**Ready-Made Book Displays** - Nancy M. Henkel 2011-07-13

Providing more than 50 fiction display descriptions, this book identifies themes for the entire year and includes titles for signage, annotated book lists, prop and material ideas, as well as photographs that show how to pull it all together. Proper library merchandising doesn't have to be prohibitively expensive, time-consuming, or constitute a huge headache. Ready-Made Book Displays explains the principles behind effective displays and presents a wide variety of ready-made book displays that can be easily replicated, providing catchy titles, materials and props lists, reproducible hand-outs, and photographs to guide librarians in quickly assembling successful displays. These display ideas can be utilized in several different venues—in-shelf, point-of-checkout, display case, and others—and can be targeted to coincide with events, holidays, and celebrations, as well as for general book promotion. Each of the 55 fiction displays includes a prop idea list, a related Dewey subject list, media tie-ins, and an annotated and reproducible booklist. It's everything the busy librarian needs to create appealing, successful book displays—all contained in one handy guidebook.

**This Girl** - Colleen Hoover 2013-04-30

From the #1 New York Times bestselling author of *It Starts with Us* and *It Ends with Us*, Colleen Hoover’s bestselling *Slammed* series comes to its gripping conclusion. There are two sides to every love story. Now hear Will’s. Layken and Will’s love has managed to withstand the toughest of circumstances, and the young lovers, now married, are beginning to feel safe and secure in their union. As much as Layken relishes their new life together, she finds herself wanting to know everything there is to know about her husband, even though Will makes it clear he prefers to keep the painful memories of the past where they belong. Still, he can’t resist his wife’s pleas, and so he begins to untangle his side of the story, revealing for the first time

his most intimate feelings and thoughts, retelling both the good and bad moments, and sharing a few shocking confessions of his own from the time when they first met. In *This Girl, Will* tells the story of their complicated relationship from his point of view. Their future rests on how well they deal with the past in this final installment of the beloved *Slammed* series.

[Written on the Body](#) - Jeanette Winterson 2013-04-26

'This book is a deep, sensual plunge, a worship of the body, inside and out' *The Times* In a quiet English suburb, a love affair ignites. For our nameless narrator, Louise is the last in a long line of explosive passions, but the first to have broken their heart. With Louise's husband, Elgin, blocking love's course, their affair is doomed to unravel - until, that is, a terrible choice must be made. With its witty and masterful prose, *Written on the Body* takes the reader on a beguiling and defying exploration of love and its physical forms. 'An ambitious work, at once a love story and a philosophical meditation on the body' *Sunday Telegraph*

Learning Curves - Beth Younger 2009-07-09

Adolescence is a time of growth, change, and confusion for young women. During this transition from childhood to adulthood, sex and gender roles become more important. Meanwhile, depictions of females from the hyper-sexualized girls of music videos to the chaste repression of Purity Balls send mixed messages to young women about their bodies and their sexuality. Over the last several decades, authors of young adult novels have been challenged to reflect this concern in their work and have responded with varying degrees of success. In *Learning Curves: Body Image and Female Sexuality in Young Adult Literature*, Beth Younger examines how cultural assumptions and social constraints are reinforced and complicated through common representations of young women. Each chapter analyzes a recurrent theme in the history of young adult literature, including issues of body image, pregnancy, abortion, lesbianism, and romance. By examining selected novels for their sexual content, situating them within their social and historical context, and analyzing their discursive qualities, the author reveals the multitude of complex ways that society depicts teenagers and their sexualities and offers a critique of patriarchal culture that gives value to the female experience.

**Families Caring for an Aging America** - National Academies of Sciences, Engineering, and Medicine 2016-12-08

Family caregiving affects millions of Americans every day, in all walks of life. At least 17.7 million individuals in the United States are caregivers of an older adult with a health or functional limitation. The nation's family caregivers provide the lion's share of long-term care for our older adult population. They are also central to older adults' access to and receipt of health care and community-based social services. Yet the need to recognize and support caregivers is among the least appreciated challenges facing the aging U.S. population. *Families Caring for an Aging America* examines the prevalence and nature of family caregiving of older adults and the available evidence on the effectiveness of programs, supports, and other interventions designed to support family caregivers. This report also assesses and recommends policies to address the needs of family caregivers and to minimize the barriers that they encounter in trying to meet the needs of older adults.

