Pluto - Jeffrey Wolf Green 2009-07-31

For richer or poorer, in sickness or in health, you and your partners will meet again and again, over many lifetimes, until you work out the kinks. There's just no way to skirt the issue - your soul needs relationships to evolve. This is the law of relationships, and in this classic work author Jeffrey

Wolf Green clearly illustrates the evolutionary and karmic progression of two people throughout many lifetimes. By incorporating past-life dynamics with modern astrology, Green creates a powerful new paradigm ... evolutionary astrology. Pluto: Volume II elucidates Green's theory that once you understand your past life dynamics, symbolized by Pluto, you will be able to focus on key astrological principles and methods that propel you forward. If you're tired of making the same mistakes again and again... isn't it time that you resolve to evolve?

The crowning jewel of Jeffrey

Pluto Vol II The Souls Evolution Through Relationships

Wolf Green's body of work is found in his system of chart analysis. His teachings on Pluto and its relationships to the North and South Nodes of Moon, which are commonly referred to as the karmic axis, have completely eclipsed all previous information sources on the subject. This is the very foundation of Evolutionary Astrology which he pioneered. This latest compilation of teachings and discussions from the Jeffrey Wolf Green archives library is a treat for both those who have studied the founder's work, and for students newly embarking on investigation into Evolutionary Astrology. Chock full of great examples to help you expand your interpretation skills, Structure of the Soul provides a review of the Pluto paradigm, the core principles of Evolutionary Astrology, the Nodal Axis of Pluto, and an entire section of the book is dedicated to the Planetary Nodes which provide essential background context that can be easily missed without their inclusion in understanding the

evolutionary journey of the Soul. Whether this book is a review or you are coming at it fresh - it is a must read!

Lucifer - Jeffrey Green
2016-09-09

This book, Lucifer: The Influence Of Evil In The Horoscope, is based on some lectures that my father had given towards the end of his lengthy career. These lectures have been edited by Adina Mather so that we are able to put them into this form. My father's desire in shining the light on this influence, and influence that we are all susceptible to, was to help us understand exactly how this influence can manifest in any of our lives. Within this he also taught that the archetype of Lucifer correlates to the 'Bearer of Light'. In essence, the Lucifer archetype correlates to both the influence of Evil, but also to the influence of the natural God/ess that desires for us to be free of the influence of Evil itself. To do so one must be exactly aware of how the influence of Evil actually exists in our lives. This

small book hopefully will do just that. Deva Green

NEPTUNE: WHISPERS FROM ETERNITY by Jeffrey Wolf Green is a groundbreaking book that explains all the core

archetypes that correlate with Neptune, Pisces, and the 12th House. It starts with the core archetypes of consciousness and the structure of the Soul within consciousness in human form. A specific astrological paradigm is presented that allows the reader to understand the core structure of any Soul's consciousness. The natural evolution of the Soul's consciousness is then discussed relative to the four natural evolutionary states or conditions for it to be within, and how the individual Soul consciousness is given a specific identity in each life by way of the egocentric structure that the Soul creates for its ongoing evolutionary needs. All the additional core archetypes are discussed such as the inner directions from the Source of the Soul, God/ess, whispers from eternity that attempt to direct the Soul in its evolutionary needs, the sense and need for ultimate meaning in one's life, delusions and illusions, what can be called the 'god complex, ' deceptions, the collective consciousness

and unconsciousness and each individual Soul's relationship to that, various types of instability of the Soul's consciousness such as schizophrenia, dreams and what types, hope and hopelessness, faith, miracles, the various types of wounding of the Soul, purity, innocence, victimization, scapegoating, the power of imagination, psychic phenomena, a discussion of Neptune's lower octave, Venus, and how this correlates to the essential needs of the Soul in relationships, the transit of Neptune in Pisces, and a natural way that is provable to create a super-conscious state within yourself that allows for a perception, knowing, of the Manifest and Un-manifested Creation: God. Each one of these archetypes is exemplified by way of birth charts, actual case histories, that contributors on the Evolutionary Astrology message board have submitted that will give all of you a 'hands on' feel and understanding of how to apply Evolutionary Astrology in your own life, the life of your friends and lovers,

and your clients if you are a practicing astrologer. There is no other book on Neptune like this one. And, consider this: as you at this very moment are reading these words, you are experiencing the 'world' around you as it is. All the events going on in the world, your country, your region, your city, your group or tribe of like-minded Souls, and your own individual Soul reality within all this. THIS IS YOUR LIVING EXPERIENCE OF NEPTUNE! THIS IS NEPTUNE'S CONSCIOUSNESS. RIGHT NOW, AND IN EVERY OTHER MOMENT IN TIME. THIS IS THE NATURAL TRIAD OF CONSCIOUSNESS SYMBOLIZED BY THE MOON, YOUR EGO, PLUTO, YOUR SOUL, AND NEPTUNE ITSELF: YOUR INDIVIDUALIZED CONSCIOUSNESS RELATIVE TO THE COLLECTIVE CONSCIOUSNESS OF ALL HUMANS.

