Interrogating Incest - Vikki Bell 2002-09-11

Winner of British Sociological Association Philip Abrams Memorial Prize 1993 Within feminism incest has often been subsumed under a discussion of sexual violence and abuse. Yet, important as this is, there has been little account of how feminist work itself relates to other ways of talking about and understanding incest. In *Interrogating Incest* Vikki Bell focuses on the issue of incest and its place in sociological theory, feminist theory and criminal law. By examining incest from a critical Foucauldian framework she considers how feminist discourse on incest itself fits into existing ways of talking about sex. Closely surveying the historical background to incest legislation and the theoretical issues involve, Vikki Bell delineates their practical implications and shows what uncomfortable questions and important dilemmas are raised by the criminalisation of incest.

**Sex after Fascism** - Dagmar Herzog 2007-01-22

What is the relationship between sexual and other kinds of politics? Few societies have posed this puzzle as urgently, or as disturbingly, as Nazi Germany. What exactly were Nazism's sexual politics? Were they repressive for everyone, or were some individuals and groups given sexual license while others were persecuted, tormented, and killed? How do we make sense of the evolution of postwar interpretations of Nazism's sexual politics? What do we make of the fact that scholars from the 1960s to the present have routinely asserted that the Third Reich was "sex-hostile"? In response to these and other questions, *Sex after Fascism* fundamentally reconceives central topics in twentieth-century German history. Among other things, it changes the way we understand the immense popular appeal of the Nazi regime and the nature of antisemitism, the role of Christianity in the consolidation of postfascist conservatism in the West, the countercultural rebellions of the 1960s-1970s, as well as the negotiations between government and citizenry under East German communism. Beginning with a new interpretation of the Third Reich's sexual politics and ending with the revisions of Germany's past facilitated by communism's collapse, *Sex after Fascism* examines the intimately intertwined histories of capitalism and communism, pleasure and state policies, religious renewal and secularizing trends. A history of sexual attitudes and practices in twentieth-century Germany, investigating such issues as contraception, pornography, and theories of sexual orientation, *Sex after Fascism* also demonstrates how Germans made sexuality a key site for managing the memory and legacies of Nazism and the Holocaust.

**Also Known as Rowan Pohn** - Ralph J. Fletcher 2011

After impulsively lying his way into an elite preparatory school, sophomore Bobby Steele hopes to escape the shame of his father's well-publicized incarceration but keeps waiting for his secret to be revealed.

**The Heroic Age** - H. Munro Chadwick 2023-10-20

"The Heroic Age" by H. Munro Chadwick delves into the rich tapestry of the heroic age, offering readers an exploration of legendary figures, myths, and tales from antiquity. Chadwick's scholarship and storytelling breathe life into the heroes and heroines of ancient times, making this book an engaging and informative read for those interested in mythology, folklore, and the cultural narratives that have shaped human history.

The English Teacher's Companion - Jim Burke 2008

Teachers and teacher educators asked for: the latest research on literacy more information about national standards ways to consider gender in instruction advice for teaching Advanced Placement classes ideas for teaching media literacy and incorporating technology effectively into instruction even more resources for mentoring new teachers analysis of how trends in society, culture, and politics impact teachers and their classrooms. And Jim delivers. He has revamped his introductory chapters on literacy learning to include up-to-the-minute thinking from the field, and he has incorporated lists of key standards and helpful suggestions for reaching them. His practical strategies turn recent findings on literacy and gender into well-designed, research-based instruction, and his ideas help you meet the very different needs of AP students by understanding their goals and providing them with appropriate challenges.

**The Writing Teacher's Companion** - Ralph Fletcher 2017-06-15

This warm and practical guidebook by celebrated author and educator

Ralph Fletcher demystifies the teaching of writing and shows how to engage every student.

