Love At First Kiss - Olivia T Turner 2020-05-04

It was only supposed to be one night. A thousand dollars to pretend to be Nolan Cline's girlfriend. How could I say no to that? I was probably the only virgin escort on the planet, but Mr. Cline didn't have to know about my lack of experience for the job. All I had to do was hang onto his arm, smile, and look presentable to the rich CEO billionaire's friends and coworkers. It was all great until I saw the possessive and territorial look in Nolan's eyes when he first spotted me in my red dress... Then, I knew that there wouldn't be any pretending between us. It started in the limo... it continued at the gala... until we were so consumed with need for each other that I ended up looking anything but presentable. I might have been the first virgin escort on the planet at the start of the date... But I definitely won't be by the end of it. After one look at his pretend date, Nolan Cline shows Arya just how much of an Over-The-Top possessive alpha he really is. SAFE, no cheating, and a sweet HEA that will have you grinning and blushing! Enjoy!

Love at first sight. That's what it was when Rip Myers came up to me in kindergarten. From that point on, we were inseparable best friends. When I work up the courage to tell Rip that I love him, I am met with rejection. He tells me he treasures our friendship too much. That statement might as well be a knife to my heart. I want to hold out hope that he'll change his mind. Instead, he moves on. The only choice I have is to pretend that doesn't slay me. So, I say yes...to the man I love. But he isn't the man I've been in love with nearly my entire life.

Love at First Sight - Wislawa Szymborska 2022-11-08

A poem by the winner of the Nobel Prize for Literature, illustrated for readers of all ages that will challenge assumptions about falling in love. They're both convinced / that a sudden passion joined them. Such certainty is beautiful, / but uncertainty is more beautiful still. *Love at First Sight* is a poem about love and chance and destiny by the 1996 Polish winner of the Nobel Prize for Literature. Illustrated by Italian artist Beatrice Gasca Queirazza, Szymborska's poem comes to life in entirely new ways for her readers and for lovers everywhere in this oversized book perfect for gift giving. Szymborska tells of two young lovers bound together in an instant—or were they? As the poem unfolds, the reader's assumptions—like those of the lovers themselves—about certainty and destiny are utterly upended, revealing the paradox and mystery of fate. Here is randomness, tricks of memory, and chance, where noticing the smallest details of our intertwined lives is more essential than asking, Are we meant for each other? “Every beginning / is only a sequel, after all...”

Love at First Spite - Anna E. Collins 2022-01-04
Falling in love is the ultimate payback in this delightful, breezy romcom about an interior designer who teams up with an enigmatic architect at her firm to get revenge on her ex the only way she knows how: by building a spite house next door "Filled with sizzling chemistry and delicious revenge, *Love at First Spite* had me smiling from start to finish. This is one debut you don't want to miss!" —Kate Bromley, author of *Talk Bookish to Me* They say living well is the

best revenge. But sometimes, spreading the misery seems a whole lot more satisfying. That's interior designer Dani Porter's justification for buying the vacant lot next to her ex-fiancé's house...the house they were supposed to live in together, before he cheated on her with their Realtor. Dani plans to build a vacation rental that will a) mess with his view and his peace of mind and b) prove that Dani is not someone to be stepped on. Welcome to project Spite House. That plan quickly becomes complicated when Dani is forced to team up with Wyatt Montego, the handsome, haughty architect at her firm, and the only person available to draw up blueprints. Wyatt is terse and stern, the kind of man who eats his sandwich with a knife and fork. But as they spend time together on- and off-site, Dani glimpses something deeper beneath that hard veneer, something surprising, vulnerable, and real. And the closer she gets to her goal, the more she wonders if winning revenge could mean losing something infinitely sweeter... "Rollickingly, fast-paced... Fans of Emily Henry's tales will enjoy Collins' imaginative rom-com." —Booklist "Wyatt is the perfect grumpy romance hero with a heart of gold. An enemies-to-friends-to-lovers story that's sure to delight rom-com fans." —Kirkus Reviews

Love at First Fight - Carrie Aarons 2020-09-03

This summer was supposed to be spent lounging on the beach, madly in love with my boyfriend. Until he decided to move to Singapore, and break up with me an hour before his plane left. Now I'm stuck in a Hamptons house share with six of his closest pals, including his best friend ... who despises me. Since the moment Smith Redfield laid eyes on me, he's hated my guts. I'm serious, I think the raven-haired restaurateur gets physically sick just being in my presence. And he's never been shy about hiding that fact. There was the time he cackled when I landed face first in a pile of Manhattan trash bags. Or the night I tried to throw my ex-boyfriend a surprise party, and Smith had strippers crash the bash. Or maybe it was New Year's Eve, when he got in my face and called me a sheltered goody two-shoes who wouldn't know passion if it smacked me in the lips. He's rooming right next door for the summer months, and I don't think more animosity could exist than in the hallway of our vacation rental. As if I wasn't already sporting a bruised ego and broken heart from the way his best friend left me. But the more midnight run-ins we have, the more I can't help but think about the way his mouth would feel against mine. With each heavy-eyed glance over the dinner table, I'm starting to wonder if the damaged alpha male doesn't harbor more than just loathing towards me. After all, they say hate is the closest emotion to love. And with the way we're skating that thin line, it's bound to burn this whole house down.

"LOVE AT FIRST FLIGHT by Marie Force is most definitely a keeper. It is an astounding book. I loved every single word!" —Wild on Books, 4.5 Bookmarks "Ms. Force did a wonderful job of drawing you in to the story. She made it very realistic in the sense that not only did I fall madly in love with Michael, but she forces you to really feel for Jeremy (Juliana's first love). You are struggling inside as to which man you really want her to be with." —Book Lover, 4.5 Stars "I read this book in less than a twenty-four hour period. I can't remember the last time a story held me as mesmerized as LOVE AT FIRST FLIGHT; I couldn't get enough and wanted more... Ms. Force pens so much more than a simple romance, her voice has that "certain something" which captivates the reader from first word to the last. She creates a story and characters the reader can embrace and cheer on whole-heartedly with a smile and a lump in the throat." —Once Upon A Romance "And to you, Marie Force, what a talented author you are—your characters are captivating and come to life through your writing—they jump out of the pages and into the reader's heart. The plot is well-developed, flows smoothly, and engages the reader from beginning to end. Emotions are strong and

written with such clarity that you feel them inside as if they were your own.” —World According to Books “This isn’t just a romance novel or a legal story or any other classification but a mixture of many that cannot be separated. It’s a fantastic mix of romance against a legal story with danger lurking around every corner. There are high-speed car rides as well as romantic dinners with walks along the beach. An assassin comes into play as well as a teenage witness. It’s a book that should interest a broad spectrum of readers.” —Night Owl Reviews, 4.75 out of 5, Reviewer Top Pick “LOVE AT FIRST FLIGHT by Marie Force is most definitely a keeper. It is an astounding book. I loved every single word!” —Wild on Books, 4.5 Bookmarks “Marie Force really has a knack for getting the reader emotionally involved with her characters. I felt the same way when I read Line of Scrimmage and Love at First Flight is no exception. I have to give kudos to her for writing such an unconventional romance so well. The fact that she could engage my emotions throughout the whole book really is a testament to her skillfulness of storytelling.” —Book Binge “What I really liked about these two characters is the way they take care of each other. There is an art to that, to doing small things for each other without thinking, with pleasure even, because you know the other will appreciate it. Julianna is a nurturing person, with everyone around her, and that’s just what Michael needs. For his part, Michael offers Julianna a helping hand when she needs it, and some space to be an adult, even when he would prefer to get closer.” —AlphaHero
