Burlesque Blues - Mark R. O'Neill 2020-01-25

Memphis, Tennessee is a city with a dark past -- a dwelling place for ghosts and a center for the cotton industry and slavery. Known for police

corruption and racism, Memphis is where Martin Luther King, Jr. was murdered, where Elvis overdosed, and where the Dixie mafia centered their drug-smuggling operations in the '70s. Set in the present day,

Burlesque Blues tells the story of an Army veteran and chef from New Orleans, Franco Chevalier, who travels to Memphis to solve the mysterious death of his father in a Beale Street club during a burlesque performance. Was his father looking into the ghosts that seem to haunt the old family estate in Memphis? Or was he on the trail to find the crown jewels of France, which his family supposedly helped to hide before the revolution? The burlesque dancers, lawyers, and professors that Franco comes in contact with seem to have their own agendas, covered with lies, and hidden by smoke. To find the answers, he must find the strength to steer away from temptation and overcome his own anxieties from the war. But will that be enough?

Never Date Your Brother's Best Friend - Jules Barnard 2014-03-06
My plan was perfect... My friend needed a date. And my brother's best friend was single. Problem solved. Until I saw Jaeger for the first time in years, and sparks flew in the wrong direction. Jaeger has grown up and bulked up. But that shouldn't matter, because I have the perfect life. Really. Only my plans are beginning to unravel and now visions of Jaeger's hard abs, broad shoulders, and intense green eyes fill my head. I should hold back in case my friend is interested. Or in case of a million other reasons. But if Jaeger isn't willing to play by the rules, I don't think I can either. ----- "Addictive and marvelously refreshing." ~ Rumpel Sheets Blog "Realistic characters and smart writing." ~ Lauren Layne, USA Today Bestselling Author Grab NEVER DATE YOUR BROTHER'S BEST FRIEND now! Person of Interest - Rick MCCANN 2010-06-28
When you're a cop, sometimes the answers come easy and the bad guy is easy to find and lock up. Sometimes, it's not that simple and you find yourself deep into an investigation that leads you in many different directions and twists and turns and throws one curve ball after the

other. Sometimes, the person that you suspected committed the crime, isn't the person at all and you're left chasing shadows, unknowns and Persons of Interest.

A PERSISTENT SOUL - Manoj Patil 2018-09-24
"In the Western countries, first they are strangers, then they become friends, then they become more than friends, then they become strangers again" A Persistent Soul is a story of Sagar and Kimberly who love each other but they understand 'love' differently. She is 23, he is 24. She is beautiful and he is an average looking guy. She is British and he is an Indian. They both are students. He is simple, optimistic, enthusiastic and ambitious. She is hard-headed, unyielding, unforgiving and intolerant but both are heartwarming and exhilarating. Accidentally they meet, become friends and fall in love. She is a right girl for him and he is a right guy for her but is the 'time' right for both of them? A middle-class Indian boy, who is new to the Western world, does not understand the Western theory of love. He falls in love with a girl and decides to spend the rest of the life with her. Kimberly is an over thinker and wants to take every step slowly. She has secrets which she doesn't want to tell anyone and he is the one who wants to know everything. The author Manoj Patil takes us through an incredible journey of love and loss with his debut novel 'A Persistent Soul'. The story of the journey of their love is described beautifully provide vivid sketches of beautiful Newcastle town that form the milieu for their romance. Kimberly's complex character and her complicated past, Western life and culture sensitively brought out through the eyes of a middle-class Indian who persists through storms and rough seas to unite with her spirited lover.

In the Maid's Room - Hagen Engler 2016-05-01

Good Trouble - Joe Biel 2016-03-15
In 1996, everything about Joe Biel's life seemed like a mistake. He was 18, he lived in Cleveland, he got drunk every day, and he had mystery health problems and weird social tics. All his friends' lives were as bad or worse. To escape a nihilistic, apocalyptic worldview and to bring reading and documentation into a communal punk scene, he started assembling

zines and bringing them in milk crates to underground punk shows. Eventually this became Microcosm Publishing. But Biel's head for math was stronger than his ability to relate to people, and it wasn't until he was diagnosed with Asperger's Syndrome that it all began to fall into place. This is the story of how, over 20 years, one person turned a litany of continuing mistakes and seeming wrong turns into a happy, fulfilled life and a thriving publishing business that defies all odds.

