

Real Live Nude Girl

Chronicles Of Sex Positive Culture

Performing Femininity - Lesa Lockford 2004-09-20

A personal, revealing, and sometimes humorous exploration of female experience, *Performing Femininity* challenges traditional and feminist perspectives on gender roles. Using ethnographic method, Lesa Lockford transforms herself into an image-obsessed weight watcher, an exotic dancer, and a theatrical performer. In several evocative narratives, Lockford uses this experimental methodology to rupture the conventional dichotomy of patriarchal versus feminist points of view, goading and challenging her audience as she breaches the borders of these typically opposed ideologies. She

explores how both paradigms constrain women, but also how they are simultaneously enacted and subverted in the 'performances' women play in their daily lives. *Performing Femininity* will be a provocative read for the student of feminist thought and for those researchers looking at innovative ways to produce and present their research.

The Handbook of Language, Gender, and Sexuality - Susan Ehrlich 1991-01-16

Significantly expanded and updated, the second edition of *The Handbook of Language, Gender and Sexuality* brings together a team of the leading specialists in the field to create a comprehensive overview of key historical themes and issues, along with

methodologies and cutting-edge research topics. Examines the dynamic ways that women and men develop and manage gendered identities through their talk, presenting data and case studies from interactions in a range of social contexts and different communities Substantially updated for the second edition, including a new introduction, 24 newly-commissioned chapters, ten updated chapters, and a comprehensive index Includes new chapters on research in non-English speaking countries - from Asia to South America - and cutting-edge topics such as language, gender, and popular culture; language and sexual identities; and language, gender, and socio-phonetics New sections focus on key themes and issues in the field, such as methodological approaches to language and gender, incorporating new chapters on conversation analysis, critical discourse analysis, corpus linguistics, and variation theory Provides unrivalled geographic coverage and an essential resource for a

wide range of disciplines, from linguistics, psychology, sociology, and anthropology to communication and gender studies

Girl Sex 101 - Allison Moon
2015-04-07

"Girl Sex 101 is the best sex guide in years." - DIVA Magazine *Girl Sex 101* is a sex-ed book like no other, offering helpful info for ladies and lady-lovers of all genders and identities, playful and informative illustrations on each page, and over 100 distinct voices, plus a hot narrative that shows you how to put the info to good use! Learn how to navigate the twists and turns of female sexuality, with special guidance from thirteen guest sex educators including Nina Hartley, Sex Nerd Sandra, Jiz Lee, Tristan Taormino, Julia Serano, Reid Mihalko and more! *Girl Sex 101* will teach you... *The bits and pieces that make up female sexual anatomy *Simple ways to communicate in the heat of the moment *How to build a Road Map of your partner s pleasure

*Essential moves for cunnilingus, strap-ons, hand sex and more! *Positions to avoid fatigue and generate the power you need to rock your girl's world! You'll gain confidence to please your girl, no matter what your hands-on experience. Buckle your seat belt and get ready to ride!

Next Wave Cultures - Anita Harris 2012-09-10

Whereas once young women's feminist activism could be easily identified, today this resistance seems obscure, transitory, and disorganized. In *Next Wave Cultures*, established and emerging scholars provide an interdisciplinary examination of young women's multilayered lives. This collection demonstrates that young women have new ways of taking on politics and culture that may not be recognizable under more traditional paradigms, but deserve to be identified as socially engaged and potentially transformative nonetheless. Exploring the ways in which girls' various cultural pursuits are tied to

identity formation and relate to issues of class, sexuality, ethnicity, religion, ability, and gender, *Next Wave Cultures* highlights both the limitations and opportunities afforded by globalization of youth consumer culture. This valuable collection is a necessary read across disciplines—especially to those in the fields of education, gender and cultural studies, sociology, and psychology.