**The Fantasy of Feminist History** - Joan Wallach Scott 2011-11-11

In *The Fantasy of Feminist History*, Joan Wallach Scott argues that feminist perspectives on history are enriched by psychoanalytic concepts, particularly fantasy. Tracing the evolution of her thinking about gender over the course of her career, the pioneering historian explains how her search for ways to more forcefully insist on gender as mutable rather than fixed or stable led her to psychoanalytic theory, which posits sexual difference as an insoluble dilemma. Scott suggests that it is the futile struggle to hold meaning in place that makes gender such an interesting historical object, an object that includes not only regimes of truth about sex and sexuality but also fantasies and transgressions that refuse to be regulated or categorized. Fantasy undermines any notion of psychic immutability or fixed identity, infuses rational motives with desire, and contributes to the actions and events that come to be narrated as history. Questioning the standard parameters of historiography and feminist politics, Scott advocates fantasy as a useful, even necessary, concept for feminist historical analysis.

**90 Two** - Dastan Khalili 2022-02-02

*90 Two* By: Dastan Khalili *DiaVerse*, dia meaning "two" and verse for the poetic rhyme, is a brand-new style of poetry where the only rule is all stanzas must have a maximum of two words. Created by poet Dastan Khalili, the style of *DiaVerse* breathes new life into poetry. The restraint of *DiaVerse* forces poets to use the purest forms of expression. *90 Two* is ninety of Khalili's *DiaVerse* poems, written over the last five years. He combines his poetic verses with digital artwork and imagery, each conveying a sensation of inspiration that came to life with each poem.

**The Book of Gomorrah and St. Peter Damian's Struggle Against Ecclesiastical Corruption** - Saint Peter Damian 2015

The most accurate and faithful English translation ever produced of St. Peter Damian's *Book of Gomorrah*, an impassioned denunciation of the vice of sodomy among clerics. The work carries a foreword by Cardinal Juan Sandoval Iñiguez, endorsements by eminent scholars, and an account of Damian's struggle against corruption in the Catholic Church. It also includes a preface addressing and resolving certain historical controversies about the text.

Edward de Bono's Masterthinker's Handbook - Edward De Bono 1990-01-01

C'Lick Me - Katrien Jacobs 2007

*C'Lick Me: A Netporn Studies Reader* is an anthology that collects the best material from two years of debate from The Art and Politics of Netporn 2005 conference to the 2007 C'Lick Me festival. The *C'Lick Me* reader opens the field of 'Internet pornography'. Based on non-conventional approaches and mixing academics, artists and activists, it reclaims a critical post-enthusiastic, post-censorship perspective on netporn, a dark field that has been dominated thus far by dodgy commerce and filtering. The *C'Lick Me* reader covers the rise of the netporn society from the Usenet underground to the blogosphere, analyses economic data and search engine traffic, compares sex work with the work of fantasy, disability and accessibility. The reader also expands the notion of digital desire beyond the predictable boundaries of the porn debate and depicts a broader libidinal spectrum ranging from fetish subcultures to digital alienation, from code pornography to war pornography. *C'Lick Me* concludes by re-contextualising queer discourse into a post-porn scenario.

Oedipus Ubiquitous - Allen W. Johnson 1996

Includes bibliographical references and index.

*Commodity Aesthetics, Ideology & Culture* - Wolfgang Fritz Haug 1987

**Incommunicado Reader** - Geert Lovink 2005

The *Incommunicado Reader* brings together papers written for the June 2005 event, and features: Jan Nederveen Pieterse on Digital Capitalism and Development; Roy Pullens on Migration Management (INC commissioned research); Alexandre Freire on Brasil and the FLOSS process; Solomon Benjamin on the E-Politics of Urban Land; and Maja van der Velden on Cognitive Justice.

*Netporn* - Katrien Jacobs 2007-08-20

Netporn delves into the aesthetics and politics of sexuality in the era of do-it-yourself (DIY) Internet pornography. Katrien Jacobs, drawing on digital media theory and interviews with Web porn producers and consumers, offers an unprecedented critical analysis of Web culture as digital artistry and of the corresponding heightened government surveillance and censorship of the Internet. Netporn features Web users who question the goals of global commercial porn industries-whether they are engaged in Usenet fringes, video blogging, peer-to-peer distribution, porn art collectives, or decadent amateurism. Emphasizing gender and cultural differences, Jacobs shows how the creative uses of netporn images and services are important ways of exploring or redefining the 'network body' and indispensable ingredients of a maturing network society.