Evidence Law - Laurie L. Levenson 2022-09-14

Buy a new version of this textbook and receive access to the Connected eBook with Study Center on CasebookConnect, including: lifetime access to the online ebook with highlight, annotation, and search capabilities; practice questions from your favorite study aids; an outline tool and other helpful resources. Connected eBooks provide what you need most to be successful in your law school classes. Learn more about Connected eBooks The combined efforts of the impressive authorship team of Professor Laurie L. Levenson and Justice Brian M. Hoffstadt have produced a casebook that is everything an evidence professor, and the professor's students, would want in a book - clarity in explaining the rules of evidence, examples to test and reinforce their understanding of the rules, carefully edited cases demonstrating the application of the rules, and discussion of complications in application of the rules. Evidence Law: Policy, Practice, and Problems is a straightforward and accessible casebook that is consistent and clear in how it teaches evidence. This book provides a suitable foundation for most students to learn and apply, both in litigation and transactional practices, federal and state evidence laws. This is a masterful, comprehensive, and stimulating teaching tool, with its unique approach of (1) providing the rule; (2) explaining the basis for the rule; (3) demonstrating how it is to be applied; (4) discussing any complications in its application; and (5) providing short, where appropriate, carefully edited cases, regarding the rule. Cases in the book serve to affirm the rule, not provide subtle or exceptional applications of it. Highlights of the First Edition: Sets forth the evidence rules, the rationale for them, examples of their applications, cases demonstrating their use in civil and criminal litigation, and plenty

of problems for classroom discussion and review Each chapter contains summary charts and diagrams to help students follow the requirements and apply the rules Carefully edited cases to ensure clarity in the application of the rules is provided without overwhelming the reader Summary chapter where students can see the rules applied to a sample trial Professors and students will benefit from: An assortment of review questions that professors and students can use to reinforce the students' understanding of the evidence rules Short readings regarding cutting-edge areas of evidence law Examples of contemporary challenges in applying the evidence rules Step-by-step approach for dealing with evidence issues Thorough and clear presentation of hearsay, its exceptions, and its interaction with the right of confrontation Comparisons with the rules for major state jurisdictions

DILUTED INNOCENCE - Angus Hyslop 2015-06-26

A seventeen year old school girl, Jade Langley, is infatuated with her twenty six year old art teacher, Tyron Williams, and she comes up a daring plan to seduce him. Finally, she is successful and they begin a dangerous relationship. However, things start to get out of control after her ex boyfriend is murdered down at the beach. Tyron's girlfriend also finds love letters to him from Jade. This sends her into a mad frenzy and she vandalizes Tyron's house. From there things start to go very wrong for the couple. Circumstances and events beyond their control lead them into making wrong decisions that they both end up regretting.

Empire Waste - T/James Reagan 2014-05-07

In this haute couture-noir novel, T/James Reagan, author of Famous For Nothing, provides his post-Empire vision of the New York fashion scene. Reagan's novel explores all of the taboo subjects plaguing the fashion industry- racism, underage models, eating disorders, pervy photographers, human trafficking, unfair payment practices, and predatory castings. Empire Waste follows Andrew Lorrie, a disgraced

fashion designer, who finds himself unemployable after a disastrous Spring/Summer fashion show. With no other option, Lorrie accepts a job designing a competitors ready-to-wear line. As the line progresses, Lorrie begins to notice that the models who are arriving for castings and go-sees are disappearing. No longer willing to idly stand by while the fashion industry destroys more girls, Andrew becomes devoted to saving these "replaceable" models. Lorrie confronts the industry as well as his own demons in a fast paced and introspective meditation on creation, pain, and exploitation. Empire Waste plays out as a fashion satire, as well as an exploration of New York City and the rules of the fashion industry. Reagan's Empire Waste proves to be a deeply personal exploration of a man living in a post-Empire world where nearly everything is disposable.

