*Dirty Rowdy Thing* Christina Lauren 2014-11-04 Unlike her best friends Mia and Lola, Harlow Vega has a reputation for always being up for a fling. Twelve drunk and wild hours in Sin City married to the ridiculously hot and rugged Canadian fisherman Finn Roberts, who (no surprise) is amazing with his muscular hands - and his lips and the rest of his body - was just her speed. But it was just a thing: dirty, rowdy, and easy... until Finn turns up in her hometown on business. Harlow's not ready to be tied down but when the whole crew is hanging out together, there's just something about him. It may not be love (hell, it may not even be like), but their exciting, tension-filled hookups provide the perfect distraction from the scary life changes they're both facing - challenges neither is sure how to handle, let alone fix. One night together turns into two, and soon Finn's mysterious business trip has gone on for weeks. They agreed on the sex-wild, wet, kinky-but now their bordercrossing booty call is starting to feel like the real deal. And for two people used to being in control, taking the ultimate plunge by falling in love feels a lot more like flat-out falling.

Roomies Christina Lauren 2017-12-05 Rescued by Calvin McLoughlin from a would-be subway attacker, Holland Bakker pays the brilliant musician back by pulling some of her errand-girl strings and getting him an audition with a bigtime musical director. When the tryout goes better than even Holland could have imagined, Calvin is set for a great entry into Broadway - until he admits his student visa has expired and he's in the country illegally. Holland impulsively offers to wed the Irishman to keep him in New York, her growing infatuation a secret only to him. As their relationship evolves from awkward roommates to besotted lovers, Calvin becomes the darling of Broadway. In the middle of the theatrics and the acting-not-acting, what will it take for Holland and Calvin to realize that they both stopped pretending a long time ago?

Fall Kristen Callihan 2018-10-23 The first time I met Jax Blackwood things went a little sideways. In my defense, I didn't know he was Jax Blackwood—who expects a legendary rock star to be shopping for groceries? More importantly, a blizzard was coming and he was about to grab the last carton of mint-chocolate chip. Still, I might have walked away, but then he smugly dared me to try and take the coveted ice cream. So I kissed him. And distracted that mint-chip right out of his hands. Okay, it was a dirty move, but desperate times and all that. Besides, I never expected he'd

be my new neighbor. An annoying neighbor who takes great pleasure in reminding me that I owe him ice cream but would happily accept more kisses as payment. An irresistible neighbor who keeps me up while playing guitar naked—spectacularly naked—in his living room. Clearly, avoidance is key. Except nothing about Jax is easy to ignore—not the way he makes me laugh, or that his particular brand of darkness matches mine, or how one look from him melts me faster than butter under a hot sun. Neither of us believes in love or forever. Yet we're quickly becoming each other's addiction. But we could be more. We could be everything. All we have to do is trust enough to fall

Starred reviews from Kirkus Reviews \* Publishers Weekly \* Library Journal Named a “Must-Read” by TODAY, Us Weekly, Bustle, BuzzFeed, Goodreads, Entertainment Weekly, Publishers Weekly, Southern Living, Book Riot, Woman's Day, The Toronto Star, and more! For two sworn enemies, anything can happen during the Hawaiian trip of a lifetime—maybe even love—in this romantic comedy from the New York Times bestselling authors of Roomies. Olive Torres is used to being the unlucky twin: from inexplicable mishaps to a recent layoff, her life seems to be almost comically jinxed. By contrast, her sister Ami is an eternal champion...she even managed to finance her entire wedding by winning a slew of contests. Unfortunately for Olive, the only thing worse than constant bad luck is having to spend the wedding day with the best man (and her nemesis), Ethan Thomas. Olive braces herself for wedding hell, determined to put on a brave face, but when the entire wedding party gets food poisoning, the only people who aren't affected are Olive and Ethan. Suddenly there's a free honeymoon up for grabs, and Olive will be damned if Ethan gets to enjoy paradise solo. Agreeing to a temporary truce, the pair head for Maui. After all, ten days of bliss is worth having to assume the role of loving newlyweds, right? But the weird thing is...Olive doesn't mind playing pretend. In fact, the more she pretends to be the luckiest woman alive, the more it feels like she might be. With Christina Lauren's “uniquely hilarious and touching voice” (Entertainment Weekly), The Unhoneymooners is a romance for anyone who has ever felt unlucky in love.

**Tempting Taste** Sara Whitney 2020-02-18 She's chaos. I hate chaos. So why am I obsessed with claiming her smart mouth? I'm out of a job, and it's Josie's fault. She's loud. Pushy. Distractingly gorgeous. Now she's offering to help me start my own wedding cake bakery. She thinks we'd make the perfect partners, but she has no idea what kind of partnership I really want. Someday I'm going to slip. Someday I'm going to bury my fingers in her fiery red hair. That's the day I'll pin her to the wall and show her how perfectly my order and her chaos fit together. Grab this steamy series-starter about a grumpy baker and a feisty PR whiz whose chemistry burns hotter than an oven. Like all Sara Whitney books, Tempting Taste is bursting with playful banter, upbeat vibes, and a very happy ending. "Definitely one of my top 10 favorite book boyfriends of all time." **Duke Gone Rogue** Christy Carlyle 2021-12-28 Christy Carlyle dazzles with the first romance in her enchanting Love on Holiday series. Will Hart, the

