Saint X Alexis Schaitkin 2020-02-20 'Hypnotic, delivering acute social commentary on everything from class and race to familial bonds and community . . . I devoured Saint X in a day.' —New York Times, Oyinkan Braithwaite (author of *My Sister, The Serial Killer*) Claire is only seven years old when her college-age sister Alison vanishes from the luxury resort on the Caribbean island of Saint X on the last night of her family's vacation. Several days later Alison's body is found in a remote spot on a nearby cay, and two local men, employees at the resort, are arrested. But the evidence is slim, the timeline against it, and the men are soon released. It's national tabloid news, a lurid mystery that will go unsolved, but for Claire's family there is only the sad return home to broken lives. Years later, riding in a New York City taxicab, Claire recognizes the name on the cabbie's licence, Clive Richardson - her driver is one of the men originally suspected of murdering her sister. The fateful encounter sets her on an obsessive pursuit of the truth, not only what happened on the night of Alison's death, but the no less elusive question of exactly who was this sister she was barely old enough to know: a

beautiful, changeable, provocative girl of eighteen at a turbulent moment of identity formation. As Claire doggedly shadows Clive, hoping to gain his trust, waiting for the slip that will uncover the truth, an unlikely intimacy develops between them, two people whose lives were forever marked by a tragedy. Alexis Schaitkin's Saint X is a flawlessly drawn and deeply moving story that hurtles to a devastating end.

childhood as we know it and of the inexorable and ubiquitous experience of a new kind of adolescence—one dominated by new social and sexual norms, where a girl's first crushes and experiences of longing and romance occur in an accelerated electronic environment; where issues of identity and self-esteem are magnified and transformed by social platforms that provide instantaneous judgment. What does it mean to be a girl in America in 2016? It means coming of age online in a hypersexualized culture that has normalized extreme behavior, from pornography to the casual exchange of nude photographs; a culture rife with a virulent new strain of sexism and a sometimes self-undermining notion of feminist empowerment; a culture in which teenagers are spending so much time on technology and social media that they are not developing basic communication skills. From beauty gurus to slut-shaming to a disconcerting trend of exhibitionism, Nancy Jo Sales provides a shocking window into the troubling world of today's teenage girls. Provocative and urgent, *American Girls* is destined to ignite a much-needed conversation about how we can help our daughters and sons negotiate unprecedented new challenges.

The Guyde Howie Reith 2016-11-19 *The Guyde* is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. *The Guyde* is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How

do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more.

Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma.

Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads.

Part IV - Dating The final portion of *The Guyde* deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. *The Guyde* is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

the pleasures and perils of modern romance from Aziz Ansari, the star of *Master of None* and one of this generation's sharpest comedic voices. At some point, every one of us embarks on a journey to find love. We meet people, date, get into and out of relationships, all with the hope of finding someone with whom we share a deep connection. This seems standard now, but it's wildly different from what people did even just decades ago. Single people today have more romantic options than at any point in human history. With technology, our abilities to connect with and sort through these options are staggering. So why are so many people frustrated? Some of our problems are unique to our time. "Why did this guy just text me an emoji of a pizza?" "Should I go out with this girl even though she listed Combos as one of her favorite snack foods? Combos?!" "My girlfriend just got a message from some dude named Nathan. Who's Nathan? Did he just send her a photo of his penis? Should I check just to be sure?" But the transformation of our romantic lives can't be explained by technology alone. In a short period of time, the whole culture of finding love has changed dramatically. A few decades ago, people would find a decent person who lived in their neighborhood. Their families would meet and, after deciding neither party seemed like a murderer, they would get married and soon have a kid, all by the time they were twenty-four. Today, people marry later than ever and spend years of their lives on a quest to find the perfect person, a soul mate. For years, Aziz Ansari has been aiming his comic insight at modern romance, but for *Modern Romance*, the book, he decided he needed to take things to another level. He teamed up with NYU sociologist Eric Klinenberg and designed a massive research project, including hundreds of interviews and focus groups conducted everywhere from Tokyo to Buenos Aires to Wichita. They analyzed behavioral data and surveys and created their own online research forum on Reddit, which drew thousands of messages. They enlisted the world's leading social scientists, including Andrew Cherlin, Eli

Finkel, Helen Fisher, Sheena Iyengar, Barry Schwartz, Sherry Turkle, and Robb Willer. The result is unlike any social science or humor book we've seen before. In *Modern Romance*, Ansari combines his irreverent humor with cutting-edge social science to give us an unforgettable tour of our new romantic world.