Stripped, 2nd Edition -

Bernadette Barton 2017-01-17

What kind of woman dances naked for money? Bernadette Barton takes us inside countless strip bars and clubs, from upscale to back road as well as those that specialize in lap dancing, table dancing, topless only, and peep shows, to reveal the startling lives of exotic dancers. Originally published in 2006, the product of years of first-hand research in strip clubs around the country, *Stripped* is a classic portrait of what it's like for those who choose to strip as a profession. Barton explores why women begin stripping,

the initial excitement and financial rewards of the work, the dangers of the life—namely, drugs and prostitution—and, inevitably, the difficulties in staying in the business over time, especially for their relationships, sexuality and self-esteem. In this completely revised and updated edition, Barton returns to the strip clubs she originally studied to observe the major changes in the industry that have occurred over the last decade. She examines how “raunch culture” affects exotic dancers’ treatment by their clientele, who are now accustomed to seeing nudity and sexualized performance in accessible, R and X -rated media from a variety of outlets, particularly the Internet. Barton explores how new media has transformed exotic dancing, allowing dancers to build an online brand, but also introducing possibilities for customers to take unauthorized nude photos and videos of the entertainers.. And finally, Barton speaks to new dancers as well as dancers she

interviewed in the previous edition, examining how the toll of stripping still impacts the lives of exotic dancers in a changing industry.

Incorporating new scholarship, new observations, and increased awareness of emerging media technology, Barton brings a fresh and important perspective on the challenges that women face working in the still-thriving world of exotic dancing.

Real Live Nude Girl - Carol Queen 2003-01

Hop on the express train to sexual enlightenment with the updated second edition of REAL LIVE NUDE GIRL by feminist performance artist, bisexual activist, sex educator and self-avowed whore Dr. Carol Queen.

Sex Positivity and White-Sex Supremacy - Carole Clements 2023-08-25

This text critically examines, argues, and demonstrates how the sex-positive movement is complicit in the perpetuation of White Supremacy and anti-black bias in the field of human sexualities, offering white

sexuality professionals embodied ethical antiracist strategies for sexual inclusion and transformational change. In a world where whiteness is considered the sexual and bodily norm, Carole Clements proposes that the sex-positive movement has failed to examine how it maintains White Supremacy through the guise of inclusivity, and how the lack of a critical understanding of what "sex-positive" means has caused harm to black, indigenous, and people of color (BIPOC) individuals and communities alike. Pivoting away from a sex-positive/sex-negative binary, this book establishes a sex-critical discourse by introducing and operationalizing the term "White-sex Supremacy" to produce a racially just and embodied sexual ethic. Chapters begin by looking at sexual science and its racial origins, recounting how both the science of sex and that of race strived for positivist legitimacy in the same historical moment. Moving

from the social construction of racial and sexual hierarchies, chapters look at eugenics and sexology's early "sex-positive" pioneers, such as Margaret Sanger and Havelock Ellis, before examining the establishment of a race-evasive yet distinctly white sexual normality reliant on sex-positive framing. It shows how sex positivity became a popularized term without a clear definition other than "good," and how the legacy of white fragility leads to complicit white silence and the erasure of Black sexualities. Theoretical, practical, and accessible, it offers tangible methods for white sexuality professionals and scholars to learn accompliceship (over allyship) to promote antiracist sexual justice activism. This book is essential reading for white sexuality professionals, including sex educators, sex therapists, marriage and family therapists, licensed professional counselors, psychotherapists, gynecologists, and nurses, who are committed to examining

their whiteness in the context of their commitment to sex positivity.

Pomosexuals - Carol Queen
1997

PoMoSexual: the queer erotica reality beyond the boundaries of gender, separatism, and essentialist notions of sexual orientation.

