Radical Ecstasy - Dossie Easton 2011-08-02

For millennia, seekers have used physical and emotional extremes to achieve transcendence and exaltation. Today, many BDSM and leather practitioners are discovering the potential of SM practice to reach personal, interpersonal and spiritual goals. In *Radical Ecstasy*, bestselling BDSM/sexuality authors Easton and Hardy document their own journeys into the transcendent realm of kink. With their trademark frankness and humor, they share their own stories and philosophies. They also share techniques that have worked for them - techniques which combine tantric breathing, visualization and movement with a combined half-century of BDSM experience - to create states of transcendence during solo and partnered sexual and BDSM practice. As outrageously revolutionary as any sex book published in the last decade, *Radical Ecstasy* sets the stage for the new millennium in BDSM and sacred-sex practices - a "must" for any kink, tantra, pagan or sacred-sex practitioner. "Amazingly mindful exploration of that which cannot be easily put into words... the ecstatic experience from sex to sadomasochism, from trance to intuition to archetypes and spiritual awakening. Totally real and personal. Not a 'how to' but a nurturing 'can do' book." - Fakir Musafar, father of the modern primitive movement. "Progressive, deliciously honest, and HOT HOT HOT! Dossie and Janet ask difficult questions about the nature of sex, intimacy and ecstasy, then they actually manage to answer the questions, plus turn us on when they do. These two erotically gifted women have a way with words - and sex. They raise the bar on erotic writing and sex education to new heights. I'm in awe." - Annie Sprinkle, Ph.D., prostitute/porn star turned sex guru/sexologist "Fascinating, heartfelt,

honest, real stories of the heart/spirit/energy connection experienced in the passionate rituals of intimate consensual power play. These two courageous women write brilliantly of how erotic energies connect us with the big love we all seek from the source." - Cleo Dubois, educator, ritualist, video producer/star

Playing Without a Partner - Megan Stubbs 2021-04-13

There are more single adults in the US now than ever before, about 45% of the population (according to the 2018 US Census). Whether single by choice or actively looking for a partner, single adults face unique challenges in their sexual and sensual lives. There is this idea that long-term couples have stagnant sex, and singles are out there partying and having great sex. But singles often deal with near-strangers who don't know their bodies, and don't necessarily have love, trust, and respect for them. This doesn't always make for better sex, or even good sex, so how do we make this easier? Sexologist and relationships expert Megan Stubbs is here to kill the stigma attached to single lifestyles, and provide advice on how to not only embrace single sexuality, but make the most of the time while single. This is not an advice book on how to find a partner to cure what ails you—this book recognizes that whether looking for a long-term partner, actively dating, or happily single, there can be difficult aspects to single sexuality. But there are also ways to optimize your pleasure, improve your interactions, feel sensual and erotic, and have an empowered sex life while still single. Join Stubbs on this all-inclusive journey through singlehood!