*The Life and Death of Sophie Stark* - Anna North 2015-05-19

Winner of the 2016 Lambda Literary Award for Bisexual Fiction "I read *The Life and Death of Sophie Stark* with my heart in my mouth. Not only a dissection of genius and the havoc it can wreak, but also a thunderously good story."—Emma Donoghue, *New York Times* bestselling author of *Room* "This novel is perceptive, subtle, funny and lingers in unexpected ways. The analysis of a woman who puts her art above all else is equal parts inspiration and warning story. Anna North makes prose look easy."—Lena Dunham Gripping and provocative, *The Life and Death of Sophie Stark* is a haunting story of fame, love, and legacy told through the propulsive rise of an iconoclastic artist. Sophie Stark begins her filmmaking career by creating a documentary about her obsession, Daniel, a college basketball star. But when she becomes too invasive, she finds herself the victim of a cruel retribution. The humiliation doesn't stop her. Visionary and unapologetic, Sophie begins to use stories from the lives of those around her to create movies, and as she gains critical recognition and acclaim, she risks betraying the one she loves most. Told in a chorus of voices belonging to those who knew Sophie best, *The Life and Death of Sophie Stark* is an intimate portrait of an elusive woman whose monumental talent and relentless pursuit of truth reveal the cost of producing great art. It is "not only a dissection of genius and the havoc it can wreak, but also a thunderously good story" (Emma Donoghue).

**Marshfield Dreams** - Ralph Fletcher 2005-09-01

The colorful boyhood of a popular author comes to life in this personal account Imagine learning from a nosy classmate that your mother is

having yet another baby. To Ralph's classmates, news of one more Fletcher baby is just "scuttlebutt." But for Ralph, the oldest of nine, being part of a large family means more kids to join in the fun—from making tripods in the woods and "snicking" up the rug, to raising chicks and even discovering a meteor (well, maybe). It doesn't feel like there's life beyond Marshfield, Massachusetts. Then one day Dad's new job moves the family to Chicago, and there's so much Ralph has to leave behind. In this humorous and captivating memoir, Ralph Fletcher traces the roots of his storytelling.

*Overcoming School Refusal* - Joanne Garfi 2018-01-31

School refusal affects up to 5% of children and is a complex and stressful issue for the child, their family and school. The more time a child is away from school, the more difficult it is for the child to resume normal school life. If school refusal becomes an ongoing issue it can negatively impact the child's social and educational development. Psychologist Joanne Garfi spends most of her working life assisting parents, teachers, school counsellors, caseworkers, and community policing officers on how best to deal with school refusal. Now her experiences and expertise are available in this easy-to-read practical book. *Overcoming School Refusal* helps readers understand this complex issue by explaining exactly what school refusal is and provides them with a range of strategies they can use to assist children in returning to school. Areas covered include: • types of school refusers • why children refuse to go to school • symptoms • short term and long term consequences • accurate assessment • treatment options • what parents can do • what schools can do • dealing with anxious high achievers • how to help children on the autism spectrum with school refusal

*Montessori Madness* - Trevor Eissler 2009

"We know we need to improve our traditional school system, both public and private. But how? More homework? Better-qualified teachers? Longer school days or school years? More testing? More funding? No, no, no, no, and no. *Montessori Madness!* explains why the incremental steps politicians and administrators continue to propose are incremental steps in the wrong direction. The entire system must be turned on its head. This book asks parents to take a look--one thirty-minute observation--at a Montessori school. Your picture of what education should look like will never be the same"--Back cover.

**Twilight Comes Twice** - Ralph J. Fletcher 1997

Poetic prose describes dusk and dawn and some of the activities that take place at those special times.