Live Through This - Sabrina
Chapadjiev 2011-01-04

“The 21 artists, who share their stories of madness, trauma, addiction, abuse and self-destruction, and their relationship to art, leave no vulnerable detail unwritten.”—Shameless A visceral look at the bizarre entanglement of destructive and creative forces, Live Through This is a collection of original stories, essays, artwork, and photography. It explores the use of art to survive abuse, incest, madness and depression, and the often deep-seated impulse toward self-destruction including cutting, eating disorders, and addiction. Here, some of our most compelling cartoonists, novelists, poets, dancers,

playwrights, and burlesque performers traverse the pains and passions that can both motivate and destroy women artists, and mark a path for survival. Taken together, these artful reflections offer an honest and hopeful journey through a woman's silent rage, through the power inherent in struggles with destruction, and the ensuing possibilities of transforming that burning force into the external release of art. With contributions by Nan Goldin, bell hooks, Patricia Smith, Cristy C. Road, Carol Queen, Annie Sprinkle, Elizabeth Stephens, Carolyn Gage, Eileen Myles, Fly, Diane DiMassa, Bonfire Madigan Shive, Inga Muscio, Kate Bornstein, Toni Blackman, Nicole Blackman, Silas Howard, Daphne Gottlieb, and Stephanie Howell.

Public Privates - Marcia R.
England 2018-05

Public Privates focuses on public and private acts and spaces in media to explore the formation of geographies. Situated at the intersections of cultural geography, feminist

geography, and media studies, Marcia R. England's study argues that media both reinforce and subvert traditional notions of public and private spaces through depiction of behaviors and actions within those spheres. Though popular media contribute to the erosion of indistinct edges between spaces, they also frequently reinforce the traditional dualism through particular codings that designate the normed and gendered socio-spatial actions appropriate in each sphere—producing geographical imaginations and behaviors. England applies her immensely readable construction to a diverse and wide-ranging array of media including *Buffy the Vampire Slayer*, *The Fast and the Furious*, *J-Horror*, sitcoms, *Degrassi*, and reality TV. By examining the gendered representations of public and private spaces in media and how images influence imagined and lived geographies, England shows how popular culture, specifically visual media,

transmits ideologies that disintegrate the already blurred boundaries between public and private spaces.

Strip Show - Katherine Liepe-Levinson 2003-09-01

This book offers an account of an unprecedented North American study of contemporary female and male strip shows. It particularly focuses on the contradictory sex roles, cultural positions, and performance practices of 'straight' strip shows during their second heyday in the early 1990s. Katherine Liepe-Levinson's research took her to over seventy different strip bars, clubs, theatres and sex emporiums ranging from elaborate lap-dancing and couch-dancing 'gentlemen's' clubs in New York, Houston, and San Francisco; to Peoria's onetime duplex cabaret where women strip for men downstairs, and men for women upstairs; to the nightclubs of Montreal where female and male performers displayed the 'Full Monty'. Liepe-Levinson's intriguing, comprehensive study

concentrates on the cultural and theatrical elements of the strip shows themselves including the geographic locations and interior designs of the clubs, the choreography and costumes of the dancers and the all-important participation of the audience. She draws upon a variety of methodologies as well as interviews with performers to explore how the strip show's cultural and theatrical aspects simultaneously uphold and break traditional sex roles. Her findings readily complicate several of the most prominent and prevalent theories about sexual representation, gender and desire.

Burlesque West - Becki Ross
2009-07-25

After the Second World War, Vancouver emerged as a hotbed of striptease talent. In *Burlesque West*, the first critical history of this notorious striptease scene, Becki Ross delves into the erotic entertainment industry at the northern end of the dancers' west coast tour - the North-South route from Los Angeles

to Vancouver that provided rotating work for dancers and variety for club clientele. Drawing on extensive archival materials and fifty first-person accounts of former dancers, strip-club owners, booking agents, choreographers, and musicians, Ross reveals stories that are deeply flavoured with an era before "striptease fell from grace because the world stopped dreaming," in the words of ex-dancer Lindalee Tracey. Though jobs in this particular industry are often perceived as having little in common with other sorts of work, retired dancers' accounts resonate surprisingly with those of contemporary service workers, including perceptions of unionization and workplace benefits and hazards. Ross also traces the sanitization and subsequent integration of striptease style and neo-burlesque trends into mass culture, examining continuity and change to ultimately demonstrate that Vancouver's glitzy nightclub scene, often condemned as a quasi-legal strain of urban blight, in fact

greased the economic engine of the post-war city.

