Bouncing Back from Rejection -

Leslie Becker-Phelps 2019-12-01

Go beyond your fear of rejection to develop confidence, compassionate self-awareness, and resilience! Do you have a fear of rejection? If so, you aren't alone. But if you

have difficulty bouncing back after rejection, experience intense pain as a result, or if the fear of rejection is so crippling that it interferes with your everyday life, it's time to make a change. This groundbreaking guide can help. With this book, you'll learn why you fear rejection by gaining an understanding of your unique attachment style. Secure attachment is defined as a feeling of being protected and well-cared for. People who experience secure attachment as young children are more likely to be happy, healthy, and resilient adults. On the other hand, insecurely attached people are less likely to cope well with rejection, and may have trouble "bouncing back" after difficult experiences. Once you understand how your attachment style has informed your fears, you can begin the work needed to overcome them! Using the theory of attachment, and the five domains of awareness: Sensations, Thoughts, Emotions, Actions, and Mentalizing (STEAM), you'll
