Women Who Love Too Much - Robin Norwood 2014-11-27

THE INTERNATIONAL NO.1 BESTSELLER HELPING MILLIONS OF WOMEN FIND HEALTHIER RELATIONSHIPS 'A life-changing book' Erica Jong Is your relationship the most important thing in your life? Are you constantly thinking and talking about your partner, or finding excuses for their bad behaviour? If you have ever found yourself obsessing over an undeserving partner, this book was written for you. Many women are repeatedly drawn into unhappy and destructive relationships, and then struggle to make these doomed relationships work. In this bestselling psychology book, leading relationship and marriage therapist Robin Norwood reveals why we get into unhealthy relationships and how powerfully addictive they are - and shares her effective framework for finding and sustaining love. Updated edition with a new introduction What readers are saying: 'A must read for everyone, women and men alike' 'One of the best self-help books I have read' 'A life changing book - brutally honest and straightforward - yet full of love and compassion' 'Such an insightful read' 'Brilliant, life-changing'

Dorothea's Daughter and Other Nineteenth-Century Postscripts - Barbara Hardy 2011

Dorothea's Daughter is a stunning new collection of short stories based on novels by Jane Austen, Charlotte Brontë, Charles Dickens, George Eliot, and Thomas Hardy. They are postscripts, rather than sequels, entering into dialogues with the original narratives by developing suggestions in the text. The authors' conclusions are respected, with no changes made to the plot; instead, Barbara Hardy draws out loose threads in the original fabric to weave new material, imagining moments in the characters' future lives.

Nowhere But Here - Katie McGarry 2015

The sheltered daughter of a motorcycle club leader falls unexpectedly in love with a blue-eyed youth who aspires to join the club by protecting her from vindictive rivals. Simultaneous eBook.

The Five Love Languages - Gary Chapman 2009-12-17

Marriage should be based on love, right? But does it seem as though you and your spouse are speaking two different languages? #1 New York Times bestselling author Dr. Gary Chapman guides couples in identifying, understanding, and speaking their spouse's primary love language-quality time, words of affirmation, gifts, acts of service, or physical touch. By learning the five love languages, you and your spouse will discover your unique love languages and learn practical steps in truly loving each other. Chapters are categorized by love language for easy reference, and each one ends with simple steps to express a specific language to your spouse and guide your marriage in the right direction. A newly designed love languages assessment will help you understand and strengthen your relationship. You can build a lasting, loving marriage together. Gary Chapman hosts a nationally syndicated daily radio program called A Love Language Minute that can be heard on more than 150 radio stations as well as the weekly syndicated program Building Relationships with Gary Chapman, which can both be heard on fivelovelanguages.com. The Five Love Languages is a consistent New York Times bestseller - with over 5 million copies sold and translated into 38 languages. This book is a sales phenomenon, with each year outselling the prior for 16 years running!

Misguided Intentions - Codis Hampton II 2017-07-19

Take a step back in time to the mid-1970s—an era of Civil Rights, the Vietnam War, sex, drugs, rock-and-roll, and free love. The younger generation is looking to effect change in society, while the older, more conservative folks want to retain the American way of life. Annie Lee Holmes is struggling to navigate the times. She's endured mean-spirited treatment that would have driven a weaker person crazy, and now she

has children and wonders what's next. One husband has walked out on her and his children. Another has died suddenly, leaving behind another child. And Annie is not quite sure how to be a human being...much less a single parent. Misguided Intentions paints a vivid and moving story of Annie Lee's life journey and its effects on her ever-changing personality as she learns to keep her eyes on where she's going—not where she's been.

Men Are from Mars, Women Are from Venus: A Practical Guide for Improving Communication and Getting What You Want in Your Relationships - John Gray 2012-02-02

Now available as an ebook for the first time, the legendary relationships guide that mothers recommend to their daughters, friends give as gifts and brothers steal from their sisters, MEN ARE FROM MARS AND WOMEN ARE FROM VENUS is inarguably the definitive book on having a happy relationship.