Provocative and challenging, *Burlesque West* combines the economic, the social, the sexual, and the personal, and is sure to intellectually tantalize.

Stripped - Bernadette Barton
2006-05

Bernadette Barton takes us inside countless strip bars and clubs, from upscale to back road as well as those that specialize in lapdancing, table dancing, topless only, or peep shows, to reveal the startling lives of exotic dancers.

Bisexual Perspectives on the Life and Work of Alfred C.

Kinsey - Ron Suresha
2016-02-22

The books commonly known as the Kinsey Report were Dr Alfred C. Kinsey's monumental scientific publishing achievement in 1948, often compared to the atomic bomb for its impact on the American public. On the sexagennial anniversary of the publication of *Sexual Behavior in the Human Male*, this book focuses on Alfred C. Kinsey's work and life. Sixteen chapters consider

the Kinsey legacy, tracing the development of modern American bisexuality, and posing an intriguing and illuminating look at many aspects of bisexuality in Kinsey's life as depicted and lived in popular biographical culture and media.

Contributors to this stellar collection of outstanding writing include the final surviving member of Kinsey's original research team, Dr Paul H. Gebhard, PhD, as well as leading names in the fields of sex research, GLBTIQA activism, and bisexual writing. This book was published as a special issue of the *Journal of Bisexuality* and was a Finalist for the Lambda Literary Award for Excellence in Bisexual Literature.

The Rise of Digital Sex Work

- Kurt Fowler 2023-11-14

"Written in a clear, accessible voice, *Virtually Yours* is an intimate look into the changing face of sex work on the internet, telling the stories of workers themselves - how they share information, grow their business, and build a

worldwide sex worker
community"--

The Politics of Sexuality -

Barry Barry Michael Dank
Sexuality and Culture serves as
a compelling forum for the
analysis of ethical, cultural,
psychological, social, and
political issues related to
sexual relationships and sexual
behavior. These issues include,
but are not limited to: sexual
consent and sexual
responsibility; sexual
harassment and freedom of
speech and association; sexual
privacy; censorship and
pornography; impact of
film/literature on sexual
relationships; and university
and governmental regulation of
intimate relationships. The
central theme of this volume is
the politics of sexuality.
Theoretical essays, research
reports, and book reviews
examine the topics of sexual
harassment law as a sexual
control mechanism, censorship
of sexual materials, and
criminalization of
commercialized sexuality. A
special section focuses on the
Clinton-Lewinsky affair with

contributions by David
Steinberg, John Furedy, and
Joseph Fulda. Other articles
include: "Trends Towards
Increased Sexual Repression in
the Final Two Decades of the
Twentieth Century" by
Elizabeth Allgeier; "Naked but
Unseen: Sex and labor conflict
in San Francisco's Adult
Entertainment Theaters" by
Kerwin Kay; "A test of the
Biopolitics Hypothesis" by
Kenneth Westhues; "Scientific
and Fictive Sociology: The
Viability of Research" by
Edwina Taborsky and Reena
Sommer; and "Sex
Entertainment for Women on
the Web" by Marjorie Kibby.
Also included are reviews of
books, including Faculty-
Student Sexual Involvement:
Issues and Interventions, by
Virginia Stamler and Gerald
Stone; Heterophobia: Sexual
Harassment and the Future of
Feminism, by Daphne Patai;
Sex among Allies: Military
Prostitution in US-Korea
Relations, by Katharine H.
Moon; and American Homo by
Jeffrey Escoffier. The Politics of
Sexuality will be of interest to

general readers as well as to scholars (sociologists, psychologists, legal analysts), policymakers, and members of the sex work and sex entertainment communities.

