When a Woman You Love Was Abused - Dawn Scott Jones 2012-08-01

The U.S. Department of Health and Human Services reports that 80 percent of childhood

abuse victims later suffer from at least one abuse-induced psychological disorder. It's proven that the effects of childhood abuse follow women into adulthood. Yet few men are prepared to deal with those effects, even when their own wife is the one who is suffering. And their wife's suffering becomes their own suffering as their needs aren't being met by a wife who is powerless to control her inner turmoil. Author, pastor, and survivor Dawn Scott Jones candidly shares her own abuse experience to help husbands understand the varied emotions, fears, distorted thoughts, and triggers that hold their wives captive. In practical and accessible language, Jones explains the stages of the healing journey (processing denial, asking for help, grieving, expressing anger, learning to forgive, and finding resolution). Building on that knowledge, Jones then moves to an honest discussion of what husbands can do to help. Whether it's creating a healing environment, understanding the need for control, building trust, or even just praying for healing, a husband plays an active role in helping his wife survive and thrive despite her past abuse. Offering hope for a healthy marriage relationship, When a Woman You Love Was Abused answers the questions men have and offers the advice they need to help their wives finally find peace.

Being a man is a destiny, and it can be tough too! Between your childhood and your manhood, were you emotionally and morally prepared enough to assume this role? Whether you grew up with your father or not, as an adult, you have no excuse but to do right by your woman. You, the man has the responsibility to take care of all that God has created, including the lovely woman he made specifically to be your companion, and your love. So, you must understand the kind of true love and bonding needed in your romantic relationship with your beloved. Thus, you have to surpass your difficulty in order to emotionally connect and communicate openly with the woman of your life. A woman respects and honors her man; but there is no King without a Queen. So, the man should treat her like one and earn her respect as well. Sometimes, all she wants is to see that he is trying hard to do his best. True love doesn't cost a penny. All a man should do is to prove it in words and actions to his sweetie; show his emotional face and share his real feelings with her. Men stop playing tough every time. A woman is a gift of love and happiness from God. Cherish her! A woman does have different types of emotions which as her man you would be nourishing or managing them. However, a relationship with good communication and respect, more laughter and romance, is less

stressful. But no couple is perfect; so, find ways to forgive and move forward. You, men protect your union! Avoid comparing your lady with any other woman in all circumstances because your darling is unique. Create your own "perfect world" together, and keep the influence of third parties out of your relationship.