Understanding Karmic Complexes - Patricia I Walsh 2009-09-01

While studying Evolutionary Astrology with Jeff Green, regression therapist Patricia Walsh realised that the potent combination of the two disciplines could help to resolve current issues which have their roots in past life experiences. The types of issues that arise in past life regressions to be healed are also the exact dynamics that Evolutionary Astrology aims to describe.

Relationships - Jeffrey Wolf Green 2016-06-03

Relationships Our Essential Needs focuses on the core archetypes that all Souls have that correlate with why we form the relationships that we do. It presents a core

archetype between the 12th, 2nd, and 7th Houses from an Evolutionary Astrology point of view that is essential in understanding what the core archetype is that exists in our Souls that is the determinant of how and why we attract those whom we attract. Venus, Mars, the Mars/Pluto Phase, Venus and Mars through the signs and houses, and Pluto in the composite chart are thoroughly presented.

La Structure De L'ame - Jeffrey Green 2016-05-19

LA STRUCTURE DE L'AME par Jeffrey Wolf Green Le plus grand triomphe de l'oeuvre de Jeffrey Wolf Green se trouve dans son système d'analyse des thèmes astraux. Ses enseignements concernant Pluton et ses corrélations avec les noeuds nord et sud de la Lune, qu'il est courant d'appeler l'axe karmique, ont complètement éclipsé toutes les précédentes sources d'information sur le sujet. Ceci est la fondation véritable de l'astrologie évolutionniste qu'il fut le premier à développer. Cette dernière compilation des

enseignements et des discussions sorties de la bibliothèque d'archives de Jeffrey Wolf Green est un cadeau pour ceux qui ont étudié le travail du fondateur et pour les étudiants nouvellement engagés dans l'investigation astrologique évolutionniste. Plein à déborder d'exemples importants pour vous aider à agrandir votre habileté pour l'interprétation, LA STRUCTURE DE L'AME fournit une revue du paradigme plutonien et des principes fondamentaux de l'astrologie évolutionniste ainsi qu'une exploration de l'axe des noeuds de Pluton et, avec ceci, il y a une section entière de l'ouvrage dédiée aux noeuds planétaires qui fournit un essentiel «contexte de fond» qu'on peut facilement laisser échapper sans leur inclusion pour la compréhension du parcours évolutionniste de l'âme. Que ce livre soit une revue ou bien que vous soyez fraîchement venu à lui, pour ainsi dire, c'est un ouvrage à ne pas manquer! Rose Marcus Enseignante

In RELATIONSHIPS: OUR ESSENTIAL NEEDS the core archetypes are presented that correlate with how to understand the essential needs

of any Soul in the context of the relationships that it forms with others in general, and its intimate others specifically. The very first chapter presents an evolutionary astrology paradigm that needs to be deeply grasped in order to understand the inherent architecture within the consciousness of all our Souls that serves as the foundation upon which the root essential needs for any Soul exist. The nature and function of Venus, the nature and function of Mars, the relationship between Pluto, the Soul, and its lower octave, Mars, and the phasal relationship of Mars and Venus are all intensely discussed and presented in order to understand the fuller picture of the essential needs that the Soul has within the relationships that it forms. The signs that both Mars and Venus are in are also presented in order for this understanding to be deepened. The core or root evolutionary cause or intention for the Soul's relationship to another Soul is then discussed in the chapter, Pluto in the

Pluto Vol II The Souls Evolution Through Relationships

Composite Chart. This correlates to two Souls coming together in a relationship that symbolizes where the Souls have been together, the core evolutionary needs and intentions, prior to the current life as well as what the current life evolutionary reasons are in order for those two Souls to continue to evolve in their relationship. Pluto is discussed in each house and sign with its corresponding polarities in each of the natural evolutionary stages of development: the consensus, individuated, and spiritual stages of evolution. And, finally, the last chapter deals with one couple's evolutionary journey together that focuses on the entire core archetypes discussed throughout this book. This book is based on an extraction from Pluto (Vol. II): The Soul's Evolution through Relationships. Specific chapters in that comprehensive book have been chosen for the purposes of this book, which is to help us understand the core and essential needs that we all have in the relationships that

we form.

Essays on Evolutionary Astrology - Ed Deva Green
2011-06-11

When Jeffrey Wolf Green retired and went into seclusion he left his daughter Deva with everything that he had ever written which included drafts of various manuscripts which he had intended to publish at various points. This also included every audio tape, video, dvd, and transcript of his lectures delivered over a lengthy career. He also gave Deva his business and asked her to carry on with it. This book reflects her desire to continue to disseminate his work as widely as possible. In Essays on Evolutionary Astrology: The Evolutionary Journey of The Soul there is a combination of transcribed lectures with parts of various manuscripts, most of which has never been in print before.