[Karma](#) - ENVY 2012-04-18

My future, My destiny, My focus, My life. —ENVY As long as I can remember, it seems like the excuses of men get weaker and weaker concerning them doing something wrong in a relationship. What can I say? Shit happens. Are women any different really than men are? What is next after the tables have turned! This is about how dishonesty plays a big part in our lives. For some reasons, some people find it easier to tell a lie than to tell the truth. You decide. It begins. "I wish you would stop bugging me over and over again. I told you that I am not cheating on you! What the fuck do you want from me?" James kept saying over and

over as he slammed the door and left again, claiming that he was playing cards with his friends, but I knew that he was going to go sleep with his ex-girlfriend. He knew that I knew, but I guess, to ease the pain, he thought it was necessary to lie about it! What fucking nerve did he have thinking that I didn't know what was going on? The door slammed and out he went. I sat on the couch and thought to myself, If he wants to play this game with me, then I will be the one with the last laugh, and when I laugh, everybody listens. When he left the house, I started packing and packing and I never looked back. I knew he was going to come to my job looking for me, but I had security get him out of the building at his first sighting. I really didn't want to see him or hear from him. At that point, I really didn't care if my co-workers knew or not what was going on with my personal situation as long as everyone knew that he and I were not a couple anymore. As a matter of fact, the ignorance of the people at this particular job probably already knew that he was doing this. After all, he worked over at the next building and they couldn't help not to see him in his so-called business lunches, which really was his time to sneak away and have sex with someone! One day, for the hell of it, I followed him, and he ended up at some apartment complex. It looked real shady, and I thought to myself, Wow, he really is taking this shit to another level coming down here. He actually stayed in the car and pulled out his cell phone and looked over his shoulder while making the call, and suddenly a tall black woman with a long blond wig showed up and got in his car. He then pulled off, and I pulled off behind the both of them. They pulled up into a cheesy motel, and both of them got out of the car. He walked up to the window, pulled out cash, and got the key! They went into the room, and I was sitting in my car with binoculars and I could see a good view until she got up and closed the curtains. I sat in my car, not really shocked at that point. I was just disappointed in men. Why do men let you down so much? Is flesh that weak that men just lie about the simplest things or the simplest question? "Do you want me? Do you want to be with me? If you don't just tell me"—this is what the woman normally says, but is her question ever answered? No! Therefore we take things into our own hands. I am definitely going to meet someone and

settle down, and when I do meet him, I will know. So long to James and his cheating ass! Let someone else deal with his shit. I sat there until they closed the curtains and knew that I made the right decision to follow him. He wasn't going to walk over me again. In my opinion, that was when I created my "bitchy" attitude. I was actually called this one day. It didn't seem to bother me because I wasn't considering myself a bitch. I just wasn't going to let someone think that I was going to be that person's doormat. My heart became dark, and cold. I am not saying that I was bitter, but I definitely didn't have any love for the men that came into my life. I thought in my mind that they all were the same at one point—spineless, greedy, and selfish. I must say I thought I knew James, but we were formerly introduced ab

