012 daily forecasts repeated Special overview of 2011 thru 2020

Linda Goodman's Love Signs - Linda Goodman 2014-01-09

The New York Times bestseller that helps you explore whether romance is in the stars. Linda Goodman's Love Signs addresses the question asked by everyone familiar with astrology: How do I relate to someone of another sign? Each sign is "related" to the twelve signs of the zodiac in a different and unique way. Each section addresses the differences for a male and a female with the same sign matches. This is an updated edition of Linda Goodman's lively bestseller, which has introduced millions to the concept of astrological compatibility. "What seems to set Goodman's books apart from other stargazing guides is their knowledgeable approach and comprehensive reach." —Newsweek

Astrology Made Easy - Health Research 1996-09

Astrology Made Easy offers a glimpse back in time to what an astrologer was thinking in the 1890s. In the words of the author, "We present in the following pages twelve delineations or character readings which will apply to persons born under the twelve signs of the Zodiac. The writer of these sketches is well versed in metaphysics, occult sciences, philosophy, theosophy, mysticism and the wonderful truths taught by the seers, sages and Yogis of India and the Orient."

SignMates - Bernie Ashman 2012-07-08

Somehow, your relationship that started out so wonderfully is having problems. Or perhaps you'd like to anticipate what problems could occur in a potential relationship. More importantly, you need to know how to resolve the problems. Problems of interpersonal relationships are most often caused because everyone has conscious and unconscious needs and behaviors that can conflict with those of another. Recognizing and dealing with them can save relationships. You'll find out how to do this in Bernie Ashman's SignMates. Contrary to what some people think, your astrological sign doesn't "force" you to do anything. It is simply an indicator of what you are. By understanding how the signs relate, you can better understand relationships and how to overcome problems that may arise. In a nutshell, that is what this book will do for you. The book relates potential problems in a relationship between every sign of the zodiac. For example, if you are a Virgo and your partner is a Scorpio, you may play the "Sabotage Game," where you make it difficult for your partner to reach goals because of unresolved anger or jealousy. To deal with this you need to become aware of negative, unproductive comments and support your partner. Two other games and coping strategies are given. Or perhaps you are a Libra and your partner is an Aquarius. You may experience the "Lovers and Strangers Game" where your sense of closeness vacillates between extremes. This is a test to see if you can handle emotional heat. You have to be willing to simply and honestly discuss your feelings. Again, two more games and strategies for dealing with the conflicts that cause them are given. No matter what sign you and your partner are, this book will pinpoint the potential pitfalls and how to deal with them. Also included for each pairing is the good news, a "rainbow" at the end of the difficulties, which indicates how great such a relationship can be. Ideal for both non-astrologers and astrological pros, this book can help save your relationship.