The Diary of A Young Girl (Deluxe Hardbound Edition) Anne Frank 2022-12-06 A thirteen-year-old Jewish girl and her family abandoned their house in Amsterdam and went into hiding in 1942, when Nazis occupied Holland. They and another family stayed cloistered in the "Secret Annex" of an old office building for the next two years, until their whereabouts were revealed to the Gestapo. They suffered starvation, boredom, the daily cruelties of living in tight quarters, and the ever-present prospect of discovery and death because they were cut off from the outside world. Anne Frank kept a diary throughout this time, recording vivid recollections of her events. Her story is a fascinating meditation on human tenacity and weakness, as well as a riveting self-portrait of a sensitive and vibrant young woman whose promising future was sadly cut short.

Bossypants Tina Fey 2011-04-18 Once in a generation a woman comes along who changes everything. Tina Fey is not that woman, but she met that woman once and acted weird around her. Before *30 Rock*, *Mean Girls* and 'Sarah Palin', Tina Fey was just a young girl with a dream: a recurring stress dream that she was being chased through a local airport by her middle-school gym teacher. She also had a dream that one day she would be a comedian on TV. She has seen both these dreams come true. At last, Tina Fey's story can be told. From her youthful days as a vicious nerd to her tour of duty on *Saturday Night Live*; from her passionately halfhearted pursuit of physical beauty to her life as a mother eating things off the floor; from her one-sided college romance to her nearly fatal honeymoon - from the beginning of this paragraph to this final sentence. Tina Fey reveals all, and proves what we've all suspected: you're no one until someone calls you bossy.

They made fun of Windmere-Carruthers, the private school they attended, they invented new flavours for their parents' organic ice cream shop, and they dressed up their golden retriever, Buster. But when Helena went into senior year things started to change. Rather than being Aerin's inseparable sister, she started to push her away. Then, on a snowy winter's day, Helena vanished. Four years later, Helena's body is found. Wracked with grief and refusing to give up on her sister, Aerin spends months trying to figure out what exactly happened to Helena and who killed her. But the police have no leads. A young, familiar officer named Thomas wants to help and suggests she checks out a website called Case Not Closed. Hesitantly, she posts, and when teenagers Seneca and Maddox show up on her doorstep offering to help investigate she accepts in desperation. Both have suffered their own losses and also posted to the site with no luck, so they are hoping this case might be the one they crack. But as their investigation begins, it seems that maybe it's no accident that they are all together, and that maybe the crimes have something - or someone - in common.

Position of Power Warren Mcfadden 2023-12-07 1. Stop begging and pleading and being needy. Because it's not going to do any good. The more you beg and plead and do all that nice shit and jump through all these monkey ass hoops for this person. It only makes you look stupid. And needy and desperate because they don't care. They are not there. They checked out the relationship a long time ago and are looking for your replacement. The best thing for you to do now is to give up and stop trying. That's the first thing you can do to start regaining your power back, stop all that silly ass shit. 2. Become independent. Show your ex that you can live life without them and you will regain your power back because this is how it works. The more you don't need that person, the more that person wants you. It's backwards, its nature, it is set up that way. The more you don't want something the more you get it. Kind of like rich people, they get richer because they are already rich, they are not working for money. But what I'm trying to tell you is this, when you don't need them and you are self-reliant, and you are independent and you don't need them for absolutely nothing, they'll want you. This will work in your business or job whatever area of your life. When you don't