Duke of Ashmore, is everything his father was not: scrupulously honest, forbidding, and apparently joyless. As a duke, he's a catch, but as a grumpy stick-in-the mud, no lady knows quite how to catch his eye. When his sisters concoct a plan for him to visit a run-down family property in Cornwall, he reluctantly agrees, hoping it will be a chance for him to rediscover the carefree man he once was. Madeline Ravenwood believes she can do anything she puts her mind to, including running the gardening business she inherited from her father and being a founding member of the Royal Visit Committee. Hard at work preparing for Princess Beatrice's visit to judge their annual flower show, the appearance of a stern, handsome duke is a distraction Maddie doesn't need. Tasked by the committee to convince the duke to repair his ramshackle manor house in time for the royal visit, he agrees, if she will join him as he explores Cornwall. Spending their days, and nights, together, Will's love for Maddie becomes too strong to ignore. But Maddie knows how different their worlds are and when the burdens of his title reappear, can Will convince her that she's the woman he's been waiting for?

**The Soulmate Equation** Christina Lauren 2021-05-18 The New York Times bestselling author of *The Unhoneymooners* returns with a witty and effervescent novel about what happens when two people with everything on the line are thrown together by science—or is it fate? Perfect for fans of *The Rosie Project* and *One Plus One*. Single mom Jess Davis is a data and statistics wizard, but no amount of number crunching can convince her to step back into the dating world. Raised by her grandparents—who now help raise her seven-year-old daughter, Juno—Jess has been left behind too often to feel comfortable letting anyone in. After all, her father's never been around, her hard-partying mother disappeared when she was six, and her ex decided he wasn't "father material" before Juno was even born. Jess holds her loved ones close, but working constantly to stay afloat is hard...and lonely. But then Jess hears about GeneticAlly, a buzzy new DNA-based matchmaking company that's predicted to change dating forever. Finding a soulmate through DNA? The reliability of numbers: This Jess understands. At least she thought she did, until her test shows an unheard-of 98% compatibility with another subject in the database: GeneticAlly's founder, Dr. River Pena. This is one number she can't wrap her head around, because she already knows Dr. Pena. The stuck-up, stubborn man is without a doubt not her soulmate. But GeneticAlly has a proposition: Get to know him and we'll pay you. Jess—who is barely making ends meet—is in no position to turn it down, despite her skepticism about the project and her dislike for River. As the pair are dragged from one event to the next as the "Diamond" pairing that could make GeneticAlly a mint in stock prices, Jess begins to realize that there might be more to the scientist—and the science behind a soulmate—than she thought. Funny, warm, and full of heart, *The Soulmate Equation* proves that the delicate balance between fate and choice can never be calculated.

When a guy named Martin Nathaniel Munroe II texts you, it should be obvious who you're talking to. Except there's two of them (it's a long story), and Haley thinks she's talking to the one she doesn't hate. A question about a class project rapidly evolves into an all-consuming conversation. Haley finds that Martin is actually willing to listen to her weird facts and unusual obsessions, and Martin feels like Haley is the first person to really see who he is. Haley and Martin might be too awkward to hang out in real life, but over text, they're becoming addicted to each other. There's just one problem: Haley doesn't know who Martin is. And Martin doesn't know that Haley doesn't know. But they better figure it out fast before their meet-cute becomes an epic meet-disaster . . .

they repeat it enough, maybe it'll be true . . . Hazel knows she's a lot to take - and frankly, most men aren't up to the challenge. If her army of pets and taste for the absurd don't send them running, her lack of filter and tendency to say exactly the wrong thing will. Their loss. Not everyone can handle a Hazel. Josh has known Hazel since college. From the first night they met - when she gracelessly threw up on his shoes - to when she sent him an unintelligible email while in a post-surgical haze, Josh has always thought of Hazel more as a spectacle than a peer. But now, ten years later, after a cheating girlfriend has turned his life upside down, going out with Hazel is a breath of fresh air. Not that Josh and Hazel date. At least, not each other. Because setting each other up on progressively terrible double blind dates means there's nothing between them . . . right? *Cold Day in the Sun* Sara Biren 2019-03-12 From the author of *The Last Thing You Said*, a YA romance about a girl on a boys hockey team who happens to fall for the team captain. Holland Delviss wants to be known for her talent as a hockey player, not a hockey player who happens to be a girl. So, to keep her spot on the boys' varsity team, she has rules: Practice harder than anyone else, even if that means 5 A.M. training sessions. Keep a low profile, even if that means ignoring trolls calling her a distraction, a gimmick, or worse. But when her team is selected for HockeyFest, a televised statewide event, Holland becomes the lead story (Goodbye, rule #2!). Not everyone is thrilled with Holland's new fame, but there's one person who fiercely supports her, and it's the last person she expects: her bossy team co-captain, Wes. And Wes begins surprising her. He shares her passion for '80s glam metal, and his touch feels strangely electric. With the cameras set to roll, Holland is dangerously close to breaking yet another rule: No dating teammates, ever. A deeply romantic and empowering novel about shutting out the noise from the crowd, so you can listen to your heart. A Junior Library Guild Selection "A fun romp of a teen romance via an exciting hockey season, this book has all the right ingredients—a spunky, multifaceted main character, a love interest who turns out to be a decent individual, and plenty of internal and external conflict. . . . A teenage love story steamy enough to melt the ice in the rink." —Kirkus Reviews "A fun read that simultaneously puts the reader into the hockey world as an insider and an outsider. . . . It's a last-act gut punch that really puts a spotlight on what female athletes have to deal with. A must-read for anyone who has had to defy expectations." ?Booklist