Stripping, Sex, and Popular Culture - Catherine M. Roach
2011-01-01

Moving from first hand interviews with dancers and others, this book broadens into an accessible examination of the popularity of "striptease culture," with sex-saturated media imagery, and stripper aerobics at your local gym. It aims to scrutinize the truth of a industry whose norms are increasingly at the center of contemporary society.

Exhibitionism for the Shy - Carol Queen 2010-02

If you want to be the expressive sexual creature of your dreams, but are held back by bashfulness, inhibition, body image issues, or plain old shyness, this is the book for you! This liberating volume teaches women and men, step-by-step, how to become a little- or a lot!-more bold. It features unbuttoning exercises for all

the senses-each calibrated to a progressive comfort zone'-and discussions of: erotic dress dirty talk erotic personas exhibitionistic roleplay involving your partner the sex industry and much more. You'll read interviews with successful (and formerly shy) exhibitionists like Annie Sprinkle, Nina Hartley, Candye Kane, Juliet Anderson, Vanessa del Rio, Lily Burana, and Shar Rednour, And this updated version also includes: a new chapter on internet exhibitionism interviews with Margaret Cho, Violet Blue, Audacia Ray, and Brian Alexander of MSNBC's Sexploration and the author of America Unzipped: In Search of Sex and Satisfaction Book jacket.

San Francisco - Helene Goupil 2005

Arsenal's Unknown City series of alternative guidebooks designed for tourists and hometowners alike turns its attention to the City by the Bay: San Francisco, where stories of notorious murders, city hall scandals, and untold

tales of Chinatown, Haight-Ashbury, and Castro Street share pages with secret dining pleasures, shopping meccas, and nightclub hotspots. From the Summer of Love back in the 1960s to the Winter of Love in 2004, when the mayor of San Francisco made the city the center of the nation's gay marriage debate, San Francisco has consistently been one of America's most colorful and offbeat urban oases. From pot dispensaries in the Lower Haight to the nightspots in the heavily Hispanic Mission district to private karaoke rooms in Japan Town, all of San Francisco's hidden nooks and crannies are exposed. There's info on the Castro district, the heartland of America's gay community; the city's hot restaurant scene, home to arguably the best dining in the nation; tidbits on nearby Napa wineries; multi-level sex clubs; and the alleged whereabouts of active opium dens. There's also the story of the confrontation between Orson Welles and William Randolph Hearst at the St.

Francis Hotel, when Hearst refused Welles' offer of tickets to the premiere of Citizen Kane; the legacy of Alcatraz and legendary prison escape attempts; and notes on San Francisco icons like the Golden Gate Bridge and the Transamerica Building. Ebullient and chock-a-block with facts and figures, this book raises a glass to life in the City by the Bay. Two-color throughout; includes a BART transportation route map. Helene Goupil and Josh Krist are editor and publisher, respectively, of InsideOut Travel magazine, a bimonthly online travel publication that caters to the traveler/adventurer at heart. Helene, Josh, and InsideOut (www.insideoutmag.com) are based in San Francisco. Reshaping the Work-Family Debate - Joan C. Williams 2012-05-07

The United States has the most family-hostile public policy in the developed world. Despite what is often reported, new mothers don't "opt out" of work. They are pushed out by

discriminating and inflexible workplaces. Today's workplaces continue to idealize the worker who has someone other than parents caring for their children. Conventional wisdom attributes women's decision to leave work to their maternal traits and desires. In this thought-provoking book, Joan Williams shows why that view is misguided and how workplace practice disadvantages men—both those who seek to avoid the breadwinner role and those who embrace it—as well as women. Faced with masculine norms that define the workplace, women must play the tomboy or the femme. Both paths result in a gender bias

that is exacerbated when the two groups end up pitted against each other. And although work-family issues long have been seen strictly through a gender lens, we ignore class at our peril. The dysfunctional relationship between the professional-managerial class and the white working class must be addressed before real reform can take root. Contesting the idea that women need to negotiate better within the family, and redefining the notion of success in the workplace, Williams reinvigorates the work-family debate and offers the first steps to making life manageable for all American families.