Trial Marriage Husband: Need to Work Hard 5 Anthology - Passion Honey

The night before their wedding, her fiancée ran off with his mistress. Out of frustration, she grabbed the man standing in front of the Civil Affairs Office, "President Mo, your bride has not arrived and my groom has run away...May I suggest we get married?" Before marriage, she said, "Even if we were to share the same bed, nothing would happen between us!" After marriage, he said, "If we don't try, how would we know?"

A Girl Like Her - Bishop Bassey Effiong Orok 2012-01-12

Life is all about choices. The ones you get to make and the ones you don't. You can choose the friends you have and the people you want to employ. You can choose your battles but you can't always choose your enemies. You can choose your goals and your dreams although these things don't always choose you. You can choose what you want to eat and where you want to shop. There is however, three choices you can't make. You can't choose who you fall in love with or who falls in love with you. You also can't choose your family. How well do you know your closest friends or people you choose to have in your life? Your lovers? Your own family? The people who claim to be your friends? Even the people you've just met? Would you do to them what they would try to do to you? Would you try to take their boyfriends? Or would you simply talk about them behind their back? There's a token few who are loyal in that world. What will your friends do for you when the chips are down? This is where Lexi lives, right in the middle of her chaotic events. Everything that happens always begins with something she says, knows, or does, often with disastrous results. She sees everything through her purple tinted sunglasses. What will happen when she loses the glasses and starts seeing things for what they really are? In a strangely humorous way, live the ups and downs of her and her friends' romances. Will she choose the nice guy or the bad boy? Will the nice guy become a jerk or will the bad boy become nice? How do people react to situations they aren't used to being in? Welcome to Lexi's world. Her life is sent through a wringer with Church Boy Blaine, her rock star boyfriend Izzy, a famous dad she didn't know she had, and everyone else in her life. People aren't ever what they seem to be. Just look at the chapter titles. That should be enough to want to know more. I would call this tale a twisted dark romance with a keen sense of humor. Something like a warped modern day Romeo and Juliet with all the modern problems. Sorry, no vampires here. Once you start reading you probably won't even miss them. There are plenty of bloodsuckers of a different kind. Careful, you might even learn something. If nothing else, you'll get sucked into these colorful and sometimes unlikable people's lives. It's all about love and hate and the thin line in between. If you're the least bit curious open it to any page and read. You'll want to keep reading to find out what happens. You'll get addicted, you'll want more. I hope.

Attached - Amir Levine 2012-01-05

"Over a decade after its publication, one book on dating has people firmly in its grip." —The New York Times We already rely on science to tell us what to eat, when to exercise, and how long to sleep. Why not use science to help us improve our relationships? In this revolutionary book, psychiatrist and neuroscientist

Dr. Amir Levine and Rachel Heller scientifically explain why some people seem to navigate relationships effortlessly, while others struggle. Discover how an understanding of adult attachment—the most advanced relationship science in existence today—can help us find and sustain love. Pioneered by psychologist John Bowlby in the 1950s, the field of attachment posits that each of us behaves in relationships in one of three distinct ways: • Anxious people are often preoccupied with their relationships and tend to worry about their partner's ability to love them back • Avoidant people equate intimacy with a loss of independence and constantly try to minimize closeness. • Secure people feel comfortable with intimacy and are usually warm and loving. Attached guides readers in determining what attachment style they and their mate (or potential mate) follow, offering a road map for building stronger, more fulfilling connections with the people they love.