The Publishers Weekly - 2006

*Un incidente chiamato amore* - Gemma Townley 2017-07-05

Sempre in prima linea nelle più accese battaglie ambientaliste, Jen sente di essere arrivata al capolinea: ne ha abbastanza di sit-in di protesta e rocambolesche operazioni di sabotaggio. Quello di cui ha bisogno è la stabilità di un lavoro vero e così decide di mollare tutto, compreso il fidanzato ecologista (e per di più fedifrago). Cullata dal quieto tran-tran di un impiego a Londra, non pensa certo di imbarcarsi in avventure altrettanto rischiose... Finché un giorno la madre Harriet, che dirige con pugno di ferro la società Green Futures, non la convince a infiltrarsi come tirocinante alla Bell Consulting, l'azienda rivale gestita dall'ex marito. Sì, perché il "caro" George sembra coinvolto in un vero e proprio giro di corruzione. Senza contare che lo spietato uomo d'affari non vede sua figlia da ben 15 anni... Così Jen si ritrova catapultata in un mondo completamente nuovo, fatto di cocktail, abiti firmati e macchine di lusso. E fianco a fianco con un padre che sembra molto diverso dal mostro dipinto da sua madre. Tra espedienti improbabili ed esilaranti malintesi, Jen rischia seriamente di essere sedotta dallo sfavillante universo del business. Nonché dal suo affascinante professore Daniel Peterson... Con lo humour che la contraddistingue, Gemma Townley ci regala una nuova, indimenticabile eroina.

*Introduction to Probability* - Joseph K. Blitzstein 2014-07-24

Developed from celebrated Harvard statistics lectures, *Introduction to Probability* provides essential language and tools for understanding statistics, randomness, and uncertainty. The book explores a wide variety of applications and examples, ranging from coincidences and paradoxes to Google PageRank and Markov chain Monte Carlo (MCMC). Additional application areas explored include genetics, medicine, computer science, and information theory. The print book version includes a code that provides free access to an eBook version. The authors present the material in an accessible style and motivate concepts using real-world examples. Throughout, they use stories to uncover connections between the fundamental distributions in statistics and conditioning to reduce complicated problems to manageable pieces. The book

includes many intuitive explanations, diagrams, and practice problems. Each chapter ends with a section showing how to perform relevant simulations and calculations in R, a free statistical software environment.

Library Journal - Melvil Dewey 2005

Includes, beginning Sept. 15, 1954 (and on the 15th of each month, Sept.-May) a special section: School library journal, ISSN 0000-0035, (called Junior libraries, 1954-May 1961). Also issued separately.

*The Importance of Being Married* - Gemma Townley 2009-01-22

Jessica Wild isn't big on commitment. 'Don't depend on anyone' is her motto. But her friend Grace, a sweet old lady she met in her grandmother's nursing home, can't believe that Jess is truly happy on her own. Eventually Jess caves and tells Grace she's got a boyfriend: her glamorous boss, Anthony Milton. When in time her fantasy boyfriend becomes her fantasy husband, Grace is thrilled for Jess. So much so, that she leaves Jess an inheritance. But there's a snag. It's in the name of Jessica Milton. Grace trusted Jess to look after the house she adored. If Jess is to keep that trust, it will mean turning her Little White Lie into a Big White Wedding - and getting Anthony to fall in love with her and pop the question for real. With the help of her formidable best friend Helen and Gloria, a Russian escort experienced in the ways of men, Jess reluctantly learns the art of flirting, seduction and playing hard to get. But just when it appears that Operation Marriage is a success and Anthony is about to ask the million-dollar question, Jess wonders if it's right to say 'I do' for all the wrong reasons...

**Hot Dudes Reading** - Hot Dudes Reading 2016-04-26

A collection of candid photos, clever captions, and hilarious hashtags about one of the most important subjects of our time: hot dudes reading.