The Ex-Girlfriend of My Ex-Girlfriend Is My Girlfriend - Maddy Court 2021-05-18

This illustrated book of advice on love, dating, and friendship—written by and for queer women and people of marginalized genders—is the new go-to queer relationship handbook. Fix yourself a cup of non-caffeinated herbal tea and prepare to laugh, cry, reminisce, and feel your feelings as you read through these quintessentially queer dating dilemmas. In *The Ex-Girlfriend of My Ex-Girlfriend Is My Girlfriend*, advice columnist Maddy Court (a.k.a. Xena Worrier Princess) answers anonymous queries from lesbian, bisexual, and queer women and people of marginalized genders. Illustrated by comics artist Kelsey Wroten and based on Court's viral zine of the same name, this book features never-before-published letters and responses about first loves, heartbreak, coming out, and queer friendship—all answered with the warmth and honesty of the gay big sister you wish you had. • **BY QUEERS, FOR QUEERS:** This book was written by and for queer women and people of marginalized genders. The questions reflect real experiences that aren't often represented in the media, and the answers offer an important reminder that loving ourselves takes patience, effort, and the support of our friends and communities. • **EXCITING DEBUT AUTHOR:** In 2018, Maddy Court made

the leap from creating niche lesbian memes on Instagram to writing and distributing a series of zines. Never preachy or dismissive, Court offers advice that is sympathetic and straightforward—it's equal parts refreshing vulnerability and remarkable wisdom. • **GORGEOUS ILLUSTRATION:** Kelsey Wroten's art brings the letters to life, immersing the reader in all the joys and disappointments of the contributors who wrote in from all over the world. In addition to the traditional illustrations, each chapter features a paneled mini-comic that speaks to the different themes. • **AMAZING GUEST EXPERTS:** Because one queer cannot possibly hold all the answers, *The Ex-Girlfriend of My Ex-Girlfriend Is My Girlfriend* also includes advice from an incredible roster of guest experts. Author and comedian Samantha Irby; musicians JD Samson and Ellen Kempner; and writers and activists Tyler Ford, Kalyn Heffernan, Lola Pellegrino, and Mey Rude all tackle questions on long-distance breakups, jealousy, love triangles, making friends, and more. Perfect for: • Lesbian, bisexual, and queer women and people of marginalized genders with questions about dating, friendship, and life • Fans of the *Ex-Girlfriend* zine series and followers of @Xenaworrierprincess • Fans of Kelsey Wroten's graphic novels and art [Unintentionally Celibate](#) - Olive Persimmon 2015-02-09 Kinky, pornstar-style sex. In every room and every position. Sex advice for the inept, the knowledgeable, and the sexiest sex-ers having sex. If that's what you're looking for...this is probably not the book for you. Because I'm currently in the middle of the world's greatest stretch of unintentional celibacy. If you want a sexy book like *Fifty Shades of Grey*, this is not it. I haven't had sex in two years, six months, three days and 2.5 hours. During this time, I've learned two facts: Fact one: Granny panties never lead to coitus. Fact two: Using the word coitus never leads to coitus. My comedic tragedy started when I was twelve and looked exactly like the female version of George Costanza from *Seinfeld*. My life was full of shenanigans after that. This humor book is a collection of those tales, ramblings, and adventures. But mostly it's about all of the fabulous sex I'm not having.

Shoo, Jimmy Choo! - Catey Hill 2010

Remember when Sex and the City's Carrie Bradshaw faced the brutal realization that she couldn't buy her apartment because she'd already spent her money on a closet full of Manolos? Well, if Carrie had met Catey first, she'd own her co-op and be on her way to a comfortable retirement! Catey Hill is the online money expert for the Daily News Web site--and author of this humorous, practical "girlfriends guide" to

personal finance for 20- and 30-something females. (The ones with the designer shoes...and maxed-out credit cards.) With a hip, "I've been there" voice along with worksheets and exercises, she helps women evaluate why they spend, get out of debt, and create a savings and retirement plan that even allows for the occasional splurge. Among the topics she covers: student loans, car payments, investing, saving for a home, and more.

Heading South - Catherine Richards 2007-05-26

Heading South is a novel of two parts written by different authors, one depicting the animal-loving painter Cassie and the other the good-humoured Nick, still reeling from being dumped by his fiancée. Can the two ever get together as they are plagued by ex-girlfriends, posh admirers, pets passing away and friends going into labour? This is a hilarious comedy also featuring three dogs, two cats, a pony and a mallard.
