*Tea Parties for Dads* - Jenna McCarthy 2010

Uh-oh, it's a girl. For new fathers, understanding the world of girls can be puzzling — what with their obsessions for fairies, mermaids, glitter and pink, ballerinas, and, well, tea parties. *Tea Parties for Dads* is a friendly cheat sheet for new dads that demystifies these topics and delivers some key "talking points." Twenty-five key topics that all good fathers should know and understand if they want to know and understand their daughters — from dress up to dolls, from horses to magic and spells. With a smart sense of humor, parent and author Jenna McCarthy explains just what's so fascinating about all

### **I've Still Got It...I Just Can't Remember**

**Where I Put It** - Jenna McCarthy 2014-07-01

Welcome to Middle Age! Please check your functioning internal thermostat and razor-sharp memory at the door and pour yourself a nice, stiff drink... Jenna McCarthy might be forty-something, but she doesn't feel forty-something. She certainly doesn't look forty-something. (Actually she does, but she's in denial so maybe don't mention it?) And between complaining about how tired she is, trying to remember what she came in here for and wondering whether she drinks too much, she does not have time for a crisis. She has, however, had time to crack the mysterious midlife code. She's figured out how to tame her muffin top, keep the spark in her marriage and probably not die a fiery hoarder's death. She's learned the trick to looking ten years younger and the secret to feeling ten times

happier (and it only cost \$14.99 plus shipping and handling). And she's discovered the one thing she will need to do for the rest of ever if she's going to continue to refuse to "dress her age." Tackling everything from cosmetic surgery and financial panic to skinny jeans and the meaning of life, *I've Still Got It...* is a middle age manifesto filled with hilarious misadventures, humiliating confessions and occasional (hot) flashes of genius.

**Pretty Much Screwed** - Jenna McCarthy  
2015-07-07

The author of the hysterical memoirs *I've Still Got It...I Just Can't Remember Where I Put It* and *If It Was Easy, They'd Call the Whole Damn Thing a Honeymoon* turns her comedic talents to fiction with a novel about picking yourself up out of the gutter when life kicks you to the curb... For Charlotte Crawford, the worst part about being dumped after twenty years of marriage is that her husband, Jack, doesn't want another woman; he just doesn't want her. Forty-two and

clueless, Charlotte is a fish out of water in a dating pool teeming with losers. Just when she thinks she's finally put her failed marriage behind her, it comes back to bite her in the ass...hard. Without warning, Charlotte finds herself staring down the barrel of a future she wouldn't (she would totally) wish on her worst enemy. Engaging, fearless, and relentlessly funny, *Pretty Much Screwed* is a story of love, loss, friendship, forgiveness, turtledoves, taxidermy, and one hilariously ill-placed tick. [Maggie Malone and the Mostly Magical Boots](#) - Jenna McCarthy 2014-05-06

If you could be anyone—who would you choose? Sixth grader Maggie Malone is having her worst birthday ever. She's the new girl at Pinkerton Middle School where she has zero friends. And her favorite gift-giving aunt sent her a pair of boring, brown, hand-me-down boots. (Yeah, those'll make her popular.) Maggie wishes her life could be more like tween pop sensation Becca Starr's. BAM! When Maggie looks around

there's no ball gown or handsome prince—just a bright spotlight...and twenty thousand screaming fans. It turns out Maggie's boots are more than a little magical. And now she gets to spend a day in the life of anyone she chooses... Be careful what you wish for...

*The Marriage Test* - Jill Andres 2016-02-02

A crash course in commitment: one couple and forty dates that could make or break their marriage before the wedding. Picking a partner is life's most important decision, but how are we supposed to make it? Being in love is a good start, but the issues that ultimately wreck marriages—money and monogamy, career and kids—are hard to gauge until you're actually hitched. So after a few years of dating, Jill

Andres and Brook Silva-Braga built The Marriage Test to confirm their compatibility before saying "I do." Forty revealing challenges simulate the issues that could tank or strengthen their union. For a month, they swap credit cards, for a weekend they borrow a baby. An embarrassing lunch with their exes tests their trust issues. Sexual gymnastics are required to recreate TV love scenes. From a night of speed dating to 24 hours handcuffed together, the crazy, awkward, emotional trials fling them headfirst into assorted marital minefields. Is their love strong enough to weather real life? Only forty dates will tell...

days of being hurt and controlled by Juliana Alexander are over. It turns out, Juliana isn't about to let a little detail like death stop her. The three estranged sisters—one control freak, one peacekeeper and one red hot mess—are shocked to discover that their mother was hiding a massive fortune, one that promises to completely transform all of their lives. But in classic Juliana fashion, there's a catch. Three of them, to be exact. Now Jules, Brooke, and Lexi find themselves forced to rely on one another in order to become the women their mother wanted them to be. With millions of dollars on the line and as many obstacles in the way, the sisters embark on a hilarious journey of self-discovery, forgiveness, and the real meaning of wealth. *Does This Boyfriend Make My Butt Look Big?* - Jenna McCarthy 2014-02-26

Abby Douglas grew up with a distant dad and a desperate hot mess of a mom. Now she's got a thing for bad boys, a weakness for fad diets, and ironically, a job as an advice columnist. When she accidentally cheats on her supposed boyfriend with a mysterious older man, Abby's already confusing world gets turned upside down. As she struggles to find her footing, Abby discovers that sometimes a lost cat, a furious friend, and a bag of Doritos can change everything.

**365 Nights** - Charla Muller 2008-10-13

When Charla Muller's husband turned 40, she gave him something memorable. Sex. Every day.