**The Learning Curve** - Mandy Berman 2019-05-28

How are young women supposed to see each other clearly when they can't even see themselves? This razor-sharp novel "perfectly captures [the] power dynamics and identity issues that . . . women are forced to face."—Marie Claire (Best Books of the Year) Fiona and Liv are seniors at Buchanan College, a small liberal arts school in rural Pennsylvania. Fiona, who is still struggling emotionally after the death of her younger sister, is spending her final college year sleeping with abrasive men she meets in bars. Liv is happily coupled and on the fast track to marriage with an all-American frat boy. Both of their journeys, and their friendship, will be derailed by the relationships they develop with Oliver Ash, a ruggedly good-looking visiting literature professor whose first novel was published to great success when he was twenty-six. But now Oliver is in his early forties, with thinning hair and a checkered past, including talk of a relationship with an underage woman—a former student—at a previous teaching job. Meanwhile, Oliver's wife, Simone, is pursuing an academic research project in Berlin, raising their five-year-old son, dealing with her husband's absence, and wondering if their marriage is beyond repair. This sly, stunning, wise-beyond-its-years novel is told from the perspectives of the three women and showcases Mandy Berman's talent for exploring the complexities of desire, friendship, identity, and power dynamics in the contemporary moment. Praise for *The Learning Curve* "Readers expecting a typical love triangle won't find one. Instead, Berman delivers a thorough and incredibly timely investigation into relationship power imbalances that's sure to start a lot of conversations."—The Millions "Fiona and Liv are two best friends who became inseparable after Fiona experienced a family tragedy. Senior year of college, their lives are headed in different directions, and their differences are only highlighted by the sudden arrival of famed writer and controversial figure Oliver Ash. It's not what you think—at least, not entirely. This novel, through different perspectives, explores loss, grief, sex, friendship, power dynamics, and much more."—Betches "You win some, you learn some. *The Learning Curve* by Mandy Berman follows two roommates who develop relationships with a visiting professor with a questionable past. Spoiler: things get complicated."—The Skimm

**Learning Curves** - Gemma Townley 2007-12-18

From the dazzling author of *Little White Lies* and *When in Rome* . . . comes a rollicking new novel of love in the boardroom. Jennifer Bell used to travel the planet with her boyfriend, fighting the good fight for mother Earth. But after the breakup (not a good fight), Jen moved back to London to work for another mother: her own. Harriet Bell founded Green Futures, a consulting firm, after splitting up with Jen's big-shot father, who runs a rival (and Harriet thinks corrupt) company. But Harriet can't expose his crimes without proof.

And she wants Jen to find some. Since Jen hasn't seen her dad in more than fifteen years, it's a snap to infiltrate his company . . . under an assumed name, of course. Soon she's worming her way into the good graces of the company's managers to find evidence of wrongdoing. What she discovers is that her father's world is a whole lot different from her own—filled with Palm Pilots, MBAs, martini lunches, designer suits, and Daniel Peterson, a guy who puts the gorge in gorgeous. Suddenly Jen is torn between Birkenstocks and Jimmy Choos, tree-hugging and air-kissing. Could it be that her Big Bad Dad isn't the monster her mom made him out to be? Or is Jen simply being seduced by the power of hard deals, hot nights, and wads of cash? Only time will tell—preferably from a Cartier watch on the wrist of Daniel Peterson. . . .

*Library Journal* - 2005

[Fix Her Up](#) - Tessa Bailey 2019-06-11

The first in a spicy, hilarious HGTV-inspired romantic comedy trilogy from the #1 New York Times bestselling author of *It Happened One Summer* and *Hook, Line, and Sinker!* Georgette Castle's family runs the best home renovation business in town, but she picked balloons instead of blueprints and they haven't taken her seriously since. Frankly, she's over it. Georgie loves planning children's birthday parties and making people laugh, just not at her own expense. She's determined to fix herself up into a Woman of the

World... whatever that means. Phase one: new framework for her business (a website from this decade, perhaps?) Phase two: a gut-reno on her wardrobe (fyi, leggings are pants.) Phase three: updates to her exterior (do people still wax?) Phase four: put herself on the market (and stop crushing on Travis Ford!) Living her best life means facing the truth: Georgie hasn't been on a date since, well, ever. Nobody's asking the town clown out for a night of hot sex, that's for sure. Maybe if people think she's having a steamy love affair, they'll acknowledge she's not just the "little sister" who paints faces for a living. And who better to help demolish that image than the resident sports star and tabloid favorite? Travis Ford was major league baseball's hottest rookie when an injury ended his career. Now he's flipping houses to keep busy and trying to forget his glory days. But he can't even cross the street without someone recapping his greatest hits. Or making a joke about his... bat. And then there's Georgie, his best friend's sister, who is not a kid anymore. When she proposes a wild scheme—that they pretend to date, to shock her family and help him land a new job—he agrees. What's the harm? It's not like it's real. But the girl Travis used to tease is now a funny, full-of-life woman and there's nothing fake about how much he wants her... "Her voice feels as fresh and contemporary as a Netflix rom-com." —Entertainment Weekly "Fix Her Up ticks all my romance boxes. Not only is it hilarious, it's sweet, endearing, heartwarming and downright sexy. It's a recipe for the perfect love story." - Helena Hunting, New York Times bestselling author of *Meet Cute*