Ancient Traditions and Secret Families - Jay Lucas 2023-06-26

Joe was living what he thought was a normal life with his girlfriend Laura. He knew his girlfriend was right about getting a new job that paid better, but hated to admit she was right. The aspirations of a home and getting married made him think that she was behind the job recruiter that came harassing him with a job offer. When he gave in and talked to the recruiter, he did not expect him to call his bluff on the pay increase he asked for. The job was a simple one of driving an old man around town and taking care of the car. He never expected Mr. Preston to have wealth and need a driver who had no experience acting like a chauffeur. Joe soon found out that working for Mr. Preston was nothing that he expected as it was a constant party of girls all with the approval and watchful eyes of his wife. It was a strange life that paid well and soon found himself without a girlfriend and living at the Preston mansion. Mr. Preston was old but acted like a bachelor in his twenties who had boundless energy for strip clubs and female escorts. After months of working for such an odd man, he could see that his age was catching up on him. It soon became apparent that the job would be ending when Mr. Preston became bed ridden. There was no need for a driver when he could not get out of bed and Joe figured that he would be out of a job. Not one for assuming he would be I the will, he did think that he might get the expensive sports car that he used to drive Mr. Preston around in. On his death bed, Joe found out that he was not just getting the car, but a life that he never knew existed. The secret that was held from him was that he was not some random hire, but a member of the family who was in line to take over. Joe finds himself the heir apparent to an ancient family whose blood lines date back to biblical times. He must now go through the initiation of being a member of the family that was from the long-lost city of Gomorrah who was known for their sexual perversions. Thinking it was just the money he inherited soon ends when he finds out that there are other families to this lost city, and they all want to celebrate him in being the head of a house from the lost city.

Hell Hath No Fury Like Her: The Making of Christine - Lee Gambin

"B-B-B-B Bad... Bad to the bone..." Packed with interviews from director John Carpenter, screenwriter Bill Phillips, producer Richard Kobritz, stars Keith Gordon and Alexandra Paul, plus various members of the cast and crew including co-composer Alan Howarth and SFX artist Roy Arbogast, "Hell Hath No Fury: The Making of Christine" is a definitive look at the 1983 cinematic adaptation of Stephen King's terrifying novel about the eponymous demonic Plymouth Fury and the obsessive teenage boy who loves her. Author Lee Gambin examines Carpenter's film by exploring themes such as possession, gender politics, sexuality, the use of rock'n'roll, the complexities of varied relationships, class resentment, the landscape of suburbia, the alienation felt during teenage years and more, including a recurring coverage of cars in film (both supernatural and not). Loaded with photographs as well as production notes, this book is essential for all John Carpenter fans, Stephen King devotees, horror film enthusiasts and for anyone who can remember their first car. So buckle in and take a ride and remember "Rock'n'Roll is here to stay! It will never die!"

*The Subtle Art of Not Giving a F*ck* - Mark Manson 2016-09-13

#1 New York Times Bestseller Over 10 million copies sold In this generation-defining self-help guide, a superstar blogger cuts through the crap to show us how to stop trying to be "positive" all the time so that

we can truly become better, happier people. For decades, we've been told that positive thinking is the key to a happy, rich life. "F**k positivity," Mark Manson says. "Let's be honest, shit is f**ked and we have to live with it." In his wildly popular Internet blog, Manson doesn't sugarcoat or equivocate. He tells it like it is—a dose of raw, refreshing, honest truth that is sorely lacking today. The Subtle Art of Not Giving a F**k is his antidote to the coddling, let's-all-feel-good mindset that has infected American society and spoiled a generation, rewarding them with gold medals just for showing up. Manson makes the argument, backed both by academic research and well-timed poop jokes, that improving our lives hinges not on our ability to turn lemons into lemonade, but on learning to stomach lemons better. Human beings are flawed and limited—"not everybody can be extraordinary, there are winners and losers in society, and some of it is not fair or your fault." Manson advises us to get to know our limitations and accept them. Once we embrace our fears, faults, and uncertainties, once we stop running and avoiding and start confronting painful truths, we can begin to find the courage, perseverance, honesty, responsibility, curiosity, and forgiveness we seek. There are only so many things we can give a f**k about so we need to figure out which ones really matter, Manson makes clear. While money is nice, caring about what you do with your life is better, because true wealth is about experience. A much-needed grab-you-by-the-shoulders-and-look-you-in-the-eye moment of real-talk, filled with entertaining stories and profane, ruthless humor, The Subtle Art of Not Giving a F**k is a refreshing slap for a generation to help them lead contented, grounded lives.