## If It Was Easy Theyd Call The Whole Damn Thing A Honeymoon Living With And Loving

For an entire year. The Mullers had a solid marriage and two wonderful children, but over the years sex had fallen low on their to-do list. The lack of intimacy wasn't causing them to drift apart, but their connection didn't seem as great as it could be. Charla decided she couldn't go on pretending the relationship they once had wasn't important. The couple would embark on a year of scheduled sex, falling over Tonka trucks and piles of laundry in an effort to make time for each other. There were obstacles along the way (work implosions, faking it) and questions came to light. Will sex every day strengthen a marriage, or reveal the cracks? Pull a couple together or drive them apart? Does good sex (even mediocre sex) make up for things that aren't so good? And what happens when you'd just rather not?

**Maggie Malone Makes a Splash** - Jenna McCarthy 2015-05-05

Life isn't always smooth sailing—even with magical boots! "A fanciful and fun read—where

do we get a pair of those boots?" —Sheryl Berk

and Carrie Berk, authors of The Cupcake Club series Maggie Malone wants to fit in at her new school, so she decides to join the swim team. Only her tryout is a complete flop (of the belly variety, to be exact). What Maggie needs is a little help from her mostly magical boots! What could be better than spending a day as Marina Tide, daughter of a famous oceanographer? So Maggie jumps into Marina's shoes—er, flippers—for a day of sunbathing, ocean breezes and an adorable pet dolphin! But there's a treasure-hunting traitor aboard her ship... and it's up to Maggie to save the crew and the coral reef before her time runs out. "This lighthearted contemporary fantasy will appeal to fans of Sarah Mlynowski's "Whatever After" series and be a nice fit for readers graduating from the "Katie Kazoo" series by Nancy Krulik." —School Library Journal

**Do I Have to Say Hello? Aunt Delia's Manners Quiz for Kids and Their Grownups**

## If It Was Easy Theyd Call The Whole Damn Thing A Honeymoon Living With And Loving

~~-Delia Ephron 2015-11-03~~

Twenty-five years after its original publication, Do I Have to Say Hello? Aunt Delia's Manners Quiz for Kids and Their Grown-ups is back, and do we and our kids all need it. In a series of light-hearted multiple choice quizzes, alternate scenarios, and true-or-false questions, Delia Ephron and Edward Koren, the author and illustrator team who brought us the best-selling How to Eat Like a Child, depict a range of possibilities that reflect life as it is as well as life as it ought to be. Covering table manners, car manners, playground manners, school manners, and more, this is a book that is sure to delight (and horrify) adults and children of all ages. Aunt Delia knows what makes the difference between a pleasant and an excruciating visit to a friend's house in the company of a young child. She knows the proper order in which the following actions take place: (a) Throw up; (b) Get out of the car; (c) Ask Uncle Jerry to pull over. In short, she is practical and basic: she

~~does not get into fish forks, but she knows what to do with bubble gum. She also deals with such things as kindness, sharing, consideration, generosity, and diplomacy. Delia Ephron's painfully on-target text is complemented by Edward Koren's hilarious drawings, which—~~as ever—present us not as we might wish to appear, but as we really are.

### **Have Milk, Will Travel: Adventures in**

**Breastfeeding** - Buller Rachel Epp 2013-08-01

Have Milk, Will Travel: Adventures in Breastfeeding reveals the lighter side of nursing and throws a lifeline to mothers in the thick of lactation. Knowing that other mothers struggle to breastfeed, go to extreme lengths to regulate milk supply, or even unwittingly pump breast milk while on the radio, readers can be assured that they are not alone in having lost all modesty and that, in fact, they may be doing better than most. With a foreword written by Pump Station founders Wendy Haldeman and Corky Harvey, Have Milk, Will Travel collects stories and

poems by both established and emerging writers who address with brutal honesty the trials, tribulations, and laugh-out-loud turbulence of life as the one-stop milk shop.

### **Letters to My Ex - CICI B 2016-02-29**

Cici. B's debut novel, *Letters To My Ex*, is a collection of letters written to a past love over a three year period of time that was never sent to him--but they are far from your typical love letters. If you are looking for a politically correct story, one with words that float on sugar-coated clouds as the sun sets, this story isn't for you. Heartbroken and confused, Cici. B pours her unfiltered emotions onto the pages. This isn't a "light read" or a "how to guide." It is raw, vulnerable and vivid. These letters tell the story of a woman who gave her all to a man, was broken, her journey of discovery, and self-healing. This novel is for all of the women who have given their everything to the wrong man, because sometimes, just knowing that someone has experienced and survived the same pain as

~~you, can make all the difference in the world.~~

"Hilarious, smart, and utterly addicting. Watch out, Nora Ephron." -Valerie Frankel  
Jenna McCarthy presents an uproarious but insightful peek behind the curtains at the unholy state of matrimony. With ballsy wit and bawdy humor, she explores everything from male domestic idiocy and the frustrating misfires in spousal communication to how to stay true to the peskiest of vows: forsaking all others. Part in-your-face guide, part brutal confession, this book is a must-read manifesto on surviving marriage in an age when everyone seems to live forever and getting a divorce is as easy as ordering a latte.

parenting guide is really two books in one. Tips for Mom are collected in one half, then Dad turns the book over to find parenting advice written specifically for him. Both halves are crammed with the support and guidance first-time parents really need. Readers learn how to keep baby happy and healthy, how Dad can help Mom through the brutal first months, how Mom can keep Dad involved, how to handle meddling in-laws, how parents can still be lovers, and what to expect, what's normal, what's not, and what to do about it. With its stylish design and hip, friendly, "been there, done that" advice, the book is a thoughtful gift for those thoroughly modern, capable couples suddenly thrust into the chaos of parenthood.