Love Like Her - Claudia Burgoa

Eros Brassard and I met at JFK years ago while trying to catch two different planes. We had an instant connection that was too powerful to deny. Love happened, and we hooked up. After our crazy romp, we agreed we couldn't be together. We live too far away to make it work. Yet ever since, destiny has brought us together. Our paths have crossed so many times it's obvious fate has intervened in our lives. But there's always something else—or someone else—getting in the way. Until now. I'm hired to plan the wedding of Eros' best friend, Misty. He thought Misty was the one who got away... until I walked in. Will circumstances push us apart again? Or is it the perfect time... maybe... for us to finally admit the truth? *** Love Like Her is a funny rom-com of fated lovers and cute crushes. This warm novel that's cozy and flirty portrays a perfect ending of second—or third—or fourth—chances.

Exaholics - L. Bobby 2015

Severing a relationship is one of life's most painful experiences--and cutting those ties can feel like ending an addiction. Exaholics offers meaningful support to anyone trapped in the obsessive pain of a broken attachment. She helps the brokenhearted heal, showing them how to understand the emotional processes at work inside themselves, find the path to recovery, and free themselves of shame, injured ego, and remorse.

Someone Like Her: The exquisite, heart-wrenching, eye-opening new novel from the bestselling author of No Honour - Awais Khan 2023-08-17

A young Pakistani woman is the victim of an unthinkable act of vengeance, when she defies convention for love, facing seemingly insurmountable challenges and danger as she attempts to rebuild her life. `Stunning, shocking, compulsive reading ... A breathtaking masterpiece' Hazel Prior `Pacy, gripping and fast-moving ... I literally could not put it down!' Edel Coffey `Rarely has a writer affected me so deeply. Someone Like Her is an epic story of love, power and extraordinary courage' A.J. West ----- Multan, Pakistan. A conservative city where an unmarried woman over the age of twenty-five is considered a curse by her family. Ayesha is twenty-seven. Independent and happily single, she has evaded an arranged marriage because of her family's reduced circumstances. When she catches the eye of powerful, wealthy Raza, it seems like the answer to her parents' prayers. But Ayesha is in love with someone else, and when she refuses to give up on him, Raza resorts to unthinkable revenge... Ayesha travels to London to rebuild her life and there she meets Kamil, an emotionally damaged man who has demons of his own. They embark on a friendship that could mean salvation for both of them, but danger stalks Ayesha in London, too. With her life thrown into turmoil, she is forced to make a decision that could change her and everyone she loves forever. Exquisitely written, populated by unforgettable characters and rich with poignant, powerful

themes, Someone Like Her is a story of love and family, of corruption and calamity, of courage and hope ... and one woman's determination to thwart convention and find peace, at whatever cost...

----- `Khan brings passion and a clear eye to this compelling story of female defiance in the face of corruption and violence. If you're a fan of Khaled Hosseini ... this is for you´ Paul Waters `A heart-rending and compelling story. Khan treats his characters with love and respect. I couldn't put it down´ Alice Clark-Platts `Breaks your heart but then gradually heals it´ Mira V Shah `A dark and frightening story of corruption, oppression, possession and violence yet is beautifully and sensitively written by a brave, bold author´ Michael Wood `Tackles deep-rooted societal issues with brutal yet touching honesty´ A.A.

Chaudhuri `An excellent storyteller´ Soniah Kamal `An epic story of love, abuse and revenge ... an emotional rollercoaster as Awais Khan confronts societal injustices with unflinching honesty´ Eve Smith `Khan lays bare the trauma of women, relegated to second-class citizenship in this compelling tale of brutality and bravery. First-class writing´ Marion Todd `Tender and powerful ... his best yet´ Sonia Velton `Compelling, painful and defiant´ Elyse John `Arguably Khan's best work´ Pakistan Daily `Kept me turning the pages late into the night´ Aliya Ali-Afzal `A gripping and emotive story of ambition, resilience and love´ Heleen Kist `Insightful storytelling´ Faiqa Mansab `Both timely and timeless´ Saba Karim Khan
